## **The Spectator** - 1841

A weekly review of politics, literature, theology, and art.

## **The Facts on File Companion to the French Novel** - Karen L. Taylor 2006

French novels such as "Madame Bovary" and "The Stranger" are staples of high school and college literature courses. This work provides coverage of the French novel since its origins in the 16th century, with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization.

## *The Journey into the Unknown* - Orietta Bosch 2020-06-30

In this autobiographical novel, Orietta Bosch retraces the salient stages of a life, equally marked by good and evil; she was just a teenager when, driven by curiosity, she entered into the back of the shop where she worked and saw a big black book and two dark eyes staring at her. The young Orietta doesn't know it yet but that evil look will remain on her for years, hindering and depriving her of the dearest loved ones, until she lost her only son. It seems that the evil wants to drag her into the abyss of the hell, but the Light does not abandon her; she feels always close the presence of her beloved Simon who, like a guardian angel, accompanies her, comforts her, convinces her not to give in to despair, showing the way of salvation and promises her a new rebirth. This book is about positivity, love, courage. It does not intend to convince anyone, just to spread a message of hope for all, keeping an important promise. Whatever the spirit with which you are preparing to read it, there will be deep emotions, amazement, wonder and a sense of sweet abandonment to a loving force, that sees and plans everything, even in the darkest night. Orietta Bosch was born on May 6, 1959 in Mariano del Friuli, a small town in the province of Gorizia. Professional nurse and writer for mission, she published *The Journey of Orietta*, *Flowers on Scorched Earth* and *The Mountain of Red Stones*, a trilogy that tells the adventure of the man and woman of today, struggling to conquer, in one's life, the dimensions of truth, goodness and beauty.

## Eugene Bullard, Black Expatriate in Jazz-Age Paris - Craig Lloyd 2006-01-01

Although he was the first African American fighter pilot, Eugene J. Bullard is still a relative stranger in his homeland. An accomplished professional boxer, musician, club manager, and impresario of Parisian nightlife between the world wars, Bullard found in Europe a degree of respect and freedom unknown to blacks in America. There, for twenty-five years, he helped define the expatriate experience for countless other African American artists, writers, performers, and athletes. This is the first biography of Bullard in thirty years and the most complete ever. It follows Bullard's lifelong search for respect from his poor boyhood in Jim-Crow Georgia to his attainment of notoriety in Jazz-Age Paris and his exploits fighting for his adopted country, for which he was awarded the Croix de Guerre. Drawing on a vast amount of archival material in the United States, Great Britain, and France, Craig Lloyd unfolds the vibrant story of an African American who sought freedom overseas. Lloyd provides a new look at the black expatriate community in Paris, taking readers into the cabarets where Bullard rubbed elbows with Josephine Baker, Louis Armstrong, and even the Prince of Wales. Lloyd also uses Bullard's life as a lens through which to view the

racism that continued to dog him even in Europe in his encounters with traveling Americans. When Hitler conquered France, Bullard was wounded in action and then escaped to America. There, his European successes counted for little: he spent his last years in obscurity and hardship but continued to work for racial justice. Eugene Bullard, *Black Expatriate in Jazz-Age Paris* offers a fascinating look at an extraordinary man who lived on his own terms and adds a new facet to our understanding of the black diaspora.

## *Studying French Cinema* - Isabelle Vanderschelden 2013-04-22

Taking a text-led approach, with the emphasis on more recent popular films, *Studying French Cinema* is directed at non-specialists such as students of French, Film Studies, and the general reader with an interest in post-war French cinema. Each of the chapters focuses on one or more key films from the groundbreaking films of the nouvelle vague (*Les 400 coups*, 1959) to contemporary documentary (*Etre et avoir*, 2002) and puts them into their relevant contexts. Depending on the individual film, these include explorations of childhood, adolescence and coming of age (*Les 400 coups*, *L'Argent de poche*); auteur ideology and individual style (the films of Jean-Luc Godard and Agnes Varda); the representation of recent French history (*Lacombe Lucien* and *Au revoir les enfants*); transnational production practices (*Le Pacte des loups*); and popular cinema, comedy and gender issues (e.g. *Le Diner de cons*). Each film is embedded in its cultural and political context. Together, the historical discussions provide an overview of post-war French history to the present. Useful suggestions are made as to studies of related films, both those discussed within the book and outside.

## Outlook - Alfred Emanuel Smith 1894

## **William Wetmore Story and His Friends (Abridged, Annotated)** - Henry James 2015-10-01

Henry James' masterful biography of the life of American sculptor, William Story, is a long-forgotten treasure. He includes excerpts of letters from Story's large circle of prominent friends, including Robert Browning, Elizabeth Barrett Browning, James Russell Lowell, Charles Sumner, and others. James, knowing his subject was not a significant figure, chose to make the book more about a reminiscence of Italy (where he had met Story) and the far more prominent people who were friends of Story's. The biography then became by turns a fascinating look at art, Europe, and Americans abroad as only Henry James could have written it. Includes Volume I and Volume II. Well-received when published in 1903, for the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. ## **T. S. Eliot** - James E. Miller Jr. 2005-08-16

Late in his life T. S. Eliot, when asked if his poetry belonged in the tradition of American literature, replied: "I'd say that my poetry has obviously more in common with my distinguished contemporaries in America than with anything written in my generation in England. That I'm sure of. . . . In its sources, in its emotional springs, it comes from America." In *T. S. Eliot: The Making of an American Poet*, James Miller offers the first sustained account of Eliot's early years, showing that the emotional springs of his poetry did indeed

come from America. Miller challenges long-held assumptions about Eliot's poetry and his life. Eliot himself always maintained that his poems were not based on personal experience, and thus should not be read as personal poems. But Miller convincingly combines a reading of the early work with careful analysis of surviving early correspondence, accounts from Eliot's friends and acquaintances, and new scholarship that delves into Eliot's Harvard years. Ultimately, Miller demonstrates that Eliot's poetry is filled with reflections of his personal experiences: his relationships with family, friends, and wives; his sexuality; his intellectual and social development; his influences. Publication of T. S. Eliot: The Making of an American Poet marks a milestone in Eliot scholarship. At last we have a balanced portrait of the poet and the man, one that takes seriously his American roots. In the process, we gain a fuller appreciation for some of the best-loved poetry of the twentieth century.

Colonial America on Film and Television - Bertil O. Österberg 2009-04-15

The early history of American settlement, pioneering, and independence is marked by fascinating characters and events who are often shrouded in legend. Through the eye of the movie camera, filmmakers have sought to capture these characters and to penetrate the mists of time. This comprehensive filmography provides production information and commentary on all films and television episodes set during the years between the first settlements in the future United States and the fledgling country's War of 1812 with Britain.

**Emblematics and Seventeenth-century French Literature** - Laurence Grove 2000

**The Vernacular** - N. Daniel 2017-10-20

The Vernacular is a play, actually a play on words, because some of the dialogue or words in the play are thrown about like a stroke of luck. An African Play on Words brings out in a spectacular way live Black African idioms and their indigenous way of expression. The beginning of the story shows simple meetings and exchanges of views, but as it continues, there are various confrontations - about love and religion - as well as black African history, its silence, mysteries, crude English, and its way of saying or looking at things, some of them musical, some comical. The stories in the book end with an animalistic instinct, where animals of the world are seen exposing their colours, expressing their views about life in the animal kingdom, their grievances, about what the human beings, which the animals call "the master, have overlooked. The book was inspired by the large wave of the African immigration as it features African idioms, proverbs, and their hidden meanings that have been encapsulated into English grammar.

**All Quiet on the Western Front** - Erich Maria Remarque 1996-09-29

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

*The Second Continuation of the Old French Perceval* - Corin F. V. Corley 1987

Internet Children's Television Series, 1997-2015 - Vincent Terrace 2016-12-16

Created around the world and available only on the web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

**North Africans in Contemporary France** - R. Derderian 2016-04-30

Derderian looks at the large North African population in France and their attempts for recognition in a country which has long denied its rich immigration past and present. He considers how the North African community has developed from the late 1970s to the mid-1990s, especially in their political and cultural initiatives. Derderian examines the radio station Radio Beur and the television show La Famille Ramdam, as well as political initiatives and the role of ethnic minorities in defining prominent French sites of memory such as the working-class suburbs or banlieues and the Algerian War. Based largely on oral history, Derderian draws from a wealth of interviews with North African artists and creators as well as various French cultural actors.

*Latin American Cultural Objects and Episodes* - William H. Beezley 2020-11-24

Delight in the cultural aspects of Latin America by observing the objects that give life to history Latin American Cultural Objects and Episodes provides readers with an eclectic and fascinating exploration of Latin American history through the examination of physical objects. Distinguished author and Professor William H. Beezley takes readers on a journey that includes objects used music and visual media, such as movies, documentaries, and television. Forming an integral part of the history they represent, the objects

described in this book tell the tale of the little known or neglected part of Latin American history. While most historical authors and researchers focus on the political and economic life of Latin America, this author uses the objects he highlights to explain and illuminate the daily lives of the Latin American peoples and the legacies that they share. Forming an essential part of a comprehensive understanding of Latin American history, the book includes discussions and explorations of: How objects have transformed and shaped the cultures of Latin America over the years Unusual and interesting objects serendipitously discovered by a variety of researchers and historians Ten chapters, each beginning with an object acting as a synecdoche or metonym that introduces a discussion of Latin American historical life The significance of the objects to particular religious practices, musical traditions, or schools of visual media, such as folk art, film or television Perfect for anyone interested in Latin American life beyond politics and economics, Latin American Cultural Objects and Episodes belongs on the bookshelves of everyone with a curiosity about culture in Latin America as it's revealed through physical objects.

**Reading the World's Stories** - Annette Y. Goldsmith 2016-08-11

Reading the World's Stories is volume 5 in the Bridges to Understanding series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People. USBBY is the United States chapter of the International Board on Books for Young People (IBBY), a Switzerland-based nonprofit whose mission is bring books and children together. The series promotes sharing international children's books as a way to facilitate intercultural understanding and meet new literary voices. This volume follows Children's Books from Other Countries (1998), The World through Children's Books (2002), Crossing Boundaries with Children's Books (2006), and Bridges to Understanding: Envisioning the World through Children's Books (2011) and acts as a companion book to the earlier titles. Centered around the theme of the importance of stories, the guide is a resource for discovering more recent global books that fit many reading tastes and educational needs for readers aged 0-18 years. Essays by storyteller Anne Pellowski, author Beverley Naidoo, and academic Marianne Martens offer a variety of perspectives on international youth literature. This latest installment in the series covers books published from 2010-2014 and includes English-language imports as well as translations of children's and young adult literature first published outside of the United States. These books are supplemented by a smaller number of culturally appropriate books from the US to help fill in gaps from underrepresented countries. The organization of the guide is geographic by region and country. All of the more than 800 entries are recommended, and many of the books have won awards or achieved other recognition in their home countries. Forty children's book experts wrote the annotations. The entries are indexed by author, translator, illustrator, title, and subject. Back matter also includes international book awards, important organizations and research collections, and a selected directory of publishers known for publishing books from other countries.
