The Letters of William Cullen Bryant - William Cullen Bryant 2019-11-05

The second volume of William Cullen Bryant's letters opens in 1836 as he has just returned to New York from an extended visit to Europe to resume charge of the New York Evening Post, brought near to failure during his absence by his partner William Leggett's mismanagement. At the period's close, Bryant has found in John Bigelow an able editorial associate and astute partner, with whose help he has brought the paper close to its greatest financial prosperity and to national political and cultural influence. Bryant's letters of the years between show the versatility of his concern with the crucial political, social, artistic, and literary movements of his time, and the varied friendships he enjoyed despite his preoccupation with a

controversial daily paper, and with the sustenance of a poetic reputation yet unequaled among Americans. As president of the New York Homeopathic Society, in letters and editorials urging widespread public parks, and in his presidency of the New York Society for the Abolition of the Punishment of Death, he gave attention to public health, recreation, and order. He urged the rights of labor, foreign and religious minorities, and free African Americans; his most powerful political effort of the period was in opposition to the spread of slavery through the conquest of Mexico. An early commitment to free trade in material goods was maintained in letters and editorials, and to that in ideas by his presidency of the American Copyright Club and his support of the efforts of Charles Dickens and Harriet Martineau to secure from the United States Congress and international copyright agreement. Bryant's first visit to Great Britain came at the height of his poetic and journalistic fame in 1845, bringing

him into cordial intimacy with members of Parliament, scientists, journalists, artists, and writers. In detailed letters to his wife, published here for the first time, he describes the pleasures he took in breakfasting with the literary patron Samuel Rogers and the American minister Edward Everett, boating on the Thames with artists and with diarist Henry Crabb Robinson, spending an evening in the home of Leigh Hunt, and calling on the Wordsworths at Rydal Mount as well as in the distinctions paid him at a rally of the Anti-Corn-Law League in Covent Garden Theatre, and at the annual meeting in Cambridge of the British Association for the Advancement of Science. Equally fresh are most of the letters to prominent Americans, many of them his close friends, such as the two Danas, Bancroft, Cole, Cooper, Dewey, Dix, Downing, Durand, Forrest, Greenough, Irving, Longfellow, Simms, Tilden, Van Buren, and Weir. His letters to the Evening Post recounting his observations and experiences during travels

abroad and in the South, West, and Northeast of the United States, which were copied widely in other newspapers and praised highly by many of their subscribers, are here made available to the present-day reader.

Jonathan Swift and Popular Culture Myth, Media and the Man - A. Kelly 2016-04-30

Ann Kelly's provocative book breaks the mold of Swift studies. Twentieth century Swift scholars have tended to assess Jonathan Swift as a pillar of the eighteenth-century 'republic of letters', a conservative, even reactionary voice upholding classical values against the welling tide of popularization in literature. Kelly looks at Swift instead as a practical exponent of the popular and impresario of the literary image. She argues that Swift turned his back on the elite to write for a popular audience, and that he annexed scandals to his fictionalized print alter ego, creating a continual demand for works by or about this self-mythologized figure. A fascinating look at print culture, the

commodification of the author, and the history of popular culture, this book should provoke lots of discussion.

Dear Mr Rossetti - Dante Gabriel Rossetti
2000-04-01

The letters that passed between a young unknown provincial journalist and a famous Pre-Raphaelite painter and poet over a period of two years give a fascinating sidelight on 1880s literary life. They illuminate the last years of Dante Gabriel Rossetti and the start of a career that was to make Hall Caine the most popular and best-selling romantic novelist of his time. The value and interest of this book lie in the fact that both sides of a correspondence are printed here together for the first time. It should appeal both to specialists and the general reader. The book contains sixteen plates.

The Complete Works: Poetry, Plays, Letters, Biographies - Robert Browning 2017-07-31

Robert Browning (1812 - 1889) was an English poet and playwright whose mastery of dramatic verse, and in particular the dramatic monologue, made him one of the foremost Victorian poets. His poems are known for their irony, characterization, dark humor, social commentary, historical settings, and challenging vocabulary and syntax. The speakers in his poems are often musicians or painters whose work functions as a metaphor for poetry. His complete works include the life and letters of Robert Browning, letters, poetry, and plays.

Percy Bysshe Shelley - Michael O'Neill
1989-10-24

In 'Percy Bysshe Shelly: A Literary Life' , Michael O'Neill gives a knowledgeable and balanced account of Shelley's literary career from his earliest published work to his last unfinished masterpiece, *The Triumph of Life* . The book draws on recent research about the poet and his age, but its sense of the ways in which texts and contexts interact is sharply independent. Issues discussed include Shelley's social background, his radical politics and his complex response to Enlightenment rationalism. O'Neill stresses Shelley's often disappointed search for an audience, connecting it with the growing sophistication of his poetry and poetics. For Shelley, a poet was the 'combined product' of 'internal powers' and 'external influences' (Preface to *Prometheus Unbound*); this book explores how such a combination manifests itself in his own writings.
