How It Feels to Float -
Helena Fox 2019-05-07
A Kirkus Reviews Best Book of the Year A Chicago Public Library Best of the Best of the Year "Profoundly moving . . . Will take your breath away."
—Kathleen Glasgow, author of *Girl in Pieces* A stunningly gorgeous and deeply hopeful

portrayal of living with mental illness and grief, from an exceptional new voice. Biz knows how to float. She has her people, her posse, her mom and the twins. She has Grace. And she has her dad, who tells her about the little kid she was, and who shouldn't be here but is. So Biz doesn't tell anyone

anything. Not about her dark, runaway thoughts, not about kissing Grace or noticing Jasper, the new boy. And she doesn't tell anyone about her dad. Because her dad died when she was seven. And Biz knows how to float, right there on the surface—normal okay regular fine. But after what happens on the beach—first in the ocean, and then in the sand—the tethers that hold Biz steady come undone. Dad disappears and, with him, all comfort. It might be easier, better, sweeter to float all the way away? Or maybe stay a little longer, find her father, bring him back to her. Or maybe—maybe maybe maybe—there's a third way Biz just can't see yet. Debut author Helena Fox tells a story about love and grief, about inter-generational mental illness, and how living with it is both a bridge to someone loved and lost and, also, a chasm. She explores the hard and beautiful places loss can take us, and honors those who hold us tightly when the current wants to tug us out to sea. "Give this

to all [your] friends immediately."

—Cosmopolitan.com "I haven't been so dazzled by a YA in ages." —Jandy Nelson, author of *I'll Give You the Sun* (via SLJ) "Mesmerizing and timely."

City of Light, City of Poison: Murder, Magic, and the First Police Chief of Paris - Holly Tucker

2017-03-21

"Tucker writes with gusto . . . high drama."—Marilyn Stasio, New York Times Book Review
In the late 1600s, Louis XIV assigns Nicolas de la Reynie to bring order to Paris after the brutal deaths of two magistrates. Reynie, pragmatic and fearless, discovers a network of witches, poisoners, and priests whose reach extends all the way to the king's court at Versailles.

Based on court transcripts and Reynie's compulsive note-taking, Holly Tucker's engrossing true-crime narrative makes the characters breathe on the page as she follows the police chief into the dark labyrinths of crime-ridden Paris, the halls of royal palaces, secret courtrooms, and torture chambers.

If you're looking for a license to chill, come along as cowboy Tully Mars takes his pony to the shore on an unforgettable Caribbean adventure as colorful and wonderfully bizarre as cocktail hour at your favorite expatriate bar. From a lovely sunset sail in Punta Margarita to a wild spring-break foam party in San Pedro, Tully encounters an assortment of treasure hunters, rock stars,

sailors, seaplane pilots, pirates, and even a ghost or two. Waking from a ganja buzz on the beach in Tulum, Tully can't believe his eyes when a 142-foot schooner emerges out of the ocean mist. At its helm is Cleopatra Highbourne, the eccentric 101-year-old sea captain who will take him to a lighthouse on a salty piece of land that will change his life forever. Once again, master storyteller Jimmy Buffett weaves a mesmerizing tale that combines both humor and emotional reflection. After all, one man's cathedral is another man's fishing hole. And in Jimmy Buffett's world, paradise is just a state of mind. After more than two decades of recording and performing music, popular singer-songwriter Jimmy Buffett splashed down into the world of books in 1988, when he cowrote *The Jolly Mon*, a children's book, with his daughter Savannah Jane Buffett, who was then six. In 1989 he published his first stories for adults in *Tales from Margaritaville: Fictional Facts*

and *Factual Fictions*, which was the longest-running New York Times and Publishers Weekly bestseller of that entire year. His next book, the novel *Where Is Joe Merchant?*, immediately hit #1 on the New York Times bestseller list, and in 1998, when his autobiographical book *A Pirate Looks at Fifty* was published, he became one of only six writers to have held the #1 position in the categories of both fiction and nonfiction on the New York Times bestseller list.

If I Survive You - Jonathan Escoffery 2022-09-06
"If I Survive You is a collection of connected short stories that reads like a novel, that reads like real life, that reads like fiction written at the highest level." —Ann Patchett •

"Kaleidoscopic, urgent,

hilarious, revelatory and like nothing you've read before." —Marlon James • "May well be the buzziest debut of 2022." —Oprah Daily A September 2022 IndieNext Pick. A major debut, blazing with style and heart, that follows a Jamaican family striving for more in Miami, and introduces a generational storyteller. In the 1970s, Topper and Sanya flee to Miami as political violence consumes their native Kingston. But America, as the couple and their two children learn, is far from the promised land. Excluded from society as Black immigrants, the family pushes on through Hurricane Andrew and later the 2008 recession, living in a house so cursed that the pet fish launches itself out of its own tank rather than stay. But even as things fall apart, the family remains motivated, often to its own detriment, by what their younger son, Trelawny, calls "the exquisite, racking compulsion to survive." Masterfully constructed with heart and humor, the linked stories in Jonathan Escoffery's

If I Survive You center on Trelawny as he struggles to carve out a place for himself amid financial disaster, racism, and flat-out bad luck. After a fight with Topper—himself reckoning with his failures as a parent and his longing for Jamaica—Trelawny claws his way out of homelessness through a series of odd, often hilarious jobs. Meanwhile, his brother, Delano, attempts a disastrous cash grab to get his kids back, and his cousin, Cukie, looks for a father who doesn't want to be found. As each character searches for a foothold, they never forget the profound danger of climbing without a safety net. Pulsing with vibrant lyricism and inimitable style, sly commentary and contagious laughter, Escoffery's debut unravels what it means to be in between homes and cultures in a world at the mercy of capitalism and whiteness. With If I Survive You, Escoffery announces himself as a prodigious storyteller in a class of his own, a chronicler of American life at its most

gruesome and hopeful.
One Would Think the Deep -
Claire Zorn 2016-05-25
From the multi award-winning author of *The Protected* and *The Sky So Heavy* comes a ground-breaking young adult masterpiece about lost young men Sam stared at the picture of the boy about to be tipped off the edge of the world: the crushing weight of water about to pummel him. Sam has always had things going on in his head that no one else understands, even his mum. And now she's dead, it's worse than ever. With nothing but his skateboard and a few belongings in a garbage bag, Sam goes to live with the strangers his mum cut ties with seven years ago: Auntie Lorraine and his cousins Shane and Minty. Despite the suspicion and hostility emanating from their fibro shack, Sam reverts to his childhood habit of following Minty around and is soon

surfing with Minty to cut through the static fuzz in his head. But as the days slowly meld into one another, and ghosts from the past reappear, Sam has to make the ultimate decision ... will he sink or will he swim.

Someone Is Trying to Tell You
Something This book is a
glimpse into a vast
conversation happening
illegally and in public. All over
the world, people are writing
messages on the walls and
sidewalks of the cities in which
we live. They are staying up
late, breaking the law, and
taking risks to say something
to you. Some of it is funny.
Some of it is beautiful. Lots of
it is upsetting, crazy, and
brilliant at the same time. And
all of it is important. This book
continues that conversation
through the eyes of
photographers who recognized
the importance of those words
on the walls and shared them
with us. Enjoy.

Corner of Bitter and Sweet, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of

their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story

Hard Love - Ellen Wittlinger
2012-06-19

With keen insight into teenage life, Ellen Wittlinger delivers a story of adolescence that is fierce and funny -- and ultimately transforming -- even as it explores the pain of growing up. Since his parents' divorce, John's mother hasn't touched him, her new fiancé wants them to move away, and his father would rather be anywhere than at Friday night dinner with his son. It's no wonder John writes articles like "Interview with the Stepfather" and "Memoirs from Hell." The only release he finds is in homemade zines like the amazing *Escape Velocity* by Marisol, a self-proclaimed "Puerto Rican Cuban Yankee Lesbian." Hanging around the Boston Tower Records for the new issue of *Escape Velocity*,

John meets Marisol and a hard love is born. While at first their friendship is based on zines, dysfunctional families, and dreams of escape, soon both John and Marisol begin to shed their protective shells.

Unfortunately, John mistakes this growing intimacy for love, and a disastrous date to his junior prom leaves that friendship in ruins. Desperately hoping to fix things, John convinces Marisol to come with him to a zine conference on Cape Cod. On the sandy beaches by the Bluefish Wharf Inn, John realizes just how hard love can be.

safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

King Dork - Frank Portman
2008-02-12

As John Green, New York Times bestselling author of *The Fault in Our Stars* said, "King Dork will rock your world." The cult favorite from Frank Portman, aka Dr. Frank of the Mr. T. Experience, is a book like nothing ever done before-- King Dork literally has something for everyone: At

least a half-dozen mysteries, love, mistaken identity, girls, monks, books, blood, bubblegum, and rock and roll. This book is based on music--a passion most kids have--and it has original (hilarious) songs and song lyrics throughout. When Tom Henderson finds his deceased father's copy of J. D. Salinger's *The Catcher in the Rye*, his world is turned upside down. Suddenly high school gets more complicated: Tom (aka King Dork) is in the middle of at least half a dozen mysteries involving dead people, naked people, fake people, a secret code, girls, and rock and roll. As he goes through sophomore year, he finds clues that may very well solve the puzzle of his father's death and—oddly—reveal the secret to attracting semi-hot girls (the secret might be being in a band, if he can find a drummer who can count to four. A brilliant story told in first person, King Dork includes a glossary and a bandography, which readers will find helpful and hilarious. Praise for King Dork:

#1 NEW YORK TIMES

BESTSELLER • John Grisham returns to the iconic setting of his first novel, *A Time to Kill*, as Jake Brigance finds himself embroiled in a controversial trial that exposes a tortured history of racial tension.

"Welcome back, Jake. . . .

[Brigance] is one of the most fully developed and engaging characters in all of Grisham's novels."—USA Today
Seth Hubbard is a wealthy white man dying of lung cancer. He trusts no one. Before he hangs himself from a sycamore tree, Hubbard leaves a new, handwritten will. It is an act

that drags his adult children, his black maid, and defense attorney Jake Brigance into a conflict as riveting and dramatic as the murder trial that made Brigance one of Ford County's most notorious citizens, just three years earlier. The second will raises many more questions than it answers. Why would Hubbard leave nearly all of his fortune to his maid? Had chemotherapy and painkillers affected his ability to think clearly? And what does it all have to do with a piece of land once known as Sycamore Row?
