**Claimed by Gods** - Eva Chase 2019-09-06

The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

Still, she is drawn to this mysterious man who is fiercely protective of her and so reluctant to share his own past. The pair rushes toward the capital, intent to stop an imminent war, pursued by Reuel Dorwan (a dark wizard who has taken a keen interest in Sydelle) and plagued by unusually wild weather. As Sydelle discovers North's dark secret and the reason for his interest in her and learns to master her own mysterious power, it becomes increasingly clear that the fate of the kingdom rests in her fingertips. Prosper Redding is the only unexceptional member of his very successful family, that is, until he discovers a demon living inside him. Turns out, Prosper's great-great-great-great-great-something grandfather made, and then broke - a contract with a malefactor, a demon who exchanges fortune for eternal servitude. Now Alastor, the malefactor, has reawakened and is intent on destroying the Redding fortune, unless they can kill him in the body he inhabits, which, oh, wait, that's Prosper, and why is his grandmother coming at him with a silver blade? In danger from both the demon trying to take over his soul and the family that would rather protect their fortune than their own kin, Prosper narrowly escapes with the help of his long lost Uncle Barnabas and Barnabas's daughter, Nell, a witch in training. According to Barnabas and Nell, they have only days to break the family curse and find a way to banish Alastor back to the demon realm. Until then, Prosper has to deal with Alastor's vengeful mutterings inside his head (not to mention his nasty habit of snacking on spiders). And, every night, Alastor's control over his body grows stronger. . . . As the deadline to the curse draws nearer, Prosper and Nell realize there's more at stake than just the Redding family fortune. . . . that there might be something else out there, something worse than Alastor, that could destroy the balance between the human and demon realms and change the world as they know it forever.
