Half the World - Joe Abercrombie 2015-02-17 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED • ALEX AWARD WINNER • New York Times bestselling author Joe Abercrombie's thrilling series continues in the follow-up to *Half a King*, which George R. R. Martin hailed as "a fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go." "The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all

time."—James Dashner, #1 New York Times bestselling author of *The Maze Runner* Sometimes a girl is touched by *Mother War*. Thorn is such a girl. Desperate to avenge her dead father, she lives to fight. But she has been named a murderer by the very man who trained her to kill. Sometimes a woman becomes a warrior. She finds herself caught up in the schemes of Father Yarvi, Gettland's deeply cunning minister. Crossing half the world to find allies against the ruthless High King, she learns harsh lessons of blood and

deceit. Sometimes a warrior becomes a weapon. Beside her on the journey is Brand, a young warrior who hates to kill, a failure in his eyes and hers, but with one chance at redemption. And weapons are made for one purpose. Will Thorn forever be a pawn in the hands of the powerful, or can she carve her own path? Praise for *Half the World* “An excellent page-turner . . . full of drama and energy.”—New York Daily News “Another entertaining burst of battle, magic and political machinations from the always reliable Joe Abercrombie . . . a thoroughgoing blast, a violent, beautiful rabbit hole of craft that is well worth disappearing into.”—Shelf Awareness “Compelling . . . [Thorn] makes Katniss Everdeen look like Dorothy Gale.”—Chicago Tribune “Splendid . . . Abercrombie has a knack for building characters with pathos and wit. . . . The fast-paced story draws readers along while setting up what promises to be an explosive final showdown.”—Publishers

Weekly “Clever, exciting and unexpected.”—SFF World Praise for Joe Abercrombie’s *Half a King* “Half a King is my favorite book by Joe Abercrombie so far, and that’s saying something.”—Patrick Rothfuss “As in all Abercrombie’s books, friends turn out to be enemies, enemies turn out to be friends; the line between good and evil is murky indeed; and nothing goes quite as we expect. With eye-popping plot twists and rollicking good action, *Half a King* is definitely a full adventure.”—Rick Riordan “Enthralling! An up-all-night read.”—Robin Hobb “Polished and sharp, perhaps his most technically proficient novel yet . . . I dare you to read the first chapter and try not to turn the next page.”—Brent Weeks “Half a King can be summed up in a single word: masterpiece. It’s a coming-of-age story. It’s a Viking saga. It’s a revenge tale and family drama and the return of the prodigal son. But most of all, it’s this: a short time alongside people as weak and blundering as we are and,

guest

in the midst of it all, as heroic. Far too short a time, as it turns out. What a wonderful book.”—Myke Cole “Half a King is full of all the adventure I’ve come to expect from Abercrombie and a tenderness I never knew he had.”—Sam Sykes

The Second World War -

Antony Beevor 2012-06-05

A masterful and comprehensive chronicle of World War II, by internationally bestselling historian Antony Beevor. Over the past two decades, Antony Beevor has established himself as one of the world's premier historians of WWII. His multi-award winning books have included Stalingrad and The Fall of Berlin 1945. Now, in his newest and most ambitious book, he turns his focus to one of the bloodiest and most tragic events of the twentieth century, the Second World War. In this searing narrative that takes us from Hitler's invasion of Poland on September 1st, 1939 to V-J day on August 14, 1945 and the war's aftermath, Beevor describes the conflict and its

global reach -- one that included every major power. The result is a dramatic and breathtaking single-volume history that provides a remarkably intimate account of the war that, more than any other, still commands attention and an audience. Thrillingly written and brilliantly researched, Beevor's grand and provocative account is destined to become the definitive work on this complex, tragic, and endlessly fascinating period in world history, and confirms once more that he is a military historian of the first rank.

Winter of the World - Ken Follett 2012-09-18

"This book is truly epic. . . . The reader will probably wish there was a thousand more pages."

—The Huffington Post Picking up where Fall of Giants, the first novel in the extraordinary Century Trilogy, left off, Winter of the World follows its five interrelated families—American, German, Russian, English, and Welsh—through a time of enormous social, political, and

economic turmoil, beginning with the rise of the Third Reich, through the great dramas of World War II, and into the beginning of the long Cold War. Carla von Ulrich, born of German and English parents, finds her life engulfed by the Nazi tide until daring to commit a deed of great courage and heartbreak American brothers Woody and Chuck Dewar, each with a secret, take separate paths to momentous events, one in Washington, the other in the bloody jungles of the Pacific . . . English student Lloyd Williams discovers in the crucible of the Spanish Civil War that he must fight Communism just as hard as Fascism Daisy Peshkov, a driven social climber, cares only for popularity and the fast set until war transforms her life, while her cousin Volodya carves out a position in Soviet intelligence that will affect not only this war but also the war to come.

The Master and His Emissary - Iain McGilchrist 2019-03-26

A new edition of the bestselling

classic - published with a special introduction to mark its 10th anniversary This pioneering account sets out to understand the structure of the human brain - the place where mind meets matter. Until recently, the left hemisphere of our brain has been seen as the 'rational' side, the superior partner to the right. But is this distinction true? Drawing on a vast body of experimental research, Iain McGilchrist argues while our left brain makes for a wonderful servant, it is a very poor master. As he shows, it is the right side which is the more reliable and insightful. Without it, our world would be mechanistic - stripped of depth, colour and value.

World's Story 2 (Student) -

Angela O'Dell 2018-08-13

This engaging textbook teaches students about the Middle Ages, from the fall of Rome to the Renaissance. Follow this story-based approach to world history as you meet numerous historical figures (including St. Patrick, Genghis Khan, Richard the Lionheart, Joan of Arc, and Martin Luther), visit medieval

sites around the world, and trace the rise and fall of numerous empires and kingdoms. Volume 2 in this series for your junior high students includes: A conversational narrative that brings medieval history to life Gorgeous photographs, artwork, and maps that help students visualize people, places, and events Educational features that dig deeper into the history of the Christian Church Throughout the course, students will see God's guiding hand through history. They will study the major events of the Middle Ages and delve into how society and culture developed and changed. Students will also study medieval civilizations spanning the whole globe, including the Byzantines, Anglo-Saxons, Muslims, Chinese, Japanese, Mongols, Mughals, Vikings, Normans, Russians, Songhai, and Aztecs!

Cazadora - Romina Garber

2021-08-17

In Cazadora, Romina Garber weaves together Argentine folklore and what it means to be illegal in a timely, intimate, and emotionally powerful narrative. Werewolves. Witches. Romance. Resistance. Enter a world straight out of Argentine folklore... Following the events of Lobizona, Manu and her friends cross the mystical border into Kerana—a cursed realm in Argentina—searching for allies and a hiding place. As they chase down leads about the Coven—a mythical resistance manada that might not even exist—the Cazadores chase down leads about Manu, setting up traps to capture and arrest her. Just as it seems the Cazadores have Manu and her friends cornered, the Coven answers their call for help. As Manu catches her breath among these non-conforming Septimus, she discovers they need a revolution as much as she does. But is she the right one to lead them? After all,

hybrids aren't just outlawed.

They're feared and reviled.

What happens when the Coven learns of Manu's dual heritage? Will they still protect her? Or will they betray her? And after running this far, for this long—how much farther can Manu go before her feet get tired, and she stops to take a stand?

Bibliography of Art and Architecture in the Islamic World (2 Vol. Set) - Susan

Sinclair 2012

Following the tradition and style of the acclaimed "Index Islamicus," the editors have created this new Bibliography of Art and Architecture in the Islamic World. The editors have surveyed and, in many cases, annotated a wide range of books and articles from collected volumes and journals published in all European languages (except Turkish) between 1906 and 2011. The editors have ensured that material from a wide range of scholarly traditions and approaches has been consulted in order to make this comprehensive bibliography an

My Story 2 - Craig Froman
2018-08-13

This book of adventure is going to help you learn about something called social studies. Social studies is about people and places around the world. We will talk about what people eat, where our food comes from, how governments are set up, the symbols on flags from different countries and what they mean, how God teaches us to love the people of the world like He does, and much more. The language of this book is English, but we'll share some Italian and Chinese words with you too! My Story, My Country, My World is a course for lower elementary students. It includes basic introductions to history, politics, economics, sociology, and geography, with the ultimate aim of teaching a comprehensive understanding of God's world and the cultures of each country. This is a daily adventure-based curriculum series that encourages families

to explore the world together through four nine-week quests and to understand it better from God's perspective. It is designed with elements that make weekly learning fun and interactive, including: Thankful Time! Government Time! God's Creation Time! My Story Journal It's time to explore God's world and to learn more about others... and more about you too! Get your Quest Collector Cards ready. Each card includes your world map showing the path of each of your four journeys.

Storm of Locusts - Rebecca Roanhorse 2019-04-23

Kai and Caleb Goodacre have been kidnapped just as rumors of a cult sweeping across the reservation leads Maggie and Hastiin to investigate an outpost, and what they find there will challenge everything they've come to know in this "badass" (The New York Times) action-packed sequel to Trail of Lightning. It's been four weeks since the bloody showdown at Black Mesa, and Maggie Hoskie, Diné monster hunter,

is trying to make the best of things. Only her latest bounty hunt has gone sideways, she's lost her only friend, Kai Arviso, and she's somehow found herself responsible for a girl with a strange clan power. Then the Goodacre twins show up at Maggie's door with the news that Kai and the youngest Goodacre, Caleb, have fallen in with a mysterious cult, led by a figure out of Navajo legend called the White Locust. The Goodacres are convinced that Kai's a true believer, but Maggie suspects there's more to Kai's new faith than meets the eye. She vows to track down the White Locust, then rescue Kai and make things right between them. Her search leads her beyond the Walls of Dinétah and straight into the horrors of the Big Water world outside. With the aid of a motley collection of allies, Maggie must battle body harvesters, newborn casino gods and, ultimately, the White Locust himself. But the cult leader is nothing like she suspected, and Kai might not need rescuing after all. When

An Outcast in Another World - Kamikaze Potato
2021-09-12

Rob was an ordinary college sophomore when a pitch-back portal opened up on campus and tried to kidnap his best friend. An act of heroism

Downloaded from
nbsolutions.com on by
guest

resulted in him being taken instead, and he was rewarded for his efforts by being transported to another world with nothing but a sword and the clothes on his back. On the first day, he almost died. On the second day, he almost died. On the third, he began to notice a worrying trend. And almost died Whether he encounters wolves, cliffs, dungeons, monsters, or diseases, every day is a struggle to survive. The one advantage he has is his newfound ability to gain Levels and Stats, making himself stronger in order to survive the hostile lands that he was unceremoniously dumped into. He'll have to gain knowledge of the innerworkings of the world and its magic - progressing both his strength and his knowledge - in order to stay alive long enough to get revenge on whoever kidnapped him away from everything he knew and loved. Overcoming the wilds is just the first step in his journey; the locals aren't fond of humans, and discovering the dark past

behind this new world's history of war and strife changes everything. As far as isekai adventures go, Rob drew the short straw in many ways, but it'll take more than danger at every corner to keep him down. He'll carve out a place in this world with his bare hands if necessary. He'll survive, and then he'll thrive. Whether anyone wants him to or not. -- An Outcast On Another World puts a great focus on story and characterization, making it perfect for fans of traditional fantasy stories, while still including plenty of skills, stats, classes, and progression for LitRPG-lovers to enjoy. The LitRPG elements are incorporated into the main story to construct a cohesive world that's easy to immerse yourself in. Rob's progression is weak to strong, and victories aren't handed to him on a silver platter. No matter how powerful he gets, mid-combat ingenuity is essential to achieving victory. An Outcast In Another World has dark elements to its narrative, but I've included appropriate

humor as a balance, and many readers have told me that some parts made them burst out laughing while other parts tugged at their heartstrings. I truly believe that I've constructed a memorable fantasy RPG story that all types can love, and that you'll enjoy reading it as much as I enjoyed writing it.

To The Blight - Robert Jordan
2002-01-07

Pursued by Trollocs and Myrddrall, Rand and his friends find refuge in the deserted city of Shadar Logoth, but the many dangers they face are far from over. Reprint.

The Way the World Is - Yael Politis

ago. And never tell my brother Robbie how my heart broke every day that he was trapped in the abyss lurking behind those immovable bricks. Maybe I come to this room the way some people visit gravestones. The three doors are all I have left of my loved ones now. The rough, hard rectangles and their merciless mortar, staring back at me. Yesterday. Today. Tomorrow. And me in the waiting room. To open any of these doors is to open a pathway to death. I know this. And yet, they call to me.” Eighteen months have passed since Marina O’Connell first discovered the doors, and her life changed forever. She’s a senior now. And she’s living in a plane of reality with her stepmom and her dad, while Robbie and her mom are in Oregon. She and her best friend Christy are making plans for college. They’re crushing on Mr. Martel, the new history teacher. He’s young enough to inspire them to take the subject seriously, but there’s more to him than good looks. He isn’t who he seems, and when he

confronts Marina with the secret they both share, she realizes that she can’t, or won’t, turn away from the doors that have been calling out to her for months.

And After - Sarah Lyons Fleming 2014-05-29

Cassie Forrest could almost believe life at Kingdom Come Farm is perfect, with Adrian and her friends at her side and spring on the way. The spring thaw also means millions of defrosting zombies, however, and if the past year has taught her anything, it is that life in this new world is highly imperfect. When Safe Zones throughout the country begin to disappear and the zombies at the fences grow in number, Cassie clings to the hope that if she has the people she loves most, it will be all right. But the highly imperfect world makes only one guarantee, zombies never die, never stop and are never satiated.

The End of the Fucking World -

Charles Forsman 2017-08-02
Fantagraphics is proud to publish this edition of TeotFW in conjunction with the 2017

Downloaded from
nbsolutions.com *on by*
guest

television drama on UK's Channel 4 (with distribution via Netflix in the U.S.). Originally released to critical and public acclaim in 2013, Charles Forsman's graphic novel debut follows James and Alyssa, two teenagers living a seemingly typical teen experience as they face the fear of coming adulthood. Forsman tells their story through each character's perspective, jumping between points of view with each chapter. But quickly, this somewhat familiar teenage experience takes a more nihilistic turn as James's character exhibits a rapidly forming sociopathy that threatens both of their futures. He harbors violent fantasies and begins to act on them, while Alyssa remains as willfully ignorant for as long as she can, blinded by young love.

The World Book

Encyclopedia - 2002

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

The Story of the World - S.

Wise Bauer 2006

Presents a history of the ancient world, from 6000 B.C. to 400 A.D.

What a World 1 - Milada Broukal 2004

The two series — What A World and What A Life! — take a fresh approach to reading. High-interest topics ranging from biographies and history to cultures around the world make reading both motivating and pleasurable.

A Voyage Round the World, 2 vols. - George Forster 2000-01-01

George Forster's A Voyage Round the World presents a wealth of geographic, scientific, and ethnographic knowledge uncovered by Cook's second journey of exploration in the Pacific (1772-1775). Accompanying his father, the ship's naturalist Johann Reinhold Forster, on the voyage, George proved a knowledgeable and adept observer. The lively, elegant prose and critical detail of his account, based loosely on his father's journal, make it one of the finest works of eighteenth-century travel literature and an

Downloaded from
nbsolutions.com *on by*
guest

account of prime importance in the history of European contact with Pacific peoples. The Forsters' publications reveal the sophistication and enthusiasm they brought to their observation of Polynesian peoples as well as a sensitivity to the moral ambiguities of contact. The two volumes of George Forster's work include substantially richer descriptions of encounters with island inhabitants than either his father's classic work (*Observations Made during a Voyage round the World*, UH Press, 1996) or Cook's official narrative, and its confident, even visionary, style incorporates a good deal of polemic, particularly in its criticism of the treatment of islanders by Cook's crew. In addition to the range and depth of its anthropological considerations, it provides a thrilling account of life aboard one of Cook's vessels. In its author's German translation, this work becomes a classic of natural history writing, but its original English version has long been neglected by

anglophone scholars. This new scholarly edition makes this important book readily available for the first time since its initial publication more than two centuries ago. But it also presents the work in fresh terms, making it more accessible and relevant to a contemporary audience. The valuable introduction and annotations draw on the wide range of anthropological and ethnohistorical scholarship published since the 1960s and contextualize the book in relation to both the cultures of Oceania documented by the Forsters and the history of European voyaging in the Pacific. Appendixes include a translation of the introduction to the German edition and the polemical pamphlets by George Forster and the ship's astronomer William Wales, in which some of the book's more controversial claims were debated. *A Voyage Round the World* brings the disciplines of history and anthropology to bear on Cook's voyages in an illuminating and readable fashion. This edition will help

Downloaded from
nbsolutions.com *on by*
guest

complete the corpus of basic documents on Cook's voyages-- a crucial resource for researchers in cultural, Pacific, and maritime history; archaeologists, anthropologists, and art historians; and most recently for scholars engaged in revisionist interpretations of eighteenth-century exploration and colonization.

Down World - Rebecca Phelps
2021-03-30

Would you destroy another world to save your own? As the site of a former military base, there have always been rumors that East Township High School was the site of experiments with space and time. For years, students have whispered in the hallways of a doorway created within the school, one that can access multiple timelines and realities, a place known as the Down

World. As the new kid in school and still reeling from the unexplained death of her brother Robbie, Marina O'Connell is only interested in one thing: leaving the past behind. But a chance encounter with handsome Brady Picelli changes everything. He will lead Marina to a startling discovery. The Down World is real and the past, present, and future are falling out of balance. Brady is determined to help Marina discover what really happened to her brother. However, what is taken from one world, must be repaid by another. And Marina is about to discover that even a realm of infinite possibilities has rules that must be obeyed.

What a World 2 - Milada Broukal
2004
