*Anna K* - Jenny Lee 2020-03-03

A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia "Count" Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at

all. Dazzlingly opulent and emotionally riveting, *Anna K: A Love Story* is a brilliant reimagining of Leo Tolstoy's timeless love story, *Anna Karenina*—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.

*Bury Me with Lies* - S.M. Soto 2020-04-06

Some secrets are better left buried... Stuck between life and death, Mackenzie is hell-bent on proving her innocence, and getting revenge on the men who murdered her sister. With one series of unfortunate events after another, Mackenzie must outrun her own fate—death. When secrets unravel and lies become twisted betrayals, Mackenzie finds herself in more danger than she could've realized. Her only saving grace is Baz, the elusive playboy she's given her heart to. But will placing her trust in a man like Baz be her downfall?

**Monsters in the Closet** - Adam Butler 2020-10-13

From pornographic videos of rape and incest to sexual predators around every corner; from online challenges teaching children how to commit suicide to resources teaching them how to conjure up demons; from social media trends praising abortion to completely redefining what it means to be human; these are the monsters in the closet which children and teenagers are being exposed to. America is facing a drastic moral decline, and we are only seeing the beginning of the avalanche.

Narratives which directly attack God's word are being fed to young people. These monsters are very real and may be much closer than you think. Learn about the harmful indoctrination and lies being spread through the internet, social media, and even the classroom, and how you can combat them.

**Girl, Stop Passing Out in Your Makeup** - Zara Barrie 2020-05-19

"Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f\*cked up girl in this f\*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey."—Dayna Troisi, Executive Editor, GO Magazine "Reading Zara's writing will make you feel like you're at your

cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful."—Alexia LaFata, Editor, New York Magazine "If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together."—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

**Saint** - EM Snow 2022-01-11

At Angelview Academy, Saint Angelle is considered God. But don't be fooled by his ridiculous name or that pretty face because Saint? He's as wicked as they come. I should know. I'm the new girl who pissed him off. The nobody who called out his crew of vicious tyrants. The mortal who wouldn't bow then and sure as hell won't now. Saint swears I'll regret it. He vows to own every inch of me. He even promises to make my senior year a living hell. I don't believe him, though. Because if angels can fall, so can so-called gods. And I want to be the one to bring Saint Angelle to his knees. SAINT is a full-length, 80,000 word new adult/ mature high school romance with enemies-to-lovers and bullying themes. It is not recommended for readers under 17 as it contains dubious situations and triggers that some readers may find offensive. It is NOT a standalone and ends in a cliffhanger.

**Why You Won't Go To Hell** - Benjamin Vande Weerdhof Andrews 2015

Can we live a moral life without God? Are religions a force of good in the world? Is there life after death? In Why You Won't Go to Hell, Benjamin Andrews argues that the time of religion is passing, and that humanity must create new laws and new systems to meet the challenges of a modern world based on science, logic, and the betterment of all. The

book aims squarely at those who still seek answers to some of life's biggest questions, or those who live in religious communities but fear the consequences of admitting their loss of faith. By drawing on thousands of years of history and cultural beliefs from around the globe, it challenges everything we think we know about spiritualism and religious belief....

**Billionaire Bride** - Tcee Eke 2022-10-14

Hailey Parker, a naive young woman of twenty-one, gets more than she bargained for when she gets into a deal in an attempt to protect her fiancé. Leaving the only place she had known all her life, she soon realizes that she had gotten way more than she'd bargained for and lots of buried secrets spill out in the open leaving her broken and defenseless. With everything in her, she wishes to go back to the girl she was before, but if wishes were horses bitches could ride. Her horrible nightmare had just begun. Will she rise above the rushing tides or will she let it sweep her under?

**Good Girls Go to Heaven** - Jana U. Ehrhardt 1999-03-01

Tells you how to break the rules & get what you want from your job, your family, & your relationship. Explores what goes into creating the "good girl" mentality that convinces women to settle for leftovers instead of reaching for the gold. Shows that not only are bad girls more confident & assertive than their good sisters, but that they are happier & more successful. They need to believe in their abilities, trust their intelligence & competence, & embrace risk. Ehrhardt outlines the mental traps & submissive body language that keep women from asserting themselves, & shares clear, effective strategies for greater happiness.

Tricky Princess - L.L. Campbell 2022-09-13

A Shadowborn Prince of Hel and a feared, all-powerful Trickster Witch will learn once again that not everything is as it seems in this second installment of the Tricky Magic series. Travel to Hel with this steamy dark romance that has all your favorite things: Shadow play, supernaturals, loveable characters, and some tricky magic. Rosier, crown prince and commander of Hel's four armies, has been desperately avoiding his destiny as a ruler. When his father kidnaps Ellea, the Trickster Witch who gave him something worth living for, he has no

choice but to return home. He must leave the comfort of his secluded life to journey to Hel—a path that is full of monsters, beasts, and terrible memories. Nothing will stand in his way of saving Ellea—not his father, not Hel, and not the Gods. The funny thing is, he will be reminded once again that she never needed saving. Ellea never saw herself stowed away in a castle, surrounded by the dead, sleeping Gods, and demons. While navigating her powers with her captor and newfound friend, she realizes that Hel itself needs work. She misses Ros every second they're apart, but she can't shake the feeling that she is exactly where she belongs. A string of attacks will disrupt Ros and Ellea's magical and steamy reunion. Only Ellea can stop her parents from ruining the balance between mortals and supernaturals, but she may have to give up a piece of her soul to do it. Tricky Princess is a dark paranormal and mythological romance that contains detailed sex scenes, violence, swearing, and emotional trauma.

**Billie Eilish** - Adrian Besley 2020-06-11

With number one songs all over the world, a Bond theme, an armful of Grammys and over 70 million Instagram followers to her name, Billie Eilish is a global star. She has collaborated with Justin Bieber and Khalid, headlined Glastonbury and Coachella, and appeared in Calvin Klein ad campaigns. In her short career she has become an icon for Generation Z. Her postponed world tour is already sold out, spanning North and South America and Europe. Billie grew up in a close-knit family- her brother Finneas still writes and produces her songs - in Highland Park, a suburb of LA. Home-schooled and encouraged to express herself, she was a promising dancer until musical success came literally overnight in 2015. 'Ocean Eyes', a song uploaded to SoundCloud for her dance tutor, received a thousand plays in twenty-four hours. The thirteen-year-old's ethereal singing voice was intoxicating and the track went viral. But she was no one-hit wonder; over the next year, Billie and Finneas produced a series of eclectic tracks resulting in the Don't Smile at Me EP which broke the top twenty in over a dozen countries. She followed up with a record-smashing full length album, When We All Fall Asleep Where Do We Go?, featuring the now-iconic 'Bad Guy'. Her legions of new fans

discovered an artist who, undaunted and even emboldened by her youth, had something to say about independence, veganism, mental health, body image, love and the maelstrom of teenage life. This book follows her journey from singing in her bedroom to performing in massive arenas around the globe, winning Grammys and launching her own fashion line. It reveals the story behind the hits and explores what makes Billie Eilish the most extraordinary teenage star in the world.

*The Things We Learn When We're Dead* - Charlie Laidlaw 2017-01-26

The Things We Learn When We're Dead is about how small decisions can have profound and unintended consequences, but how we can sometimes get a second chance. On the way home from a dinner party, Lorna Love steps into the path of an oncoming car. When she wakes up she is in what appears to be a hospital - but a hospital in which her nurse looks like a young Sean Connery, she is served wine for supper, and everyone avoids her questions. It soon transpires that she is in Heaven, or on HVN, because HVN is a lost, dysfunctional spaceship, and God the aging hippy captain. She seems to be there by accident... or does God have a higher purpose after all? Despite that, The Things We Learn When We're Dead is neither sci-fi nor fantasy. It is a book about memory and how, if we could remember things slightly differently, would we also be changed? In HVN, Lorna can at first remember nothing. But as her memories return - some good, some bad - she realises that she has decisions to make and that, maybe, she can find a way back home.

*The Vigilant Citizen - Articles Compilation* - Vigilant Citizen 2014-06-01

"Signs and symbols rule the world, not words nor laws." - Confucius This timeless quote perfectly sums up the aims of Vigilant Citizen. To

understand the world we live in, we must understand the symbols surrounding us. To understand these symbols, we must dig up their origin, which are often deeply hidden in occult mysteries. Vigilant Citizen aims to go beyond the face value of symbols found in pop culture to reveal their esoteric meaning

*There's a (Slight) Chance I Might Be Going to Hell* - Laurie Notaro 2007-05-29

The first novel from the New York Times bestselling author of The Idiot Girls' Action-Adventure Club is a rollicking tale of small-town peculiarity, dark secrets, and one extraordinary beauty pageant. When her husband is offered a post at a small university, Maye is only too happy to pack up and leave the relentless Phoenix heat for the lush green quietude of Spaulding, Washington. While she loves the odd little town, there is one thing she didn't anticipate: just how heartbreaking it would be leaving her friends behind. And when you're a childless thirtysomething freelance writer who works at home, making new friends can be quite a challenge. After a series of false starts nearly gets her exiled from town, Maye decides that her last chance to connect with her new neighbors is to enter the annual Sewer Pipe Queen Pageant, a kooky but dead-serious local tradition open to contestants of all ages and genders. Aided by a deranged former pageant queen with one eyebrow, Maye doesn't just make a splash, she uncovers a sinister mystery that has haunted the town for decades. "[Laurie Notaro] may be the funniest writer in this solar system."—The Miami Herald

*The Night Comes for Us: Desolation Row Trilogy (Book One)* - T.C. Rinascita 2021-02-16

Japan, 1989. The era of the sukeban (delinquent girl) is at its peak. What was supposed to be Yumi Mimura's first day at her new high school, turns into the longest day of her life. When a schoolyard fight goes wrong, the girl-boss of one of the city's largest gangs is left seriously injured. Yumi, along with her newfound delinquent friends are all marked for death. Now every gang member within a hundred mile radius is out for blood. As daylight fades, the girls must make a dangerous trek behind enemy lines to catch the next train out of the city. The city of Asura

becomes a death trap as other gangs, yakuza, corrupt police and a vicious serial killer slowly circle in on them. Their skills are going to be put to the test as they fight tooth and nail to try and survive the night. And the night is long.

**Where Good Girls Go to Die** - Holly Renee 2017-04-13

It was a bad idea from the beginning. He was my brother's best friend and the definition of unavailable. But I didn't care. I had loved him for as long as I could remember. He was worth the risk. He was worth everything. But then he broke my heart as easily as I fell for him. He watched me fall, spiraling out of control, and as I reached for him, he wasn't there to catch me. So I ran. Four years later, I never expected to see him again. He was still my brother's best friend, and he was more unavailable than ever. He looked every bit the bad boy I knew he was, covered in tattoos and a crooked smile. Guarding my heart from him was top priority because Parker James was where good girls go to die. Unfortunately for him, I wasn't a good girl anymore.

**How to Write Lyrics** - Rikky Rooksby 2021-09-01

Lyrics sheds light on all aspects of writing lyrics for music and will make lyricists and songwriters feel more confident and creative when they tackle lyrics. It's perfect for all songwriters: those who don't like their own lyrics and find lyrics difficult to write, experienced writers looking for a creative edge, and those offering lyrics to set to music in a partnership. The book discusses channeling personal experiences into lyrics, overcoming writer's block, the right lyrics for a bridge, the separation between lyrics and poetry, exploring imagery and metaphor, avoiding clichés, and more. It also offers tips on the various styles of lyrics, from protests, spirituals, and confessionals to narratives and comic songs. New to this edition are artist and song references throughout to reflect musical history to date. Also, a new section

provides examples of taking lyric ideas right through the drafting process, illustrating development and re-drafting and using a handful of contrasting approaches.

*Bad Girls Don't Die* - Katie Alender 2010-06-22

A page-turning, spine-chilling young adult murder mystery about surviving the ghosts around us. Alexis thought she led a typically dysfunctional high school existence. Dysfunctional like her parents' marriage. Or her doll-crazy twelve-year-old sister, Kasey. Or even like

her own anti-social, anti-cheerleader attitude. When a family fight results in some tearful sisterly bonding, Alexis realizes that her life is creeping from dysfunction into danger. Kasey is acting stranger than ever: her blue eyes go green, sometimes she uses old-fashioned language, and she even loses track of chunks of time, claiming to know nothing about her strange behavior. Their old house is changing, too. Doors open and close by themselves. Water boils on the unlit stove, and an unplugged air conditioner turns the house cold enough to see their breath in. Alexis wants to think that it's all in her head, but soon, what she liked to think of as silly parlor tricks are becoming life-threatening: to her, her family, and to her budding relationship with the class president. Alexis knows she's the only person who can stop Kasey—but what if that green-eyed girl isn't even Kasey anymore?

**Be Bad, Be Bold, Be Billie** - Scarlett Russell 2020-08-25

The ultimate guide to living your life to the fullest, featuring full-color illustrations and lessons inspired by multiple Grammy Award-winning musical phenomenon Billie Eilish. "I hope to show people that they shouldn't care what other people think of them. I am really weird and, you know what? I like it, it's special to me, and it's fun to be weird. It's you and it's your life. Do what you want."—Billie Eilish With her trademark neon hair, imaginative, fashion-forward outfits, and thought-provoking lyrics, Billie Eilish refuses to conform to others' expectations of what a young, female pop star should look and sound like. Billie refuses to be labeled, restricted, or dismissed by anyone. An instant internet sensation, she quickly reached the pinnacle of pop culture success. Only eighteen years old, she's already won four Grammy awards (Album of the Year, Best Pop Vocal Album, Record of the Year, and Song of the Year), is the youngest artist to record a James Bond theme song, and has graced the cover of *Vogue* magazine. Billie's fans admire her ability to challenge the status quo and rewrite the rules. An iconoclast who lays down her own beat, she's become the ultimate role model for today's youth, inspiring them live their lives with purpose and no regrets.

Be Bad, Be Bold, Be Billie captures the essence of this extraordinary artist and influencer and the values she embodies: learning to be yourself, standing up for what you believe, and dealing with haters. Scarlett Russell explores Billie's incredible journey to stardom and offers insights and tips on how to adopt her poise and DGAF attitude to get where you want to be. Designed to reflect her distinctive style, Be Bad, Be Bold, Be Billie contains inspiring quotes from Billie and provides interactive exercises and activities to help you: Learn how to amplify your voice and make a difference in the world Identify your strengths and harness them to become your ultimate badass self Create a vision board to achieve what you want in your personal and professional life Practice self-acceptance to improve your overall emotional well-being Discover the perfect Billie song to match your mood A celebration of Billie Eilish's attitude, creativity, and commitment to her art, Be Bad, Be Bold, Be Billie is for anybody wanting a bit more Billie in their lives.

**Bad Girls and Boys Go to Hell (or Not)** - Gloria Neufeld Redekop  
2012-07-26

Description: To question the idea of hell as a default destination is to question the entire fundamentalist evangelical worldview. This book does just that. Fundamentalist evangelicalism holds that the Bible is an infallible authority and that all are born in sin. Sinners go to hell, but Jesus, taking their place, died to save them from hell. How did this belief come to be? What were the effects on people brought up with a belief in the reality of hell? What has been the process of people leaving the fundamentalist evangelical movement? In *Bad Girls and Boys Go To Hell (or not)*, Gloria Neufeld Redekop takes us on her own personal journey as she engages a movement in which she was raised, conducting a careful study of the history of fundamentalist evangelicalism, the attachment to a literal-factual interpretation of the Bible, and an analysis of the experience of those who have left the movement. Endorsements: "A sense of liberation does indeed emerge from knowing that what one was taught as a child is not an eternal reality, but rather a brand of Christianity born out of specific political and theological disputes in the nineteenth and twentieth centuries. I thank Gloria Neufeld Redekop for

helping set captives free from fear, and for clarifying their predicament to those who have never before understood fundamentalist evangelicalism." --From the Foreword by Virginia Ramey Mollenkott, author of *Omnigender* "Only those who have been members of, and thus violated by, fundamentalist evangelicalism can name the pain, expose the guilt, and lay bare the reality that Gloria Neufeld Redekop expresses in this book. To read it is to experience both exhilarating freedom and a new understanding of Christianity." --John Shelby Spong, author of *Re-Claiming the Bible for a Non-Religious World* "Not every reader will agree with every one of Gloria Neufeld Redekop's conclusions . . . But all readers should appreciate the honesty, care, seriousness, and sensitivity of this book. It is a significant memoir, as well as a challenging theological treatise and important sociological study of those who have left fundamentalism behind." --Mark Noll, author of *Turning Points About the Contributor(s):* Gloria Neufeld Redekop (PhD, University of Ottawa) has taught in the College of the Humanities at Carleton University and in the Faculty of Human Sciences at Saint Paul University in Ottawa, Ontario. She is author of *The Work of Their Hands: Mennonite Women's Societies in Canada* (1996).

**Kingdom of Shadow and Light** - Karen Marie Moning 2021-02-23  
NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. From the moment MacKayla Lane arrived in Dublin to hunt her sister's murderer, she's had

to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves. The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . . One who's willing to sacrifice everything.

**Good Girls Lie** - J.T. Ellison 2019-12-30

J.T. Ellison's pulse-pounding new psychological thriller examines the

tenuous bonds of friendship, the power of lies and the desperate lengths people will go to in order to protect their secrets. Goode girls don't lie... Perched atop a hill in the tiny town of Marchburg, Virginia, The Goode School is a prestigious prep school known as a Silent Ivy. The boarding school of choice for daughters of the rich and influential, it accepts only the best and the brightest. Its elite status, long-held traditions and honor code are ideal for preparing exceptional young women for brilliant futures at Ivy League universities and beyond. But a stranger has come to Goode, and this ivy has turned poisonous. In a world where appearances are everything, as long as students pretend to follow the rules, no one questions the cruelties of the secret societies or the dubious behavior of the privileged young women who expect to get away with murder. When a popular student is found dead, the truth cannot be ignored. Rumors suggest she was struggling with a secret that drove her to suicide. But look closely...because there are truths and there are lies, and then there is everything that really happened. Don't miss It's One of Us, the next page-turning thriller from New York Times bestselling author J.T. Ellison!

**Good Girls Go to Heaven, Bad Girls Go Everywhere** - Jana U. Ehrhardt 1997

A guide to shattering the learned behavior of women everywhere outlines what keeps women from asserting themselves, describes the submissive body language that signals passivity, and shares effective strategies for women to pursue their desires.

**The Girls Who Went Away** - Ann Fessler 2007-06-26

"A remarkably well-researched and accomplished book." —The New York Times Book Review "A wrenching, riveting book." —Chicago Tribune In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v. Wade. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those

times, allowing the women to tell their stories in gripping and intimate detail.

*Switched on Pop* - Nate Sloan 2019-12-13

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, *Switched on Pop* brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in *Switched on Pop*.

**Don DeLillo in Context** - Jesse Kavadlo 2022-05-31

Don DeLillo is one of the most important novelists of the late twentieth and early twenty-first century. Yet despite DeLillo's prolific output and scholarly recognition, much of the attention has gone to his works individually, rather than collectively or thematically. This volume provides separate entries into the wide variety and categories of contexts that surround and help illuminate DeLillo's writings. *Don DeLillo in Context* examines how geography, biography, history, media studies, culture, philosophy, and the writing process provide critical frameworks and ways of reading and understanding DeLillo's prodigious body of work.
