Taken by a Dragon - Felicity Heaton 2015-03-10

Possessed by a need to save a beautiful Amazon warrior from the vision he witnessed, Loke snatched her from the midst of the battle between the Third and Fifth realm of the demons, and carried her to his home deep in the black mountains of Hell to protect her. But as the fierce little female awakens, he finds she's anything but grateful, and his dragon instincts roar to life to warn she might be more to him than an enemy—she might be his fated female. Anais remembers meeting a handsome warrior in the heat of battle, a man who was her enemy but who looked at her with eyes that held dark heat and wicked promises. When she wakes to find that same dragon shifter has taken her captive, desire is the last thing on her mind, but escaping him to return to Archangel, the hunter organisation she works for, sounds less than appealing when he reveals the reason he took her—to stop her from dying. Can Loke protect Anais from the dangers of his realm and how far will he go to save her from the future he keeps witnessing? Sea Dragon's Hunger - Rebecca Rivard 2018-03-27

Discover USA Today bestselling author Rebecca Rivard's world of dark shifters and dangerous fae... *Silver Medal, 2019 RONE Awards (Best Paranormal Romance)* Four years ago, dolphin shifter Cassidy O'Byrne fell hard for a sexy Latino from the Rock Run Clan. Nic was dark, brooding—and irresistible. But Nic was keeping a secret, and in the end he left, unknowingly leaving her expecting their baby. Cassidy loves her three-year-old daughter with everything she has. But Nic's secret makes the little girl invaluable to the fae. When a powerful fae comes for her daughter, Cassidy takes her and runs to the only man who can save them. Nic never expected to see Cassidy again, but he'll do anything to keep her and his daughter. He just has to convince Cassidy to give him a second chance—and keep his newfound family safe from the fae. A steamy second chance romance! *Crowned Heart Review ~ InD'Tale Magazine (5 stars)* NOTE: Sea Dragon's Hunger is Book 4.5 in the Fada Shapeshifters Series. All books are standalone with an HEA, but the stories interconnect. If you crave dark shifters, steamy romance and intense emotional storylines, this book is for you. EXCERPT: Nic had been restless all day, and it was growing worse. His Irish mother had been a powerful Seer. Nic couldn't see the future like his mom, but he'd learned to trust his premonitions. Trouble was on the way. He dove into the water. The ocean was a seething mass. A wave crashed over Nic's head. Even in his man form, he could hold his breath much longer than a human. But his animal wanted out. Nic dove deep and let the shift take him. Energy rippled over his skin. For a few seconds, his body was a cluster of incandescent lights—blue, purple, green—before shaping itself into the powerful body of his sea dragon. Nic arced in and out of the waves, reveling in the slide of salt water over his skin. He had rudimentary wings and could fly in short spurts, but the ocean was his element. A school of common dolphins scattered at his approach, chittering anxiously to each other. In this form, Nic measured twenty-five feet from nose to tail, and he had the teeth and claws to match. Nic ignored them. He might be a half-savage dragon, but he drew the line at eating something as intelligent as him. In the sky above, lightning flashed, followed by a crash of thunder. Rain slashed down, pelting his dark-gold hide. He dove beneath the waves, stopping a couple hundred feet down. Above him, the storm still raged, but this deep, the sound was muted, the black waters calm. He glided through the midnight liquid, the premonition riding him like an itch that couldn't be scratched, teasing at a part of him buried so deep, he could go weeks without thinking about it. Trouble. Cassidy O'Byrne. Pain sliced through him, fresh as the day he'd left Ireland—and her. He gritted his teeth and bore it. Then his spine prickled. His dragon was racing for the surface before his mind caught up. Cassidy was here—and she was in danger. THE FADA. Shapeshifters created during Dionysus's infamous bacchanals from a mix of fae, human and animal genes. They're ruthless, untamed—and when they love, it's forever. *BEST SHIFTER SERIES of 2018 ~ PRG Reviewer's Choice Awards*

Learning enough in one year to prove myself isn't going to be easy, but ever since my initiation, I've started dreaming of a man claiming to be a Great Dragon, who can teach me and lend me his power. My Fallen Dragon - C G Rayne 2021-03-04

A blizzard, a completely bare man with the body of a god bleeding in your back yard...wait, what? After waking up to one of the worst snow storms his state has seen in years, Julian Warren expects to see a news report about business and school closures, not the earthshattering news of a mysterious island appearing in the Atlantic seemingly overnight and footage of what looks like a dragon straight out of myth circling said island. Adding to the madness, when a crash in his back yard leads Julian to discover a gorgeous man without a stitch on, bleeding, and with steam rising from his skin, he finds that he suddenly has an injured dragon shifter in need of shelter and care. The problem? Hiding the dragon's existence from a government currently freaking out about dragon sightings compounded by a mountain suddenly appearing in Julian's city would likely lead to a life sentence in prison. Oh, and Julian just may have a teensy crush on his unwitting guest that he thinks would never in a million years be reciprocated... Crashing hard into a cold sea of white is definitely not dragon shifter Sevek's finest moment. Finding himself at the mercy of a Terran man within a world that has been slowly bleeding into his own for centuries, one his king's scholars had been warning him to not get too close to is even worse. Sevek's only priority should be to find a way back to his people without revealing his true nature to the Terrans, yet he can't ignore the desires Julian awakens within him, desires he hasn't felt in years. Courting a mate that could betray him to the Terran military at any moment is beyond stupid, but it could be equally stupid to pass up the gift of a mate fate has offered them both. Can a dragon and a human make a relationship work, or will the fear of an uncertain future for both Sevek and the human world at large tear them apart? This is a complete m/m paranormal romance story with a HEA. It contains several scorching-hot scenes and mature language.

Shadow Thief - Eva Chase 2020-07-22

One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasties from their cages, pocket a few trinkets to pay my bills, and burn the place down on my way out. Just call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies. Stunningly hot lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic demon, and a grimly stoic angel camped out in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. Track down the baddies. Steal back the boss. Don't get killed along the way. Oh, and maybe hook up with a monstrous hottie or two. Piece of cake. I'm so going to regret this. *Shadow Thief is the first book in a new urban fantasy series from bestselling author Eva Chase. If you love kickass heroines with sass to spare, drool-worthy monsters who have their own sense of morality, and steamy romances where there'll be no choosing required, dive in now!*
