For Your Glory - Apostle Joshua Selman 2020-12-09

When you keep wallowing about the things of God and there is no result in your life, the danger is at, a point in time you will become informal about everything God because you do not expect it to produce for you. You will be in church; you will be around the things of God, but you will never truly believe. There are people who at every time God is about to move, they are right at the face of it, but they never believe it will happen in their lives. The bible says blessed is he that believes, unbelief is a dangerous spirit, unbelief is able to make the word of God as powerful as it is of non-effect. He says when you hear his voice harden not your heart as they did in the provocation in the wilderness. God gave them a word, they doubted. God's obsession much more than being worshipped is to be trusted, you don't sit down and use your philosophical, scientific understanding saying, can God make a way in the wilderness? is God able to do this? and we go to school and when we finish school for many people, we become very educated and we become very unwise spiritually because we train ourselves to become scientific in our approach and then we incorporate our intellectualism even into the things of God, so when God says I will do this, you say no, no, God according to my intelligence, according to this and that research and God says nonsense, he opposes all things by the word of his power. unbelief is a dangerous spirit, it can turn any man regardless of the spiritual potentials you have, it can reduce you to ashes. And no.2 illumination; the bible says weeping endures for a night, but joy comes in the morning. The difference between the night and the morning is the rising of light. The Mystery Of Altars and Foundations - Apostle Joshua Selman 2020-11-27

An altar is a gateway between the realm of the spirit and the earth realm that grants unhindered access to certain spirit beings to find legal expression in the earth. An altar is a legal landing spot of the spirit on the earth. An altar is an altar because of the presence of sacrifice, the realm of the spirit wants to interact with the realm of the earth legally and vice versa because the inhabitants of the earth knows that without the realm of the spirit they are limited in the possibilities that they can produce, they call for the assistance of these spirit beings. In agreement to bring these possibilities to the inhabitants of earth, the spirits give their conditions, certain things that can create a habitation that will look exactly like where they are coming from and then they summarize their demands in what they call sacrifice and they ask men to raise certain structures and put certain sacrifices. The kind of sacrifice on the altar depends on the kind of spirit that wants to access the earth, the absence of sacrifice on an altar makes it unqualified to be called an altar, thus, the sacrifice is what makes it an altar and the kind of spirit to whom the altar is raised determines whether the altar will be a good one or a bad one. The Three Most Important Things - Apostle Joshua Selman 2020-12-23

Not everything in your life produces the same effect as far as your destiny is concerned. God gave us 24hours and it's full of several activities that can move us towards destiny but not all of them move us at the same level and not all of them carry the same gravity. It is very important we understand this. I think one of the wrong perceptions that our generation has is that we allocate equal time, equal priority and equal interest to everything and anything. Your time for play is equal to your of prayer. Your time of gisting is equal to your time of personal development. There must be a system of prioritizing your life and I want to show you the three most important things in a man's life in my opinion and supported by scripture. These three areas I want to show you today are worth dying for. Not everything is worth dying for. There are people who have died for nothing; there are people who have died the deaths of fool but it is important to know what is worth committing your energy, your time and your money. At the end of your life, there are only few things that will make your life count. Believe me when I tell you this. In the maze of several activities clamoring for your attention; the average young man is like a magnet attracting different things that need your attention in life and I have found out in my little experience and by the privilege of wisdom and mentorship and the word that in the end of your life, there are not more than four (4) or five (5) things that are worth living for. So, in our business; an attempt to make money, marry, serve God, grow ministries, expand, etc all of these things are important but a time must come in our life where we have to shut the door and ask ourselves "what is really important?" because many of us as I'll be showing you, if you don't know what is important you'll major on the minors and minor on the majors. Laws Of Kingdom Wealth - Apostle Joshua Selman 2020-12-08

We will be discussing the economic system of the kingdom of God, and we need to understand that the battle for wealth and prosperity is not just about the desire to use money to prove a point to people around you, but that there is a program and there is an agenda that is bigger than the personal interest of men, its important to get this, that prosperity is not just about the propriety for affluence but it's the time redemption strategy. Paul was teaching the church in Ephesus and he admonish them to redeem time and he said the reason why they should redeem time is because the days were evil and the days are still evil, so we must access the system of God that makes up time for redemption, also in my previous message, I also spoke about preserving our soul while we prosper, that satan is not after your money, he's not after real estate, he's not after any of these things, he's after the souls of men and that he will use the journey or your desire or your need for financial prosperity to force you to exchange your souls the kind of prosperity that he gives and the bibles says what shall it profit a man to gain the whole world and then looses his soul. The Ministry of the Holy Spirit - Apostle Joshua Selman 2020-12

1Co 2:12 Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. So the bible starts there, by telling us there is a mystery shrouded by the wisdom of God and it is called the hidden wisdom of God and that this hidden wisdom has been kept for the of the saints, please understand and that the bible says this wisdom is not the same as the wisdom of the world nor of the princes of this world that comes to naught. He is trying to show the un-surpassing excellency of this hidden wisdom that relative to the wisdom of the world and relative even to the wisdom of the princes of the world, it comes to naught, it can't be compared, but he says that this wisdom is hidden and that there is only one entity mandated with the responsibility of searching out this wisdom and bringing it to the saints but the bible says whoever by any means can access that wisdom, the destiny of that person regardless is the glory that it was hidden for, the glory of the saints, that means that I can look at your life and know that you have accessed that wisdom by the dimension of glory that vetoes your background, the dimension of glory that vetoes the limitation of glory around your life. There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to the seen that the holy spirit can grant you access to, that if by any means my brothers and sisters, regardless of your background, that you hold on to this wisdom, then your world will see you as a wonder and a marvel, they look at you and they see attributes that are not allowed for humans to have, your hidden wisdom revealed by the spirit. The Blood-triumph - David O. Oyedepo 1995

Church Growth - D. A. G. Heward-mills 2015**A Balanced Christian Life** - Watchman Nee 1981-12-01

"Ephraim is a cake not turned" (Hosea 7.8). This is a figurative way of

saying 'not balanced'. The cake is burned on the one side, uncooked on the other; on one side it is overdone, on the other, totally undone. The cake is unfit to be eaten and is thus destined to be cast out. Our God is most balanced. He is love and He is light. Our Lord Jesus is full of grace and full of truth. The Holy Spirit is the Spirit of wisdom as well as of revelation. In creation, God "hath measured the waters in the hollow of his hand, and meted out heaven with a span, and comprehended the dust of the earth in a measure, and the hills in a balance" (Is. 40.12). Concerning redemption, it is said that "mercy and truth are met together, righteousness and peace have kissed each other. Truth springeth out of the earth; and righteousness hath looked down from heaven" (Ps. 85.10,11). The new creation, therefore, must be well balanced. In this present volume, Watchman Nee attempts to show from God's word the perfect equilibrium of divine truth. Human nature, however, is prone to emphasize one side to the exclusion of the other side of truth. This has caused much confusion and many problems among God's people. It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained. The contents of the book opens with a treatment of the balance between the gate and the way; continues with a presentation of the balance between the objective and the subjective; includes a discussion on the work inward and the work outward in the Christian life, as well as on the rest given and the rest found as promised by Christ; contemplates the other side of prayer frequently neglected, namely, to watch; and concentrates on the other less emphasized aspect of the trespass-offering, that of restoration. The book then provides a commentary on the contrast between the truly meek and the spiritually poor, and finally concludes with a consideration of the equilibrium that is so necessary between the believer's faith and the believer's walk. May all who read this volume be brought into a balanced Christian life.

Extraordinary Fruitfulness - Apostle Joshua Selman 2020-12-12

Nothing ever happens on its own on this earth. Evil or good. Miracles do not happen just like that, tragedy too. Failures do not just happen, success does not just happen, the anointing does not just come, people don't just backslide. There is always certain operations that are initiated even in ignorance. For example, if I kick a speaker by mistake, the pain will not refuse to come to my leg because it thinks I made a mistake, as far as the system of pain is concerned that action calls for it. So, in ignorance, we have activated a lot of spiritual laws and dis-coordinated them and we have become victims of the interplay of those laws. It's like cutting a naked wire and putting it on your head by mistake when it's raining. Now, whether you're aware or not, the wire will not excuse that mistake. It'll shock you. The Mystery Of The Blood - Apostle Joshua Selman 2020-08-09

The Significance of Blood This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do not know what

is it in the blood that is so powerful that even Satan and death- the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood

Why Prophecies Fail - Apostle Joshua Selman 2021-03-09

Introduction Believers continue to struggle with the tragedy of unfulfilled prophecies. Here and there, men and women of God all over the world continue to speak the counsel of God to individuals. Then we notice that people receive these prophecies sincerely but most of them never come to pass. Today is an attempt to show us what may be wrong and also to reveal to us the place of the prophetic and the place of the word of God. This is because there are people, for instance, who have seen things in visions and dreams or have received prophetic word from genuine and anointed men of God. Some of these prophecies may not have been consistent with the dealings of God. Some of them may have been negative prophecies and they have remained helpless believing that just because a man anointed and accredited by God made a pronouncement to them means that nothing could be done about it. So they sit down and allow this prophecies happen 1 Tim 1:18 This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare. Paul was talking to his son in the gospel, Timothy. And he is encouraging him that prophetic word have been released to go ahead of him. Then he tells him that by those prophecies that have gone ahead of him, he should war a good warfare. So it is possible that prophetic word can be sent ahead of a person, whether in ministry, family life, business, etc. There are people here and there who, probably because of their religious affiliations or the kind of the structure of mentorship they have received, they have been trained to ignore and despise the prophetic. Some persons have been very vocal about the fact the prophetic is no longer useful in today's church. All versions of sarcasm have been communicated as regards the prophetic. Whereas, the Bible u settled it once and for all in 1 Thess 5:20. It says "despise not prophesyings." This is a warning. It is telling you that you must not despise prophesy in your journey through life. This means that the Bible recognize that there is a place for the prophetic. If you find yourself in an environment where people or even the leaders there continually despise prophecy, you don't have to fight anybody or create a scene there. Just let it be a settled conviction within you that in the journey of a believer, there is a place for the prophetic. When it comes to prophecy, the Bible tells us that even the scripture is a prophecy.

The Reality of Heaven and Hell - Apostle Joshua Selman 2021-01-18

We started considering the subject of heaven and hell; a very powerful subject. This subject is not taught as much in the body of Christ again for many reasons. We just feel that it puts fear in people and we live in a time and age where people should not be made to be afraid.

Unfortunately, if we do not teach about the reality of the afterlife, that there is eternity beyond this realm, we'll be cheating them. This is the heart of the Christian experience. So, we started last week. Part one was proving to us from scripture that there is a place called heaven and there is a place called hell. In case you've been indoctrinated to believe there is no heaven, it doesn't make any difference there is because one day you'll see one of those places for sure whether you believe it or not. The question is not 'will you spend eternity?' that's a wrong question. It's the location that matters because you'll spend eternity for sure

Spiritual Authority - Watchman Nee 1972-01-01

The chapters in this volume on the nature of Spiritual Authority are drawn from a series of messages delivered by the great Chinese preacher-teacher, Watchman Nee, during a training period for Christian workers in China in 1948.

The Laws Of Favour - Apostle Joshua Selman 2020-11-12

The possibilities of the kingdom are dependent on the truth that we act upon. It is not dependent on God alone. God's desire can be helplessly sabotaged by our inability to understand His systems. The Psalmist said, "open my eyes that I may behold wondrous things from your law". A man can receive nothing except it be given him. If God does not open your eyes, you will only be reading story book. Favor is a reality that we all desire. There is no one who will argue with the fact that a man's life and success is directly dependent on favour. We come from backgrounds that by default should keep us failures forever. Working on human strength,

sometimes your lifetime cannot even remedy the catastrophe that is associated with your backgrounds. It will take decades to remedy the damage that has been made before we can have any chance at success at all. So God programmed a system in His dealings with men where men can rise out of the limitations associated with their backgrounds, mistakes and pains.

The Power of Decisions - Apostle Joshua Selman 2021-10-21

Introduction Believers are only built through the teaching of the word, the communication of the doctrine of scripture is how believers become matured. And the Bible says for this reason, for this course, He gave on to some, apostles, prophets, evangelists, pastors, teachers for the maturing, perfecting of the saints. So, it is important that every time we are exposed to the word of God, no matter how brief, we must receive it with hearts opened and we must listen for transformation, not just information. The Bible says now that you know these things, happy are you if you do them. It is the doers of the word that become blessed, not just the hearer. As the Bible says that we do not be hearers alone but doers of the word. Matters of life and destiny. This book is going to challenge our hearts again and bring to our consciousness some of these truths that govern our faith walk to the end that we be established, strong and built. I commend you to God and to the word of his grace, which is able to build you up and to give you an inheritance among them that are sanctified. I'd like to start by just communicating a burden that

has been in my heart. It is God's desire that believers grow and continue to grow. It is not God's design that a believer get saved and remains at that level. The Bible tells us that growth is part of the expectations of God for a believer. In fact, it says, the path of the just is as a shining light that shines ever brighter onto the perfect day. That means that if believers don't grow, you don't allow space for others to come into the fold. Soul winning demands that as you are saved, you don't remain in that position indefinitely. You get to a point where through the ministry of the Word and the spirit, you are growing. Now, that vacuum should not be left empty. Someone went up to allow you come there. So, whilst you are transiting, you have a responsibility to make sure that the vacuum that you have created is not left. You have an assignment to make sure that as you grow spiritually, someone gets saved through your

life and then begins that journey too. This is how God trained us. Never was there a time when you would look back and not find someone following you, even though you are following. You are growing. There has to be someone who gets saved through your life.
