### Extraordinary Popular

Delusions and the Madness of Crowds - Ian Tinny 2017-12-22

Delusions are exposed to reveal the following: The Nazi salute was performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials?

Those photos and films are rare because people don't want to know the truth about the government's past. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. Explore how the "ancient Roman salute" myth originated from the city of

Rome in the state of New York (not Italy), Francis Bellamy's hometown. Learn about Mussolini's strange gift to the city of Rome, NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome, NY. See how Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere. Discover how Stalin was forced to involuntarily join the allies during WWII. Learn how the word "fascist" is related to the word "faggot." Discover how the military salute was the origin of the Nazi salute. Read why the Pledge of Allegiance would not be performed by anyone today (other than kooks) if the truth were taught in school. Find out who you are, what you are, and how you got to be that way. Also learn who you should blame: your teacher (and the government's schools). Debunk myths about Adolf Hitler, Joseph Stalin, Vladimir Lenin, Mao Zedong, Francis Bellamy (and his cousin Edward Bellamy), Fascism, Unionism,

Socialism, genocide, swastikas, the Pledge of Allegiance to the flag, the cliché "under God," Christianity, modern crusades, ancient Rome, military socialism, Sovietology, crony socialism, and the military-socialism complex.

"Extraordinary Popular Delusions and the Madness of Crowds Today" is long awaited. There is an inferior book from 1841 by author Charles Mackay that is outdated. Mackay's book contains nothing on the 20th century, nor the 21st century, nor the last half of the 19th century. This book provides the latest information. The author Ian Tinny brings the newest delusions and madness that are here for you today! So, let your freak flag fly! The Pointer Institute proudly presents another news-breaking volume from Ian Tinny and the Dead Writers Club (DWC). Much of the madness is illuminated from the work of the historian Dr. Rex Curry. Tinny is a philologist and a forensic fraud analyst. Tinny's work led to the arrest, trial, conviction, and

imprisonment of America's Dumbest Criminals (and the foreclosure of their homes, along with victim restitution liens, and criminal forfeiture judgments, in amounts totaling millions of dollars). Tinny collaborates with the legendary Dead Writer's Club ("DWC" -an author's group) and assists the Pointer Institute for Media Studies to provide remedial education to journalists about history, economics, and government.

reservists. Pearl Harbor so weakened it that it was unable to prevent the Japanese capture of the Philippines and a vast sweep of Pacific islands. By 1945 it was the strongest navy the world had ever seen, with nearly 100 carriers, 41,000 aircraft and 3.3 million men; the unrivalled master of air-sea and amphibious operations, it was poised to invade Japan's home islands after reducing her fleet to scrap and her Pacific empire to impotence and starvation. This extraordinary story is illustrated here with dramatic photos, and nine meticulous colour plates showing a wide range of USN uniforms.
