Poetry as Resistance - Nukhbah
Taj Langah 2020-11-30
Focusing on the culturally and
historically rich Siraiki-
speaking region, often tagged
as 'South Punjab', this book
discusses the ways in which
Siraiki creative writers have
transformed into political
activists, resisting the self-
imposed domination of the
Punjabi-Mohajir ruling elite.
Influenced by Sufi poets, their
poetry takes the shape of both
protest and dialogue. This book
reflects upon the politics of
identity and the political
complications which are a
result of colonisation and later,
neo-colonisation of Pakistan. It
challenges the philosophy of
Pakistan — a state created for
Muslims — which is now taking
the shape of religious
fanaticism, while disregarding
ethnic and linguistic issues
such as that of Siraiki.

Gitanjali - Rabindranath Tagore 2017-06-25T16:22:32Z
Widely regarded as one of the most important figures in Indian (and more specifically Bengali) literary history, Rabindranath Tagore was the first Indian—indeed, the first person outside Europe—to win the Nobel Prize in Literature, largely in recognition of his “spiritual offering of songs,” *Gitanjali*. Tagore himself translated the poems from the original Bengali, taking many liberties in the process. His English translation is rightly recognized as a work distinct from the Bengali original, consisting of major revisions, many elisions, and many poems originally published in other collections. Tagore’s lyrical simplicity, vivid imagery, and themes of nature, spirituality, death, and transcendence combine to produce a truly unique, powerfully moving work of thoughtful beauty. For many who read it, Tagore’s words in Song XCVI ring true: “What I have seen is unsurpassable. I have tasted of the hidden honey of this lotus

that expands on the ocean of light, and thus I am blessed.”

Punjab Reconsidered - Anshu Malhotra 2012-02-21

What is Punjabiya? What are the different notions of Punjab?

This volume analyses these ideas and explores the different aspects that constitute Punjab as a region conceptually in history, culture, and practice.

Each essay examines a different Punjabi culture—language-based and literary; religious and those that define a 'community'; rural, urban, and middle class; and historical, contemporary, and cosmopolitan. Together, these essays unravel the complex foundations of Punjabiya. The volume also shows how the recent history of Punjab—partition, aspirations of statehood, and a large and assertive diaspora—has had a discernible impact on the region's scholarship. Departing from conventional studies on

Punjab, this book presents fresh perspectives and new insights into its regional culture.

Maa - Prem P. Bhalla

We owe our existence to our mothers. A mother gives us

birth, feeds us and protects us from harm. If it weren't for her it is unlikely that we would have survived. Mothers play a key role in the existence of mankind. It is a mother who imparts knowledge and values to a child. She handles the affairs of the home ensuring the welfare and prosperity of the family. Mothers love, are patient and forgiving. Sometimes they also punish. Maa The Universal Mother highlights the concept of the Mother Goddess dear to all Hindus, manifested in many forms, and connects you to the modern times to appreciate the strength of a mother in bringing harmony to our lives through devotion and compassion.

Shahnameh - Abolqasem Ferdowsi 2016-03-08

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the *Shahnameh* to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid

princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Legacies of the Homeland -

Paramjeet Singh 2018-04-07

This book is not intended to provide a list of the 100 'best' books ever written and published by Punjabi authors. Given the sheer range of books written by Punjabi authors and the unpredictability of individual taste, any such definitive list is quite impossible. Secondly, the

choice has been restricted to books that were written by them either in Punjabi, Hindi or Urdu but have been translated into English. Thus, personal choice restricted by availability has dictated this selection. The choice of books includes autobiographies, novels, short stories, poems, and plays. Research books, religious books, and books written originally in English have not been included. From the Introduction I am amazed at the scholarship, the passion and the love with which Paramjeet Singh has written this book. It will be a reference volume for all times. Nirupama Dutt Poet, Journalist & Translator Mr. Singh's effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non-Punjabi readers. I congratulate Mr. Singh on putting together this selection and hope that non-Punjabi readers of this book would find new horizons of cultural experience opening up before them. Of course, for Punjabi readers, it may be yet another

authorised for publication by Yeats in his lifetime. From skilful retellings of ancient Irish myths and legends to passionate meditations on the demands and rewards of youth and old age, these exquisite, occasionally whimsical songs of love, nature and art stand in dramatic contrast to the sombre and angry poems of life in a nation torn by war and uprising. In the rich and recurrent imagery of the rose, the gyre and the tower the reader can trace Yeats's quest to unite intellect and artistry in a single compelling vision. Included in this edition are Yeats's notes complemented by explanatory notes from the esteemed Yeats scholar Richard J. Finneran.

Verses of a Lowly Fakir -

Madho Lal Hussein 2016-01-15
Poet, weaver, mystic, saint, Shah Hussein created a stir in sixteenth-century Punjab through his unconventional lifestyle and the subversive power of his poetry. Popularly known as Madho Lal Hussein, after he adopted the name of his young lover and disciple, he remains a beguiling, enigmatic figure: a firebrand whose growing fame was a cause of anxiety for the political elite, a Muslim who fell in love with a Hindu boy and won his heart and devotion, a rebel philosopher who found solace in ignominy. Deceptively simple and astonishingly relevant, the poems in this
