you think might happen if an amazing alien came down to Earth in her flying saucer? What if she took you on a magical journey through time and space, to see just how powerful you are and what a difference you make? And what if you could be an ACTUAL superhero!! What are you waiting for? LET'S GO!... Five star reviews for 'How to be a Superhero!' - an inspirational story for kids about kindness and how their actions change the world (from pre-publication reviews on Slightly Sorted): "So refreshing... a brilliantly clever story" James "The nicest book for kids about kindness that I've come across. It actually shows how kindness is a real superpower - it taught me a lesson, never-mind my kids!" Kate on Slightly Sorted "Both my son and daughter loved the idea that kindness is a superpower. I actually enjoyed reading this to them, unlike a lot of bedtime stories!" Dennis "Brilliant and beautiful. It's made me cry (in a good way!)" Charlotte "A beautiful story about kindness for kids...

a wonderful new talent" Alexandra "I love the slightly sci-fi aspect... you wouldn't think it would work for a book about kindness, yet somehow it does. And then throw in superheroes too - loving it!" Benjamin "Like Dr Who meets Sliding Doors but for kids... I wish there were more books like this around that really get the point across about how what we do does actually matter" Camilla "Heartwarming and very talented story telling" Faye "I don't know who loved it more, my kids or me. Sits alongside 'Have You Filled a Bucket Today' as a new family favourite" Kyla "I'm getting copies to give to my daughter's friends as birthday gifts, I want everyone to read it!" Rupa "I got this and 'The Invisible String' for my daughter. They're both so lovely and her new favourites" Sara The perfect empowering story for girls and boys, it makes an ideal book present for kids. The Unforgettable Logan Foster #1 - Shawn Peters
2022-01-18

Packed with superheroes, supervillains, and epic showdowns between good and evil, *The Unforgettable Logan Foster* from debut author Shawn Peter shows that sometimes being a hero is just about being yourself. Logan Foster has pretty much given up on the idea of ever being adopted. It could have something to do with his awkward manner, his photographic memory, or his affection for reciting curious facts, but whatever the cause, Logan and his "PP's" (prospective parents) have never clicked. Then everything changes when Gil and Margie arrive. Although they aren't exactly perfect themselves—Gil has the punniest sense of humor and Margie's cooking would have anyone running for the hills—they genuinely seem to care. But it doesn't take Logan long to notice some very odd things about them. They are

out at all hours, they never seem to eat, and there's a part of the house that is protected by some pretty elaborate security. No matter what Logan could have imagined, nothing prepared him for the truth: His PP's are actually superheroes, and they're being hunted down by dastardly forces. Logan's found himself caught in the middle in a massive battle and the very fate of the world may hang in the balance. Will Logan be able to find a way to save the day and his new family?
