Thats something that will lead you to understand even more regarding the globe, experience, some places, subsequently history, amusement, and a lot more?

It is your utterly own era to perform reviewing habit. along with guides you could enjoy now is **New York Notebook** below.

**The Gray Notebook** - Josep Pla 2014-04-08  
Josep Pla's masterpiece, The Gray Notebook, is one of the most colorful and unusual works in modern literature. In 1918, when Pla was in Barcelona studying law, the Spanish flu broke out, the university shut down, and he went home to his parents in coastal Palafrugell. Aspiring to be a writer, not a lawyer, he resolved to hone his

style by keeping a journal. In it he wrote about his family, local characters, visits to cafés; the quips, quarrels, ambitions, and amours of his friends; writers he liked and writers he didn't; and the long contemplative walks he would take in the countryside under magnificent skies. Returning to Barcelona to complete his studies, Pla kept up his diary, scrutinizing life in the big

city with the same unflagging zest and humor. Pla, one of the great Catalan writers, held on to this youthful journal for close to fifty years, reworking and adding to it, until he finally published *The Gray Notebook* as both the first volume and the capstone of his collected works. It is a beautiful, entrancing, delightful book—at once a distillation of the spirit of youth and the work of a lifetime.

**Chomsky Notebook** - Julie Franck 2010-01-08  
Noam Chomsky applies a rational, scientific approach to disciplines as diverse as linguistics, ethics, and politics. His best-known innovations involve a groundbreaking theory of generative grammar, the revolution it initiated in cognitive science, and a radical encounter with political theory and practice. In *Chomsky Notebook*, Cedric Boeckx and Norbert Hornstein tackle the evolution of Chomsky's linguistic theory. Akeel Bilgrami revisits Chomsky's work on freedom and truth, and Pierre Jacob analyzes his naturalism. Chomsky's own contributions

include an interview with Jean Bricmont and an essay each on Edward Said and the natural world. Altogether, these works reveal the penetrating insight of a remarkable intellectual whose thought extends into a number of fields within and outside of academia. For the uninitiated reader and longtime fan, this anthology attests to the power of Chomsky's rationalism and the dexterity of his critical investigations.

**New York A5 Notebook** - 2018

*The Notebook* - Nicholas Sparks 2000-01-05  
Rediscover the unforgettable, heart-wrenching romance set in post-World War II North Carolina, about a young socialite who can't forget the boy who once stole her heart--now one of PBS's Top 100 "Great American Reads." Every so often a love story so captures our hearts that it becomes more than a story-it becomes an experience to remember forever. *The Notebook* is such a book. It is a celebration of how passion

can be ageless and timeless, a tale that moves us to laughter and tears and makes us believe in true love all over again... At thirty-one, Noah Calhoun, back in coastal North Carolina after World War II, is haunted by images of the girl he lost more than a decade earlier. At twenty-nine, socialite Allie Nelson is about to marry a wealthy lawyer, but she cannot stop thinking about the boy who long ago stole her heart. Thus begins the story of a love so enduring and deep it can turn tragedy into triumph, and may even have the power to create a miracle...

**Basquiat : The Unknown Notebooks** - Dieter Buchhart 2015

"Accompanying a major traveling exhibition, this first-ever survey of the rarely seen notebooks of Basquiat features the artist's handwritten notes, poems, and drawings, along with related works on paper and large-scale paintings. With no formal training, Jean-Michel Basquiat (1960-1988) succeeded in developing a new and expressive style to become one of the most

influential artists in the postmodern revival of figurative during the 1980s. In a series of notebooks from the early to mid-1980s, never before exhibited, Basquiat combined text and images reflecting his engagement with the countercultures of graffiti and hip-hop in New York City, as well as pop culture and world events. Filled with handwritten texts, poems, pictograms, and drawings, many of them iconic images that recur throughout his artwork-teepees, crowns, skeleton-like silhouettes, and grimacing masks-and these notebooks reveal much about the artist's creative process and the importance of the written word in his aesthetic. With over 150 notebook pages and numerous drawings and paintings, this important book sheds new light on Basquiat's career and his critical place in contemporary art history."--  
**New York. Visual Notebook** - Alberta Magris 2020

[The Power Notebooks](#) - Katie Roiphe 2020-03-03

Katie Roiphe, culture writer and author of *The Morning After*, shares a “beautifully written” (The New York Times Book Review) “astute memoir [that] reverberates with rich prose, crisp pacing, and self-compassion” (Publishers Weekly) and an essential discussion of how strong women experience their power. Told in a series of notebook entries, Roiphe weaves her often fraught personal experiences with divorce, single motherhood, and relationships with insights into the lives and loves of famous writers such as Sylvia Plath and Simone de Beauvoir. She dissects the way she and other ordinary, powerful women have subjugated their own power time and time again, and she probes brilliantly at the tricky, uncomfortable question of why. “Although Ms. Roiphe seems to be exposing her vulnerabilities here, she is actually, once again, demonstrating her unique brand of fearlessness” (The Wall Street Journal). *The Power Notebooks* is Roiphe’s most vital, thought-provoking, and emotionally intimate work yet.

**Grids & Guides - Red** - Collectif, 2015-09-01  
Our bestseller is now available in red! *Grids & Guides* promises another 144 pages of varied and unusual graph paper (including some new grid designs), interspersed with more engaging charts and infographics--from knot tying to logic expressions--for right- and left-brainers alike. If your designs, notes, or other visual thinking need a splash of color, this is the answer. Encased in the same sturdy, cloth-wrapped cover, this time in a bright new shade.

**The Anti-Anxiety Notebook** - Hod Tamir  
2020-06-15

Reduce your anxiety, manage stress, and become more aware of your thought patterns through this easy-to-use, guided notebook. This notebook utilizes Cognitive Behavioral Therapy, a rigorously-tested & widely-used treatment modality for anxiety, to help you develop the skills to identify, challenge, and change unhelpful thought patterns for the better.

**The Widower's Notebook** - Jonathan Santlofer

2018-07-10

Written with unexpected humor and great warmth, *The Widower's Notebook* is a portrait of a marriage, an account of the complexities of finding oneself single again after losing your spouse, and a story of the enduring power of familial love. "This is deeply moving ... beautifully written and modulated, with a dollop of droll, black humor. It is such an achievement, like running uphill against a strong wind."--Joyce Carol Oates

On a summer day in New York Jonathan Santlofer discovers his wife, Joy, gasping for breath on their living room couch. After a frenzied 911 call, an ambulance race across Manhattan, and hours pacing in a hospital waiting room, a doctor finally delivers the fateful news. Consumed by grief, Jonathan desperately tries to pursue life as he always had--writing, social engagements, and working on his art--but finds it nearly impossible to admit his deep feelings of loss to anyone, not even his beloved daughter, Doria, or to himself. As

Jonathan grieves and heals, he tries to unravel what happened to Joy, a journey that will take him nearly two years.

**The Godfather Notebook** - Francis Ford Coppola 2016-12-20

THE PUBLISHING SENSATION OF THE YEAR FOR EVERY FILM FAN The never-before-published edition of Francis Ford Coppola's notes and annotations on *The Godfather* novel by Mario Puzo reveals the story behind one of the world's most iconic films. The most important unpublished work on one of the greatest films of all time, *The Godfather*, written before filming, by the man who wrote and directed it—Francis Ford Coppola, then only thirty-two years old—reveals the intense creative process that went into making this seminal film. With his meticulous notes and impressions of Mario Puzo's novel, the notebook was referred to by Coppola daily on set while he directed the movie. *The Godfather Notebook* pulls back the curtain on the legendary filmmaker and the film

that launched his illustrious career. Complete with an introduction by Francis Ford Coppola and exclusive photographs from on and off the set, this is a unique, beautiful, and faithful reproduction of Coppola's original notebook. This publication will change the way the world views the iconic film—and the process of filmmaking at large. A must-have book of the season. Nothing like it has ever been published before

**Paco's Story** - Larry Heinemann 2010-05-05  
Paco Sullivan is the only man in Alpha Company to survive a cataclysmic Viet Cong attack on Fire Base Harriette in Vietnam. Everyone else is annihilated. When a medic finally rescues Paco almost two days later, he is waiting to die, flies and maggots covering his burnt, shattered body. He winds up back in the US with his legs full of pins, daily rations of Librium and Valium, and no sense of what to do next. One evening, on the tail of a rainstorm, he limps off the bus and into the small town of Boone, determined to find a

real job and a real bed—but no matter how hard he works, nothing muffles the anguish in his mind and body. Brilliantly and vividly written, Paco's Story—winner of a National Book Award—plunges you into the violence and casual cruelty of the Vietnam War, and the ghostly aftermath that often dealt the harshest blows.  
New York: the Wonder City Notebook - Cavallini & Company 2011-03-01

*I'm the King of New York!* - Paper Boy  
2019-08-19

A softcover journal for fans of Tony Award winning "Newsies The Musical" --- Composer Alan Menken, lyricist Jack Feldman, and author Harvey Fierstein \*\*\*\*\* This journal alternates between 9 LINED pages for writing and 1 BLANK page for sketching/drawing throughout - no text. Size 5.2" x 0.2" x 8" with 110 pages total. Not only does it make a great inspirational gift for fans of the movie and Tony Award-winning Broadway musical, "Newsies," its pages

can be used for class notes, show notes, as a diary, and much more. Make the journal even more special by stuffing a gift certificate, show tickets, or a little cash into the folds. -----  
On the BACK COVER: Broadway Musical: "Newsies." "Newsies The Musical" is based on the 1992 musical film "Newsies," which was inspired by the real-life Newsboys Strike of 1899 in New York City, with music by Alan Menken, lyrics by Jack Feldman, and a book by Harvey Fierstein. "King of New York" is sung when the "Newsies" go on strike and make headlines in the "papes." "Courage is when we face our fear." -----  
Also available from WriteRunBooks.com: "Print your own papes!" ISBN-10: 1981194738 ---- "I'm the King of New York" ISBN-10: 1979284997 ---- "If we stand as one, someday becomes somehow." ISBN-10: 1979284296 ---- "Where does it say we gotta live and die here?" ISBN-10: 1979284423 ---- "Now is the time to seize the day!" ISBN-10: 1979284776 ---- "Now is the time to seize the day!" ISBN:

9781081637262 ---- "Wrongs will be righted if we are united!" ISBN-10: 1979284695 ----  
"Courage is when we face our fear!" ISBN-10: 1981204997 (journal) and ISBN: 9781080063451 (8 x 10 notebook) ---"Stop the WORLD!" ISBN-10: 1981624767, and more Jazmin's Notebook - Nikki Grimes 2000-01-01 Her name is Jazmin, and like the music of her name, her life throbs and swings?a few flat notes to be sure, but also bursting with rich passages that rise and soar. Sitting on her stoop she fills her notebook with laughs, anger, and hope. There?s the risky lure of ?luscious-looking? men and the consequences of free haircuts. This is a fourteen-year-old so-real girl living in Harlem in the 1960?s, ?born with clenched fists? and big dreams, and strengthened by the love of a steadfast sister. Captured within pages of her tough, exuberant life are all the beauty, chaos, confusion, and clarity that accompany the excitement of exploring life?s possibilities?and discovering they are endless.

**The Secrets of the Notebook** - Eve Haas

2013-10-01

A girl learns she's descended from a princess in this New York Times–bestselling true story told with the suspense of a Cold War thriller. “The beautiful owner of this book is dearer to me than my life – August your protector.” This one sentence was the key to a mystery involving some of the greatest and most infamous figures in European history, from Frederick the Great to Napoleon and Hitler—and solved by the author of this book . . . Eve Haas is the daughter of a German Jewish family that took refuge in London after Hitler came to power. Following a terrifying air raid in the Blitz, her father revealed the family secret, that her great-great grandmother Emilie was married to a Prussian prince. He then showed her the leather-bound notebook inscribed to Emilie by the prince. Later in life, when Eve was married and inherited the diary, she became obsessed with proving this birthright. The Secrets of the Notebook tells how she follows the clues, from experts on European

royalty in London to archives in West Germany and then, under threat of being arrested as a spy by the Communist regime, to an archive in East Germany that had never opened its doors to the West. What she unearths is a love story set against the upheaval of the Napoleonic Wars and the anti-Semitism of the Prussian court, and a ruse that both protected Emilie's daughter and probably condemned her granddaughter—Eve's beloved grandmother, Anna—to death in the Nazi camps. A New York Times and international bestseller, *The Secrets of the Notebook* is now being made into a major motion picture. "A roller-coaster ride full of twists and turns." —Cherie Blair, founder of the Cherie Blair Foundation for Women and wife of former prime minister Tony Blair "A compelling, inspiring read, beautifully and honestly written." —John Rutter, CBE, internationally renowned composer and conductor "Fascinating." —BBC News Magazine  
[The Bullet Journal Method](#) - Ryder Carroll

2021-12

THE NEW YORK TIMES BESTSELLER

Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of *The Miracle Morning* In his long-awaited first book, *Ryder Carroll*, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: \* TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. \* ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. \* PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder

Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue

tools in a digital world. \*\*\* This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. \*\*\*

**Atomic Habits** - James Clear 2018-10-16  
The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your

goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the

tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**The Negro Motorist Green Book** - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling

new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

*New York Notebook* - Laurie Rosenwald 2003-03  
Part guidebook, journal, and sketchbook, this vibrantly illustrated notebook includes more than 200 fun tips from a New York native; plus it has plenty of room for you to add info of your own. Not as overwhelming or structured as most guidebooks and much more colorful and spirited, the *New York Notebook* is a great resource for first-time and repeat visitors, as well as for natives wanting to keep track of their favorite spots.

*This is my New York* - Petra de Hamer  
2016-07-07

This is the fourth of a DIY city guide series on the market, now with the most popular city in the USA: New York City. These guides are colouring and creative activity books, travel notebooks, and city guides all in one. Each book

contains beautiful illustrations of the city for you to colour in or finish, inspirational to-do lists, and fun facts about the city. But it also leaves plenty of space for your own stories, drawings, pictures, tickets, notes, and tips. With this journal you create your own city guide full of memories and tips about your trip to the city to cherish as a keepsake of your trip and to inspire friends to go there, too.

*Gardener's Log Book* - The New York Botanical Garden 2018-02-06

This waterproof log book is the perfect place for recording your work in the garden. Use this journal throughout the seasons, from building catalog wish lists early in the year, to noting the first signs of spring, to recording what vegetable crops you planted and their yield, to organizing yourself for bulb planting in fall, to, finally, putting the garden to bed for the winter. A five year grid at the beginning of each month offers space to note annual garden cycles over time, and journal entry pages are lined for notes or

graphed for diagramming plantings. Whether you tend a window box, a cutting garden, or many raised vegetable beds, this is the perfect write-in companion to your gardening. This weatherproof five-year log book includes the following features: -Sturdy waterproof cover to protect pages from rain and muddy soil -Lined pages and gridded paper for plotting beds -Five years of 12-month bloom and harvest grids for recording what you planted and when - Authoritative appendices on composting, pruning, pest and disease control, and container gardening -Useful reminders by season on fertilizing, mulching, and transplanting -Space for listing your favorite sources and suppliers. **Desert Notebooks** - Ben Ehrenreich 2020-07-07 Layering climate science, mythologies, nature writing, and personal experiences, this New York Times Notable Book presents a stunning reckoning with our current moment and with the literal and figurative end of time. Desert Notebooks examines how the unprecedented

pace of destruction to our environment and an increasingly unstable geopolitical landscape have led us to the brink of a calamity greater than any humankind has confronted before. As inhabitants of the Anthropocene, what might some of our own histories tell us about how to confront apocalypse? And how might the geologies and ecologies of desert spaces inform how we see and act toward time—the pasts we have erased and paved over, this anxious present, the future we have no choice but to build? Ehrenreich draws on the stark grandeur of the desert to ask how we might reckon with the uncertainty that surrounds us and fight off the crises that have already begun. In the canyons and oases of the Mojave and in Las Vegas’s neon apocalypse, Ehrenreich finds beauty, and even hope, surging up in the most unlikely places, from the most barren rocks, and the apparent emptiness of the sky. Desert Notebooks is a vital and necessary chronicle of our past and our present—unflinching,

urgent—yet timeless and profound.

**Patricia Highsmith: Her Diaries and**

**Notebooks: 1941-1995** - Patricia Highsmith  
2021-11-16

New York Times • Times Critics Top Books of 2021  
The Times (of London) • Best Books of the Year  
Excerpted in The New Yorker  
Profiled in The Los Angeles Times  
Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist

writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying

social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing

more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

2021-09-28

The Waste Books - Georg Christoph Lichtenberg

2000-09-30

German scientist and man of letters Georg Christoph Lichtenberg was an 18th-century polymath: an experimental physicist, an astronomer, a mathematician, a practicing critic both of art and literature. He is most celebrated, however, for the casual notes and aphorisms that he collected in what he called his Waste Books. With unflagging intelligence and encyclopedic curiosity, Lichtenberg wittily deflates the pretensions of learning and society, examines a range of philosophical questions, and tracks his own thoughts down hidden pathways to disconcerting and sometimes hilarious conclusions. Lichtenberg's Waste Books have been greatly admired by writers as very different as Tolstoy, Einstein, and Andre Breton, while Nietzsche and Wittgenstein acknowledged them

as a significant inspiration for their own radical work in philosophy. The record of a brilliant and subtle mind in action, The Waste Books are above all a powerful testament to the necessity, and pleasure, of unfettered thought.

*City Notebook: A Reporter's Portrait of a  
Vanishing New York* - McCandlish Phillips  
1974-01-01

McCandlish Phillips, whose by-line has been  
familiar to readers of The New York Times since  
1955, has looked into just about every corner of  
the city and has written about nearly every  
aspect of its life. New York is not the same city  
today as it was yesterday. You cannot set foot in  
the same New York twice. Yet you can capture

its momentary essence in City Notebook. One of  
the best metropolitan reporters of the 1950s,  
60s, and 70s has brought together his best  
pieces on the City's life. You will learn, for  
example, about the "rainbow rain" that  
sometimes falls on the City, about the Great Bee  
Roundup, the Case of the Garrulous Parrot, the  
Small World of Melvin Krulewitch, and the fate  
of the Gowanus Canal. The reality of New York is  
made up of millions of such instances, a mosaic  
of people, places, and things. The ones in this  
book have been chosen because they are  
compulsively fascinating, utterly irreplaceable,  
or just very funny. Gay Talese has called  
McCandlish Phillips "one of the best reporters"  
on The Times. People who know his byline relish  
his crisp style and dry wit.

**From the Notebooks of Melanin Sun** -  
Jacqueline Woodson 2010-01-07

Three-time Newbery Honor author Jacqueline  
Woodson explores race and sexuality through  
the eyes of a compelling narrator Melanin Sun

has a lot to say. But sometimes it's hard to speak his mind, so he fills up notebooks with his thoughts instead. He writes about his mom a lot--they're about as close as they can be, because they have no other family. So when she suddenly tells him she's gay, his world is turned upside down. And if that weren't hard enough for him to accept, her girlfriend is white. Melanin Sun is angry and scared. How can his mom do this to him--is this the end of their closeness? What will his friends think? And can he let her girlfriend be part of their family?

The Notebook Girls - Julia Baskin 2008-11-15  
Everyone likes to think they started the notebook. Sophie claims she stole the idea from two girls in her math class. Courtney still has a death grip on the theory that the notebook was her invention. Lindsey doesn't really care; she's just along for the ride. And Julia never knows what's going on anyway. What we do know is that we started the notebook in freshman year at Stuyvesant High School as a way to keep in

contact when our conflicting schedules denied us one another's company. It allowed us to express ourselves and our views of the world in a tone of complete sarcasm, obscenity, and blind honesty. We've spent a significant portion of our adolescence trying to figure out who we are. The notebook is the closest we've come. We're just a group of normal girls with normal lives. Our notebook is meant to make you laugh and make you remember.

**Alphabetical Notebook with Tabs** - Rfza  
2019-10-03

This A-Z index notebook is very useful for any referencing information. With alphabetical sections organized, this notebook will help you find info you need easily and quickly. **Statue of Liberty** - iMinds 2014-05-14

Learn about the history of the Statue of Liberty in New York with iMinds Travel's insightful fast knowledge series. Instantly recognisable, rising out of New York Harbour, she stands like an ancient goddess guarding the gates to the city. For many she is the symbol of freedom, welcoming outcasts to the shores of a new land. But who is Lady Liberty? And how did she come to be a symbol of hope for so many? The Statue of Liberty is a masterpiece of art and engineering. It is one of the few enduring symbols of America. But did you know that this statue was actually a gift from the people of France? The idea of presenting a monumental gift to the United States was first conceived by French statesman Edouard de Laboulaye. The two countries had been close allies since the American Revolution. But in 1865, France was under the oppressive rule of Emperor Napoleon

III, and the people were suffering. Many French people saw the freedoms enjoyed by the Americans and admired the new country as it was emerging from The Civil War. They idealised the American concepts of personal freedom and liberty. iMinds will tell you the story behind the place with its innovative travel series, transporting the armchair traveller or getting you in the mood for discover on route to your destination. iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.

**The Spiral Notebook** - Stephen Singular  
2015-05-05

On July 20, 2012, twelve people were killed and fifty-eight wounded at a mass shooting in a movie theater in Colorado. In 1999, thirteen kids at Columbine High School were murdered by their peers. In 2012, twenty children and seven adults were killed at Sandy Hook Elementary. Thirty-two were killed at Virginia Tech. Twelve

killed at the Washington Navy Yard. In May 2014, after posting a YouTube video of "retribution" and lamenting a life of "loneliness, rejection, and unfulfilled desires," a lone gunman killed six and wounded seven in Isla Vista. All of these acts of violence were committed by young men between the ages of eighteen and thirty. Mass violence committed by young people is now an epidemic. In the first fourteen school days of 2014, there were seven school shootings, compared to twenty-eight school shootings in all of 2013. The reasons behind this escalating violence, and the cultural forces that have impugned a generation, is the subject of the important new book *The Spiral Notebook*. New York Times–bestselling author Stephen Singular has often examined violence in America in his critically-acclaimed books. Here

he has teamed with his wife Joyce for their most important work yet — one that investigates why America keeps producing twenty-something mass killers. Their reporting has produced the most comprehensive look at the Aurora shooting yet and draws upon the one group left out of the discussion of violence in America: the twenty-somethings themselves. While following the legal proceedings in the Aurora shooting, *The Spiral Notebook* is full of interviews with Generation Z, a group dogged by big pharma and anti-depressants and ADHD drugs, by a doomsday/apocalyptic mentality present since birth, and by an entertainment industry that has turned violence into parlor games. Provocative and eye-opening, *The Spiral Notebook* is a glimpse into the forces that are shaping the future of American youth, an entire generation bathed in the violence committed by their peers.
