**Sergio** - Natasha Knight

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the

mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll

burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's mine. Forever. No matter what.

Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. It is recommended that you read both Salvatore: a Dark Mafia Romance and Dominic: a Dark Mafia Romance before reading Sergio's story.

The Count of Monte Cristo - Alexander Dumas

2019-06-27

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815-1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as

well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

**Salvatore** - Natasha Knight 2016

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore

Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction.

It's how it had always been. How I believed it would always be. Until Lucia.  
*Dominic* - Natasha Knight 2016-11-11  
Gia I'm the daughter of a foot soldier. The sister of a snitch. Monsters have been part of my life for as long as I can remember, but the morning I woke in that cold, abandoned cabin with Dominic Benedetti looming over me, I knew I'd met the darkest of them all. He took me to break me. But I'm not so easy to break. And when he saw the mark on me, everything changed. But I've never believed in fairy tale endings and happily-ever-after doesn't belong to people like us. Some love thrives in the light. Dominic and I, we belong in the dark. Dominic I'm the last-born son of the Mafia King. The one with nothing to lose. I walked away from my family. Turned my back on everything that should have been mine and became what I was meant to be. A monster. Until the day I stood over Gia cowering in the corner of that decrepit cabin in the woods. Until I saw the mark they'd put on her. It was then I

understood something my father used to say. Keep your friends close, your enemies closer. My enemies had overplayed their hand. It was past time I returned to the family. Past time I collected the debts owed me. And long past time I punished those who betrayed me.
