Making Out in Turkish - Ashley Carman 2013-12-31

Making Out in Turkish is a fun, accessible and thorough Turkish phrase book and guide to the Turkish language as it's really spoken. Sana hayranim! Seni tekrar ne zaman gorecegim?—(I adore you! When can I see you again?) Answer this correctly in Turkish and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Turkish classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Turkey you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Turkey and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Turkish phrasebook makes this possible. Making Out in Turkish has been carefully designed to act as a guide to modern colloquial Turkish for use in everyday informal interactions—giving access to the sort of catchy Turkish expressions that aren't covered in traditional language materials. Each expression is given in authentic Turkish (turkce) so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. In addition, phonetic spellings are also included making speaking Turkish a breeze. For example "Okay"—Tamam, is also given as ta-MAHM. This Turkish phrasebook includes: A guide to pronouncing Turkish words correctly. Explanations of basic Turkish grammar, such as, double letters, vowel harmony, agglutination, questions, and negation. Complete Turkish translations including phonetic spellings. Useful and interesting notes on Turkish language and culture. Lots of colorful, fun and useful

expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

Gold Rush in the Jungle - Dan Drollette, Jr. 2013-04-16

An engrossing, adventure-filled account of the rush to discover and save Vietnam's most extraordinary animals Deep in the jungle where the borders of Vietnam meet those of Laos and Cambodia is a region known as "the lost world." Large mammals never seen before by Western science have popped up frequently in these mountains in the last decade, including a half-goat/half-ox, a deer that barks, and a close relative of the nearly extinct Javan rhino. In an age when scientists are excited by discovering a new kind of tube worm, the thought of finding and naming a new large terrestrial mammal is astonishing, and wildlife biologists from all over the world are flocking to this dangerous region. The result is a race between preservation and destruction. Containing research gathered from famous biologists, conservationists, indigenous peoples, former POWs, ex-Viet Cong, and the first U.S. ambassador to Vietnam since the war's end, Gold Rush in the Jungle goes deep into the valleys, hills, and hollows of Vietnam to explore the research, the international trade in endangered species, the lingering effects of Agent Orange, and the effort of a handful of biologists to save the world's rarest animals.
