*The Plebeians Rehearse the Uprising* - Günter Grass 2017-05-25

In his first full-length play, Günter Grass takes Bertolt Brecht, the foremost modern German dramatist, as his key figure. On 17 June, 1953, the workers in East Germany rise in rebellion against oppressive measures, but their revolt lacks a voice and a leader. In the East German theatre of which he is the director, the famed Communist poet and playwright, Bertolt Brecht (named 'the boss' in the play), is shown rehearsing his adaption of Shakespeare's Coriolanus. The revolution spills over into the stage happenings as a workers' delegation requests that 'the Boss' lend the authority of his voice and fame to their demands for justice and freedom. The intellectual is shown in a tragic dilemma: reasoning keeps him from active commitment until it is too late. He becomes guilty of betraying the workers and his own self.

**Armut auf dem Lande** - Gerhard Ammerer 2010

Bedingt durch die gute Quellenüberlieferung konzentrierte sich die Forschung bislang weitgehend auf die institutionalisierte Armenpflege der Städte, wobei der ländliche Raum mit seinen Fürsorgeeinrichtungen weitgehend aus dem Blick geriet. In diesem Sammelband werden nunmehr erste Ergebnisse bei der Aufarbeitung dieses Forschungsdesiderats präsentiert. Mit den neun Beiträgen wird ein Themenbündel präsentiert, das unter anderem Aspekte wie Armenmentalität, Umgang mit Krankheit im Dorf, bettelnde Frauen und Überlebensstrategien von Nichtsesshaften beinhaltet. Darüber hinaus werden der Alltag in ländlichen Hospitälern, Fürsorgetransfer von der Stadt auf das Land sowie ländliche Armut im regionalen Vergleich fokussiert. Beiträge von Gerhard Ammerer, Helmut Bräuer, Martin Scheutz, Elke Schlenkrich, Sebastian Schmidt, Otto Ulbricht, Christina Vanja, Sabine Veits-Falk, Alfred Stefan Weiß.
