Meena Singh

This set of books in its revised form has an elaborate section for effective essay writing and report writing. All compositions that have been asked in the ICSE Examinations, from the year 1995 to the present year, have been given. The section on grammar has more number of exercises, specifically pertaining to questions asked in previous years. Other sections like report writing, quotable quotations and comprehension have also been enhanced.

**The Summer I Learnt To See** - Ajinkya Potdar  
2017-08-24

Blinded by worldly pleasures—fast cars, lavish lifestyle, star hotels, delectable spreads—Arjun lived the life one would call a ‘dream’ in Mumbai. On an evening drive in his brand new luxury car along with his grandfather, an encounter flips the supposed pleasant evening into a life-changing moment for the twenty-one-year-old. His grandfather wishes that Arjun does something more meaningful with his time and so

enrolls the boy to volunteer at a school for the visually impaired. What you read in the pages of this book are pages from the diary he maintained during his stint there. Amidst laughter, amazement, reality checks and surprises, Arjun finds his calling.

This best ICSE Reference Book for Class 9 English Paper 1, English Paper 2, Physics, Chemistry Biology & Math board exams provide students with a better understanding of concepts and better exam insight.

*Selected Short Stories* - Rabindranath Tagore  
2005-09-01

Poet, novelist, painter and musician, Rabindranath Tagore (1861-1941) is the grand master of Bengali culture. Written during the 1890s, the stories in this selection brilliantly recreate vivid images of Bengali life and landscapes in their depiction of peasantry and gentry, casteism, corrupt officialdom and dehumanizing poverty. Yet Tagore is first and foremost India's supreme Romantic poet, and in

these stories he can be seen reaching beyond mere documentary realism towards his own profoundly original vision.

Art of Effective English Writing

*The Short Stories of Oscar Wilde* - Oscar Wilde  
2020-11-17

An innovative new edition of nine classic short stories from one of the greatest writers of the Victorian era. "I cannot think other than in stories," Oscar Wilde once confessed to his friend André Gide. In this new selection of his short fiction, Wilde's gifts as a storyteller are on full display, accompanied by informative facing-page annotations from Wilde biographer and scholar Nicholas Frankel. A wide-ranging

introduction brings readers into the world from which the author drew inspiration. Each story in the collection brims with Wilde's trademark wit, style, and sharp social criticism. Many are reputed to have been written for children, although Wilde insisted this was not true and that his stories would appeal to all "those who have kept the childlike faculties of wonder and joy." "Lord Arthur Savile's Crime" stands alongside Wilde's comic masterpiece *The Importance of Being Earnest*, while other stories—including "The Happy Prince," the tale of a young ruler who had never known sorrow, and "The Nightingale and the Rose," the story of a nightingale who sacrifices herself for true love—embrace the theme of tragic, forbidden love and are driven by an undercurrent of seriousness, even despair, at the repressive social and sexual values of Wilde's day. Like his later writings, Wilde's stories are a sweeping indictment of the society that would imprison him for his homosexuality in 1895, five years

before his death at the age of forty-six. Published here in the form in which Victorian readers first encountered them, Wilde's short stories contain much that appeals to modern readers of vastly different ages and temperaments. They are the perfect distillation of one of the Victorian era's most remarkable writers.

**Why I Write** - George Orwell 2021-01-01

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions

of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered

with every age.' — Irish Times

**The Gift of the Magi** - O. Henry 2009-06-01

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

A CLASSIC COMING-OF-AGE STORY WHICH  
HAS HELD GENERATIONS OF READERS

SPELLBOUND Rusty, a sixteen-year-old Anglo-  
Indian boy, is orphaned, and has to live with his  
English guardian in the claustrophobic European  
part in Dehra Dun. Unhappy with the strict ways  
of his guardian, Rusty runs away from home to  
live with his Indian friends. Plunging for the first  
time into the dream-bright world of the bazaar,  
Hindu festivals and other aspects of Indian life,  
Rusty is enchanted . . . and is lost forever to the  
prim proprieties of the European community.  
This special edition marks the 60th anniversary  
of this award-winning book, written when the  
author was just seventeen. Poignant, heart-  
warming and an absolute classic, this book is  
forever a joy to read.
