The Nameless City - Faith Erin Hicks 2016-04-05

Every nation that invades the City gives it a new name. But before long, new invaders arrive and the City changes hands once again. The natives don't let themselves get caught up in the unending wars. To them, their home is the Nameless City, and those who try to name it are forever outsiders. Kaidu is one such outsider. He's a Dao born and bred--a member of the latest occupying nation. Rat is a native of the Nameless City. At first, she hates Kai for everything he stands for, but his love of his new home may be the one thing that can bring these two unlikely friends together. Let's hope so, because the fate of the Nameless City rests in their hands.

How NOT to Summon a Demon Lord: Volume 1 - Yukiya Murasaki 2017-12-04

In the MMORPG Cross Reverie, Takuma Sakamoto is so powerful that he is lauded as the "Demon Lord" by other players. One day, he is summoned to a world outside his own-- but with the same appearance he had in the game! There, he meets two girls who both proclaim themselves to be his Summoner. They perform an Enslavement Ritual to turn him into their Summon... but that's when Takuma's passive ability activates! Instead, it is the girls who become enslaved! Though Takuma may be the strongest Sorcerer there is, he has no idea how to talk with other people. It is here he makes his choice: to act based on his persona from the game! "Amazing? But of course... I am Diablo, the being known and feared as the Demon Lord!" So begins a tale of adventure with an earth-shakingly powerful Demon Lord (or at least someone who acts like one) taking on another world!

Zombies Calling - Faith Erin Hicks 2007

Avatar: The Last Airbender--Imbalance Part Two - Faith Erin Hicks 2019-05-14

Aang and Team Avatar race to resolve rising tensions between benders and non-benders before a town is torn apart! There's something fishy going on in Cranefish Town, and it's up to Aang, Katara, Sokka, and Toph to find out what, before the simmering conflict between benders and non-benders boils over into all-out war. But danger lurks where they least expect it, and uncovering the truth will reveal a threat unlike any they've ever faced--and a fateful choice for Aang he can never unmake! Written by Faith Erin Hicks (The Adventures of Superhero Girl, The Nameless City) and drawn by Peter Wartman (Stonebreaker), in collaboration with Avatar: The Last Airbender creators Michael Dante DiMartino and Bryan Konietzko, this is the ultimate continuation of Avatar!

German Ecocriticism in the Anthropocene - Caroline Schaumann 2017-04-18

This book offers essays on both canonical and non-canonical German-language texts and films, advancing ecocritical models for German Studies, and introducing environmental issues in German literature and film to a broader audience. This volume contextualizes the broad-ranging topics and authors in terms of the Anthropocene, beginning with Goethe and the Romantics and extending into twenty-first-century literature and film. Addressing the growing need for environmental awareness in an international humanities

curriculum, this book complements ecocritical analyses emerging from North American and British studies with a specifically German Studies perspective, opening the door to a transnational understanding of how the environment plays an integral role in cultural, political, and economic issues.

Avatar: The Last Airbender - The Art of the Animated Series - Bryan Konietzko 2013-07-02

Since its debut in 2005, Avatar: The Last Airbender has remained one of Nickelodeon's most talked about and highest-rated animated series to date, and it's not too hard to see why... Not only does it offer an epic storyline, engaging characters, action, adventure, and a powerful message about the importance of hope in a world long-besieged by war, all the while serving up top-notch entertainment. It's also beautifully executed, a stunning masterpiece of animated storytelling that harmonizes Western influences with aesthetic inspiration drawn from a diverse array of cultures, including those of China, Japan, India, and the Inuit. An unprecedented look at the concept, design, and production art behind this smash-hit series, Avatar: The Last Airbender, The Art of the Animated Series chronicles the show's development — from the very first sketch through to the series finale and beyond! — along with behind-the-scenes commentary from series creators Bryan Konietzko and Michael Dante DiMartino. * Featuring hundreds of images, most of which Nickelodeon has never released to the public!

How NOT to Summon a Demon Lord (Manga) Vol. 9 - Yukiya Murasaki 2020-10-13

INTO THE WOODS With the threat of Krebskum's resurrection safely suppressed (for now, at least), Diablo and his companions hope to enjoy a little peace and quiet. But a mysterious young woman has appeared in the forest outside Faltra, on the run from another Paladin. When Diablo stumbles upon her, it opens the door to a new adventure!

Over the Wall - Peter Wartman 2013

A girl determined to save her missing brother must grapple with mythical creatures and an entire civilization with amnesia.

The Adventures of Superhero Girl (Expanded Edition) - Faith Erin Hicks 2017-06-27

What if you can leap tall buildings and defeat alien monsters with your bare hands, but you buy your capes at secondhand stores and have a weakness for kittens? Cartoonist Faith Erin Hicks brings charming humor to the trials and tribulations of a young female superhero, battling monsters both supernatural and mundane in an all-too-ordinary world. The expanded edition collects the original Eisner Award-winning comic, two new stories, and new art from creators including Tyler Crook, Ron Chan, Jake Wyatt, Paulina Ganucheau, and more! The first collection won an Eisner Award (Best Publication for Kids) and has gone through 4 printings "This charming modern vision of a Superhero Girl features a young woman living an uncertain life, unsure of the best way to contribute to society. It's superhero as person instead of as corporate symbol or fight machine. We see her struggling with relatable elements of daily life, like keeping her mother informed of how things are going or having to replace her cape after it shrunk in the laundry. One of the best strips has Superhero Girl explaining to a fan how she too can be a superhero without having a horrible tragedy in her past. This strip shines because it's fresh and lighthearted without wallowing in angst. Her arch-nemesis is a normal guy who keeps telling her she's doing it wrong. She struggles to balance her calling with a paying day job but keeps forgetting to take her mask off. Her annoying perfect brother Kevin shows her up, and she struggles with whether to stay hero or take the easier, villainous way to riches. The comic is perfectly suited to Hicks's expressive figures and energetic storytelling. The perfect laugh-filled tonic for heavier angst-filled superhero series." -Publishers Weekly "Have you ever wanted a superhero who lives in your world? If so, you will love Faith Erin Hicks' Eisner-award-winning story of a

young woman who happens to be a superhero. " -YALSA The Hub

Avatar: The Last Airbender - The Promise Part 2 - Gene Luen Yang 2013-07-02

Crossed - Garth Ennis 2006-04-20

The world's been overrun by sadistic homicidal maniacs. A small band of survivors crosses what's left of America, in constant danger and trying to hold onto what little humanity they can. In the blink of an eye, humanity is lost, and the Crossed are upon us. Men, women, and children alike fall victim to the mystery infection that makes killers out of parents and rapists out of lovers. Ruthless, berserk, and evil beyond measure, these cackling demons spread their plague across the Earth, brining humanity to near-extinction. Now, a small band of survivors make their cautious way across a deserted America, existing in a state of constant terror. The only thing they have in common is their determination to survive... but in this frightening new world, survival has a cost all its own. How far will they go to stay alive, and can they do so without become monsters themselves?

Rethinking Boucher - François Boucher 2006

François Boucher (1703-1770) has suffered a curious fate: to have been so identified with the French Rococo as to have lost his visibility as an artist in his own right. Rethinking Boucher reclaims the artist's individuality, revealing not only the diversity of his talents but also the variety of visual and intellectual traditions with which he engaged. Part one, "The Various Boucher," examines the artist's identity in relation to his portraits and self-portraits, his ingenious genre scenes, and his overlooked religious paintings. Part two, "The Unexpected Boucher," focuses on the network of social and cultural contexts in which the artist functioned, including the commercial print market, the theaters of Paris, and the contemporary textual explorations of the exotic. The final part, "The Enlightened Boucher," discusses Boucher's work as a vehicle for Enlightenment visions of the body, whether conjured by Denis Diderot and Jean-Jacques Rousseau or Madame de Pompadour, Boucher's most famous patron.

The Science of Literature - Helmut Müller-Sievers 2015-04-24

One of the most contentious questions in contemporary literary studies is whether there can ever be a science of literature that can lay claim to objectivity and universality, for example by concentrating on philological criticism, by appealing to cognitive science, or by exposing the underlying media of literary communication. The present collection of essays seeks to open up this discussion by posing the question's historical and systematic double: has there been a science of literature, i.e. a mode of presentation and practice of reference in science that owes its coherence to the discourse of literature? Detailed analyses of scientific, literary and philosophical texts show that from the late 18th to the late 19th century science and literature were bound to one another through an intricate web of mutual dependence and distinct yet incalculable difference. The Science of Literature suggests that this legacy continues to shape the relation between literary and scientific discourses inside and outside of academia.

Processes in Karst Systems - Wolfgang Dreybrodt 2012-12-06

Karst Systems deal with the question of how the subsurface drainage system, typical of Karst areas develops from its initial state to maturity. Equal attention is given to physical, chemical and geological conditions which determine karstification. The reader will find discussions of mass transport, chemical kinetics, hydrodynamics of fluxes, and the role of dissolution and precipitation of Calcite as they occur in experiments and natural environments. It offers a wealth of information on a complex natural system to hydrologists, hydrochemists, geologists and geographers.

The Iron Will of Genie Lo - F. C. Yee 2020-01-21

The fate of the heavens is at stake in this hilarious and highly-anticipated sequel to the *The Epic Crush of Genie Lo*, from the New York Times and USA Today bestselling author of *Avatar: The Last Airbender: The Rise of Kyoshi*. Genie Lo thought she was busy last year, juggling her academic career with protecting the Bay Area from demons. But now, as the Heaven-appointed Guardian of California, she's responsible for the well-being of all yaoguai and spirits on Earth. Even the ones who interrupt her long-weekend visit to a prestigious college, bearing terrible news about a cosmos-threatening force of destruction in a nearby alternate dimension. The goddess Guanyin and Genie's boyfriend, Quentin Sun Wukong, do their best to help, but it's really the Jade Emperor who's supposed to handle crises of this magnitude. Unfortunately for Genie and the rest of existence, he's gone AWOL. Fed up with the Jade Emperor's negligence, Genie spots an opportunity to change the system for the better by undertaking a quest that spans multiple planes of reality along with an adventuring party of quarrelsome Chinese gods. But when faced with true danger, Genie and her friends realize that what will save the universe this time isn't strength, but sacrifice.

Sweet & Sensitive - Park Eun-Ah 2004

The Epic Crush of Genie Lo - F. C. Yee 2017-08-08

The struggle to get into a top-tier college consumes sixteen-year-old Genie's every waking thought. But when she discovers she's a celestial spirit who's powerful enough to bash through the gates of heaven with her fists, her perfectionist existence is shattered. Enter Quentin, a transfer student from China whose tone-deaf assertiveness beguiles Genie to the brink of madness. Quentin nurtures Genie's outrageous transformation—sometimes gently, sometimes aggressively—as her sleepy suburb in the Bay Area comes under siege from hell-spawn. This epic YA debut draws from Chinese folklore, features a larger-than-life heroine, and perfectly balances the realities of Genie's grounded high school life with the absurd supernatural world she finds herself commanding.

SpaceTime of the Imperial - Holt Meyer 2016-11-07
