

# Hinault

As recognized, adventure as with ease as experience virtually lesson, amusement, as without difficulty as harmony can be gotten by just checking out a books **Hinault** also it is not directly done, you could take even more more or less this life, going on for the world.

We offer you this proper as with ease as simple artifice to get those all. We present Hinault and numerous books collections from fictions to scientific research in any way. in the midst of them is this Hinault that can be your partner.

**The Badger** - William Fotheringham 2015-09-01

The thrilling life of France's finest cyclist Bernard Hinault is one of the greatest cyclists of all time. He is a five-time winner of the Tour de France and the only man to have won each of the Grand Tours on more than one occasion. Three decades after his retirement, Hinault remains the last Frenchman to win the Tour de France and his victory in 1985 marks the turning point for a nation who had dominated the first eight decades of the race they had invented. In this biography, bestselling author William Fotheringham details how Hinault, nicknamed the "Badger" for his combative style, was the last old-school champion: a larger-than-life personality from a working-class background, capable of winning on all terrains, in major tours, and one-day classics. A full portrait of this fascinating character, *The Badger* also explores the reasons why France, the nation that considers itself cycling's home, has found it so hard to produce another champion.

**Slaying the Badger** - Richard Moore 2012

"Bernard Hinault is Le Blaireau, the Badger. Tough as old boots, he is the old warrior of the French peloton, as revered as he is feared for his ferocious attacks. He has won 5 Tours de France, marking his name into the history books as a member of cycling's most exclusive club. Yet as the 1986 Tour de France ascended into the mountains, a boyish and friendly young American named Greg LeMond threatened the Badger--and France's entire cycling heritage. Known as "L'Americain", LeMond rode strongly, unafraid. The stakes were high. Winning for Hinault meant capping his long cycling career by becoming the first man to win the Tour six times. For LeMond, it would bring America its first

Tour de France victory. Why did their rivalry shock the world? LeMond and Hinault were on the same team. Cyclists love this famous story but they've never heard it told as in *Slaying the Badger*. Award-winning author Richard Moore has gathered the absolute best sources, interviewing LeMond and Hinault in their own homes, American Andy Hampsten, their teammates and team directors to tell the story. He tells the race through these interviews so that these narrative voices lend a fresh and fast-paced tone to cycling's favorite rivalry. "--  
*Road Racing* - Bernard Hinault 1988

Here is the first book in English that brings cyclists the bicycle racing and training methods of a top European professional rider. Five-time Tour de France winner Bernard Hinault and Claude Genzling, an expert on cycling position and technique, draw on current research and the experience of top competitors to provide information that, up to now, was known only to specialists and professional team coaches.

*Tour de France/Tour de Force* - James Startt 2000-05

Three-time Tour de France winner Greg Lemond offers an introduction to this richly illustrated study of the legendary bicycle race, tracing the history of the Tour from 1903 to the present and profiling the extraordinary athletes who take part in the grueling, two-thousand-mile, twenty-one-day event.

**Time** - 1986

*Etape* - Richard Moore 2014-06-18

What if all the best Tour stages happened in one race? In *Etape*, critically acclaimed author Richard Moore weaves first-person interviews with cycling's great riders to assemble a "dream

team" of the best Tour de France stages in modern history. Featuring exclusive interviews with the Tour's legends and scoundrels about their best-ever day on the bike (and their most heartbreaking defeats), Moore unravels lingering mysteries and recounts strange tales from 20 great stages of the Tour: LeMond's impossible return from near-death, Schleck's primal scream atop the Galibier, Merckx's self-described toughest Tour, Cav's mind-bending victory in Aubenas, Hinault's hellish battle with Fignon. Etape assembles the greatest days of modern Tour history into a Tour de France of incredible victory, glorious failure, shocking revelation, and beautiful memories. In the words of those who were there, Etape recreates each day vividly and reveals the beauty and the madness of cycling's greatest race.

**The Comeback** - Daniel de Visé 2018-06-05  
"Greg LeMond was Lance Armstrong before Lance Armstrong . . . the story of a true hero . . . This is a must read if you believe in miracles."—John Feinstein, New York Times—bestselling author  
In July 1986, Greg LeMond stunned the sporting world by becoming the first American to win the Tour de France, the world's pre-eminent bicycle race, defeating French cycling legend Bernard Hinault. Nine months later, LeMond lay in a hospital bed, his life in peril after a hunting accident, his career as a bicycle racer seemingly over. And yet, barely two years after this crisis, LeMond mounted a comeback almost without parallel in professional sports. In summer 1989, he again won the Tour—arguably the world's most grueling athletic contest—by the almost impossibly narrow margin of 8 seconds over another French legend, Laurent Fignon. It remains the closest Tour de France in history. "[A] blend of chaos, kindness and cruelty typifies the scenes that journalist de Visé brings to life in this sympathetic-verging-on-reverential retelling of LeMond's trailblazing career (first American to enter the tour, first to win it) . . . As an author in quest of his protagonist's motivation, [de Visé] subjects it to extreme torque."—The Washington Post  
"A great book . . . Well written and thoroughly researched . . . Engrossing and hard to put down. If you're a Greg LeMond fan, The Comeback is a must read because it's a detailed accounting of his career and—more

importantly—his life and person off the bike. It's also an important reminder that American cycling did not begin and end with Lance Armstrong."—PEZ

**The Daily Telegraph Book of the Tour de France** - Martin Smith 2012-06-03

A man, a bike and the open road. What could be simpler? Certainly not the Tour de France, the annual travelling circus which for more than a century has been the ultimate test of sporting endurance. There's been pain. There's been joy. There's been death. There's been derring-do of mythic proportions. There's been cheating. There've been drugs. There've always been drugs. And there's always been the Daily Telegraph. On the peaks of Mont Ventoux, Alpe D'Huez and Col du Galibier, in amongst the picnicking, partying crowds, whizzing through London in 2007's wondrous opening stage, dropping in and out of the peloton, the Telegraph has been there for every turn of the wheel. The book features eyewitness accounts of cycling greats Fausto Coppi, Jacques Anquetil, Eddy Merckx, Bernard Hinault, Miguel Indurain and Lance Armstrong, along with details of the contest's darker side - including the 1967 death of Tom Simpson and the stain of doping. Boasting contemporary, firsthand reports from leading cycling correspondents including J.B Wadley, David Saunders and Phil Liggett, this book captures the full drama of the tour. Chris Boardman and David Millar provide views from the saddle; James Cracknell swaps his boat for a bike on a pre-race reconnaissance mission; Paul Hayward catalogues the 1998 'Tour of Shame'; while Brendan Gallagher eulogises the colossi who bestrode the race, and searches for their modern-day successors. Together, they chronicle the greatest show on two wheels. Martin Smith was formerly assistant sports editor and sports writer at the Daily Telegraph, where he worked for more than twenty years. An enthusiastic cyclist in his youth, he graduated to the less arduous four wheels as soon as he was able.

**The Windsor Magazine** - 1922

*Hinault* - Ruben Van Gucht 2015-06-02

The life of Bernard Hinault - the French former cyclist who won the Tour de France five times - is recounted through stories, quotes and photographs in a beautifully packaged

celebration of this great cyclist's career. Hinault - known as Le Blaireau (the Badger) - is one of only five cyclists to have won all three Grand Tours, and the only cyclist to have won each more than once. He won the Tour de France in 1978, 1979, 1981, 1982 and 1985. He came second in 1984 and 1986 and won 28 stages, of which 13 were individual time trials. The other three to have achieved five Tour de France victories are Jacques Anquetil (1964), Eddy Merckx (1974) and Miguel Indurain (1995). Of these, Hinault is the only one to have finished either first or second in each Tour de France he finished. He remains the last French winner of the Tour de France.

We Were Young and Carefree - Laurent Fignon  
2010-06-16

'Ah, I remember you: you're the guy who lost the Tour de France by eight seconds!' 'No monsieur, I'm the guy who won the Tour twice. The international bestselling autobiography of the legendary French cyclist Laurent Fignon Two-time winner of the Tour de France in the early eighties, Laurent Fignon became the star for a new generation. In the 1989 tour, he lost out to his American arch-rival, Greg LeMond, by an agonising eight seconds. In this revealing account, the former champion spares nobody, not even himself, and pulls back the curtain on what really went on behind the scenes of this epic sport - the friendships, the rivalries, the betrayals, the parties, the girls and, of course, the performance-enhancing drugs. Fignon's story bestrides a golden age in cycling: a time when the headlines spoke of heroes, not doping, and a time when cyclists were afraid of nothing. 'Sports book of the year: He's ruthlessly honest, about himself and about cycling, and he provides a gripping insight into an unrelenting hard world' Independent

**Current Biography Yearbook 1989** - 1990

Bernard face à Hinault - Bernard HINAULT  
2016-06-07

Ce livre est fondé sur un constat : dans la mesure où il est impossible d'être dans le même temps acteur, spectateur et narrateur de sa propre légende, Bernard Hinault a longtemps été privé de la parole par les commentaires ou les récits, des journalistes notamment, déplorant parfois que l'on « pense à [s]a place ». Sur la

base de cette observation, ce livre richement illustré a voulu rendre la parole à Hinault en lui donnant la possibilité matérielle de prendre possession de sa légende. Pour ce faire, Jean Cléder, enseignant-chercheur à l'Université Rennes 2, a rassemblé toutes les composantes de l'action et de sa dramaturgie à travers un ensemble de documents (photographies et vidéos de sprints, escalades, contre-la-montre, articles de presse, entretiens, etc.), de manière à replacer le champion dans l'espace et le temps de l'action. Regardant le film de Liège-Bastogne-Liège 77, du Dauphiné Libéré de la même année, celui du Championnat du Monde à Sallanches, ou bien des photos inédites de Gand-Wewelgem et de Paris Roubaix, sans oublier les vidéos de certaines étapes du Tour de France, du Giro ou de la Vuelta, Bernard s'exprime ici comme rarement, analysant avec une précision surprenante les techniques de son sport, la stratégie de son groupe ou sa tactique personnelle sur l'ensemble de sa carrière. Un livre essentiel qui permet enfin de mieux comprendre et mesurer la légende Hinault. Grâce à des QR codes, ce livre illustré renvoie également à un webdocumentaire permettant de revivre les moments importants de la carrière du champion. Bernard Hinault : après avoir collaboré avec l'écrivain Christian Laborde (Bernard Hinault, l'épopée du Blaireau, Mareuil Éditions), le quintuple vainqueur du Tour de France a choisi de travailler pour ce livre avec l'universitaire Jean Cléder. Jean Cléder : Maître de conférence en littérature comparée (Université Rennes 2), il travaille sur les rapports entre les arts. Il a publié notamment des ouvrages sur Patrice Chéreau, Christophe, Marguerite Duras, Michael Lonsdale.

Road Racing - Bernard Hinault 1988

**Bernard Hinault** - Bernard Hinault 1989-01-01

The 2005 Tour de France - John Wilcockson  
2005

An illustrated yearbook of the Tour de France covers the entire course, featuring a course map and stage elevations, as well as race descriptions, anecdotes, and a complete list of finishers. Original.

**Tour de France** - Graeme Fife 2005

It is one of sport's toughest ordeals and the

ultimate test for professional cyclists. The Tour de France sees riders pitted against all kinds of terrain and weather, in unrelenting competition with their rivals for three weeks. This entertaining and highly acclaimed book gives a compelling insight into the mystique of the race and the unique fascination it has always exercised on devoted bike fans and occasional enthusiasts alike. Graeme Fife's Tour de France tells tales of great solo rides, amazing fortitude, terrible misfortune and triumph over the odds from the race's remarkable history, which began in July 1903. Within a few years, the Tour was taking the riders across the mountains of the Alps and Pyrenees, and they had to carry out their own repairs, find their own food and drink, and ride without support - a far cry from today's sophisticated organisation. Combining meticulous research with a pacy narrative style, Fife paints a colourful and memorable picture of the men whose exploits have given the Tour an enduring universal appeal. Named as one of the top five sports books of the year by both The Independent and The Times, this new edition of Tour de France has been fully revised and updated to include all the drama of the 2005 race.

**Relentless** - David Gething 2016-10-16  
The World Marathon Challenge—seven marathons on seven continents in seven days—is the ultimate race for adventurous runners. It tests the athletes to their limits, going from biting cold Antarctic conditions one day to dry desert heat another. To survive the onslaught of sensations—fear, fatigue, depression, elation—takes a special sort of determination and strength of will. Few would voluntarily take on such a challenge, and fewer still would finish it. *Relentless: Seven Marathons, Seven Continents, Seven Days* is David Gething's amazing story of his journey from a middle-aged couch potato to a World Marathon champion. Gething gives a deeply personal and candid view of what it is like to compete in one of the most demanding amateur sporting events on the planet, including the sacrifices made just to get to the start of the race and what it takes to win. He describes in detail each individual contest—originating in Antarctica and ending in Australia a week later—and the physical, emotional, and psychological sides of this

grueling, multi-day stage race. Far from just depicting the event itself, Gething also delves into the interpersonal relationships, rivalries, and bonds that form on this adventure that is like no other. Featuring photographs taken during the event from Gething's personal collection, and including private emails to and from the author and his family and friends, *Relentless* gives a truly unique and intimate view into the inner workings of this punishing ultra-endurance battle. Marathon runners, sporting enthusiasts, and anyone with a dream and a determination to succeed despite the odds will find Gething's journey a fascinating and inspiring story.

**The Hardmen: Legends and Lessons from the Cycling Gods** - The Velominati 2017-11-07  
Embrace and revel in the stories of the toughest cyclists of all time, told by The Velominati, originators of *The Rules*. Read and get ready to ride . . . In cycling, suffering brings glory: a rider's value can be judged by their results, but also by their panache and heroism. Prepared to be awed and inspired by Chris Froome riding on at the Tour de France with a broken wrist or Geraint Thomas finishing it with a broken pelvis. In *The Hardmen* the writers behind cycling superblog *Velominati.com* and *The Rules* will tell the stories and illuminate the myths of not just the greatest cyclists ever, but the toughest. From Eddy Merckx to Beryl Burton, and from Marianne Vos to Edwig Van Hooydonk, the book will lay bare the secrets of their extraordinary and inspirational endurance in the face of pain, danger and disaster. After all, suffering is one of the joys of being a cyclist. Embrace climbs, relish the descents, and get ready to harden up. .

**Inside Triathlon** - 1999

[Comebacks](#) - Jay Jennings 1991  
Profiles five athletes who made courageous comebacks in their sports careers: Greg LeMond, Rocky Bleier, Olga Korbut, Dave Dravecky, and Babe Didrikson Zaharias.

The Badger - William Fotheringham 2016

**Hinault** - William Fotheringham 2021-08-16

La biografía del gran campeón bretón Bernard Hinault, escrita por el escritor William Fotheringham, autor, entre otros, de los libros *Merckx*, *Mitad hombre, mitad máquina* y *La pasión de Fausto Coppi*. El ciclista francés es, probablemente, el último gran campeón de la vieja escuela. Su palmarés luce cinco Tours de Francia y un hito único: fue el primer ciclista que con dos victorias en la Vuelta y otras tres en el Giro venció en más de una ocasión en las tres grandes, igualado recientemente por Contador. Su efectividad a la hora de conseguir los objetivos que se marcaba era apabullante: 12 podios en 13 participaciones en grandes vueltas. Consiguió tres victorias en tres participaciones en el Giro, por dos de dos en la Vuelta. En el Tour, consiguió cinco amarillos y dos segundos puestos, no pudiendo terminar por lesión en una ocasión. Fue además un campeón todoterreno, que dio paso a otro tipo de estrellas más especializadas en pruebas o disciplinas concretas del ciclismo. Hinault dominaba en todos los terrenos, desde la montaña a los esprints, pasando por las cronos; desde grandes vueltas a clásicas tan diferentes como la Lieja-Bastoña-Lieja o la París-Roubaix. Apodado el Tejón por su espíritu combativo, se convirtió en patrón no oficial del pelotón, tanto en las clasificaciones como a la hora de liderar protestas del colectivo ciclista o hacer frente a manifestantes obstaculizando el paso del pelotón. Sus batallas contra Laurent Fignon, primero, y Greg LeMond después son ya historia, especialmente aquel magnífico Tour de 1986 en el que lucharon hasta la extenuación a pesar de formar parte del mismo equipo La Vie Claire. Tras su retirada, siguió muchos años vinculado al Tour en su organización y veía como Francia busca desde su retirada un sucesor, un ciclista que pueda llevarse la general del Tour de Francia, algo que no ha sucedido desde su última victoria en París.

**Tour de France** - Skip Berry 1993

Describes the history, route, and well-known riders of the "world's toughest bicycle race".

**The Tour de France Complete Book of**

**Cycling** - David Chauner 1990

A comprehensive guide to the sport of cycling discusses training regimens, bicycle maintenance and repair, body positions and biomechanics, bike tours, and injury prevention, and includes tips from the pros

*The Cycling Anthology* - Ellis Bacon 2014-06-05

Professional cycling is a rich, dynamic and often controversial sport that lends itself to great writing. Some of the most famous and illustrious races were founded by newspapermen and *The Cycling Anthology* continues this tradition by bringing together the best in the business.

Volume Two is a Tour de France special edition and features original and exclusive pieces by leading cycling writers. ITV reporter Ned Boulting looks at how the Tour made it to our living rooms and into our hearts; pro rider Daniel Lloyd lifts the lid on actually riding a Tour in 'A Domestique's Tale'; Jeremy Whittle examines why, despite drug scandal and infamy, the Tour still intoxicates us; and many more. Between them, they've covered hundreds of Tours de France and written dozens of excellent books and some have even ridden the Tour. Here, their work is showcased together.

La strategia del Tasso - Luigi Panella 2011

**The Badger** - William Fotheringham 2015-09-01

The thrilling life of France's finest cyclist Bernard Hinault is one of the greatest cyclists of all time. He is a five-time winner of the Tour de France and the only man to have won each of the Grand Tours on more than one occasion. Three decades after his retirement, Hinault remains the last Frenchman to win the Tour de France and his victory in 1985 marks the turning point for a nation who had dominated the first eight decades of the race they had invented. In this biography, bestselling author William Fotheringham details how Hinault, nicknamed the "Badger" for his combative style, was the last old-school champion: a larger-than-life personality from a working-class background, capable of winning on all terrains, in major tours, and one-day classics. A full portrait of this fascinating character, *The Badger* also explores the reasons why France, the nation that considers itself cycling's home, has found it so hard to produce another champion.

G. Kruijt 1985

Current Biography Yearbook - Charles Moritz  
1962

*Slaying the Badger* - Richard Moore 2014-05-01  
The Tour de France is renowned for its chaos and drama. But no other Tour has quite compared to what played out in 1986. That year witnessed a show-stopping rivalry that had spectators across the world agog. Greg LeMond, a fresh-faced and mercurial youngster, dubbed 'L'Américain', was a naïve Tour newbie. Frenchman Bernard 'The Badger' Hinault was five times winner and as tough as old boots. Though polar opposites, they were both fiercely competitive, both equally brilliant. So why was the world shocked that they were at each other's throats? They were meant to be team-mates. Their explosive rivalry broke every rule in the book. No one wins the Tour single-handed; out there your team counts for everything. After his previous year's win Hinault had pledged his absolute support for LeMond, but as 1986 the Tour circled France, his constant attacks on his team-mate seemed like cold-blooded sabotage. Why was Hinault putting LeMond in jeopardy? Would he crack under the pressure? Something sinister was going on, but no one knew quite what. *Slaying the Badger* relives the adrenaline, the agony, the camaraderie, the betrayals, and the pure exhilaration of that epic year, as the biggest conundrum of Tour history is finally laid bare.

**What a Ride** - Rupert Guinness 2011

The behind the scenes story of the evolution of the Australian rider from a curiosity to a major contender in the world's greatest bike race, the Tour de France.

**The Tour de France and Its Heroes** - Graham Watson 1990

Best Sports Stories - Sporting News 1987-07

**The Official History of The Tour De France** -

Luke Edwardes-Evans 2021-10-19

The Official History of the Tour de France is a

celebration of one of the greatest annual sporting events, and the premier competition in world cycling. Through more than 300 photographs, rarely-seen documents and items of memorabilia, this book covers more than a century of fascinating stories on the Tour and its iconic yellow jersey. This revised and updated edition includes an authoritative narrative account of each major era, up to and including the thrilling 2020 Tour - a dramatic contest completed against all the odds - and a preview of the 2021 event. There are features on superstar cyclists and memorable moments from each period of the event's rich history, and a foreword from legendary Tour de France champion Stephen Roche, all of which combines to form the definitive illustrated book on the Tour.

**The Badger** - William Fotheringham 2016-05-12

The definitive biography of France's greatest cyclist by the number one bestselling author of *Merckx: Half Man, Half Bike*. Bernard Hinault is one of the greatest cyclists of all time. He is a five-time winner of the Tour de France and the only man to have won each of the Grand Tours on more than one occasion. Three decades on from his retirement, he remains the last Frenchman to win the Tour de France. His victory in 1985 marks the turning point when the nation who had dominated the first eight decades of the race they had invented suddenly found they were no longer able to win it. Hinault is the last 'old-school' champion: a larger-than-life character from a working-class background, capable of winning on all terrains, in major Tours and one-day Classics. Nicknamed the 'Badger' for his combative style, he led a cyclists' strike in his first Tour and instigated a legendary punch-up with demonstrators in 1982 while in the middle of a race. Hinault's battles with team-mates Laurent Fignon and Greg LeMond provide some of the greatest moments in Tour history. In *Bernard Hinault and the Fall and Rise of French Cycling*, William Fotheringham finally gets to the bottom of this fascinating character and explores the reasons why the nation that considers itself cycling's home has found it so hard to produce another champion.
