*Revival: Book Of The Dead (1901)* - Ernest Alfred Thompson Wallis Budge  
2018-05-08  
The translations of the Egyptian hymns and religious texts printed in this and the two following volumes form a representative collection of the

various compositions which the Egyptian inscribed upon the walls of tombs and sarcophagi, coffins and funeral stelae, papyri and amulets, etc., in order to ensure the well-being of their dead in the world beyond the grave. These translations first appeared in

the third volume of my work on The Book of The Dead, which was published under the title "The Chapters of Coming Forth by Day" at the end of the year 1897, where they seemed to be a necessary accompaniment to the edition of the hieroglyphic texts of Theban Recension and the hieroglyphic vocabulary thereto. The demand for that bulky and comparatively expensive work proved that it filled a want, but soon after its appearance frequent requests were made that the English translation might be issued in a smaller and handier form.

*Culinary Landmarks* - Elizabeth Driver 2008-01-01

Culinary Landmarks is a definitive history and bibliography of Canadian cookbooks from the beginning, when *La cuisinière bourgeoise* was published in Quebec City in 1825, to the mid-twentieth century. Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present-day Canada, whether a locally authored text or a Canadian edition of a foreign work. Every type of recipe collection is included, from trade publishers' bestsellers and advertising cookbooks, to home economics textbooks and fund-raisers from church women's groups. The entries for over 2,200 individual titles are arranged

chronologically by their province or territory of publication, revealing cooking and dining customs in each part of the country over 125 years. Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen-equipment manufacturers, who often published the books. Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada, while brief introductions for each province identify regional differences in developments and trends. Four indexes and a 'Chronology of Canadian Cookbook History' provide other points of access to the wealth of material in this impressive reference book.

## **Toronto Blessing Charismatic Deception**

**Volume 1** - K B Napier  
2019-07-20

The Toronto Blessing (TB) was planned by charismatic leaders who saw their movement dwindling in numbers. Though planned, it became obvious that Satan took it over and the effects hit the churches worldwide like a runaway truck! It only lasted about two years, but its destructive force is still with us in the now mainstream charismatic movement. Many churches that allowed the TB through its doors thought it would save their existence and save souls, but it did not. Churches hit in the face by the vile movement were ruined, deceived and far from God. Thousands of individual Christians were shattered. The various manifestations were accepted and called as 'from God' though they were so blatantly satanic and wicked. When the storm passed, many churches were shamed into pretending it never happened, but they did not repent or publicly disown

the movement. This book and others in the series MUST warn churches of a similar movement if it arises (which it will). Its history MUST be told.

*The Book of Immediate Magic - Part 1* - Jacobus G. Swart  
2015-12-25

The "Shadow Tree Series" comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, has actuated and taught over a

period of forty years. In "The Book of Immediate Magic - Part 1" Jacobus G. Swart perpetuates the fundamental tenets of "Self Creation" in which it is maintained that the "Centre" establishes the "Circumference," and that personal reality is emanated in harmony with personal "Will." Hence this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in "The Book of Self Creation," "The Book of Sacred Names," and "The Book of Seals & Amulets." Jacobus Swart claims that working "Immediate Magic" is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean, and that thoughts are the waves we make in it. It is all a matter of coordinating consciousness.
