NATIONAL BESTSELLER • From the national

bestselling author of *The Dog Stars* comes a "carefully composed story about one man's downward turning life in the American West" (*The Boston Globe*). After having shot a man in a Santa Fe bar, the famous artist Jim Stegner served his time and has since struggled to manage the dark impulses that sometimes

overtake him. Now he lives a quiet life ... until the day that he comes across a hunting guide beating a small horse, and a brutal act of new violence rips his quiet life right open. Pursued by men dead set on retribution, Jim is left with no choice but to return to New Mexico and the high-profile life he left behind, where he'll reckon with past deeds and the dark shadows in his own heart.

[a tumblr book](#) - Allison McCracken 2020-10-26  
This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the "age of Tumblr activism." Perfect for those unfamiliar with the platform as well as those who grew up on it, this

volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

**Book of Souls** - Brad Magnarella 2017-01-12  
How did Everson Croft discover his powers? Let's go back to the night I turned thirteen, the night Grandpa filleted my finger with his cane sword. I can't say what terrified me more, the cold anger in his eyes or the crazy things in his locked study. A talking trunk. Squirring coats. A bookshelf whose titles shifted before my eyes. And one chilling title in particular: Book of Souls. Ten years later and I'm en route to a Romanian monastery, in search of that lost book. But I'm not the only one. Three others have

beaten me to the local village: two researchers and... Well, I'm not sure who Flor is, other than Spanish, secretive, and sexier than a summer dress. Can I trust her - or any of them? I don't know, but we've got werewolves on our scent, not to mention an ancient curse hanging over the remote ruins. Getting there and back is going to require serious cooperation. Or serious magic. *Book of Souls* is a short prequel that can be read before or after *Demon Moon* (Prof Croft, Book 1)

**18 Holes with Bing** - Nathaniel Crosby  
2016-05-03

In this love letter to his father, former professional golfer Nathaniel Crosby shares memories of Bing Crosby on the golf course, and the lessons he taught him about the game and about life. With a Foreword by Jack Nicklaus. "Bing Crosby was a great ambassador for our game, as well as a great man," hails longtime friend and golf partner, Jack Nicklaus. The beloved singer and star was also an

extraordinary teacher who instilled an abiding passion and mastery of the game in his youngest son, Nathaniel. Winning the US Amateur at nineteen, Nathaniel went on to compete in high-level professional tournaments for his entire life. In *18 Holes with Bing*, Nathaniel introduces us to the Bing Crosby he and his family knew—not the beloved singer who played golf, but a golfer who sang to pay his country club dues. Nathaniel shares exclusive stories about this American icon golfing, working, and playing with some of the most famous people in history—royalty, titans of industry, stars of stage and screen, and champions of the green, including Bob Hope, Dwight Eisenhower, Ben Hogan, Jack Nicklaus, and Louis Armstrong. At the book's heart is an intimate account of a father and a son—how a mutual love of golf formed an exceptional emotional bond. Full of anecdotes, vignettes, and recollections of Bing's time on the course, the tournaments he created and later sponsored, and the constant

encouragement he showed his son, 18 Holes with Bing honors this celebrated golfer, entertainer, and father, and illuminates his life as never before.

Junkyard Druid - M. D. Massey 2018-02-22

A cursed druid, blackmailed by a faery queen to find a missing magic rock. Let's just hope they don't hack the druid off... for everyone's sake.

JUNKYARD DRUID A New Adult Urban Fantasy Novel From M.D. Massey Name's Colin McCool.

Folks call me the Junkyard Druid. I hate that name. Despite my last name, I'm not "cool" like the other hunters in town. I don't run an occult bookstore, I've never owned a Harley, and I didn't inherit a family fortune passed down through generations of hunters before me. And I kind of have this curse on me that's messed up

my life. So, things have gone to hell since I was cursed. I live in a junkyard, my mentor Finn is a heroin addict, I've got the Cold Iron Circle breathing down my neck, and the local Fae Queen Maeve is blackmailing me into doing her dirty work. Now I'm in way over my head trying to retrieve Maeve's stolen magic rock, all while helping my friend Belladonna solve a series of murders that may or may not involve the local werewolves. And did I mention that my girlfriend is a ghost? If I can just get the Faery Queen's tathlum back, and help Belladonna solve the murders... Then I just might live long enough to finish my first year of college. - - - Junkyard Druid is a new adult fantasy novel that interweaves elements of paranormal mystery and suspense to introduce an exciting new world and characters in the urban fantasy paranormal genre. It's the first book in the Colin McCool urban fantasy series for adults. Readers of Jim Butcher, Patricia Briggs, and Kevin Hearne will enjoy exploring this new fantasy world through

the eyes of Colin McCool. Get your copy today!

*Unplayable Lies* - Dan Jenkins 2016-04-05

In *Unplayable Lies*, Dan Jenkins takes us on a tour of the links as only he can do it. Here, Dan delves into the greatest rounds of golf he's ever seen, the funniest things said on a golf course, the rivalries on tour and in the press box, the game's most magical moments—and its most absurd. Filled with well-known characters like Tiger Woods, to others like Titanic Thompson—gambler, golf hustler, accused murderer, legendary storyteller—*Unplayable Lies* is an ode to the game of golf and the people who play it. But it is Dan Jenkins, so nothing—even the game itself—can escape his wrath, his critical eye, or his acerbic pen. This is Dan Jenkins at his best, writing about the sport he loves the most.

THE INVISIBLE MAN - H. G. Wells 2017-12-06

The *Invisible Man* is a science fiction novella. The *Invisible Man* of the title is Griffin, a scientist who has devoted himself to research

into optics and invents a way to change a body's refractive index to that of air so that it absorbs and reflects no light and thus becomes invisible. He successfully carries out this procedure on himself, but fails in his attempt to reverse the procedure. Herbert George Wells (1866 - 1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

*Forged* - Benedict Jacka 2020-11-24

Alex Verus faces his dark side in this return to the bestselling urban fantasy series about a London-based mage. To protect his friends, Mage Alex Verus has had to change--and embrace his dark side. But the life mage Anne has changed too, and made a bond with a dangerous power. She's going after everyone she's got a grudge against--and it's a long list. In the meantime, Alex has to deal with his arch-enemy, Levistus. The Council's death squads are hunting Alex as well as Anne, and the only way

for Alex to stop them is to end his long war with Levistus and the Council, by whatever means necessary. It will take everything Alex has to stay a step ahead of the Council and stop Anne from letting the world burn.

*The Merging* - John P. Logsdon 2017-09-13

A set of naughty ubernaturals, a demon-powered mage, and a wealthy amalgamite playboy who is far more than he seems. Ian Dex is a genetically engineered man who has abilities from all classes in the spectrum. He's also the chief of the Las Vegas Paranormal Police Department (PPD). His job is to monitor all supernaturals and their involvement in the world of normals. It's been a mostly boring gig, until now. A new breed of supernaturals has turned up and they're a lot tougher to deal with than your run-of-the-mill vampires and werewolves. These are larger, tougher, and stronger...and they laugh at wood and silver bullets. But fighting these ubernaturals only gets worse when the mage who created them arrives on the scene. He is

bent on world domination, inflicting as much pain as possible, and walking around with his shirt open because he looks like a Chippendale's model. And to make things even more fun, he's using demons to give him an inexhaustible supply of power. Join Ian and his crew as they fight werewolves, vampires, fae, demons, a succubus, and a mage while trying to stop Vegas from getting flipped on its head!

*Operation Chaos* - Poul Anderson 1999-11-08

In a war waged against Black Magic, the fact that Steve is a werewolf and his wife is a highly skilled witch is not unusual. But their adventures prove very unusual, even for their world, when they are given the task of neutralizing an enemy's ultimate weapon--the world's most powerful demon.

[Psychic Self-Defense](#) - Dion Fortune 2020-12-12  
A new edition of an occult classic, which

includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K.

Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.

A Book of Bones - John Connolly 2020-08-25 Private Investigator Charlie Parker returns in this heart-pounding thriller as he seeks revenge against the darkest forces in the world, from “one of the best thriller writers we have” (Harlan Coben, #1 New York Times bestselling author) and the internationally bestselling author of the acclaimed *The Woman in the Woods*. He is our best hope. He is our last hope. He is our only hope. On a lonely moor in northern England, the body of a young woman is discovered. In the south, a girl lies buried beneath a Saxon mound. To the southeast, the ruins of a priory hide a human skull. Each is a

sacrifice, a summons. And something in the darkness has heard the call. Charlie Parker has also heard it and from the forests of Maine to the deserts of the Mexican border, from the canals of Amsterdam to the streets of London, he will track those who would cast the world into darkness. Parker fears no evil—but evil fears him. “A seamless, expansive, and chilling blend of police procedural and gothic horror tale” (Kirkus Reviews), *A Book of Bones* will keep you guessing until the very last page.

*Bullets & Blades* - Orlando A. Sanchez 2018 "Sometimes magic doesn't get the point across. Sometimes the point of a blade is required. After a brief visit to Hades--the place not the god, Tristan finds himself without the ability to cast magic. Assured this is a temporary condition, Tristan and Simon decide it's the perfect opportunity to take some much needed time off. When a group of dark mages enter the city looking for Master Yat, the Montague & Strong Detective Agency must face and eliminate the

threat. There's only one problem. The group of dark mages is being led by William Montague--Tristan's lost brother. Now, without magic, Tristan must face mages intent on killing his friend and teacher, find a way to restore his powers, and stop his brother from bringing a greater darkness to the city, dooming them all. Sometimes the best answer isn't a spell. Some situations can only be resolved with bullets and blades."--Page [4] of cover.

**The Time Traveler's Wife** - Audrey Niffenegger 2021-04-30

A most untraditional love story, this is the celebrated tale of Henry DeTamble, a dashing, adventuresome librarian who inadvertently travels through time, and Clare Abshire, an artist whose life takes a natural sequential course. Henry and Clare's passionate affair endures across a sea of time and captures them in an impossibly romantic trap that tests the strength of fate and basks in the bonds of love. "Niffenegger's inventive and poignant writing is

well worth a trip" (Entertainment Weekly).

[A Cowboy Detective](#) - Charles A. Siringo  
1988-01-01

After years of cowboying, Charles A. Siringo had settled down to store-keeping in Caldwell, Kansas, when a blind phrenologist, traveling through, took the measure of his "mule head" and told him that he was "cut out" for detective work. Thereupon, Siringo joined the Pinkerton National Detective Agency in 1886. [A Cowboy Detective](#) chronicles his twenty-two years as an undercover operative in wilder parts of the West, where he rode with the lawless, using more stratagems and guises than Sherlock Holmes to bring them to justice and escaping violent death more often than Dick Tracy. He survived the labor riots at Coeur d'Alene, Idaho, in 1892 (his testimony helped convict eighteen union leaders), hounded moonshiners in the Appalachians, and chased Butch Cassidy's Wild Bunch. Once described as "a small wiry man, cold and steady as a rock" and "born without

fear," Charlie Siringo became a favorite of highs in the Pinkerton organization. Nevertheless, the Pinkertons, ever sensitive to criticism, went to court to block publication of Siringo's book. Frank Morn, in his introduction to this Bison Books edition, discusses the changes that resulted from two years of litigation. Finally published in 1912 without Pinkerton in the title or the text, *A Cowboy Detective* has Siringo working for the "Dickensen Detective Agency" and meeting up with the likes of "Tim Corn," whom every western buff will recognize. The deeper truth of Siringo's book remains. As J. Frank Dobie wrote, "His cowboys and gunmen were not of Hollywood and folklore. He was an honest reporter.

*The Ascendants* - Orlando Sanchez 2015-01-22  
Ascendants are being killed and the barrier between worlds is failing. Dante, along with a group of Warriors and Guardians must confront the Harbinger. An undying servant of Lucius, a killer who can't die. His purpose is to destroy the

barriers and recapture Maelstrom-a sentient weapon of evil created by his master and wielded by Dante. Can Dante learn how to control Maelstrom before the evil corrupts and kills him? Can the Warriors of the Way stop the Harbinger, and prevent the fall of the barriers before it's too late? Or will Lucius escape and kill them all?

*Loki* - Mackenzi Lee 2019-09-03

An epic tale across the realms. A deadly power that spans millennia. A story of struggle and betrayal, this adventure is told through the patchwork past of Marvel's most misunderstood mischief-maker of all time: Loki: Trickster. God of Asgard. Brother. This is the first of three young adult novels from New York Times best-selling author Mackenzi Lee that explores the untapped potential of popular characters in the Marvel Universe. The novels focus on exploring the duality of heroism in specific character stories from the Marvel Universe.

*War Hammer* - Shayne Silvers 2017-11-26

To become a godkiller you have to awaken the monster inside you Almost a year has passed since Nate's ex-fiancée woke up a Greek god intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told, But to kill a God, he must first become a monster.

Aircraft and Submarines - Willis John Abbot  
1918

The Holy Terror - H. G. Wells 2016-09-14

When Cook's newborn baby entered the world, he had nothing but hope for its future. However, it was immediately clear that this was no ordinary child-it's murderous screams seemed a dark portent. As it grew, things only got worse, and the child's mother began to despair. The new parents hoped their child would grow out of it, but soon came to realise that its inauspicious beginnings were only a sign of things to come. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). "The Father of Science Fiction" was also a staunch socialist, and his later works are increasingly political and didactic. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable,

modern, high-quality edition complete with a specially commissioned new biography of the author.

**Heart of Stone** - R. L. King 2016

STRANGE ATTRACTIONS With Jason and Verity in southern California, Alastair Stone quickly discovers he misses his best friends and favorite confidants far more than he expected to. It isn't long, though, before he's got some new matters to occupy his mind: a student who may have fallen under the influence of a magical cult leader, and a budding relationship with a sexy, intelligent, and stunningly beautiful woman who's everything he never dared to dream of. As his connection with his new lover grows ever deeper, Stone is drawn into a dangerous web of dark magic, an ancient, malevolent grimoire, and plans within plans that could lead not only to his own destruction, but those of his beloved and his student as well. Pursued by a terrifying duo who are immune to magic, Stone must unravel the purpose of the grimoire and defeat a

powerful enemy before it's too late. But what will he do if he's forced to choose between his own student and the woman he loves?

**A Treasury of Sayers Stories** - Dorothy L Sayers 2021-02-13

The Wimsey mysteries established Dorothy Sayers as one of the foremost practitioners of detective fiction during the golden age of the British mystery. This is a rare collection of 24 of Sayers' best detective short stories... A must-read!

England on Edge - David Cressy 2006-01-12

England on Edge traces the collapse of the government of Charles I, the disintegration of the established church, and the accompanying cultural panic that led to civil war. Focused on the years 1640 to 1642, it examines social and religious turmoil and the emergence of an unrestrained popular press. Hundreds of people not normally seen in historical surveys make appearances here, in a drama much larger than the struggle of king and parliament.

**Obsidian Son** - Shayne Silvers 2015-09-28

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

**The Great War for Civilisation** - Robert Fisk  
2007-12-18

A sweeping and dramatic history of the last half century of conflict in the Middle East from an award-winning journalist who has covered the region for over forty years, The Great War for Civilisation unflinchingly chronicles the tragedy of the region from the Algerian Civil War to the Iranian Revolution; from the American hostage crisis in Beirut to the Iran-Iraq War; from the 1991 Gulf War to the American invasion of Iraq in 2003. A book of searing drama as well as lucid, incisive analysis, The Great War for Civilisation is a work of major importance for

today's world.

**Surprise, Kill, Vanish** - Annie Jacobsen  
2019-05-14

From Pulitzer Prize finalist Annie Jacobsen, the untold USA Today bestselling story of the CIA's secret paramilitary units. Surprise . . . your target. Kill . . . your enemy. Vanish . . . without a trace. When diplomacy fails, and war is unwise, the president calls on the CIA's Special Activities Division, a highly-classified branch of the CIA and the most effective, black operations force in the world. Originally known as the president's guerrilla warfare corps, SAD conducts risky and ruthless operations that have evolved over time to defend America from its enemies. Almost every American president since World War II has asked the CIA to conduct sabotage, subversion and, yes, assassination. With unprecedented access to forty-two men and women who proudly

and secretly worked on CIA covert operations from the dawn of the Cold War to the present day, along with declassified documents and deep historical research, Pulitzer Prize finalist Annie Jacobsen unveils -- like never before -- a complex world of individuals working in treacherous environments populated with killers, connivers, and saboteurs. Despite Hollywood notions of off-book operations and external secret hires, covert action is actually one piece in a colossal foreign policy machine. Written with the pacing of a thriller, *Surprise, Kill, Vanish* brings to vivid life the sheer pandemonium and chaos, as well as the unforgettable human will to survive and the intellectual challenge of not giving up hope that define paramilitary and intelligence work. Jacobsen's exclusive interviews -- with members of the CIA's Senior Intelligence Service (equivalent to the Pentagon's generals), its counterterrorism chiefs, targeting officers, and Special Activities Division's Ground Branch operators who conduct today's close-quarters

killing operations around the world -- reveal, for the first time, the enormity of this shocking, controversial, and morally complex terrain. Is the CIA's paramilitary army America's weaponized strength, or a liability to its principled standing in the world? Every operation reported in this book, however unsettling, is legal.

**Ascension** - Shayne Silvers 2019-09-09  
The Godkiller will rise. Despite his recent victories, Nate Temple's problems are only just beginning. Although it had been necessary, killing the most infamous of the Norse gods has consequences, and no one knows petty vengeance like the Aesir. Especially with Odin's legendary spear mysteriously missing. But Nate has more important things to worry about than a pantheon of angry gods. Because the God of Mischief has been freed from his imprisonment, and so has his monstrosity of a son-a creature prophesied to play a major role in Ragnarok. With Loki's masterful abilities at illusion and

deception, any of Nate's acquaintances could be Loki in disguise, so he's forced to play things close to the chest, retreating away from those he trusts the most. But with gangs of expert assassins relentlessly hunting Nate for the largest contract fee ever known, the police and FBI starting to take a closer look at Nate Temple and his alleged crimes, his best friend's kids born with bizarre abilities, and his new Horsemen desperately needing their leader to begin training them for the Omega War... Now is a terrible time to be alone. And an even worse time for his people to be without their leader. Especially when Nate knows his old enemies were actually just the henchmen and that the real masters are still lurking in the shadows-likely even posing as his allies. The blades of betrayal strike swifter than the first kiss of new love, and the fate of the world is riding on one man's shoulders... The Catalyst walks the world. And no one seems to know exactly what that really means. Except that it's going to change

the future of existence for everyone. For better or for worse. Because Nate Temple has changed the rules-the most hated, feared, and respected beings in human history are no longer safe in St. Louis. Even gods can die... If you like Jim Butcher, Sarah J. Maas, Kevin Hearne, Steve McHugh, Michael Anderle, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Breene, you won't be able to put down the highly addictive Nate Temple Series. "Shayne Silvers, Jim Butcher, and Kevin Hearne are easily my favorite Urban Fantasy Authors. **Overthrow** - Stephen Kinzer 2007-02-06

Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

**Moon Patrol** - Shane Clester 2015-08-31

Junot Díaz famously once said, "If you want to make a human being into a monster, deny them, at the cultural level, any reflection of themselves." "Moon Patrol" promotes the "story of us all," ensuring that children's bookshelves contain diverse, non-majority narratives of kids of all different races. A space exploration adventure and humor picture book series for young and early readers, focusing on themes of inclusion and diversity. Axis travels the galaxy helping the helpless, righting wrongs and solving problems! A race of aliens have altered their DNA to eradicate any diversity or speciality, leaving their world in ruins. With no one too

smart or too strong, for example, there is no one to fix the machines, or lift debris out of the road. Axis helps show them the importance of diversity and the value of having different cultures in a society. Using his magical space age guitar, he adds color and variety to the planet and formally Grey Aliens.

**The Book of Equanimity** - Gerry Shishin Wick  
2005-03-15

The Book of Equanimity contains the first-ever complete English language commentary on one of the most beloved classic collections of Zen teaching stories (koans), making them vividly relevant to spiritual seekers and Zen students in the twenty-first century. Continually emphasizing koans as effective tools to discover and experience the deepest truths of our being, Wick brings the art of the koan to life for those who want to practice wisdom in their daily lives. The koan collection Wick explores here is highly esteemed as both literature and training material in the Zen tradition, in which koan-

study is one of two paths a practitioner might take. This collection is used for training in many Zen centers in the Americas and in Europe but has never before been available with commentary from a contemporary Zen master. Wick's Book of Equanimity includes new translations of the preface, main case and verse for each koan, and modern commentaries on the koans by Wick himself.

**Sepia Blue** - Orlando Sanchez 2014-05-15  
For over one hundred years, Central Park has been a maximum security prison. Home to creatures of unimaginable power, they are kept imprisoned by the wards that surround the park. Now those wards are failing and people are dying. Creatures, called the Unholy, are escaping into the night. Only the Hunters, an elite force of warriors can stop them. Sepia Blue is a new hunter, with little experience. Together with her gunman and partner, Cade, they must stop the wards from failing completely. Can a hunter with a dark past and a darker sword stop

the Unholy before they destroy all of humanity?
