Quality with Soul - Robert Benne 2001

This book demonstrates that, despite much evidence to the contrary, there are still Christian colleges and universities of high academic quality that have also kept their religious heritages publicly relevant. Respected scholar Robert Benne explores how six schools from six different religious traditions (Calvin College, Wheaton College, St. Olaf College, Valparaiso University, Baylor University, and the University of Notre Dame) have maintained "quality with soul." These constructive case studies examine the vision, ethos, and personnel policies of each school, showing how--and why--its religious foundation remains strong.

Let All the Little Children Come to Me -
Malesa Breeding 2013-03-17

It is said that everyone has a story to tell, a voice that deserves to be heard. There are many thousands of children with special needs who have long been ignored, rejected and excluded from our schools, our communities, and, sadly, from our Bible classes. We believe that these children are loved deeply and completely by our Lord and that they too are called to come unto Him. This book speaks to the heart and to the head. Teachers and pastors will find inspiration and information, reminding them that God calls us to include all children, no matter the challenge. In addition, the book includes wonderfully practical elements with many ideas that can be easily integrated into any classroom. By combining philosophy and strategies, this book will equip the typical church volunteer teacher to meet the needs of all the children in her classroom.

GraceQuest - Robert V. Rakestraw 2015-04-13

In this fascinating spiritual-theological autobiography, Robert Rakestraw tells of his lifelong, unceasing search for God. After a troubled and unconventional childhood, he came to know the grace and freedom of God in a personal way during his college years. He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life. Without technical language, Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world. In striking and sometimes intimate detail he relates compellingly his experiences as a student, pastor, professor, sufferer, heart-transplant recipient, and above all, seeker of God. Dr. Rakestraw's gripping portrayal of his difficulties and sufferings, especially with regard to health issues, does not come across as depressing. Rather, it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely-offered grace of God extolled by the author.

Step by Step Through Scripture - Mark Quinn 1999

A resource of 78 lessons on reproducible worksheets that accompany student's study of the Old and New Testament. The lessons include a variety of activities - fill-in-the-blank, matching, multiple choice, crossword puzzle, and the like.

Inspiration - Alden L. Thompson 2016-12-20

- Is the Bible historically accurate?
- Are there any contradictions in the Bible?
- If we look too closely at the Bible might we find things that will destroy our faith?
- Should I be afraid that some new archaeological discovery will prove the Bible wrong?
- How much freedom do I have to interpret the Bible?

Combining history,

Scripture, and an understanding of human nature, Dr. Thompson takes on the difficult questions regarding the Bible and inspiration. He goes beyond the question of whether you can trust the Bible to ask whether you can trust yourself as you study. This unique study of inspiration uses internal evidence from the Bible text, its history, collection, and transmission to look at the way in which God works through prophets and Bible writers. As an experiential lens, he uses the experience of the Seventh-day Adventist community, of which he is a part, and its reception and use of Ellen White as God's messenger. This provides an example of someone who produced an incredible volume of written material in her lifetime, yet maintained a great humility and understood her own spiritual experience as one of growth. However, *Inspiration: Hard Questions: Honest Answers* is not just for Seventh-day Adventists. The lessons, drawn from the experience of one community, have wide applicability as we look at a range of views on biblical interpretation, experience, tradition, and contemporary claims of a prophetic word. All communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others. Ultimately, the author is addressing a question that comes to all of us: What is God's will and how can I know it? Can I be certain? To find the answers we need, Dr. Thompson reminds us "We cannot just know Scripture, we have to know God." In this Second Revised Edition, you will find a new "bridge" chapter, designed to invite readers outside of the Adventist tradition to join in the conversation, as well as a number of minor updates, and a set of beautiful photographs and drawings inspired by scripture, prepared for this edition by Wanda Thompson. It is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point. Ultimately, for God's Word in scripture to accomplish its mission, we must each be inspired by it as well.

DRS: An Intellectual Approach To Bible Study II - Dr. Shi-Brone (Jake) Jacobs

2016-12-14

Dr. Jacobs book provides a series of methods by which to objectively approach difficult Biblical topics. Additionally, it offers readers a

perspective view held by many non-Christians so that appropriate apologetic stances can be developed.

Self-Confrontation A Manual for In-Depth Biblical Discipleship - John C. Broger 1991-10-01

The purpose of this manual is to teach you how to examine yourself biblically so you can live in a manner that pleases the Lord and help others to do the same. The material in this manual also has been used in Bible studies for youth and adults, classes for Christian students (junior high, high school, college, and seminary level), courses of study designed to prepare missionaries for their ministry, evangelism training, discipleship training in prison ministries, Sunday school classes, home group studies, personal devotional studies, and Scripture memorization programs. In addition, it has proved valuable as a resource for pastors, counselors, health care professionals, personnel managers, educators, social workers and other professionals who are responsible to deal with personal and interpersonal problems. As you progress through this manual, you will discover many other uses for this material in your life and personal ministry. Please do not be intimidated by the volume of Scripture references contained in this manual. A new believer in Jesus Christ can find great comfort and help from looking up only one verse out of many that are listed on a particular subject. On the other hand, the Bible scholar or seminary student may desire to research many of the Scripture references from the original languages of the Bible. No matter how proficient you are in using Scripture, this manual encourages you to rely on the Word of God to discover God's sufficiency for every aspect of your life.

Christian Education - Robert E. Clark
1991-10-22

Whether in the home or in the church or in a Christian school, the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles. *Christian Education: Foundations for the Future* introduces you to the basics of a healthy Christian education program, then takes you beyond, showing you how to develop a fresh, innovative Christian education program that will revitalize your church, home, or school.

Adult Bible Studies Winter 2020-2021

Teacher - Von Unruh 2020-10-20

Winter Theme: Hope This winter, our lessons develop the theme of "Hope." The writers of the student book lessons are Taylor Mills and Bruce Batchelor-Glader; the teacher book writer is Stan Purdum. The Good News These lessons continue a unit that began with the last Sunday in the fall quarter, encompassing the Sundays of Advent and the first Sunday after Christmas. They call us to consider the Incarnation and what it means that God sent Jesus into the world in human form, as one of us. Thus, the lessons invite us to think about the relationship God wants to have with us and how God's sending Jesus makes that relationship possible. The Hypocrites and the Holy The lessons in this unit challenge us to examine ourselves in light of the examples we see in the individuals in Scripture. Where do we find instances of hypocrisy or holiness? And how do these tendencies contribute to or diminish our hope? Lesson 5 focuses on John the Baptist, preparing the way for Jesus, the hope of the world. Lesson 6 tells of Jesus commenting on John's ministry and announcing the good news. Lessons 7 and 8 help us think about how the hope Jesus brought functions in our lives. And Lesson 9 looks toward the ultimate fulfillment of that hope, with the full coming of the kingdom of God. Holy Living This unit embraces all the Sundays of February and March; and, as such, it continues into the next quarter. The eight lessons of the unit invite us to think about what it means to be the people of God and to pursue holy living. The four lessons in this quarter help us look at how we deal with one another; how faith is expressed action; the sort of "fasting" God wants from us (whether or not we abstain from certain foods); and how, in fact, Christians are the temple of God. During this unit, Lent begins, which is an especially appropriate time to think about holiness. Hundreds of thousands of people each week have transformative encounters with God through Adult Bible Studies—Bible-based, Christ-focused Sunday school lessons and

midweek Bible studies endorsed by the Curriculum Resources Committee of the The United Methodist Church. In fall 2019, based on feedback from hundreds of readers, we made exciting changes designed to benefit Bible study groups. For 2020, in response to additional feedback, we are reintroducing printed focal Bible passages in both the Student and Teacher books. Lessons follow the church seasons, including Advent and Lent, and include suggestions for developing spiritual practices to help nurture your faith. Published quarterly, each week's Student Book lesson lists background Scripture, features key verses, provides reliable and relevant biblical explanation and application, and more, in a readable font size that is accessible to everyone. Pastoral Counseling for Orphans and Vulnerable Children - Tuntufye Anangisye Mwenisongole 2018-04-27

The existence of orphans is as inevitable to most African cities and the world as it is death. These orphans are caused by the death of one or both parents due to various reasons, including the scourge of HIV and AIDS. Being orphans, most of them are vulnerable to difficult lives because they have nobody to fend for them and take care of their lives. They lack adequate food, living expenses, school fees, and care since their current guardians are also in adverse economic situations. In such situations, orphans end up living a life of hopelessness and trauma, which makes them deeply remember their dead parents and the care they received from them before death. Following the vulnerable situation of most orphans, this book, through a study done in the Tanzanian context, challenges churches to extend their counseling and caring ministries to Orphans and Vulnerable Children (OVC). It purports that the use of narrative approach is the most effective way to enter into the world of vulnerable children in order to provide pastoral counseling to them. This approach helps pastoral counselors to use life stories, proverbs, biblical narratives, plays, arts, songs, riddles, poems, symbols, and images as healing and coping mechanisms for OVC. Therefore, this book is

helpful not only to churches and their ministry to orphans and vulnerable children, but also to those who care for orphans in their homes.

Moreover, it will be helpful to children who live in adverse conditions worldwide to find ways to cope with their situations through the stories of children used inside this book.

A Feminist Companion to Shakespeare - Dymna Callaghan 2016-03-15

The question is not whether Shakespeare studies needs feminism, but whether feminism needs Shakespeare. This is the explicitly political approach taken in the dynamic and newly updated edition of *A Feminist Companion to Shakespeare*. Provides the definitive feminist statement on Shakespeare for the 21st century. Updates address some of the newest theatrical and creative engagements with Shakespeare, offering fresh insights into Shakespeare's plays and poems, and gender dynamics in early modern England. Contributors come from across the feminist generations and from various stages in their careers to address what is new in the field in terms of historical and textual discovery. Explores issues vital to feminist inquiry, including race, sexuality, the body, queer politics, social economies, religion, and capitalism. In addition to highlighting changes, it draws attention to the strong continuities of scholarship in this field over the course of the history of feminist criticism of Shakespeare. The previous edition was a recipient of a Choice Outstanding Academic Title award; this second edition maintains its coverage and range, and brings the scholarship right up to the present day.

The Youth Leaders Source Book - Gary Dausey 1991

Church Administration and Finance Manual - Otto F. Crumroy Jr. 1998-10

A field-tested, pragmatic, and resourceful guide to the daunting and logistically complex management of local church. Pastors generally feel equipped to deal with biblical studies, theological questions, preaching responsibilities, and pastoral care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. Often lay leaders within the congregation flounder with these tasks as well. Here, finally, is the ultimate reference guide for the practical management of the parish. Originally created as a sourcebook for the authors' week-long course on church management and administration at the Claremont School of Theology, the manual in draft version has been field-tested by hundreds of pastors and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, various financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. Whether pastors are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish.

Catalog of Copyright Entries. Third Series - Library of Congress. Copyright Office 1975

The Family Story Bible - Ralph Milton 1996
With characteristic warmth and humour, Ralph Milton retells Bible stories in an engaging, contemporary way for kids and adults. 'The Family Story Bible' meets the expectations of today's values-oriented parents by using inclusive language for God, and including stories of both men and women in the Bible. Readers will find old favourite stories and they will discover stories often overlooked in children's Bibles, such as the stories of the prophets, wisdom literature, and the letters of the early church. A delight to read and hear. Margaret Kyle's illustrations brim with energy, curiosity, and joy, capturing in full colour the setting and the spirit of the stories.

Race and Biblical Studies - Tat-siong Benny Liew 2022-10-20

Classrooms as communities are temporary, but the racial effects can be long term. The biblical studies classroom can be a site of personal and social transformation. To make it a space for positive change, the contributors to this volume question and reevaluate traditional teaching practices and assessment tools that foreground white, Western scholarship in order to offer practical guidance for an antiracist pedagogy. The introduction and fifteen essays provide tools for engaging issues of social context and scriptural authority, nationalism and religious identities, critical race theory, and how race, gender, and class can be addressed empathetically. Contributors Sonja Anderson, Randall C. Bailey, Eric D. Barreto, Denise Kimber Buell, Greg Carey, Haley Gabrielle, Wilda C. Gafney, Julián Andrés González Holguín, Sharon Jacob, Tat-siong Benny Liew, Francisco Lozada Jr., Shelly Matthews, Roger S. Nam, Wongi Park, Jean-Pierre Ruiz, Abraham Smith, and Kay Higuera Smith share their experience creating classrooms that are spaces that enable the production of new knowledge without reproducing a white subject of the geopolitical West.

Disciple-Making Encounters - Darryl Wilson 2017-05-01

Growing a Courageous Heart - Wendy J. Mahill

2009-05

Growing a Courageous Heart is a Christ-centered curriculum for women in recovery for all types of eating disorders. It provides clear definitions of eating disorders and explores the physical damage they cause, their protective denial systems, their root causes, and their cognitive processes. It also explores, emotional, relational and spiritual damage caused by eating disorders and provides practical tools for overcoming them. The curriculum could be used in support groups or in one-one therapy sessions. Even those who struggle with disordered eating patterns and body image problems would also benefit from studying this material. This curriculum will help eating disorder survivors grow in their relationship with God and with others as they courageously face fears concerning food, relationships, life, and body image. It'll help remove the shame of having eating disorders as women learn to depend on God for healing in this area of their lives. "Growing a Courageous Heart is packed with incredible material to assist those suffering with disordered eating. Wendy addresses the physical, emotional, cognitive, and spiritual struggles that people face daily. While Growing a Courageous Heart is user friendly, it addresses the deeper complexities unique to eating disorders. Many of my clients have successfully worked through the book, some individually and others in a group setting. I highly recommend Wendy's book for those needing help to overcome disordered eating patterns." Nancy Keller, MFT "Wendy Mahill has created another great tool for healing. Just like Growing A Passionate Heart for sexual abuse, Growing A Courageous Heart for eating disorders is thorough, grace-filled, and a giant step on the road to healing and living free." Steve Arterburn Founder and Chairman of New Life Ministries Founder of the Women of Faith(R) Conferences

Bible Treasures Teacher's Manual - Eleanor Finkbeiner 2002-11

Democratizing Biblical Studies - Elisabeth Schüssler Fiorenza 2009-01-01

"Schüssler Fiorenza addresses such questions as, What are the educational practices and procedures that are advocated by traditional educational models, and how can they be

changed? What kinds of educational and communicative practices do biblical studies need to develop in order to fashion an emancipatory democratizing rhetorical space and a forum of many voices? To envision, articulate, debate, and practice a radical democratic ethos of biblical studies, she identifies emerging didactic models that can foster such a radical democratic style of learning"--Pbk. cover.

Sisters in Scripture - Kathleen MacInnis Kichline 2009

Uses tools of biblical scholarship, prayer, reflection and the insights of other women to explore the relationships of various women of both the Old and New Testament.

Opting for Change - F. Ross Kinsler 1991

Deacon Wives - Diana Davis 2009-06-01

In describing the qualities of a church deacon, the Bible also emphasizes the traits of his companion: "Wives, too, must be worthy of respect, not slanderers, self-controlled, faithful in everything" (1 Timothy 3:11). Yet for all the traditional deacon handbooks, less prevalent are

those for a deacon's wife. This warmhearted, conversational new book from "Fresh Ideas" syndicated columnist Diana Davis shares stories and insights for deacon wives whether just inaugurated or long experienced. The reader will enjoy tips on how to best encourage her husband's work, the ministry of the pastor and his wife, and other church staff and members. There are also helpful home and family suggestions, self-evaluation forms and checklists, and even a detailed teaching plan to share this wealth of material with other women in the church
