Brimstone - Mark Goodwin 2021-02-18

And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound! Revelation 8:13 Jesus warned that the Great Tribulation would be a time of unmatched tumult and human suffering. As Emilio and Mackenzie are finding out, the Messiah's words were no hyperbole. They've survived the Seven Seal Judgements and the First Trumpet. But the coming wave of destruction foretold by the prophecies will bring about chaos they never could have imagined. Upon arriving back at the resistance compound in Kentucky, Emilio and Mackenzie discover a deep schism among the members. Multiple people are attempting to fill the power vacuum left by Hinkle's death. If the group can't work out their differences, they'll never be able to stand against the Global Order. The Third Trumpet sounds and a comet strikes the earth which releases heavy toxins into the environment. Chemicals from the asteroid leach into the ground and poison the water supply. The group rushes to find a solution, but some of the members give up and head for the nearest OASIS city in Atlanta. Emperor Lucius Alexander promises distilled water and sustenance in exchange for the souls of those who will bow only to him. As if Emilio and Mackenzie didn't have enough trouble already, they're spotted by Global Order peacekeepers while on a mission to salvage materials for a lager water distillation system. If they manage to survive the firefight, more tribulation and turmoil await. They'll need to be strong in body, mind, and spirit if they have any hope at all of surviving the coming catastrophe. As with all works by Mark Goodwin, this book contains no profanity and no embarrassing sex scenes. However, if you're offended by conservative principles and references to Scripture, this book might not be for you.

When he tells Everett of a special mission that God has given him, the old prophet gives Everett more questions than answers.

You will also discover striking similarities between the lives of Joseph, Moses and the Messiah Jesus. Upon reading this book you will understand the deception and lies of the prince of darkness and this lost world, and why there is a need for the coming apocalypse (the Great Tribulation) as described in the book of Revelation.

Fantasyland - Kurt Andersen 2018-06-05

NEW YORK TIMES BESTSELLER • "The single most important

explanation, and the fullest explanation, of how Donald Trump became president of the United States . . . nothing less than the most important book that I have read this year."—Lawrence O'Donnell How did we get here? In this sweeping, eloquent history of America, Kurt Andersen shows that what's happening in our country today—this post-factual, "fake news" moment we're all living through—is not something new, but rather the ultimate expression of our national character. America was founded by wishful dreamers, magical thinkers, and true believers, by hucksters and their suckers. Fantasy is deeply embedded in our DNA. Over the course of five centuries—from the Salem witch trials to Scientology to the Satanic Panic of the 1980s, from P. T. Barnum to Hollywood and the anything-goes, wild-and-crazy sixties, from conspiracy theories to our fetish for guns and obsession with extraterrestrials—our love of the fantastic has made America exceptional in a way that we've never fully acknowledged. From the start, our ultra-individualism was attached to epic dreams and epic fantasies—every citizen was free to believe absolutely anything, or to pretend to be absolutely anybody. With the gleeful erudition and tell-it-like-it-is ferocity of a Christopher Hitchens, Andersen explores whether the great American experiment in liberty has gone off the rails. Fantasyland could not appear at a more perfect moment. If you want to understand Donald Trump and the culture of twenty-first-century America, if you want to know how the lines between reality and illusion have become dangerously blurred, you must read this book. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SAN FRANCISCO CHRONICLE "This is a blockbuster of a book. Take a deep breath and dive in."—Tom Brokaw "[An] absorbing, must-read polemic . . . a provocative new study of America's cultural history."—Newsday "Compelling and totally unnerving."—The Village Voice "A frighteningly convincing and sometimes uproarious picture of a country in steep, perhaps terminal decline that would have the founding fathers weeping into their beards."—The Guardian "This is an important book—the indispensable book—for understanding America in the age of Trump."—Walter Isaacson, #1 New York Times bestselling author of Leonardo da Vinci

Tribulation - Mark Goodwin 2020-11-09

And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; and said to the mountains and rocks, "Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: for the great day of his wrath is come; and who shall be able to stand?"

Revelation 6:15-17 Accused of domestic terrorism, Emilio Vega was on his way to a Department of Global Security death camp when the mega-quake hit. The streets beneath his transport vehicle buckled, tossing the van in the air like a toy. He survived the crash, but the world is now in ruins. However, for a condemned man, this disaster may be just the lucky break he needed. Emilio has been left behind! Six detainees were in the van prior to the quake. However, only Emilio and one other prisoner were still around when he regained consciousness. Emilio searched the surrounding area, but to no avail. The missing prisoners believed in an event called the rapture, when Jesus would collect His saints before raining down unbearable wrath on the planet's remaining inhabitants. Can Emilio and Mackenzie survive the gauntlet of destruction known as the Great Tribulation? Mackenzie Thompson, the other prisoner still present, is convinced that it was the rapture and that they've been left behind. She also believes a time of unparalleled torment is about to be poured out upon the earth. Emilio and Mackenzie have a place to go, but it is hundreds of miles away. The roads are unusable, and the two of them are fugitives on the run. If this truly is the Great Tribulation, it's off to a bad start. Don't miss this exciting new end-times thriller. The Supper - Ronald P. Hesselgrave 2019-09-17

The Lord's Supper (or Eucharist) has often been a subject of intense debate in the church. What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus' Last Supper with his disciples, which was a Passover--or Passover-like--meal. Moreover, the Last Supper connects back to various meals in Jesus' earthly ministry. And it looks forward to the great messianic banquet as fulfillment of Jewish expectations. In exploring these connections, this book focuses on the three motifs of "new creation," "hospitality," and "hope" in Christ. Most significantly, when we break the bread and drink the wine (or juice) together we are asserting the reality of the new creation in Christ, affirming God's grace, forgiveness, and cruciform love which is to be embodied in the Christian community, and anticipating the day when God's present and ongoing work of restoration, justice, and reconciliation will ultimately prevail. The Supper, then, is basically a condensed summary of the story of God's plan of redemption. Hesselgrave brings together biblical, theological, ethical, and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church.

7 Year Apocalypse - Michael Snyder 2021-07-14

It all began with a very unusual series of dreams. Night after night, Michael Snyder kept having the same extremely vivid dream about the future, but at first he had no idea what those dreams meant. In a search for answers, Michael was led down some very deep rabbit holes which resulted in a chain of discoveries which will absolutely shock Christians all over the world. In this book, Michael explains that we are right on the verge of the most apocalyptic time in all of human history. Jesus specifically warned that there has never been a time like it before, and there will never be a time like it again. Our planet is about to go through a dramatic succession of horrifying cataclysms that will be far more nightmarish than most people would dare to imagine, but the vast majority of the population has no idea that this is about to happen. Unfortunately, much of what has traditionally been taught about the coming 7 year apocalypse is simply not accurate. Michael's previous books have changed the way that vast numbers of believers view the end times, and this book is destined to do the same. Even though we are about to enter the most apocalyptic years the world has ever experienced. Michael also has a message of hope for those that have put their faith in Jesus Christ. God specifically placed you at this moment in human history for a reason, and the years ahead can be an absolutely amazing adventure if you have completely surrendered yourself to His purposes. All of human history has been building up to a grand crescendo, and we get to be here for it. This book will help you to understand exactly what is coming, and it will inspire you to face the cataclysmic events that are ahead with great confidence.

The Seven Seals of the Apocalypse - Larry L. Ulrich 2015-02-27

When it comes to the approaching end-times, theologians to regular believers have their own ideas on what will transpire during the Tribulation period, the Rapture and the return of Jesus Christ. However, with Bible prophecy, there is difference of opinion in interpreting the scriptures as God imparted them. Bible teacher and author Larry Ulrich offers readers his own insight and beliefs about the end-times in his new, nonfiction book, *The Seven Seals of the Apocalypse*. Centered in the truths of the Book of Revelation, the book describes the events to unfold according to the opening of each seal, from the White Horse (First Seal) to Jesus as King (Seventh Seal). Larry also discusses the seventy-week prophecy within the Book of Daniel to round out the scriptural interpretations. The hope is that readers will feel moved to repent and accept Jesus, witnessing the gospel to others for the Kingdom of God. Larry has been studying and teaching the Bible over a period of forty years and has collected a large amount of notes he has made, especially end time prophecy. Larry has enjoyed literally thousands of hours studying and researching the word of God and has the pleasure to teach that word in churches, jails & prisons, on radio and in small Bible studies. God has given His word to bring man to Himself, prophecies are particularly given to prove to man there is a God in heaven who loves him. Larry's goal is to get that word to as many as possible so that when the tribulation comes as many as possible will be saved.

Contemporary Women's Post-Apocalyptic Fiction - Susan Watkins 2020-02-29

This book examines how contemporary women novelists have successfully transformed and rewritten the conventions of post-apocalyptic fiction. Since the dawn of the new millennium, there has been an outpouring of writing that depicts the end of the world as we know it, and women writers are no exception to this trend. However, the book argues that their fiction is distinctive. Contemporary women's work in this genre avoids conservatism, a nostalgic mourning for the past, and the focus on restoring what has been lost, aspects key to much male authored apocalyptic fiction. Instead, contemporary women writers show readers the ways in which patriarchy and neo-colonialism are intrinsically implicated in the disasters they envision, and offer qualified hope for a new beginning for society, culture and literature after an imagined apocalyptic event. Exploring science, nature and matter, the posthuman body, the maternal imaginary, time, narrative and history, literature and the word, and the post-secular, the book covers a wide variety of writers and addresses issues of nationality, race and ethnicity, as well as gender and sexuality.

APPROACHING APOCALYPSE & 3 DAY - Michael D. Fortner 2016-11-01

God destroyed the world once with a Flood, and the Bible says the next destruction will be with fire at the return of Christ. God is going to send fire from heaven from several different sources; from asteroid impacts, coronal mass ejections, and from a small 2nd sun that will come close enough to Earth to burn us with its flames! Yes, there are in fact many prophecies that reveal this information, going all the way back to the Erythraean Sibyl. These prophecies tell us what the "signs in the sun, moon, and stars" will be before the global destruction hits us. Today we look at a conjunction of planets or blood moons as signs, but they are not signs of the end of the world, because those things have happened many times before and will happen again. No, the signs that Jesus told us about are astonishing, and shocking. Like the prophet Joel said, there will be "wonders" in the sky. This book also presents powerful evidence that a nuclear war will cause the world to be covered with dark clouds, threatening to plunge the world into a nuclear winter. A massive asteroid impact will complete the job and bring the much prophesied Three Days of Darkness. This is the darkness and clouds at the return of Christ. The three days are the first three days of what will be nuclear winter, except Christ returns with fire that will burn up the black clouds and saves the world. But that fire will itself kill many people. It will be the Day of Judgment for sinners, but the Day of Salvation for the righteous who are left alive on Earth. Many people will repent too late to make the Rapture, and it is these who will continue the human race in the Kingdom of God on Earth. This book is filled with many prophecies from the Book of Enoch, Sibylline Oracles, Apocrypha, Pseudepigrapha, and even Catholic and Protestant prophecies. It was written to warn God's people to prepare in advance, so that they can better survive those terrible days that include the Great Tribulation and the Wrath of God at the end.

Apocalypse Coming (Revised Edition) - Cindy Dunaway 2018-10-18

They are reunited with family, a unique group of inexperienced friends, plus four of the men Vince served with while in the Army to prepare for what might be the real apocalypse.*ADVISORIES: If you're a supporter of the liberal far-left and their secular socialist movement, we highly suggest that you skip this novel and four-book series as the main character has the moderate to conservative views and beliefs of most career soldiers and all of our characters in the main group are based on an actual group of combat veterans, their families, friends, and backgrounds.* If you're looking for a story about a group of perfect, righteous people, this isn't it. Hopefully, our story will inspire all of us to prepare for the unexpected, emergencies, and even longer-term disasters as there may not always be some government agency to come to our rescue.* Contains some adult language *****NOTE: Our audiobook is not the same as our Kindle and paperback editions as the audiobook is a much older edition and much has been changed.

The chilling imagery of that vision has gripped believers for over two thousand years. The purpose of the book is to take an in-depth look at these four mysterious horsemen and show how their approach seems to be developing before our eyes, signaling the advent of that terrible seven years known as the Great Tribulation. The four horsemen are symbolic of great movements that will mark the onset of that climactic era in history.

Plotting Apocalypse - Jennie Chapman 2013-09-12

It is the not-too-distant future, and the rapture has occurred. Every born-again Christian on the planet has, without prior warning, been snatched from the earth to meet Christ in the heavens, while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days. This is the premise that animates the enormously popular cultural phenomenon that is the *Left Behind* series of prophecy novels, co-written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007. But these books are more than fiction: it is the sincere belief of many evangelicals that these events actually will occur—soon. *Plotting Apocalypse* delves into the world of rapture, prophecy, and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project. Through penetrating readings of the novels, Chapman shows how the series offers a new model of evangelical agency for its readership. The novels teach that although believers are incapable of changing the course of a future that has been preordained by God, they can become empowered by learning to read the prophetic books of the Bible—and the signs of the times—correctly. Reading and interpretation become key indices of agency in the world that *Left Behind* limns. *Plotting Apocalypse* reveals the significant cultural work that *Left Behind* performs in developing a counter-narrative to the passivity and fatalism that can characterize evangelical prophecy belief. Chapman's arguments may bear profound implications for the future of

American evangelicalism and its interactions with culture, society, and politics.

Countdown to the Apocalypse - Grant R. Jeffrey 2008-10-07

Daniel prophesied the rise of global government in your future. A number of prophets had a glimpse of the future, but God gave only one prophet a precise calendar of the end-times events that will affect the current generation. Writing more than 2,500 years ago, Daniel described a series of cataclysmic events and the signs that will precede the end times.

According to prophecy expert Grant R. Jeffrey, many of the signs that Daniel pointed to are visible in our world today. Daniel's vision reveals startling details about the identity of the coming Antichrist, his political career, his death, and his Satanic resurrection. After completing an exhaustive study of Daniel's prophecies, Dr. Jeffrey presents a detailed description of the Antichrist's rise as world dictator, the mark of the beast, and the political maneuvering that will set the stage for global government. In light of the Hebrew calendar and the cycle of Jewish festivals, Dr. Jeffrey uncovered precise dates for major apocalyptic events, including a timeline for the Antichrist's rise to power, the major events of the Tribulation, and the timing of the Battle of Armageddon. God allowed Daniel to see the world we will soon live in as we approach the time for the return of the Messiah. Now learn exactly what Daniel knew.

Tribulation 2023 - Daniel Speck 2016-07-02

What the Bible says to know and do during the Tribulation. It's 2023 and the pre-Tribulation rapture theory has collapsed. No one believes it anymore. You realize the prophecy "experts" were wrong and suddenly find yourself in the middle of the world shattering events of the Tribulation period. You recall the words of Christ: "Behold, I have told you in advance." So what happens now? This book is an answer to that question: what the Bible says will happen during the seven years of the Tribulation, and what Christians should be preparing themselves for. It's all going to occur exactly as written whether we are ready or not, so this field guide has been designed to help believers become informed and

ready for the return of Jesus: "And behold, I am coming quickly. Blessed is he who heeds the words of the prophecy of this book." "See that you are not frightened, for these things must take place." The Lord doesn't want us to be afraid. He wants us to be prepared.

Blood Moon - Biblical Signs of the Coming Apocalypse - S. Douglas Woodward 2017-05-15

Woodward examines the Blood Moon Prophecy as articulated by Mark Biltz and John Hagee and evaluates the criticisms of Mark Hitchcock and Chris White. Woodward finds a middle ground, identifying why the Blood Moon Prophecy is likely to be authentic, but cautions against accepting its validity without the test of time. Woodward points out many reasons to find cause for belief and many reasons that it legitimately could be questioned. Woodward evaluates the nature of biblical signs by studying the phrase "signs and wonders". He also evaluates the issues of whether biblical signs of the apocalypse must all be supernatural - showing why many may be 'natural' in terms of astronomical events that are unusual but not paranormal acts. The heart of the book is an apologetic for why the study and adherence to the Kingdom of God (and the apocalypse it implies) is mandated by the words of Christ. His followers MUST keep watch—always. It is a must read for all students of eschatology.
