**Make Way for Ducklings** - Robert McCloskey 1999-02-01

"Robert McCloskey's unusual and stunning pictures have long been a delight for their fun as well as their spirit of place."—The Horn Book Mrs. Mallard was sure that the pond in the Boston Public Gardens would be a perfect place for her and her eight ducklings to live. The problem was how to get them there through the busy streets of Boston. But with a little help from the Boston police, Mrs. Mallard and Jack, Kack, Lack, Nack, Ouack, Pack, and Quack arrive safely at their new home. This brilliantly illustrated, amusingly observed tale of Mallards on the move has won the hearts of generations of readers. Awarded the Caldecott Medal for the most distinguished American picture book for children in 1941, it has since become a favorite of millions. This classic tale of the famous Mallard ducks of Boston is available for the first time in a full-sized paperback edition. Make Way for Ducklings has been described as "one of the merriest picture books ever" (The New York Times). Ideal for reading aloud, this book deserves a place of honor on every child's bookshelf. "This delightful picture book captures the humor and beauty of one special duckling family. ... McClosky's illustrations are brilliant and filled with humor. The details of the ducklings, along with the popular sights of Boston, come across wonderfully. The image of the entire family proudly walking in line is a classic."—The Barnes & Noble Review "The quaint story of the mallard family's search for the perfect place to hatch ducklings. ... For more than fifty years kids have been entertained by this warm and wonderful story."—Children's Literature

**National Parks of Europe** - Lonely Planet 2017-04-01

Explore the best of Europe's amazing national parks. From the Lake District to the Black Forest, this beautiful introduction to 60 of Europe's parks is packed with panoramic photography, original illustrations, practical information, and inspiring tips on what to do and see in each. You'll have all the tools to plan the first of many exciting trips. Suggested itineraries for long or short visits The must-try activities for every season Beautiful photography of unique landscapes How to get to each park, and the best places to stay Illustrations of wildlife to watch for in each park Europe's national parks are incredibly diverse, and that is what makes them so special. They protect areas of coast, high-altitude peaks in the Pyrenees and Alps, and even parts of the frozen Arctic, with wildlife ranging from Carpathian squirrels and fin whales to peregrine falcons and polar bears. Setting out to choose Europe's top 60 national parks was no easy task, so we called on our expert writers and well-travelled editors. We asked them to tell us which parks provide the best experiences and why. The final selections were those that offered something truly unique, often an enthralling mixture of stunning natural beauty, incredible wildlife, fulfilling activities, local culture and (occasionally) a compelling history too. But this book is intended to be more than just a celebration of Europe's top national parks - it's also a practical introduction to each of them. We highlight the best activities and trails, explain how to get there and where to stay, show you the wildlife to watch out for, and suggest itineraries. We hope the following pages inspire you to explore more of Europe's wild and wonderful spaces. Includes: Abisko Abruzzo Aiguestortes i Estany de Sant Maurici Arcipelago di La Maddalena Atlantic Islands of Galicia National Park Dolomiti Bellunesi Berchtesgaden Black Forest Brecon Beacons Cairngorms Carpathian Cinque Terre Connemara Curonian Spit Dartmoor Donana Durmitor Ecrins Etna Gauja Golfo di Orosei e del Gennargentu Hardangervidda Hohe Tauern Hortobagy Jostedalbreen Jotunheimen Killarney Kornati Lahemaa Lake District Lake Skadar Lemmenjoki Loch Lomond and The Trossachs National Marine Park of
