

Sikh Religion And Christianity English Edition

Thank you very much for reading **Sikh Religion And Christianity English Edition** . As you may know, people have look hundreds times for their favorite readings like this Sikh Religion And Christianity English Edition , but end up in infectious downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they are facing with some malicious bugs inside their computer.

Sikh Religion And Christianity English Edition is available in our book collection an online access to it is set as public so you can download it instantly.

Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Merely said, the Sikh Religion And Christianity English Edition is universally compatible with any devices to read

Living Religions - Mary Pat Fisher 2011-11-21

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Reflecting modern religions in today's changing world. *Living Religions: A Brief Introduction 3/e* presents a highly readable and stimulating concise survey of the modern religious world though an emphasis on the personal consciousness of believers and their own accounts of their religion and relevance in contemporary life. Along with a team of specialist consultants in each faith, and drawing on a wealth of scholarly research and firsthand source material, Mary Pat Fisher provides a fresh and challenging insight into the historical development and teachings of traditional faiths, indigenous religions, and new religious movements. She considers how the contemporary beliefs and practices of each of these traditions has evolved, and explores the changing nature of each religion; particularly the role of women, and the issues and controversies such as fundamentalism, violence, globalization, and interfaith initiatives. *Teaching and Learning Experience Personalize Learning* - MyReligionLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. *Improve Critical Thinking* - Outstanding student pedagogy- including lists of key topics, review and discussion questions, a suggested reading list, Teaching Stories boxes, primary source quotations, a timeline, world map, key terms and more! - encourages students to examine their assumptions, discern hidden values, evaluate evidence, assess their conclusions, and more! *Engage Students* - *Living Religions: A Brief Introduction* provides personal interviews with followers of each faith, Religion in Practice and Religion in Public Life boxes, and an impressive image program - all which help to bring each major world religion to life. *Support Instructors* - Teaching your course just got easier! You can create a Customized Text or use our Instructor's Manual, Electronic "MyTest" Test Bank or PowerPoint Presentation Slides. Plus, *Living Religions: A Brief Introduction 3/e* is concise enough that you can opt to use additional handouts, course packs, or supplemental readings. Note: MyReligionLab does not come automatically packaged with this text. To purchase MyReligionLab, please visit www.MyReligionLab.com or you can purchase a valuepack of the text + MyReligionLab (VP ISBN-10: 0205242081, VP ISBN-13: 9780205242085)

The Census of British Malaya - J. E. Nathan 1922

Christian and Sikh - John Barnett 2021-01-15

An unprecedented practical insight into the reality of multiple religious participation (in this case Christian and Sikh), balancing and challenging the more theoretical descriptions that are developing.

The Making of Sikh Scripture - Gurinder Singh Mann 2001

The Adi Granth - the primary scripture of the Sikhs - comprises approximately 3000 hymns. This work attempts to construct a comprehensive picture of the making of Sikh "canon", drawing on the recently discovered early manuscripts as well as the extensive secondary literature on the topic.

Sikhism and Christianity - W.O. Cole 2016-02-08

This volume will provide a thorough comparison of the rituals, beliefs and history of Sikhism and Christianity. Chapters will focus on God, revelation, the scriptures, worship, ethics and the history of these two religions, and will highlight both differences and similarities.

Religious Sects and Social Development - Poornima Jain 2010

Study conducted in Agra, India.

Langar with Deep Kaur and Adamo - Experience Sikhi Organization 2022-03-31

Join Deep Kaur and her friend Adamo at the Gurduara as they prepare

food for Langar, a free community kitchen run by Sikhs. This bilingual English/Punjabi picture book follows these two friends as they share the sweet message about finding common ground and bringing people together through food. They realize that although they have different backgrounds, they are not so different after all. The activities at the end of the book will help children learn the names of various dishes that are served in Langar. The Sikh religion is the fifth-largest organized religion in the world after Christianity, Islam, Hinduism and, Buddhism, and the fourth largest in India with 25-30 million adherents worldwide. When this bilingual English/Punjabi book is flipped over, children can read the same story and follow the vibrant illustrations in Punjabi. This helps to improve Punjabi vocabulary for Western-born children who may struggle to speak, read and write Punjabi.

Sikhism: A Very Short Introduction - Eleanor Nesbitt 2005-09-22

The Sikh religion has a following of over 20 million people worldwide and is one of the largest religions in the world. However, events such as the verbal and physical attacks on Sikhs just after September 11 indicated that Sikhs were being mistaken for Muslims, and suggests that the raising of sufficient and appropriate awareness about Sikhism still needs to be addressed. This book will introduce newcomers to the meaning of Sikhism, and its practices, rituals, and festivals. The key threads in the fascinating history of the religion will be highlighted, from the Gurus and the development of the Sikh look, to martyrdom and militarization in the 17th and 18th Centuries and the diaspora. Eleanor Nesbitt brings the subject completely up to date with an examination of gender and caste, referring to contemporary film, such as *Bend It Like Beckham*, and media reports. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Sikhism - Arvind Pal Mandair 2017-03-13

This volume describes Sikhism, the youngest member of the Indic religious traditions. It looks at the striking features of this tradition and describes its birth in the fifteenth century and its continual evolution between the sixteenth and late twentieth centuries into an independent formation often described as the "world's fifth largest religion". The volume explains how Sikhism arose at a time of religious and political ferment, a fact which left its mark on its interactions with other traditions, notably Islam, Christianity and Hinduism. The volume illustrates that Sikhism's political aspirations may not have been fully met by the establishment of the nation state of India in 1947, as indicated by the demand by its adherents for greater autonomy which occasionally has spilled over into claims for independence. It pays attention to the fact that Sikhism is isomorphic with Buddhism and Jainism inasmuch as the demographically minority status of all of these religious traditions conceals the vast influence they have exerted on the Indian landscape. In addition the volume analyses the relationship between complex themes such as violence and mysticism, politics and religion, tradition and modernity, as they have manifested themselves in the historical evolution of the Sikh community. It provides a useful introduction to the lives of its founders, their philosophical and ethical teachings and to Sikh responses and interactions with the world's major religious traditions in an increasingly pluralistic world.

Sikhism - Eleanor M. Nesbitt 2016

An accessible introduction to the world's fifth largest religion, this work presents Sikhism's meanings and myths, and its practices, rituals, and festivals, also addressing ongoing social issues such as the relationship with the Indian state, the diaspora, and caste.

What Christians Can Learn from Other Religions - J. Philip

Wogaman 2014-03-24

Examining other religions provides Christians the opportunity to more deeply understand their own beliefs. Learning about other religions is not the same as learning from other religions, which can have great value to Christians who wish to strengthen their faith. In this book's ten easy-to-read chapters, Wogaman shows readers what Christians can learn from different religions, such as Judaism, Islam, Hinduism, Buddhism, and even from atheism. From these religions Christians can achieve insight into love, sin, ritual, the importance of myth to convey truth, the foundational roots of Christianity, the dark side of Christian history, and many other important ways to see and interpret the world and to understand God. The book concludes with a chapter on what other religions can learn from Christianity. Perfect for church study groups, each chapter ends with questions for discussion.

Unearthing Policies of Instrumentalization in English Religious Education Using Statement Archaeology - Jonathan Doney
2020-12-29

This book presents the theoretical basis and practical steps involved in using Statement Archaeology, an innovative method that enhances understandings of policy development, exemplifying its use in relation to one curriculum subject, Religious Education. The book is the first of its kind to fully describe the theoretical foundations of Statement Archaeology and the practical steps in its deployment, acting as a methodological handbook that will enable readers to use the method subsequently in their own research. Further, the book offers an unparalleled contribution to the historical account of the development and maintenance of compulsory RE in English state-maintained schools and uses this to engage with key current debates in Religious Education policy. It unearths important insights into how the present is built, informs future policy direction and potential implementation strategies, and helps prevent the repetition of unsuccessful past endeavours. This book will be of great interest for academics, researchers and post-graduate students in the fields of religious education, educational policy and politics, and research methods in education.

A Short Introduction to World Religions - Tim Dowley 2018-07-01

This leading textbook for world religions is now available in a more concise version. Many of the features of Introduction to World Religions are retained in this volume but with focus on the religious traditions themselves. The section on religions of antiquity has been removed and key content in each chapter streamlined to increase accessibility for students in their study and research of the world's religious traditions. Known and valued for its balanced approach, this book offers an arresting layout with rich illustrations. It continues to provide broad coverage of diverse religions, including indigenous religions, Hinduism, Buddhism, Jainism, Judaism, Christianity, Islam, Sikhism, and Chinese, Korean, and Japanese religions. The user-friendly content is enhanced by charts of religious festivals, historic timelines, updated maps of the world's religions, and a useful glossary. Both historical overviews and modern perspectives for each religion are included. This edition includes several updates made to the new third edition, including a new design, a new section on women and religion, and a newly revised section on religions in today's world.

Sikhs - William Owen Cole 1978

Hinduism and Christianity - John Robson 1905

Ace Reasoning Ability For Banking and Insurance eBook 2021 (Third English Edition) - Adda247 Publications

ADDA 247 is launching a complete and comprehensive eBook on "Reasoning Ability". Third Edition eBook is updated as per the latest examination pattern and is suitable for all the Banking & Insurance Examinations such as SBI, RBI, IBPS, LIC, GIC, UIIC & Others. The aim of this eBook is to help students learn and understand the new pattern of recruitment exams which will help them to maximize their scores in the competitive examination. The eBook has been prepared by experienced faculties, subject-matter experts and with the expertise of Adda247 keeping the new pattern and challenges of competitive exams in mind. Exclusive By Adda247 Publications: Aspirants are well aware of the dynamics of competitive examination, 3-6 months down the preparation line, you can observe a few changes in the pattern and level of questions. In such a scenario, printed edition or hard copy books bring a limitation; how to stay updated and study with the most relevant and latest study material? Adda247 Publications has brought a solution to this issue!!! We bring to you an exclusive feature with purchase of this eBook by Adda247 Publications Salient Features of the eBook: - 3000+ Questions with

detailed solutions - Concepts with detailed approach and examples - 3 Levels of Exercise Based on latest Pattern - Basic to Advance Level Questions with Detailed Solutions - Includes the Previous Years' Questions asked in Banking & Insurance Exams - Useful for NRA CET as well. - Based on Latest Pattern Course Highlights: - 3000+ Questions with detailed solutions - 3 Levels of Exercise Based on latest Pattern - Basic to Advance Level Questions with Detailed Solutions - Includes the Previous Years' Questions asked in Banking & Insurance Exam Religion and the Specter of the West - Arvind-Pal S. Mandair 2009-10-23 Arguing that intellectual movements, such as deconstruction, postsecular theory, and political theology, have different implications for cultures and societies that live with the debilitating effects of past imperialisms, Arvind Mandair unsettles the politics of knowledge construction in which the category of "religion" continues to be central. Through a case study of Sikhism, he launches an extended critique of religion as a cultural universal. At the same time, he presents a portrait of how certain aspects of Sikh tradition were reinvented as "religion" during the late nineteenth and early twentieth centuries. India's imperial elite subtly recast Sikh tradition as a sui generis religion, which robbed its teachings of their political force. In turn, Sikhs began to define themselves as a "nation" and a "world religion" that was separate from, but parallel to, the rise of the Indian state and global Hinduism. Rather than investigate these processes in isolation from Europe, Mandair shifts the focus closer to the political history of ideas, thereby recovering part of Europe's repressed colonial memory. Mandair rethinks the intersection of religion and the secular in discourses such as history of religions, postcolonial theory, and recent continental philosophy. Though seemingly unconnected, these discourses are shown to be linked to a philosophy of "generalized translation" that emerged as a key conceptual matrix in the colonial encounter between India and the West. In this riveting study, Mandair demonstrates how this philosophy of translation continues to influence the repetitions of religion and identity politics in the lives of South Asians, and the way the academy, state, and media have analyzed such phenomena.

Textual Sources for the Study of Sikhism - W.H. McLeod 1990-10-15

"McLeod is a renowned scholar of Sikhism. . . . [This book] confirms my view that there is nothing about the Sikhs or their religion that McLeod does not know and there is no one who can put it across with as much clarity and brevity as he can. In his latest work he has compressed in under 150 pages the principal sources of the Sikh religion, the Khalsa tradition and the beliefs of breakaway sects like the Nirankaris and Namdharis. . . . As often happens, an outsider has sharper insight into the workings of a community than insiders whose visions are perforce restricted."—Khushwant Singh, *Hindustan Times*

The Feminine Principle in the Sikh Vision of the Transcendent - Nikky-Guninder Kaur Singh 1993-09-24

This work is a critical analysis of Sikh literature from a feminist perspective. It begins with Guru Nanak's vision of Transcendent Reality and concludes with the mystical journey of Rani Raj Kaur, the heroine of a modern Punjabi epic. The eight chapters of the book approach the Sikh vision of the Transcendent from historical, scriptural, symbolic, mythological, romantic, existential, ethical and mystical perspectives. Each of these discloses the centrality of the woman, and show convincingly that Sikh Gurus and poets did not want the feminine principle to serve merely as a figure of speech or literary device; it was intended rather to pervade the whole life of the Sikhs. The present work bolsters the claim that literary symbols should be translated into social and political realities, and in so doing puts a valuable feminist interpretation on a religious tradition which has remained relatively unexplored in scholarly literature.

Christian and Sikh - John Barnett 2021-01-15

An unprecedented practical insight into the reality of multiple religious participation (in this case Christian and Sikh), balancing and challenging the more theoretical descriptions that are developing.

Gurfateh Kaur's Dastaar - Experience Sikhi Organization 2022-03-31

Children are often curious and confused about different religious appearances. This bilingual English/Punjabi picture book unpacks who Sikhs are, what their turbans mean and also explores Sikh history. Sikh student, Gurfateh Kaur, is excited when a new student joins her school but her excitement soon fades when the new student begins bullying her because of her turban. Realizing that responding in anger won't work, Gurfateh Kaur decides to educate the new student on who she is. This book helps children learn about who Sikhs are and how to handle teasing and bullying in a safe way. This book will help young Singhs and Kaur understand the history of Sikhs and highlight the importance of the Sikh

turban (called a Dastar) and appearance. The Sikh religion is the fifth-largest organized religion in the world after Christianity, Islam, Hinduism and, Buddhism, and the fourth largest in India with 25-30 million adherents worldwide. When this bilingual English/Punjabi book is flipped over, children can read the same story and follow the vibrant illustrations in Punjabi. This helps to improve Punjabi vocabulary for Western-born children who may struggle to speak, read and write Punjabi.

[A History of Christianity in India](#) - Stephen Neill 1984

Christians form the third largest religious community in India. How has this come about? There are many studies of separate groups: but there has so far been no major history of the three large groups - Roman Catholic, Protestant and Thomas Christians (Syrians). This work attempts to meet the need for such a history. It goes right back to the beginning and traces the story through the ups and downs of at least fifteen centuries. It includes careful studies of the political and social background and of the non-Christian reactions to the Christian message. The narration is non-technical and should present few difficulties to the thoughtful reader; the more technical matters are dealt with in notes and appendices. This book will be of interest to all students of Church History and will also prove fascinating to many who are concerned with the development of Christianity as a world religion and in the dialogue between different forms of faith.

[Mission Life; Or Home and Foreign Church Work](#) - 1878

[Ethical Perceptions of World Religions](#) - Karama Singh Rājū 2002

[World Religions in America, Fourth Edition](#) - Jacob Neusner 2009-10-07

The fourth edition of *World Religions in America* continues its lauded tradition of providing students with reliable and nuanced information about America's religious diversity, while also reflecting new developments and ideas. Each chapter was updated to reflect important changes and events, and current statistics and information. New features include a timeline of key events and people for each tradition, sidebars on major movements or controversies, personal stories from members of various faiths, a theme-based organization of subjects, more subheads, three new chapters exploring America's increasing religious diversity, and suggestions for further study.

[Western Perspective on the Sikh Religion](#) - Darshan Singh 1991

[International Bibliography of Sikh Studies](#) - Rajwant Singh Chilana 2006-01-16

The *International Bibliography of Sikh Studies* brings together all books, composite works, journal articles, conference proceedings, theses, dissertations, project reports, and electronic resources produced in the field of Sikh Studies until June 2004, making it the most complete and up-to-date reference work in the field today. One of the youngest religions of the world, Sikhism has progressively attracted attention on a global scale in recent decades. An increasing number of scholars is exploring the culture, history, politics, and religion of the Sikhs. The growing interest in Sikh Studies has resulted in an avalanche of literature, which is now for the first time brought together in the *International Bibliography of Sikh Studies*. This monumental work lists over 10,000 English-language publications under almost 30 subheadings, each representing a subfield in Sikh Studies. The Bibliography contains sections on a wide variety of subjects, such as Sikh gurus, Sikh philosophy, Sikh politics and Sikh religion. Furthermore, the encyclopedia presents an annotated survey of all major scholarly work on Sikhism, and a selective listing of electronic and web-based resources in the field. Author and subject indices are appended for the reader's convenience.

[The History of Religion](#) - Karen Farrington 1998

An illustrated study of the worship, practices, gods, prophets, leading figures, festivals, myths, and misconceptions of the world's major faiths, including ancient belief systems, paganism, Judaism, Christianity, Hinduism, Buddhism, Islam, Sikhism, eastern religions, and modern movements.

[Accidental Gods](#) - Anna Della Subin 2021-12-07

NAMED A BEST BOOK OF THE YEAR BY ESQUIRE, THE IRISH TIMES AND THE TIMES LITERARY SUPPLEMENT A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age Ever since 1492, when Christopher Columbus made landfall in the New World and was hailed as a heavenly being, the accidental god has haunted the modern age. From Haile Selassie, acclaimed as the Living God in

Jamaica, to Britain's Prince Philip, who became the unlikely center of a new religion on a South Pacific island, men made divine—always men—have appeared on every continent. And because these deifications always emerge at moments of turbulence—civil wars, imperial conquest, revolutions—they have much to teach us. In a revelatory history spanning five centuries, a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of "religion" was invented; why religion and politics are perpetually entangled in our supposedly secular age; and how the power to call someone divine has been used and abused by both oppressors and the oppressed. From nationalist uprisings in India to Nigerien spirit possession cults, Anna Della Subin explores how deification has been a means of defiance for colonized peoples. Conversely, we see how Columbus, Cortés, and other white explorers amplified stories of their godhood to justify their dominion over native peoples, setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores. At once deeply learned and delightfully antic, *Accidental Gods* offers an unusual keyhole through which to observe the creation of our modern world. It is that rare thing: a lyrical, entertaining work of ideas, one that marks the debut of a remarkable literary career.

[Understanding Sikhism](#) - William Owen Cole 2004

One of the world's major faiths with more than 20 million adherents, Sikhism is a religion which most people, including academics, seem to ignore. This introduction assumes no prior knowledge on the part of the reader. At the center of the religion is the scripture, the *Guru Granth Sahib*, and it is the focus of Sikh theology and practice to the extent that no one is allowed to come between it and the believer. There is no priesthood. A particular aspect of Sikhism is its relationship with and attitude to other religions, something of particular significance in our multi-religious society. This book is written by a non-Sikh who has a PhD in Sikh studies.

[The Sikh and Sikhism](#) -

[Sikhism: A Christian Approach](#) - Marcus Braybrooke 2018-06-26

The Sikh Gurus' message that there is only one God, although called by many names and that humanity is one- whatever our nationality, colour or creed - is urgently needed today, as well as the emphasis on peace and service of others. This book in a very readable way describes the lives of the Sikh Gurus and their teaching as it is recorded in the Sikh Holy Book, the *Guru Granth Sahib*. This book also tells the story of the Sikhs in the Punjab and of the growing Sikh communities in Britain and North America up to the present day and the issues they face in their new homes The famous Golden Temple is described and the reader is introduced to the worship and life of a Gurdwara. Marcus Braybrooke, who has made many visits to India, is an Anglican priest, also an interfaith activist, Joint-President of the World Congress of Faiths and Co-Founder of the Faith&Belief Forum and author of many books on religion and spirituality, including *Beacons of Light*; *Christianity: An Explorer's Guide*; *Widening Vision*.

[Religion and Economy: England](#) - Simone Gerbig 2006-03-05

Essay from the year 2005 in the subject Economics - Case Scenarios, grade: 2,0, University of Cooperative Education Mannheim, 6 entries in the bibliography, language: English, abstract: Religion In general it can be said that the official religion in England is Christianity. The Christian church is called Anglican Church or Church of England to which most English people belong to. It was founded during the reign of King Henry VIII when England split from the Roman Catholic Church (cf. Morrison, 1994, p. 109). Besides the Christians there are a lot of other religions represented, which can be seen in the following table (cf. Tab. 1). Tab. 1: Religions in England [table only in downloadfile] <http://www.statistics.gov.uk/CCI/nugget.asp?ID=293&Pos=7&ColRank=1&Rank=176>) The table shows that there are about 6 different religions in England. Over three-quarters reported to have a religion. 72 % said, that they were Christians. After Christianity, Islam was the second largest religion represented in England with 1.6 million Muslims. Next religious group are the Hindus, followed by the Sikhs, Jews, Buddhists and people from other religions (cf. Author unknown <http://www.statistics.gov.uk/cci/nugget.asp?id=395>). Besides it is very interesting to see which ethnic background these religions have. Even the population is very diverse, it can be clearly stated, that the most important fact is that the majority of the Christians were white. The majority of black people as well as those from mixed ethnic backgrounds can be identified as Christians (cf. Author unknown <http://www.statistics.gov.uk/CCI/nugget.asp?ID=293&Pos=7&ColRank=1&Rank=176>). The following total overview shows the various ethnic

backgrounds of the earlier stated religions (cf. Fig. 1). Fig. 1: Ethnicity and Religion in England [figure only in downloadfile]

LDS Christians and Sikhs - Kashmir Lidder B Ed(hons) M a Ed
2021-07-10

This book is written with the intent to invite Sikhs to explore their own religion and to consider how the LDS Christian doctrines can add to their faith. It is an attempt to persuade Sikhs to consider how the teachings of Jesus Christ can enhance their faith. The Restored church has much to offer Sikhs to understand not only their own faith but also to give them a better perspective of God`s dealings with all mankind. New scriptures have come forth by a prophet which will give further light and knowledge of God`s plan for all mankind.

Sikhism, an Oecumenical Religion - Kapur Singh 1993

Encyclopaedic Dictionary Of Religion - Ramesh Chopra 2005-03

The present publication is an up-to-date, authentic and comprehensive dictionary of religion, which recognises that religion is a field in its own right and with its own language. It aims to provide clear, concise, and correct definitions and descriptions of the terms used in all world religions including Hinduism, Buddhism, Jainism, Judaism, Christianity, Islam, Shintoism, Confucianism, Zoroastrianism, Animism and so on. This work is designed to be a comprehensive reference tool for researchers, students, religious practitioners and all who are interested in religions and religious practices. It is earnestly hoped that it will be an authoritative source to which one can turn with confidence for meaning and knowledge of the common and specialised terms used in world religions.

The Oxford Handbook of Sikh Studies - Pashaura Singh 2014-03-27

The Oxford Handbook of Sikh Studies innovatively combines the ways in which scholars from fields as diverse as philosophy, psychology, religious studies, literary studies, history, sociology, anthropology, political science, and economics have integrated the study of Sikhism within a

wide range of critical and postcolonial perspectives on the nature of religion, violence, gender, ethno-nationalism, and revisionist historiography. A number of essays within this collection also provide a more practical dimension, written by artists and practitioners of the tradition. The Handbook is divided into eight thematic sections that explore different 'expressions' of Sikhism. Historical, literary, ideological, institutional, and artistic expressions are considered in turn, followed by discussion of Sikhs in the Diaspora, and of caste and gender in the Panth. Each section begins with an essay by a prominent scholar in the field, providing an overview of the topic. Further essays provide detail and further treat the fluid, multivocal nature of both the Sikh past and the present. The Handbook concludes with a section considering future directions in Sikh Studies.

The Christian Work and the Evangelist - 1903

Teachings of the Sikh Gurus - Christopher Shackle 2013-07-04

Recognized masterpieces of Indian literature, the Guru Granth Sahib and the Dasam Granth are fundamental to the Sikh religion, not only in the physical layout of temples and in ceremonies of worship, but as infallible reference texts offering counsel and instruction. Teachings of the Sikh Gurus presents a brand new selection of key passages from these sacred scriptures, translated into modern English by leading experts, Christopher Shackle and Arvind-pal Singh Mandair. Including six longer compositions and many shorter hymns thematically organised by topics such as Time and Impermanence, Self and Mind, Authority, and Ethics, the book's accessible and carefully chosen extracts distil the essence of Sikhism's remarkable textual and intellectual legacy, depicting how its message of universal tolerance suits the contemporary world. The detailed introduction and notes to the translations aid readers' comprehension of the hymns' form and content, as well as providing some historical context, making it an ideal introduction to Sikh literature.

The Christian Examiner and Religious Miscellany - 1850
