Henna Body Art - Mark Smith 2009-01-22

This great boxed set contains a full-colour 64-page book, a tube of ready-mixed natural henna paste with applicator nozzle and 30 temporary transfer tattoos. It's the ideal introduction to henna body decoration, an ancient Indian art which has become ultra-fashionable in the west in recent years. The book explains what henna is, where it comes from and how to make completely natural henna paste - and then shows exactly how to apply it to create the most stunning and beautiful body art effects. At least 18 pages of the book are given over to a collection of wonderful traditional designs which can be used as templates for making stencils and transfers or for copying freehand. The 30 transfers supplied in the kit enable the reader to get going right away, either by using them as body art in themselves or as bases for over-painting with the instant henna paste included. Perfect either for personal use or as a gift!

Sikh Weddings - 2016-05-16

Sikh weddings are vibrant, ritual-steeped events that can stretch on for days. Each wedding is unique and unforgettable. Photographing them is a joy and a challenge: there are countless facets to photograph — and many moments seeped in meaning and tradition. Documenting can't-miss moments as they unfold requires a comprehensive understanding of the elements of the wedding, from start to finish. Sohal teaches readers the ins and outs of photographing the Sikh wedding. He offers general guidelines — greetings to use with men versus those to use with women — and moves on to share some pointers regarding general expectations the family will have of the photographer (e.g., never refuse food — that would be impolite; expect to take far more family photos than you may be accustomed to). Next, he describes the major events of the wedding and explains the significance of each. With easy to digest text and gorgeous illustrations, this book is not to be missed.

A Match Made in Mehendi - Nandini Bajpai 2019-09-10

For fans of Brandy Colbert and Jenny Han comes a lighthearted novel about tradition, high school social hierarchy, matchmaking, and swiping right (or left!) Fifteen-year-old Simran "Simi" Sangha comes from a long line of Indian vichole -- matchmakers -- with a rich history for helping parents find good matches for their grown children. When Simi accidentally sets up her cousin and a soon-to-be lawyer, her family is thrilled that she has the "gift." But Simi is an artist, and she doesn't want to have anything to do with relationships, helicopter parents, and family drama. That is, until she realizes this might be just the thing to improve her and her best friend Noah's social status. Armed with her family's ancient guide to finding love, Simi starts a matchmaking service -- via an app. But when she helps connect a wallflower of a girl with the star of the boys' soccer team, she turns the high school hierarchy topsy-turvy, soon making herself public enemy number one.

Aru Shah and the End of Time - Roshani Chokshi 2018-05-03

Little does Aru know that lighting the lamp has dire consequences. She unwittingly frees an ancient demon who freezes her mother in time - and it's up to Aru to save her.

Craft in Art Therapy - Lauren Leone 2020-07-27

Craft in Art Therapy is the first book dedicated to illustrating the incorporation of craft materials and methods into art therapy theory and practice. Contributing authors provide examples of how they have used a range of crafts including pottery, glass work, textiles (sewing, knitting, crochet, embroidery, and quilting), paper (artist books, altered books, book binding, origami, and zines), leatherwork, and Indian crafts like mendhi and kolam/rangoli in their own art and self-care, and in individual, group, and community art therapy practice. The book explores the therapeutic benefits of a range of craft materials and media, as well as craft's potential to build community, to support individuals in caring for themselves and each other, and to play a valuable role in art therapy practice. *Craft in Art Therapy* demonstrates that when practiced in a culturally sensitive and socially conscious manner, craft practices are more than therapeutic—they also hold transformational potential.

Bhangra Moves - AnjaliGera Roy 2017-07-05

Bhangra is commonly understood as the hybrid music produced in Britain by British Asian music producers through mixing Panjabi folk melodies with western pop and black dance rhythms. This is derived from a Punjabi harvest dance of the same name. This book looks at Bhangra's global flows from one of its originary sites, the Indian subcontinent, to contribute to the understanding of emerging South Asian cultural practices such as Bhangra or Bollywood in multi-ethnic societies. It seeks to trace Bhangra's moves from Punjab and its 'return back' to look at the forces that initiate and regulate global flows of local texts and to ask how their producers and consumers redirect them to produce new definitions of culture, identity and nation. The critical importance of this book lies in understanding the difference between the present globalizing wave and previous trans-local movements. Gera Roy contrasts the frames of cultural imperialism with those of cultural invasion to show how Indian cultures have constantly reinvented themselves by cross-pollinating with 'invading' cultures such as Hellenic, Persian, Arabic and many others in the past. By looking at Bhangra's flows to and from India, the book revises the relation between culture, space and identity and challenges boundaries. It weighs both the uses and costs of visibility provided by global networks to marginalized groups in diverse localities and explores whether collaborations between Bhangra practitioners, largely of working class origin, give ordinary people any control over the circulation of culture in the global village. Finally, the book considers whether cultural practices can alter hierarchies and power structures in the real world.
