Mademoiselle Baudelaire - Yslaïre

2021-09-22T00:00:00+02:00

Baudelaire: poète maudit, enfant terrible, lyric genius, crippling perfectionist. Bereft of a father at age five, he spent his days squandering the former's fortune on prostitutes and paintings, opium and alcohol, finery and laundry bills for his impeccably white dandy's collars. He loved a woman and gave her syphilis. This is her story. Muse, mulatto, mistress, mystery... little was known of Jeanne in her day, and even less remembered since. Yslaïre pays tribute to a brimstone-and-hellfire affair from the annals of literature, two misunderstood souls who in their mutual misunderstanding afforded each other what little solace they found in life.

Brindille - Frederic Brremaud 2021-05-11

A frail young girl flees a roaring forest fire in the middle of the night desperately taking refuge in a cave where she quickly loses consciousness. She wakes up in a strange, tiny village populated by fairy-like creatures. Her hosts seem intrigued by the sparkles of light that seem to surround her. The village chieftain explains that one of their hunters found her passed out in the forest and brought her back here for treatment. He asks who she is, but she remembers nothing except for a wall and flames. The chief is baffled by her tale as there has not been any fire in the forest lately, and yet the young woman does indeed show signs of burns. Somewhat recovered and dressed in woodland clothes made by the villagers, the young lady asks to meet the hunter who found her in the forest. She asks her savior to take her to where he found her, hoping that seeing the place will restore her memory. But Meliss refuses -- the rules of the village say that only hunters can enter the forest, and all of the sparkles surrounding the girl would catch the eyes of predators living in

these woods... What follows is a tale of discovery, magic, tragedy, and adventure, as the girl discovers powers that may or may not be borne of an ancient evil. She befriends a cunning, talking wolf along the way, and together the two set out on a journey that will not soon be easily forgotten. A beautifully illustrated, magical fairy tale sure to appeal to young teens and up, created by the award-winning team behind the world-renowned LOVE series of wordless wildlife graphic novels.
