Termination of Tenancies for Tenant Default - Great Britain: Law Commission 2006-10-31

Following on from a consultation paper (Consultation paper 174; ISBN 0117302562) published in January 2004, this report contains proposals for reform of the law regarding the termination of a tenancy during its term, by a landlord, due to the tenant having broken the terms of the tenancy agreement. It sets out, in the form of a draft Bill, a new statutory scheme for the termination of tenancies, including a new concept of 'tenant default', to replace the current law of forfeiture. The proposed scheme would define the

circumstances in which a landlord may seek to terminate a tenancy early, require the landlord to warn the tenant of the impending action by giving a written notice, and confers enhanced protection on those with interests deriving out of the tenancy. The report is divided into eight parts with three appendices, and issues considered include: problems with the current law of forfeiture of tenancies and the case for reform; the various components of the proposed scheme, including the concept of tenant default and the stages of a landlord's 'termination claim'; and the role of the court.

The Landlord's Guide to Minnesota Law - HOME Line 2015-10-05

The Landlord's Guide to Minnesota Law addresses every landlord-tenant legal issue that is likely to arise over the course of a lease. From how to find a tenant to what to do once they leave, it is a practical and thorough legal analysis of what Minnesota landlords need to know about complying with the relevant federal, state and local laws. At the end of each chapter you'll find "Tips from a Tenant Attorney." These tips offer more creative advice on how landlords can solve difficult legal situations or prevent them from ever occurring. Also included is our exclusive line-by-line analysis of the Minnesota State Bar Association's Model Residential Lease. Instead of guessing what your lease terms mean, this guide tells you why each term exists and how it applies to your situation. This book was written by practicing attorneys in Minnesota who work exclusively in landlord-tenant law. There are dozens of legal guides available online for landlords, but none of them focus on Minnesota statutes and regulations, and when it comes to landlord-tenant legal issues, state law is key. Both authors are currently practicing attorneys with over 25 years of experience in

tenant landlord law, advising over 39,000 renters on HOME Line's tenant hotline. They also train a wide variety of audiences in tenant landlord law, including over 100 trainings to landlord groups throughout Minnesota.
