So, gone you require the book swiftly, you can straight acquire it. Its so categorically easy and in view of that fats, isnt it? You have to favor to in this flavor

*The Mueller Report* - III Robert F. Mueller 2019-04-19

Now you can read the Mueller Report for yourself. This historic document may reflect a pivotal moment in American history. Never before has a US President been investigated for possible collusion with a foreign government. In 450 pages Robert Mueller sets forth his findings in a meticulous fashion. This report is submitted to the Attorney General pursuant to 28 C.F.R. § 600.8(c), which states that, "[a]t the conclusion of the Special Counsel's work, he ... shall provide the Attorney General a confidential report explaining the prosecution or declination decisions [the Special Counsel] reached." The Russian government interfered in the 2016 presidential election in sweeping and systematic fashion. Evidence of Russian government operations began to surface in mid-2016. In June, the Democratic National Committee and its cyber response team publicly announced that Russian hackers had compromised its computer network. Releases of hacked materials--hacks that public reporting soon attributed to the Russian government--began that same month. Within the Executive Branch, these investigatory efforts ultimately led to the May 2017 appointment of Special Counsel Robert S. Mueller, III. The order appointing the Special Counsel authorized him to investigate "the Russian government's efforts to interfere in the 2016 presidential election," including any links or coordination between the Russian government and individuals associated with the Trump Campaign. As set forth in detail in this report, the Special Counsel's investigation established that Russia interfered in the 2016 presidential election principally through two operations. First, a Russian entity carried out a social media campaign that favored presidential candidate Donald J. Trump and disparaged presidential candidate Hillary Clinton. Second, a Russian intelligence service conducted computer-intrusion operations against entities, employees, and volunteers working on the Clinton Campaign and then released stolen documents. The investigation also identified numerous links between the Russian government and the Trump Campaign. Although the investigation established that the Russian government perceived it would benefit from a Trump presidency and worked to secure that outcome, and that the Campaign expected it would benefit

*The Mueller Report* - Robert Mueller 2019-05-28

The Mueller Report: Large Print Edition Final Special Counsel Report of President Donald Trump & Russia Collusion Large print edition for easy reading How will this report impact the presidency? A definitive Large Print edition. Large point font for easy reading Features the unabridged Special Counsel's declassified report The introduction features Attorney General William Barr's four-page summary letter to Congress Professionally formatted book-this is not just a scanned photocopy of the report Robert Mueller and a team of agents was assigned by the U.S. Justice Department in the spring of 2017 to investigate accusations of collusion between President Donald Trump and Russian operatives. This is the complete text of the declassified report. This report has been the focus of nearly two years of efforts by the Department of Justice employing 40 FBI agents and 19 lawyers who used over 509 warrants and interviewed nearly 500 witnesses. The controversy erupting from the many sides of the investigation has occupied two years of major news media coverage. "The report does not recommend any further indictments, nor did the Special Counsel obtain any sealed indictments that have yet to be made public." The book also features an introduction. The four-page summary letter to Congress by Attorney General Barr is provided to orient the reader to this large text. This special feature allows readers to gain a better perspective of the volume in its entirety. The investigation originally threatened to take down Donald Trump's presidency. After the report

was made available, the impact is unclear. Get your copy of this large print historic book today!

*The Mueller Report - Large Print Edition* - Robert S. Mueller 2019-07-02

The New York Times, Washington Post, Wall Street Journal, USA TODAY, and Publisher's Weekly Bestseller, now available in easy-to-read large print. There has never been a more important political investigation than Robert S. Mueller III's into President Donald Trump's possible collusion with Russia. His momentous findings can be found here, complete with: The 400+ pages of the historic report, as released by the Justice Department An introduction by constitutional scholar, eminent civil libertarian, and New York Times bestselling author Alan Dershowitz. The relevant portions of Title 28 of the Code of Federal Regulations, the 1999 provisions written by former acting Solicitor General Neal Katyal, which establish and regulate the powers of the special counsel. Attorney General William Barr's four-page summary of the report, as sent to Congress. Barr's explanation of the four reasons for redacting the report, and a key for identifying them in the color-coded report The wait is over. Robert Mueller, a lifelong Republican, has concluded his investigation and submitted its findings to Attorney General William Barr. Barr has told Congress that Mueller found no proof of collusion between the Trump campaign and Russia, and did not come to a conclusion on obstruction of justice—neither concluding the president committed a crime nor exonerating him. But Mueller's report was over 300 pages and Barr's summary was only four pages, raising questions about the conclusions of a historic investigation. Special Counsel Robert Mueller III's probe into Russian influence on the 2016 election of Donald Trump—including links between the campaign and Russian interests, obstruction of justice by President Trump, and any other matters that may have arisen in the course of the investigation—has been the focal point of American politics since its inception in May 2017. Democrats in the US House of Representatives hoped to use the report to begin impeachment proceedings, with the support of those critical of the president. Media tracked Mueller's every move, and the investigation was subject to constant speculation by political pundits everywhere. It resulted in the indictments of Michael Flynn, Paul Manafort, Roger Stone, and many others. President Trump and his supporters affirmed that the investigation was a "witch hunt" and the product of a plot by the political establishment—the "deep state"—to delegitimize his presidency. Mueller's findings—at least according to Barr—allowed the latter to claim victory. But now, thanks to a subpoena from House Judiciary Committee chairman Jerry Nadler for the full report, a resolution from the House of Representatives to release the full report to the public (though blocked in the Senate by Mitch McConnell), and popular demand, it's time for public to judge if that is true. The Mueller investigation will join Watergate, and the Mueller Report will join the 9/11 Commission Report, the Warren Report, and the Starr Report, as one of the most important in history. The Mueller Report is required reading for everyone with interest in American politics, for every 2016 and 2020 voter, and every American. It's now available here as an affordable large-print paperback, featuring an introduction from eminent civil libertarian, Harvard Law Professor Emeritus, and New York Times bestselling author Alan Dershowitz, who provides a constitutional, civil law-based commentary sorely needed in today's media landscape.

[Summary of the Mueller Report, for Those Too Busy to Read it All](#) - Thomas E Patterson 2019-06-22

An abridged version of the Mueller Report intended for those who don't have the time to read the nearly 500-page full report. This version, which is a fourth of the length, focuses on the question of whether President Donald Trump obstructed justice in his efforts to impede and discredit the Special Counsel's

investigation into Russian meddling in the 2016 presidential election and whether the Trump Campaign colluded with the Russians to tip the election in Trump's favor. The abridgment uses the exact words of the Mueller Report to tell the investigative story of Michael Flynn's connections to the Russians, Trump's firing of FBI director James Comey, Trump's attempt to get Attorney General Jeff Sessions to unrecuse himself and then firing him when he refused, Trump's effort to fire the Special Counsel and to get White House Counsel Don McGahn to publicly deny that such an effort was made, Trump's attempt to prevent disclosure of the emails relating to the June 2016 Trump Tower meeting between Russians and senior officials of the Trump campaign, Michael Cohen's exchanges during the 2016 campaign with Russians about building a Trump Tower in Moscow and Trump's repeated statement during the campaign that he had no business dealings with the Russians, Trump's response to Paul Manafort's indictment and conviction, and more. The abridged version includes an introduction by Thomas E. Patterson, who is the Bradlee Professor of Government & the Press at Harvard University's Kennedy School of Government. The introduction explains why it is important for Americans to read the Mueller Report and describes the rules that guided the abridgment of the full Mueller Report. The introduction does not offer a conclusion on the obstruction-of-justice issue but instead places that judgment in the hands of the reader.

*The Mueller Report* - U. S. Department of Justice 2019-04-19

What's really going on in Donald Trump's office? Special investigator Robert Mueller has written the great factual novel about the moral bankruptcy of the United States. Here is the full long awaited text of Special Counsel Robert Mueller's investigation into Russian interference in the 2016 Presidential election as released by Attorney General William Barr. The report is divided into two parts. The first part describes the results of the Special Counsel's investigation into Russia's interference in the 2016 and whether any Americans including individuals associated with the Trump campaign joined the Russian conspiracies to influence the election. The report outlines the Russian effort to influence the election and documents crimes committed by persons associated with the Russian government in connection with those efforts. The second part addresses Trump's actions towards the FBI investigation into the Russia's interference in the 2016 presidential election and his actions towards the Special Counsel's investigation.

[The Fully Redacted Mueller Report](#) - Robert Swan Mueller 2021-01-10

Have you ever felt like The Mueller Report is too long or thought it has too many words? Maybe you don't like The Mueller Report's findings and conclusions? If so, then The Fully Redacted Mueller Report is the book for you. With 99% more redacted text than the actual Mueller Report, you can now speed through The Report On The Investigation Into Russian Interference In The 2016 Presidential Election. You will find the following in this more-fully-redacted tome: Robert Mueller's report (fully redacted), Mueller's letter to Attorney General William Barr (fully redacted), and a forward explaining the reasons behind publishing The Fully Redacted Mueller Report (also fully redacted).

**The Mueller Report** - Robert S. Mueller 2019-04-22

The historic report on the investigation into Russian interference in the 2016 presidential election—with forewords by two former congressmen. In the future, The Mueller Report may be judged as the most important document of our time. And no matter where you reside on the American political spectrum, you will probably agree that it will have far-reaching implications for the balance of power among the three coequal branches of government that create, administer, and apply the laws of our republic. This edition includes forewords by Lt. Col. Allen B. West (Ret.), and the Hon. Dan Boren, both former US congressmen. Having served on opposite sides of the aisle while Robert Mueller served as director of the FBI, they hold insight into the leadership of the organization created expressly to investigate the questions answered by this report.

*The Mueller Report: Part I and II* - Department Justice 2019-04-21

Available IMMEDIATELY as a print-on-demand book, this letter-sized facsimile edition includes every page of the MUELLER REPORT, with no supplementary or explanatory texts. All redaction marks are in place as well. What you get is what the Department of Justice issued online, on April 18, 2019. This is part one and two of the 442-page Mueller report. Part two "addresses the President's actions toward the FBI's investigation into Russian interference in the 2016 presidential election and related matters, and his actions toward the Special Counsel's investigation. Volume II separately states its framework and the

considerations that guided the investigation."

**The Mueller Report** - Robert S Mueller 2019-05-14

Two years - 2,800 subpoenas - 40 investigators - 500 search warrants: Special Counsel Robert Mueller's investigation into Russian interference in the 2016 U.S. presidential election has been the most elaborate and far-reaching law-enforcement action in modern history. This full-size 8.5"x11", remastered, indexed version is the definitive edition.

*Where Law Ends* - Andrew Weissmann 2021-10-12

NEW YORK TIMES BESTSELLER • In the first and only inside account of the Mueller investigation, one of the special counsel's most trusted prosecutors breaks his silence on the team's history-making search for the truth, their painstaking deliberations and costly mistakes, and Trump's unprecedented efforts to stifle their report. "Weissmann delivers the kind of forceful, ringing indictment that Mueller's report did not."—The New York Times In May 2017, Robert Mueller was tapped to lead an inquiry into Russian interference in the 2016 presidential election, coordination by foreign agents with Donald Trump's campaign, and obstruction of justice by the president. Mueller assembled a "dream team" of top prosecutors, and for the next twenty-two months, the investigation was a black box and the subject of endless anticipation and speculation—until April 2019, when the special counsel's report was released. In *Where Law Ends*, legendary prosecutor Andrew Weissmann—a key player in the Special Counsel's Office—finally pulls back the curtain to reveal exactly what went on inside the investigation, including the heated debates, painful deliberations, and mistakes of the team—not to mention the external efforts by the president and Attorney General William Barr to manipulate the investigation to their political ends. Weissmann puts the reader in the room as Mueller's team made their most consequential decisions, such as whether to subpoena the president, whether to conduct a full financial investigation of Trump, and whether to explicitly recommend obstruction charges against him. Weissmann also details for the first time the debilitating effects that President Trump himself had on the investigation, through his dangling of pardons and his constant threats to shut down the inquiry and fire Mueller, which left the team racing against the clock and essentially fighting with one hand tied behind their backs. In *Where Law Ends*, Weissmann conjures the camaraderie and esprit de corps of the investigative units led by the enigmatic Mueller, a distinguished public servant who is revealed here, in a way we have never seen him before, as a manager, a colleague, and a very human presence. Weissmann is as candid about the team's mistakes as he is about its successes, and is committed to accurately documenting the historic investigation for future generations to assess and learn from. Ultimately, *Where Law Ends* is a story about a team of public servants, dedicated to the rule of law, tasked with investigating a president who did everything he could to stand in their way.

**The Fake Mueller Report: The Complete and Final Findings Against President Donald J. Trump** - Kevin Prysak 2019-03-25

THIS IS A HUMOR BOOK AND NOT THE ACTUAL REPORT! For nearly two years, America has been waiting on pins and needles for the definitive answer to the question that shook our American values and beliefs to the core: Did President Trump collude with Russia before, during, and/or after the 2016 presidential election? During Robert Mueller's investigation, unfair partisan politics drove a wedge between American citizens, attempting to further vilify the Trump administration and the President's goal to "Make America Great Again." True patriots never faltered in their belief, not only in Mueller's professional capabilities, but also in the fact that the investigation would bring unshakable evidence to light. America would have its answer. Kevin Prysak expertly and accurately (and humorously) summarizes and describes the findings of The Mueller Report. This book is a satire with mostly blank pages. It has 1,064 words.

[The Mueller Report](#) - Jason O. Gilbert 2018-09-04

The president has gotten himself into a bit of trouble. Maybe you heard? The entire country is waiting to see what former FBI director and current special counsel Robert Mueller has dug up on former mail-order steak salesman and current US president Donald Trump. The wait is over—sort of—with the publication of The Mueller Report by Jason O. Gilbert. Leaked by an anonymous and vengeful White House source who goes only by the mysterious code name "Melania T.," The Mueller Report is a hilarious inventory of the dirt, grime, and Big Mac crumbs that the special counsel has collected on President Trump during his months of investigation. Filled with interview transcripts, intercepted phone calls, incriminating emails, text

exchanges, ALL-CAPS TRUMP TWEETS WITH SPELLING ERRORS, and more, it whisks readers from the leaky White House to an even leakier Ritz-Carlton hotel room in Moscow, from Donald Trump Jr.'s covert meeting with Russians in Trump Tower to Michael Cohen's secret sale of a Trump Tower apartment to a shell corporation called Oligarch LLC. And, for the first time, you'll find out what really happened in that Moscow hotel room between Donald Trump and two well-hydrated Russian escorts. Bring an umbrella! Unlike the Trump presidency, The Mueller Report is so much fun you won't want it to end. Read it right away, while books are still legal in America!

Contempt - Ken Starr 2018-09-11

Twenty years after the Starr Report and the Clinton impeachment, former special prosecutor Ken Starr finally shares his definitive account of one of the most divisive periods in American history. You could fill a library with books about the scandals of the Clinton administration, which eventually led to President Clinton's impeachment by the House of Representatives. Bill and Hillary Clinton have told their version of events, as have various journalists and participants. Whenever liberals recall those years, they usually depict independent counsel Ken Starr as an out-of-control, politically driven prosecutor. But as a New York Times columnist asked in 2017, "What if Ken Starr was right?" What if the popular media in the 1990s completely misunderstood Starr's motives, his tactics, and his ultimate goal: to ensure that no one, especially not the president of the United States, is above the law? Starr -- the man at the eye of the hurricane -- has kept his unique perspective to himself for two full decades. In this long-awaited memoir, he finally sheds light on everything he couldn't tell us during the Clinton years, even in his carefully detailed "Starr Report" of September 1998. Contempt puts you, the reader, into the shoes of Starr and his team as they tackle the many scandals of that era, from Whitewater to Vince Foster's death to Travelgate to Monica Lewinsky. Starr explains in vivid detail how all those scandals shared a common thread: the Clintons' contempt for our system of justice. This book proves that Bill and Hillary Clinton weren't victims of a so-called "vast right-wing conspiracy." They played fast and loose with the law and abused their powers and privileges. Today, from the #MeToo aftermath and Russiagate to President Trump's impeachment trial, the office of the American presidency is in crisis—and Starr's insights are more relevant now than ever.

**The Mueller Report** - Robert S. Mueller 2019-04-18

Here is the full Mueller Report—including both Volumes 1 and 2 issued April 18, 2019--on Donald Trump, collusion, and Russian interference in the 2016 presidential election. We publish the report, released to the public in redacted form April 18, 2019, without adding extraneous commentary, explanations, spin, or documents that aren't formally part of the report. We leave it to you, the intelligent reader, to make up your own mind. Why is CharityChannel, the twenty-five-year-old community of nonprofit-sector professionals, publishing the Mueller Report? Two reasons. First, it is important to disseminate this report as widely as possible because democracy thrives in the light. We believe that this report casts light that an informed American electorate should consider when electing its leaders, particularly its president--though we acknowledge that the redactions by the U.S. Attorney General are the subject of much discussion and, in some circles, concern. Second, many will appreciate the availability of this report in a book format. We had the means to rapidly produce the report in an 8 1/2" x 11" book and believe doing so performs a valuable public service. So, if you want just the report without anything added or subtracted, you've found it.

The Mueller Report - Robert Mueller 2019-04-18

Volume 2 AVAILABLE NOW!!!!!! The official report of Robert S. Mueller III on the investigation into Russian collusion within the 2016 presidential election is finally here!!! The Mueller Report is the result of a two-year Special Council Investigation into the allegations of Russian interference in the 2016 Presidential Election. An hour and a half after Attorney General held a press conference to preview its release, this redacted version of the Mueller Report was sent by the Department of Justice to Congress and became available to the public for the first time. This is the most historically intensive investigation into the conduct and actions of a sitting U.S. President. This comprehensive 448-page investigative report is presented in two volumes and includes the following special topics: \* The Russian social media campaign "Active Measures" to influence the elections through Facebook, Twitter and political rallies. This was accompanied by hacking and dumping operations of the Democratic National Convention and other cyber operations. \* The Russian government's links and contacts to the Trump campaign with a through run-down of Trump's

campaign through meetings, finance, correspondence, and actions of by campaign members. \* A look into the "Potential Coordination" of conspiracy and collusion within the campaign with overviews of applicable laws relating to situations involving George Papadopoulos, Michael Flynn, Michael Cohen and Jeff Sessions. \* The president's conduct concerning the investigation and his conduct towards special events and interests involved in the investigation.\* The application of 'Obstruction-Of-Justice Provisions' to Presidential Conduct and other statutes.\* AND MUCH MORE.

The Mueller Report - Robert S. Mueller, III 2019-04-30

The New York Times Bestseller This is the full text, Volumes 1 and 2, of special counsel Robert Mueller's investigation. It is THE REPORT AND NOTHING BUT THE REPORT, in a beautifully typeset edition, with full searchability in ebook formats, presented exactly as released by the Attorney General of the United States, with no positioning—such as a celebrity introduction—that would give it a bias or impede its clarity. One of the most-talked-about investigations in American history, the subject of constant media discussion and speculation, non-stop and controversial attacks from the president, and the eager anticipation of a public wondering what the truth is, this long-awaited publication is an historic event. The Mueller Report continues Melville House's "tradition of publishing pivotal public documents."—The New York Times

**The Mueller Report Illustrated** - The Washington Post 2019-12-03

A NEW YORK TIMES BESTSELLER Written and designed by the staff of The Washington Post and illustrated by artist Jan Feindt, The Mueller Report Illustrated: The Obstruction Investigation brings to life the findings of special counsel Robert S. Mueller III in an engaging and illuminating presentation. When it was released on April 18, 2019, Mueller's report laid out two major conclusions: that Russia's interference in the 2016 presidential election had been "sweeping and systematic" and that the evidence did not establish that Trump or his campaign had conspired with the Kremlin. The special counsel left one significant question unanswered: whether the president broke the law by trying to block the probe. However, Mueller unspooled a dramatic narrative of an angry and anxious president trying to control the criminal investigation, even after he knew he was under scrutiny. Deep inside the 448-page report is a fly-on-the-wall account of the inner workings of the White House, remarkable in detail and drama. With dialogue taken directly from the report, The Mueller Report Illustrated is a vivid, factually rigorous narrative of a crucial period in Trump's presidency that remains relevant to the turbulent events of today.

**Shining a Light on the Mueller Report** - Joyce Silver 2019-07-09

My passion and concern for this country's overwhelming issues of the day have made me acutely aware that this President is subverting the values I've stood for all my life. That is why I prepared this manuscript for everyone to read. I felt that it was critical to reach as many people as possible with a simpler, more concise form of the Mueller Report, and by doing so, reach a wider audience with the extraordinary, hard-hitting material that is Robert Mueller's Report. I am joining many others who are trying to expose this important document to the American People via radio, television, and other written formats. I hope that we are all successful in bringing this message home to our Country before we lose the battle, or sadly, the war.

**The Special Counsel** - Mark Caro 2019-12-10

"This is the end of my presidency. I'm fucked." -President Donald Trump Imagine Special Counsel Robert Mueller got so frustrated with the U.S. attorney general that, instead of letting the Report on the Investigation into Russian Interference in the 2016 Presidential Election speak for itself, he allowed the full narrative of corruption, high crimes, and cover-ups to be revealed... With more than 350,000 copies sold, the Report on the Investigation into Russian Interference in the 2016 Election has taken its place as the defining document of the Trump administration. Replete with some of the most infamous characters and outlandish schemes in modern American history, the underlying evidence in the Special Counsel's written testimony could have been plucked from the script of a blockbuster movie. But at 400-plus pages of bewildering redactions and impenetrable legal analysis, the text itself is so dense that even our elected officials have admitted to leaving the report unread. Now, stripped of legalese while still faithful to fact, The Special Counsel tells the story of what really happened in a compulsively readable-yet comprehensive-narrative. Whisking readers from Manhattan's Trump Tower to the rural towns of Pennsylvania and the frosty streets of St. Petersburg, this book brings to vivid life the people, places, and politics that have shaped our post-2016 lives. One thing is bone-chillingly clear: our democracy is under attack and only an

informed American public can save it. The Special Counsel is as necessary as it is thrilling.

**The Mueller Report** - Robert S. Mueller, 3rd 2019-04-21

Two years - 2,800 subpoenas - 40 investigators - 500 search warrants: Special Counsel Robert Mueller's investigation into Russian interference in the 2016 U.S. presidential election has been the most elaborate and far-reaching law-enforcement action in modern history. Now the Department of Justice has released the results of this investigation to the American public: the momentous Mueller Report contains 448 pages of unique insight into the campaign and administration of President Donald J. Trump and the behind-the-scenes machinations of cut-throat Washington insiders. Reading like a taut political thriller, the Mueller Report is without a doubt the most pivotal document of recent times. This unique large-format, remastered, indexed edition - including 40+ pages of new material - gives you:- Full-size 8.5"x11" format: large, clear, easy-to-read text.- All-new manually-curated index: over 1,000 people, places and entities fully referenced - vital to help you navigate this labyrinthine investigation.- Remastered content: digitally-enhanced replica of the original document - not a plain-text copy. Read it how it should be read!- Illustrations and mini-biographies of key figures.- Complete & Unabridged: both volumes, all footnotes, and the critical explanatory appendices.- Foreword by Attorney General William P. Barr from his memorable revelation of the report's contents.

*The Mueller Report: Graphic Novel* - Shannon Wheeler 2020-09-15

It's the greatest WHODUNIT of our time... or a new low for "Presidential Harassment!" Shannon Wheeler, Eisner Award-winning New Yorker cartoonist (Too Much Coffee Man, Sh\*t My President Says, God is Disappointed in You), and veteran journalist Steve Duin (The Oregonian, Comics: Between the Panels, Oil and Water) turn their critical eye on the Mueller Report--a comprehensive, understandable, and readable graphic novel version of the book every patriot needs. Fight the spin spewing forth from both parties and political pulpits and check out this graphic novel that brings a 400-page legal document down to size. Wheeler and Duin, in graphic form, bring to life scenes detailed in the report: from the infamous Trump Tower Meeting of 2016 to Trump exclaiming "I'm f\*cked" upon finding out he was the subject of investigation. It's in the report and it's in the graphic novel! The Mueller Report: Graphic Novel borrows style from classic private detective yarns, complete with a villainous rogues' gallery, nail-biting cliffhangers, and a lone lawman standing proud against the wave of crime. See Trump berate his Attorney General. Watch a petulant Commander-in-Chief lob insults at the White House counsel. Witness the "witch hunt" as it happened, cataloged as only the top lawman in the country could! This staggering laundry list of questionable contacts, misleading statements, unreported engagements, and possible coordination--enough to stun any student of the U.S. Constitution--is laid bare with a cold, satirical edge. You'll laugh. You'll cry. You may Tweet in anger. But most importantly, you will be reading the report for yourself!

**The Mueller Report** - Robert S. Mueller 2019-04-26

The long awaited Muller Report is finally published and made available to the public. The results of Special Counsel Robert Mueller's investigation provide answers to questions that caught the attention of the entire American public. Since the first evidence of Russian interference in the 2016 presidential election came up, the Democratic public has raised suspicion in President Trump's involvement. The special counsel was appointed to examine these allegations and to determine the fact regarding the biggest political scandal in the recent American history. On April 18, 2019, a redacted version of the Muller report was released to Congress and the public. In this report Robert Muller presented his findings regarding the Russian interference interfere in the 2016 United States presidential election, allegations of conspiracy or coordination between Donald Trump's presidential campaign and Russia, and allegations of obstruction of justice. Contents: The Special Counsel's Investigation Russian "Active Measures" Social Media Campaign Russian Hacking and Dumping Operations Russian Government Links to and Contacts With the Trump Campaign Prosecution and Declination Decision Executive Summary to Volume II Background Legal and Evidentiary Principles Factual Results Of The Obstruction Investigation Legal Defenses to the Application of Obstruction-Of-Justice Statutes To The President

Wheeler and Duin, in graphic form, bring to life scenes detailed in the report: from the infamous Trump Tower Meeting of 2016 to Trump exclaiming "I'm f\*cked" upon finding out he was the subject of investigation. It's in the report and it's in the graphic novel! The Mueller Report: Graphic Novel borrows style from classic private detective yarns, complete with a villainous rogues' gallery, nail-biting cliffhangers, and a lone lawman standing proud against the wave of crime. See Trump berate his Attorney General. Watch a petulant Commander-in-Chief lob insults at the White House counsel. Witness the "witch hunt" as it happened, cataloged as only the top lawman in the country could! This staggering laundry list of questionable contacts, misleading statements, unreported engagements, and possible coordination—enough to stun any student of the U.S. Constitution—is laid bare with a cold, satirical edge. Now includes new BONUS MATERIAL! Wheeler and Duin take on the Ukrainian Call and the Whistleblower Complaint that ignited the Impeachment! You'll laugh. You'll cry. You may Tweet in anger. But most importantly, you will be reading the report for yourself!

*The Mueller Report* - Robert Mueller 2019-04-18

VOLUME I Includes Special Counsel Robert Mueller's letter to Attorney General William Barr. This book contains volume I of the Mueller report on the investigation into Russian interference with Donald Trump in the 2016 presidential election. For VOLUME II - Please visit <https://www.amazon.com/dp/1096143917>

**The Mueller Report** - Department of Justice 2019-04-20

Featuring an Introduction by conservative columnist and Fox News contributor Kristin Tate. The Mueller Report: Volume I features the redacted version of Special Counsel Robert Mueller's counterintelligence investigation of Russian interference in the 2016 presidential election. The scope of the investigation included allegations that there were links or coordination between the Russian government and individuals associated with the campaign of President Donald Trump, as well as matters that arose directly from the investigation. During the course of the two-year investigation, the Special Counsel and his staff employed 19 lawyers who were assisted by a team of approximately 40 FBI agents, intelligence analysts, forensic accountants, and other professional staff. The Special Counsel issued more than 2,800 subpoenas, executed nearly 500 search warrants, obtained more than 230 orders for communication records, issued almost 50 orders authorizing use of pen registers, made 13 requests to foreign governments for evidence, and interviewed approximately 500 witnesses. Volume I of the resulting report has been carefully preserved in this publication.

The president has gotten himself into a bit of trouble. Maybe you heard? The entire country is waiting to see what former FBI director and current special counsel Robert Mueller has dug up on former mail-order steak salesman and current US president Donald Trump. The wait is over—sort of—with the publication of The Mueller Report by Jason O. Gilbert. Leaked by an anonymous and vengeful White House source who goes only by the mysterious code name “Melania T.,” The Mueller Report is a hilarious inventory of the dirt, grime, and Big Mac crumbs that the special counsel has collected on President Trump during his months of investigation. Filled with interview transcripts, intercepted phone calls, incriminating emails, text exchanges, ALL-CAPS TRUMP TWEETS WITH SPELLING ERRORS, and more, it whisks readers from the leaky White House to an even leakier Ritz-Carlton hotel room in Moscow, from Donald Trump Jr.'s covert meeting with Russians in Trump Tower to Michael Cohen's secret sale of a Trump Tower apartment to a shell corporation called Oligarch LLC. And, for the first time, you'll find out what really happened in that Moscow hotel room between Donald Trump and two well-hydrated Russian escorts. Bring an umbrella! Unlike the Trump presidency, The Mueller Report is so much fun you won't want it to end. Read it right away, while books are still legal in America!

**The Mueller Report** - Robert S. Mueller 2019-04-26

This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

**The Mueller Report** - The Washington Post 2019-04-30

ONE OF TIME'S 100 BEST BOOKS OF THE YEAR The Crucial #1 New York Times Bestseller “The Mueller report is that rare Washington tell-all that surpasses its pre-publication hype...the best book by far on the workings of the Trump presidency.” —Carlos Lozada, The Washington Post The only book with exclusive analysis by the Pulitzer Prize-winning staff of The Washington Post, and the most complete and authoritative available. Read the findings of the Special Counsel's investigation into Russian interference in the 2016 election, complete with accompanying analysis by the Post reporters who've covered the story from the beginning. This edition from The Washington Post/Scribner contains: —The long-awaited Report On The Investigation Into Russian Interference In The 2016 Presidential Election —An introduction by The Washington Post titled “A President, a Prosecutor, and the Protection of American Democracy” —A timeline

of the major events of the Special Counsel's investigation from May 2017, when Robert Mueller was appointed, to the report's delivery —A guide to individuals involved, including in the Special Counsel's Office, the Department of Justice, the FBI, the Trump Campaign, the White House, the Trump legal defense team, and the Russians —Key documents in the Special Counsel's investigation, including filings pertaining to General Michael T. Flynn, Paul Manafort, Michael Cohen, Roger Stone, and the Russian internet operation in St. Petersburg. Each document is introduced and explained by Washington Post reporters. One of the most urgent and important investigations ever conducted, the Mueller inquiry focuses on Donald Trump, his presidential campaign, and Russian interference in the 2016 election, and draws on the testimony of dozens of witnesses and the work of some of the country's most seasoned prosecutors. The special counsel's investigation looms as a turning point in American history. The Mueller Report is essential reading for all citizens concerned about the fate of the presidency and the future of our democracy.

*The Mueller Report: The Investigation Into Collusion Between Donald Trump's Presidential Campaign and Russia* - Robert Mueller 2019-04-30

ROBERT S. MUELLER's inquiry into President Donald Trump's possible collusion with Russia has engulfed US politics and US-Russia relations for the last two years, reaching levels of hysteria among political pundits and the media. Was it a "witch hunt," as Trump supporters believed, or a necessary look into impeachable offenses?

[The Mueller Report](#) - Robert Mueller 2018-04-22

Robert Mueller and a team of U.S. Justice Department investigators were assigned to investigate accusations of collusion between President Donald Trump and the Russian government during the 2016 presidential election.

**The Mueller Report** - Robert S. Mueller 2019-04-19

NOW A NEW YORK TIMES, WASHINGTON POST, WALL STREET JOURNAL, USA TODAY, AND PUBLISHERS WEEKLY BESTSELLER. There has never been a more important political investigation than Robert S. Mueller III's into President Donald Trump's possible collusion with Russia. His momentous findings can be found here, complete with: The 300+ pages of the historic report, as released by the Justice Department An introduction by constitutional scholar, eminent civil libertarian, and New York Times bestselling author Alan Dershowitz. The relevant portions of Title 28 of the Code of Federal Regulations, the 1999 provisions written by former acting Solicitor General Neal Katyal, which establish and regulate the powers of the special counsel. Rod Rosenstein's 2016 order appointing Robert Mueller III as special counsel and outlining the scope of his investigation. Attorney General William Barr's four-page summary of the report, as sent to Congress. Barr's explanation of the four reasons for redacting the report, and a key for identifying them in the color-coded report The wait is over. Robert Mueller, a lifelong Republican, has concluded his investigation and submitted its findings to Attorney General William Barr. Barr has told Congress that Mueller found no proof of collusion between the Trump campaign and Russia, and did not come to a conclusion on obstruction of justice—neither concluding the president committed a crime nor exonerating him. But Mueller's report was over 300 pages and Barr's summary was only four pages, raising questions about the conclusions of a historic investigation. Special Counsel Robert Mueller III's probe into Russian influence on the 2016 election of Donald Trump—including links between the campaign and Russian interests, obstruction of justice by President Trump, and any other matters that may have arisen in the course of the investigation—has been the focal point of American politics since its inception in May 2017. Democrats in the US House of Representatives hoped to use the report to begin impeachment proceedings, with the support of those critical of the president. Media tracked Mueller's every move, and the investigation was subject to constant speculation by political pundits everywhere. It resulted in the indictments of Michael Flynn, Paul Manafort, Roger Stone, and many others. President Trump and his supporters affirmed that the investigation was a “witch hunt” and the product of a plot by the political establishment—the “deep state”—to delegitimize his presidency. Mueller's findings—at least according to Barr—allowed the latter to claim victory. But now, thanks to a subpoena from House Judiciary Committee chairman Jerry Nadler for the full report, a resolution from the House of Representatives to release the full report to the public (though blocked in the Senate by Mitch McConnell), and popular demand, it's time for public to judge if that is true. The Mueller investigation will join Watergate, and the Mueller Report will join

the 9/11 Commission Report, the Warren Report, and the Starr Report, as one of the most important in history. The Mueller Report is required reading for everyone with interest in American politics, for every 2016 and 2020 voter, and every American. It's now available here as an affordable paperback, featuring an introduction from eminent civil libertarian, Harvard Law Professor Emeritus, and New York Times bestselling author Alan Dershowitz, who provides a constitutional, civil law-based commentary sorely needed in today's media landscape.

**Compromised** - Peter Strzok 2020-09

The FBI veteran behind the Russia investigation draws on decades of experience hunting foreign agents in the United States to lay bare the threat posed by President Trump.

*The Fully Redacted Mueller Report* - Robert Mueller, 3rd 2021-01-12

Have you ever felt like The Mueller Report is too long or thought it has too many words? Maybe you don't like The Mueller Report's findings and conclusions? If so, then The Fully Redacted Mueller Report is the book for you. With 99% more redacted text than the actual Mueller Report, you can now speed through The Report On The Investigation Into Russian Interference In The 2016 Presidential Election. You will find the following in this more fully redacted tome: Robert Mueller's report (fully redacted), Mueller's letter to Attorney General William Barr (fully redacted), and a forward explaining the reasons behind publishing The Fully Redacted Mueller Report (also fully redacted).

**The Mueller Report Hardcover Extra Summary Editon** - ROBERT S MUELLER. III 2019-06-16

Special Counsel Robert Mueller's report, delivered to the public in April 2019, is a lengthy 448 pages and spans two volumes. Mike Twonsky's 18-minute summary distills the Mueller Report into its key information and analysis.

**The Mueller Report** - Robert S. Mueller 2019-04-30

**The Mueller Report** - Kevin Pryslak 2019-03-26

For nearly two years, America has been waiting on pins and needles for the definitive answer to the question that shook our American values and beliefs to the core: Did President Trump collude with Russia before, during, and/or after the 2016 presidential election? This is the final report!

The Mueller Report Illustrated - The Washington Post 2019-12-03

A NEW YORK TIMES BESTSELLER Written and designed by the staff of The Washington Post and illustrated by artist Jan Feindt, The Mueller Report Illustrated: The Obstruction Investigation brings to life the findings of special counsel Robert S. Mueller III in an engaging and illuminating presentation. When it was released on April 18, 2019, Mueller's report laid out two major conclusions: that Russia's interference in the 2016 presidential election had been "sweeping and systematic" and that the evidence did not establish that Trump or his campaign had conspired with the Kremlin. The special counsel left one significant question unanswered: whether the president broke the law by trying to block the probe. However, Mueller unspooled a dramatic narrative of an angry and anxious president trying to control the criminal investigation, even after he knew he was under scrutiny. Deep inside the 448-page report is a fly-on-the-wall account of the inner workings of the White House, remarkable in detail and drama. With dialogue taken directly from the report, The Mueller Report Illustrated is a vivid, factually rigorous narrative of a crucial period in Trump's presidency that remains relevant to the turbulent events of today.

**True Crimes and Misdemeanors** - Jeffrey Toobin 2020-08-04

From CNN chief legal analyst and bestselling author Jeffrey Toobin, a real-life legal thriller about the prosecutors and congressional investigators pursuing the truth about Donald Trump's complicity in several crimes—and why they failed. Donald Trump's campaign chairman went to jail. So did his personal lawyer. His long-time political consigliere was convicted of serious federal crimes, and his national security advisor pled guilty to others. Several Russian spies were indicted in absentia. Career intelligence agents and military officers were alarmed enough by the president's actions that they alerted senior government officials and ignited the impeachment process. Yet despite all this, a years-long inquiry led by special counsel Robert Mueller, and the third impeachment of a president in American history, Donald Trump survived to run for re-election. Why? Jeffrey Toobin's highly entertaining definitive account of the Mueller investigation and the impeachment of the president takes readers behind the scenes of the epic legal and political struggle to call Trump to account for his misdeeds. With his superb storytelling and analytic skills Toobin recounts all the mind-boggling twists and turns in the case--Trump's son met with a Russian operative promising Kremlin support! Trump paid a porn star \$130,000 to hush up an affair! Rudy Giuliani and a pair of shady Ukrainian-American businessmen got the Justice Department to look at Russian-created conspiracy theories! Toobin shows how Trump's canny lawyers used Mueller's famous integrity against him, and how Trump's bullying and bluster cowed Republican legislators into ignoring the clear evidence of the impeachment hearings. Based on dozens of interviews with prosecutors in Mueller's office, Trump's legal team, Congressional investigators, White House staffers, and several of the key players, including some who are now in prison, True Crimes and Misdemeanors is a revelatory narrative that makes sense of the seemingly endless chaos of the Trump years. Filled with never-before-reported details of the high-stakes legal battles and political machinations, the book weaves a tale of a rogue president guilty of historic misconduct, and how he got away with it.
