The United States has stared down many threats with President Jack Ryan at the helm, but what if he's not there when we need him? That's the question facing a nation in the most shocking entry in Tom Clancy's #1 New York Times bestselling series. A shadowy billionaire uses his fortune to further his corrupt ambitions. Along the way, he's toppled democratically elected governments and exacerbated divisions within stable nations. The competitors he's destroyed, the people he's hurt, they're all just marks on a ledger. Now, he's ready to implement his most ambitious plan of all. There's only one force standing in his way—President Jack Ryan. How do you compel a man like Jack Ryan to bend? He's personally faced down everything from the Russian navy to cartel killers. It will take more than political headwinds or media disfavor to cause him to turn from his duty to the American people, but every man has an Achilles heel. Jack Ryan's is his family. The answer is as simple as it is shocking. The billionaire has assembled an international team of the most ruthless mercenaries alive. Their mission—kidnap the First Lady.

The Last Days Of America.

National Security - Marc Cameron 2018-01-30

America has a new weapon in the war on terror: “Fascinating characters... Masterful.”—Steve Berry They can strike anytime, anywhere. A public landmark. A suburban shopping mall. And now, the human body itself. Three Middle Eastern terrorists have been injected with a biological weapon, human time bombs unleashed on American soil. They are prepared to die. To spread their disease. To annihilate millions. If America hopes to fight this enemy from within, we need a new kind of weapon. Meet Special Agent Jericho Quinn. Air Force veteran. Champion boxer. Trained assassin. Hand-picked for a new global task force that, officially, does not exist. Quinn answers only to the Director of National Intelligence and the U.S. President himself. He is under the radar. Brutal. Without limits. And he's America's answer to terrorism, in the debut of the series by the New York Times-bestselling author of Tom Clancy Power and Empire... “One of the hottest new authors in the thriller genre...Awesome.”—Brad Thor “A formidable warrior readers will want to see more of.”—Publishers Weekly

Tom Clancy Power and Empire - Marc Cameron 2017-11-28

As mounting tensions between China and the United States push the world's two great powers to the brink of war, it falls to President Jack Ryan to identify the lethal chess master behind the scenes in this thriller in Tom Clancy's #1 New York Times bestselling series. Jack Ryan is dealing with an aggressive challenge from the Chinese government as the

G20 Summit approaches. Pawns are being moved around a global chessboard: an attack on an oil platform in Africa, a terrorist strike on an American destroyer and a storm tossed American spy ship that may fall into Chinese hands. It seems that Premier Zhao is determined to limit Ryan's choices in the upcoming negotiations. But there are hints that there's even more going on. A routine traffic stop in rural Texas leads to a shocking discovery—a link to a Chinese spy who may have intelligence that lays bare an unexpected revelation. John Clark and the members of the Campus are in close pursuit, but can they get the information in time?

The Big Bounce - Elmore Leonard 2009-10-13

“The greatest crime writer of our time, perhaps ever!” —New York Times Book Review When the all-time greats of mystery/noir/crime fiction are mentioned (John D. MacDonald, Dashiell Hammett, James M. Cain, Robert Parker, etc.), Elmore Leonard’s name invariably tops the list. A true Leonard classic, *The Big Bounce* showcases all of the Grand Master’s acclaimed skills—twisty plotting, unforgettable characters, dialogue so razor sharp it could draw blood—as he chronicles the misadventures of a larcenous young man in a Michigan resort town who’s irresistibly drawn to a dangerous femme fatale, a rich man’s plaything, and the nasty little caper they plan to pull off together—if they can somehow manage to survive each other. The acclaimed creator of Raylan (aka U.S. Marshal Raylan Givens, lately of TV’s smash hit *Justified*), Leonard has never lost the mojo that makes him “the King Daddy of crime writers” (Seattle Times).

Zero Hour - Tom Clancy 2003-11-04

Seventh in the #1 New York Times bestselling *Power Plays* series created by Tom Clancy and Martin Greenberg and written by Jerome Preisler. Competition is heating up between the powerful telecommunications company Uplink International and new technological giant Ambright Industries. To keep Uplink on top, owner Roger Gordian is not above a little “friendly snooping,” especially when one of Ambright’s corporate sales agents disappears under mysterious circumstances. On the surface, Ambright specializes in creating flawless

artificial sapphires used in advanced laser development. But, a little digging by Uplink operatives reveals a major flaw: a Pakistani terrorist is using Ambright’s laser technology to further his own political agenda—and it’s only a matter of time before he launches the ultimate attack...on U.S. soil. “Clancy knows how to build a thriller.”—Boston Globe

Stone Cross - Marc Cameron 2020-12-01

New York Times and USA Today bestselling author, former US Marshall, Alaskan resident and the author of the latest Tom Clancy Jack Ryan novels, Marc Cameron thrills readers with the second installment in his acclaimed Arliss Cutter series. Heroes for our time, Arliss and Lola are assigned to protect an uncooperative federal judge when he travels to Stone Cross, a remote and road-less Native village in western Alaska. Deputy US Marshal Arliss Cutter (still carrying his grandfather's Colt Python revolver) and deputy Lola Teariki are assigned to protect an uncooperative federal judge when he travels to Stone Cross, a remote and road-less Native village in western Alaska. The judge has received death threats but refuses protection. Cutter and Lola travel under the guise of working a fugitive case--though their real mission is to keep an eye on the judge. Winter comes early to this part of Alaska, and though it still seems like fall in Anchorage, the rivers around Stone Cross are already beginning to slush, making travel by boat impossible. It is the season for hunting caribou and moose, major sources of winter food for the people in this region. Gun, blades, and blood are everywhere... The night before Cutter and Lola fly in, a young couple who are caretakers at a remote fishing lodge eight miles upriver from the village, are abducted and the handy man is murdered. The body, along with a mysterious design drawn on the ground in blood, are discovered shortly after Cutter and Lola arrive in Stone Cross. A heavy fog rolls in, leaving the village and the fishing lodge cut off until the fog lifts and/or the river freezes solid enough for travel. Alaska State Troopers are unable to travel in, and no one can travel out. Cutter and Lola must find out who is sending death threats to the judge, and save the missing couple from a man who has already demonstrated that he's not afraid to kill. Cutter's job would

be difficult enough as the grip of winter settles over this wild place, but everyone in the village is hiding secrets.

Tom Clancy Red Winter - Marc Cameron 2022-12-06

In this previously untold adventure, a young Jack Ryan goes behind the Iron Curtain to seek the truth about a potential Soviet defector in the most shocking entry in Tom Clancy's #1 New York Times bestselling series. 1985 A top secret F117 aircraft crashes into the Nevada desert. The Nighthawk is the most advanced fighting machine in the world and the Soviets will do anything to get their hands on its secrets. In East Berlin, a mysterious figure contacts the CIA with an incredible offer—invaluable details of his government's espionage plans in return for asylum. It's an offer they can't pass up...if it's genuine, but the risks are too great to blindly stumble into a deal. With the East German secret police closing in, someone will have to go to behind the Berlin Wall to investigate the potential defector. It's a job Deputy Director James Greer can only trust to one man--Jack Ryan. Ryan is a former Marine and a brilliant CIA analyst who's been the architect of some of the CIA's biggest coups but this time he's in enemy territory with a professional assassin on his tail. Can he get the right answers before the Cold War turns into a Red Winter?

Tom Clancy Shadow of the Dragon - Marc Cameron 2021-10-26

A missing Chinese scientist, unexplained noises emanating from under the Arctic ice, and a possible mole in American intelligence are just some of the problems that plague President Jack Ryan in the latest entry in Tom Clancy's #1 New York Times bestselling series. Aboard an icebreaker in the Arctic Ocean a sonar operator hears an unusual noise coming from the ocean floor. She can't isolate it and chalks the event up to an anomaly in a newly installed system. Meanwhile, operatives with the Chinese Ministry of State Security are dealing with their own mystery--the disappearance of brilliant but eccentric scientist, Liu Wangshu. They're desperate to keep his crucial knowledge of aerospace and naval technology out of their rivals' hands. Finding Liu is too great an opportunity for any intelligence service to pass up, but there's one more problem. A high-level Chinese mole, codenamed Surveyor, has

managed to infiltrate American Intelligence. President Jack Ryan has only one choice: send John Clark and his Campus team deep into China to find an old graduate student of the professor's who may hold the key to his whereabouts. It's a dangerous gamble, but with John Clark holding the cards, Jack Ryan is all in.

"In Juneau, a young Native archeologist is sent to protect the ancient burial sites uncovered by an Alaskan gold mining company. He never returns. In Anchorage, a female torso--minus head, hands, and feet--is washed ashore near a jogging trail by the airport. It is not the first. At Alaska's Fugitive Task Force, Arliss Cutter and deputy Lola Teariki are pulled from their duties and sent to a federal court in Juneau. Instead of tracking dangerous fugitives, Cutter and Lola will be keeping track of sequestered jurors in a high-profile trial. The case involves a massive drug conspiracy with ties to a mining company, a lobbyist, and two state senators. When a prosecuting attorney is murdered--and a reporter viciously attacked--Cutter realizes they're dealing with something much bigger, and darker, than a simple drug trial. The truth lies deep within the ancient sites and precious mines of this isolated land--and inside the cold hearts of those would kill to hide its secrets..." --

Tom Clancy's Code of Honour - Marc Cameron 2020-11-26

The deadliest threat is the one you never see . . .It was a text message

that started it. President Jack Ryan's old friend (and former operative) Father Pat West warns of a honey trap, a possible murder and a secret AI project - Calliope - falling into Chinese hands, before going silent. This leaves Jack Ryan with two pressing problems. Firstly, find and rescue his old friend, last seen in Indonesia. And secondly, discover what exactly Calliope is and how much of a threat it poses. But it's not the danger you see that catches you out - but the one you never see coming . . .

Tom Clancy's Oath of Office - Marc Cameron 2019-10-17

A terrifying strike at the world's free skies . . . As the Kremlin orders troops to mass on the Ukrainian border, a Russian plane carrying nuclear weapons disappears mid-flight. For US President Jack Ryan this means attempting to defuse a war on Europe's flanks before it engulfs the whole continent. For his son, Campus secret agent Jack Jr, finding the nukes means covertly heading to the heart of the Middle East where militants

seek to bring America to its knees. As East-West tensions escalate, tying the hands of President and son alike, both race against time to stop a weapon ending the world as we know it . . .

Tom Clancy Duty and Honor - Grant Blackwood 2016-06-14

Jack Ryan Jr. is caught in the cross-hairs of a would-be tyrant in this exhilarating thriller in Tom Clancy's #1 New York Times bestselling series. Jack Ryan, Jr., is on his own. He's been ousted from his position at the Campus, the off-the-books intelligence agency that was set up by his father, the President. As if that's not bad enough, someone is out for Jack's blood. The police think that he was just the victim of a mugging, but he knows a professional assassin when he kills one. Using clues found on his would-be dispatcher, Jack launches his own shadow campaign to uncover the brutal truth about a world-renowned philanthropist and human rights advocate—and a long-running false-flag war of terror that has claimed thousands of lives....
