**Love Them Anyway** - Choco De Jesús 2021-06-01

Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, *Love Them Anyway* will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to *Love Them Anyway*, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

**Faith Ed** - Linda K. Wertheimer 2016-08-23

An intimate cross-country look at the new debate over religion in the public schools A suburban Boston school unwittingly started a firestorm of controversy over a sixth-grade field trip. The class was visiting a mosque to learn about world religions when a handful of boys, unnoticed by their teachers, joined the line of worshippers and acted out the motions of the Muslim call to prayer. A video of the prayer went viral with the title "Wellesley, Massachusetts Public School Students Learn to Pray to Allah." Charges flew that the school exposed the children to Muslims who intended to convert American schoolchildren. Wellesley school officials defended the course, but also acknowledged the delicate dance teachers must perform when dealing with religion in the classroom. Courts long ago banned public school teachers from preaching of any kind. But the question remains: How much should schools teach about the world's religions? Answering that question in

recent decades has pitted schools against their communities. Veteran education journalist Linda K. Wertheimer spent months with that class, and traveled to other communities around the nation, listening to voices on all sides of the controversy, including those of clergy, teachers, children, and parents who are Muslim, Jewish, Christian, Sikh, or atheist. In Lumberton, Texas, nearly a hundred people filled a school-board meeting to protest a teacher's dress-up exercise that allowed freshman girls to try on a burka as part of a lesson on Islam. In Wichita, Kansas, a Messianic Jewish family's opposition to a bulletin-board display about Islam in an elementary school led to such upheaval that the school had to hire extra security. Across the country, parents have requested that their children be excused from lessons on Hinduism and Judaism out of fear they will shy away from their own faiths. But in Modesto, a city in the heart of California's Bible Belt, teachers have avoided problems since 2000, when the school system began requiring all high school freshmen to take a world religions course. Students receive comprehensive lessons on the three major world religions, as well as on Sikhism, Hinduism, Buddhism, and often Shintoism, Taoism, and Confucianism. One Pentecostal Christian girl, terrified by "idols," including a six-inch gold Buddha, learned to be comfortable with other students' beliefs. Wertheimer's fascinating investigation, which includes a return to her rural Ohio school, which once ran weekly Christian Bible classes, reveals a public education system struggling to find the right path forward and offers a promising roadmap for raising a new generation of religiously literate Americans.

**Stop Asking Jesus Into Your Heart** - J. D. Greear 2013-02-01

"If there were a Guinness Book of World Records entry for 'amount of times having prayed the sinner's prayer,' I'm pretty sure I'd be a top contender," says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. "Lack of assurance" is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of "asking Jesus into your heart" or "giving your life to Jesus" often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

Blind Spots - John Domenico 2009-12

What happens when you never stop questioning what you believe? They say God works in mysterious ways. John Domenico should know. In his 50 plus years, he's embarked on a seeker's journey that has taken him from steadfast Catholicism to born-again Christianity to a unique kind of inclusive spirituality. *Blind Spots: The Memoirs of a Baby Boomer on the Rocky Road towards Spiritual Awakening* collects his insightful and often humorous thoughts, reflections and critiques on all of them. The result is a deliciously candid and frank book that will appeal to anyone who's ever struggled to understand his or her faith. From early on, it's clear Domenico marched to his own drummer. As a child, he learns to question his family's Catholic faith - and finds plenty of trouble from the nuns and priests in Catholic school. Subsequent to his experimentation in the 1960's and 70's, Domenico settles down and, after initial resistance, discovers Pentecostalism. But eventually he finds cracks in his latest belief system, and he sets out for what will be the most spiritually fulfilling quest of all. Interspersed are compelling asides on his personal life, as well as the politics, major events, personalities and trends that have shaped the last half-century. Throughout it all, Domenico's sensitivity and keen wit masterfully transform an ordinarily timeworn subject, that under his care, is crafted into a thought-provoking, rollicking ride that might just get you questioning your own deeply held beliefs... Reader reviews: "It made me laugh, it made me cry and it made me think so much I don't know what I believe anymore." "I loved it... I think it should be required reading for everyone on the planet." "Domenico tells his story with painful rawness. His courage is rivaled only by his masterful storytelling, revealing much of who we all are in this provocative memoir."

Pastors' children should be allowed to pursue their dreams. After all, you only have one life to live. People need to stop putting their pastor and their children on a pedestal. Divine Interventions - Henrietta Trotter 2010-10

My Life Story is a powerful and inspiring message that will encourage,

enrich any one in an abusive relationship seeking answers. Henrietta Trotter wrote Chapter 1-11 of her autobiography starting from the death of her mother at childbirth she says was God's first intervention. He saved her twin and herself. It showed God's Grace and Mercy when she sinned and fell short of His glory before she joined the Ministry. Her mother's name was Grace. Her story showed God's Grace and Mercy before she accepted her calling. Divine Intervention is divine instructions interceding and organizing your life by allowing you to overcome your fears. It's resilient proof that Love don't Hate and Hate don't Love. Life can be difficult. There always seems to be some obstacle or misfortune trying to offset the good. However, in those times this book wants people not to despair, but to relish God's love and strength, which this book reinforces. In this book Elder Trotter says, "My primary goal is to be used by God. This book reveals her quest for justice; chapter after chapter relates how she was attacked in different areas, but she learned how to withstand the storm that came without warning; this contributes to her success as she never excepted defeat," Trotter says. "Job's secret was not his struggle we all struggle. It was his endurance. This book introduces God's power and favor in every line and between every page it reveals His Glory! It confirms the promises made to Abraham that the seed shall be blessed. Elder Trotter wrote. She started writing just weeks after her brutal attack on October 20, 1991, but when she came to herself years later the land of milk and honey unfolded. She added. "Writing my life story was a healing process for my deliverance".

What Pastors Don't Talk about - Sergio Iglesias 2011-08

These stories were painful memories that were put in writing. I learned that, when the silence is broken, all that was done in darkness comes to light. God heals our heart and renews our mind. Jesus set me free and now I want the world to know! The reason I chose to write this book is because I feel that if God compelled the men of the Bible to write about their flaws in the Word of God, why should I not expose mine? Starting with Adam in the beginning, who ate the forbidden fruit and ending with Paul the Apostle who used to persecute the Christians, yet God used him to write thirteen out of twenty seven books of the New Testament. If God compelled these men to expose their flaws, why should I not expose mine?

Fulfilling God's Call - Jimmy Manders 2012-09-07

The Bible says in Proverbs 13:15, "Good understanding giveth favor: but the way of transgressors is hard." If we go to hell, we have to go by the preacher's sermons, by your mother's prayers, and most of all by Calvary. I'm so thankful that God saved me and changed my life. Pastor Manders's heart's desire is to tell the lost about the Lord and Savior Jesus Christ, so that all can receive salvation and be saved from the wrath and judgments of God. They are soon coming upon all sinners and unbelievers and all those who refuse to believe on the Son of God. With a great desire to do something for the Lord, he preached his first sermon in a little army tent, and he has since traveled to fifteen countries and is now pastor at Grace & Truth Church in Dawsonville, Georgia. Pastor Manders's dream was to have a church like the Murrayville Revival Center where he got saved. The Lord showed him in a night vision that it was his perfect will, so he started working toward it with no money, just a step of faith. It has been the Lord's to make a way from a storefront to a cabinet shop that we renovated that is now a beautiful church. Through much prayer and sacrifice, now the vision has come to pass. "Teamwork makes the dream work!"

Raised From the Dead - Reinhard Bonnke 2014-01-01

In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was

besieged by a crowd yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonnke: "America shall be saved."

When the Secular World Collides With the Spiritual World - John Rose 2010-07-06

After founding a Food Ministry in 1987, and serving as the director, counselor and teacher for sixteen years I found that people, Christian people do not know much about the Bible, I have been studying the scriptures for twenty-five years. My life was nothing to be proud of, but when the Holy Spirit drew me to Jesus and I ask Him to be Lord of my life, that I wanted the best He has for me, and I would give Him the best I could give. I want my Christian brethren to know all He died for us is ours, for He loves us. We counseled with the people and showed them through the bible how Jesus could meet their needs, Then we gave them food, good food that they could make a good meals from, as time passed I did not see that the people were gaining much to change their lives, and Jesus was teaching me more about the Kingdom of Heaven here on earth . It does not penetrate the people's heart that we can have heaven here on earth, because the Preachers and Teachers do not know how to live in heaven here on earth. You need to know how to live in the Spirit and not in the world; the kingdom of heaven is a spiritual place. Galatians, 4:16, This I say then, Walk in the Spirit, and ye shall not fulfill the lust of the flesh. V-17, For the flesh lusteth against the Spirit, and the Spirit against the flesh; and these are contrary the one to the other, so that ye cannot do the things that ye would. V-18, But if ye be led of the Spirit, Ye are not under the law. I do not mean to go round saying praise the Lord or hallelujah, all over the place, I mean to make your home a heavenly place to live, love your neighbor, love thy God, do good to others get all the unforgiveness out of your heart, ask Jesus to forgive you of your sins. This is the reason for this book and other books to come. There is no reason for people to go to hell, when the kingdom of heaven is in you. My intended reader is all-Christians, that are confused about the bible. and the unsaved. Ephesians, 6:19, And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel, V-20 which I am an ambassador in bonds; that therein I may speak boldly, as I ought to speak. The only way to know the mystery's of the gospels is through the Spirit. John O. Rose

Wake Up—God's Talking to You - Manny Dean Fernandez 2014-05-08

From the beginning of time, God has spoken to people in their dreams. Through them he has reached out to both men of God—Isaiah, Daniel, Jeremiah, Jacob, and his dream interpreter son, Joseph—and ungodly men and women, like Pharaoh or Pontius Pilate's wife. Even today, God has not stopped speaking to us in our dreams. We simply stopped listening or being aware of Him. More than twenty years ago, after God woke him up one night with an incredible dream, author Manny Fernandez set off on a lifelong journey to explore what could be learned from dreams. He made it his mission to teach others how to remember their dreams and, with God's help, interpret their meaning. In his

guidebook, Fernandez includes his own diary of dreams, associated Scriptures and explanations, ways to remember and understand God's special messages, an examination of parables, and his ideas for connecting with God through dreams and prayer. Wake Up—God's Talking to You is an innovative teaching tool that guides spiritual seekers through all the ways God speaks to us through dreams and brings us closer to Him.

Pastor Needs a Boo - Michele Andrea Bowen 2014-07-08

Michele Andrea Bowen made a name for herself years ago during the African-American inspirational fiction craze. Now, in Pastor Needs a Boo, she's back with an amazing journey of faith, drama, and love. It was a regular New Jerusalem Gospel United Church work day for Reverend Denzelle Flowers when Veronica Washington, Keisha Jackson, and Marsha Metcalf showed up after losing their jobs on the same day, same morning, and almost at the same time. Denzelle struggled to solve that first problem. The other problem—the lovely Marsha—would be much harder to solve. Denzelle didn't even know how to fight wanting to turn in the playah's card and getting "booed" up with the poster girl for "church girls." Marsha Metcalf and her fellow unemployed church members aren't Denzelle's biggest problem, though. He is running for bishop, and his enemies—a more ruthless consortium of corrupted clergy—want power badly enough to go to rather extreme lengths for it because the stakes are just that high. Now, his ex-wife was back and sleeping with the enemy, digging for dirt. Reverend Denzelle can't fight this battle alone. This pastor needs a 'boo' who will stand by his side. Before the dust settles, both Marsha and Denzelle's faith and love will be put to the ultimate test.

**Beyond the Ordinary** - Ben Campbell Johnson 2001

Over the Past few decades mainline Protestant congregations have not

easily embraced the notion of spirituality. As much as any aspect of church life, spirituality has been misunderstood, misused, and resisted by both clergy and laity. Yet times are changing. Today many people feel a deep spiritual hunger and are out looking for fulfillment in a wide variety of settings. In this new context, mainline congregations need to awaken to the presence of the Spirit in their midst and equip leaders to nurture both the personal and corporate spirituality of their congregations. *Beyond the Ordinary* is explicitly written to help church leaders who have had no formal training in spiritual formation. Drawing from years of experience teaching Christian spirituality, Ben Campbell Johnson and Andrew Dreitcer explore the spiritual dimensions of leadership, looking in depth at the meaning of spirituality as it relates to the tasks of ministry. This friendly, inspiring book will enable readers to erase the negative stereotypes of spirituality and develop vital models and practices for the church today. The book introduces a faithful understanding and practice of the spiritual life to those who have not yet dipped into the well that is Christian spirituality. For those who have already tasted this water and still thirst, it offers a way to dip even more deeply. Chapters discuss the issues surrounding a meaningful spirituality for our changing times, the importance of holding prayer and mission in tension, and the crucial role of Scripture in the formation of our lives. The authors also underscore the importance of vision, myth, and discernment in the spiritual life of the church. And they discuss the power of spiritual practices like discernment and visioning for enhancing the spirituality of congregations and helping them become agents of social transformation. Intended for personal and group use by pastors, elders, other church leaders, and those preparing for service in the church, the book includes questions for reflection and discussion as well as journaling exercises to encourage learning and growth.

*I Have Gone Through Hell, but I Didn't Stop!* By: Lottie M. Campbell  
Realizing many experience the same hardships as she has gone through, Lottie M. Campbell sat and wrote her story so that others may read, relate, and discuss their own journeys. If you have ever had an unfaithful spouse, a mother or father remarry after the death of a parent, or if you were ever treated as an orphan in your own home, Campbell's story will resonate with you. With her faith in God, Campbell was able to find the strength, courage, and confidence she needed to continue on with her life. Just as God plants an oak tree, causing the winds, rains, and storms to give it strength, so, too, will he do the same for his people, encouraging them to build their character, faith, and endurance through

all so they may come out sturdier and stronger in the end.
