Memoirs of a Book Thief - 2019-04-11

Paris in the 1950s: the reign of Sartre and existentialism. Daniel Brodin--bibliophile, book thief, self-proclaimed poet--enters the heated atmosphere of the Cafe Serbier, home of the Parisian literati. A poetry night is taking place and, when one luminary suggests giving the floor to an unknown, Daniel impulsively puts himself forward. Under pressure, he recites not one of his own surrealist poems but an obscure piece of Italian verse he's certain no one will know. It's plagiarism--but it's a triumph. At last, success. Daniel's recital marks his entrance into the Parisian avant-garde: a band of cultured rogues and pseudo-revolutionaries for whom life is a playground for art, and planning a robbery has as much value as writing a book. In this milieu, the wine is good and the girls are beautiful. But can success last if it is founded on

plagiarism and theft?

Portrait of a Murderer - Anne Meredith

2018-04-03

Mystery crime fiction written in the Golden Age of Murder "Golden age fans will be enthralled." —Publishers Weekly STARRED review 'Adrian Gray was born in May 1862 and met his death through violence, at the hands of one of his own children, at Christmas, 1931.' Thus begins a classic crime novel published in 1933 that has been too long neglected—until now. It is a riveting portrait of the psychology of a murderer. Each December, Adrian Gray invites his extended family to stay at his lonely house, Kings Poplars. None of Gray's six surviving children is fond of him; several have cause to wish him dead. The family gathers on Christmas Eve—and by the following morning, their wish has been granted. This fascinating and unusual novel tells the story of what happened that dark Christmas night; and what the murderer did next.

New Perspectives on Corporate Social

Responsibility - Linda O'Riordan 2015-04-14

Providing a timely contribution to the ongoing questions surrounding topics which are by definition subject to varying stakeholder interpretations, this book addresses “the missing link” between theoretical CSR concepts and everyday management practice. It acts as a guide to awaken managers to the advantages of adopting a CSR “mindset” when developing sustainable business strategies. The book consists of three parts: 1) A theoretical realm which establishes the key concepts and rationale for the adoption of a sustainable CSR approach, 2) A practical realm which addresses putting CSR and sustainability into business practice, 3) An educational realm which proposes how to incorporate the concepts into teaching and training.

Cyprus South & North - Rolf Goetz 2019-03-28

Cyprus is not only famous for its cultural heritage and 9000 year old past - "Aphrodite's Island" is one of the most popular hiking destinations in the eastern Mediterranean. The centre of the island is dominated by the Troodos mountain measuring some 2000 m in height, which despite its considerable altitude is more reminiscent of European low mountains, due to its softly rounded and forested peak. This Rother hiking guide proposes 50 routes mostly ranging from easy to medium level. Next to mountain tours, it also includes a selection of coastal paths along bizarre cliffs and adventurous ravine tours. Forest paths and nature trails lead through aromatic cedar woods, silent valleys and to remote Byzantine churches and monasteries. Classic spring tours are those which take visitors across the peninsula of Akamas, when colourful

carpets of flowers and orchids blossoming by the wayside unveil their typical Mediterranean charm.

[Auf dem Jakobsweg](#) - Michael Raschke
2017-04-24

Bei der Buchung des Osterurlaubs 2017 war für uns bereits klar, dass mit Schnee auf den Pisten von Oberjoch Mitte April nicht mehr zu rechnen sein würde. So schloss die letzte Piste pünktlich eine Woche vor unserer Anreise. Also stellt sich für die Erzeuger der bald neunjährigen Tochter, durch die Abwesenheit von Schnee, die Frage nach einem zehn tägigen Beschäftigungsprogramm. Diese wollte es nach eigenem Bekunden einmal mit dem Wandern, auch als Vorbereitung für den Sommerurlaub in Südtirol, versuchen. Gesagt, getan. Ausgestattet mit neuen Wanderschuhen, einem Tourenrucksack und professionellen Wanderstöcken machten sich die fast Neunjährige und ihre Eltern auf, Oberjoch und Umgebung zu Fuß zu erkunden und schreckten dabei auch vor dem beschwerlichen Jakobsweg nicht zurück.

“Describes the physiology behind the normal function of the heart with gusto and humor . . .

well informed and accessible . . . a necessary book.” —Readings In this lively and informative exploration of all aspects of the heart, Johannes Hinrich von Borstel offers a perfect mix of medical fact and amusing anecdote. A doctor, prospective cardiologist, and former paramedic—as well as a successful science-slammer—von Borstel relates his own experiences to provide a personal insight into the human side of heart medicine, while clearly explaining the science behind cardiac disease and healthcare for the heart. His many tips on how to give your ticker the best chance of enduring for as long as possible include one that will certainly be close to many people’s hearts: have more sex! Oh, and eat more vegetables. “Whether your heart is healthy or not, everyone should read this book, because the author has truly put his heart and soul into it.” —Shelf Life “While von Borstel cautions against these excesses, his youthful enthusiasm and gusto for his subject makes for a lively read.” —The

Sydney Morning Herald “An eminently readable book which strikes a very good balance between information and anecdote . . . should be of interest to anyone who wants to know what goes on ‘under the hood’ as it were, regardless of your level of anatomical understanding . . . this is a marvelous book.” —Yinspire

Winter Birds - Lars Jonsson 2017-10-19

In this stunning book, Lars Jonsson celebrates and explores the beauty of the birds that surround him during the Swedish winter months. Jonsson illustrates each bird in his classic style, and his text provides information on their behaviour and insights into how to identify them as he shares personal observations as both an artist and ornithologist. This unique combination offers an intimate and compelling opportunity to better understand the

method behind one of the world's preeminent bird artists.

Dear Amy - Helen Callaghan 2016-10-18

In Helen Callaghan’s chilling, tightly-spun debut novel of psychological suspense, a teenage girl’s abduction stirs dark memories of a twenty-year-old cold case... Margot Lewis is a teacher at an exclusive high school in the English university town of Cambridge. In her spare time, she writes an advice column, “Dear Amy”, for the local newspaper. When one of Margot’s students, fifteen-year-old Katie, disappears, the school and the town fear the worst. And then Margot gets a “Dear Amy” letter unlike any of the ones she’s received before. It’s a desperate plea for rescue from a girl who says she is being held captive and in terrible danger—a girl called Bethan Avery, who was abducted from the local area twenty years ago...and never found. The letter matches a sample of Bethan’s handwriting that the police have kept on file since she vanished, and this shocking development in an infamous

cold case catches the attention of criminologist Martin Forrester, who has been trying to find out what happened to her all those years ago. Spurred on by her concern for both Katie and the mysterious Bethan, Margot sets out—with Martin's help—to discover if the two cases are connected. But then Margot herself becomes a target...

Machine in the Studio - Caroline A. Jones 1996

Hiking and Cycling in the Black Forest - Kat Morgenstern 2019-02-19

15 day walks, 3 multi-stage treks and 5 cycle routes are described covering the north, central and southern areas of Germany's Black Forest. The walks and cycle routes are evenly distributed across all three areas and comprise both long distance routes and day walks, although each stage of every long distance walk can also be done as individual day tour. The chosen routes include the main Black Forest destinations, such as Feldberg, Belchen Schauinsland, Hornisgrinde and Mummelsee, as well as Allerheiligen Abbey and waterfalls and the source of the Danube, to name but a few. Two of the three long distance routes are certified quality trails: Schluchtensteig (120km), which means gorge trail traverses the Wutachschlucht, one of the last untamed river systems in Germany, and Zweitälersteig (108km) a highly diverse circular route which leads

through some of the most beautiful and contrasting parts of the Central Black Forest. Seensteig (71km) partially follows the central ridge of the Black Forest mountain range, offering unsurpassed views along the way. The cycle routes (4 day rides, and the 242km Southern Black Forest Cycle Route) are mostly easy and scenic, and utilise the extensive and well-maintained bicycle trail system that crisscrosses the entire region. The walks and rides are described in detail and basic maps are provided for orientation.

Unbecoming - Jenny Downham 2016-02-23

Three women. Three generations. Three secrets. Katie's life is falling apart: her best friend thinks she's a freak, her mother, Caroline, controls every aspect of her life, and her estranged grandmother, Mary, appears as if out of

nowhere. Mary has dementia and needs lots of care, and when Katie starts putting together Mary's life story, secrets and lies are uncovered: Mary's illegitimate baby, her zest for life and freedom and men; the way she lived her life to the full yet suffered huge sacrifices along the way. As the relationship between Mary and Caroline is explored, Katie begins to understand her own mother's behavior, and from that insight, the terrors about her sexuality, her future, and her younger brother are all put into perspective. Funny, sad, honest, and wise, this powerful multigenerational novel from international bestseller Jenny Downham celebrates life like no book before.

Tour de Force - Mark Cavendish 2021-11-25

'I pulled off my glasses and wiped my eyes. "That was perhaps the last race of my career..." Deep down, Mark Cavendish thought he was finished. After illness, setbacks and clinical depression, the once fastest man in the world had been written off by most. And at the age of 36, even

he believed his explosive cycling career would fade out with a whimper. The Manxman hadn't won a single Grand Tour stage in Italy, Spain or France since 2016. But then came his incredible resurrection at the 2021 Tour de France.

Included on the Deceuninck Quick-Step team at the very last minute, only after Sam Bennett suffered an injury, Mark set about rewriting history. He claimed back the green jersey he first wore in 2011, and his four stage victories finally saw him matching Belgian legend Eddy Merckx's all-time record of 34 Tour de France stage wins. Cycling greats are never content, and Cav's dogged determination and inner strength had earned him the record that few believed he could ever achieve. This is his own intimate account of that race, right from the saddle of the miracle tour.

Castellani + Castellani - Enrico Castellani 2011

Castellani e Castellani is a special exhibition of both new and seminal work by Enrico Castellani, one of Italy's most influential artists. The show features new paintings that continue the dialogue set forth in his formative Angolare series as well as present his critically acclaimed Spazio Ambiente, a roomlike environment from 1970 that has rarely been exhibited publicly, and which is graciously on loan from the Fendi collection. Although created decades apart, the works exemplify Castellani's signature style and merge art, space and architecture to transcend

the confines of painting. Formally trained as an architect, Castellani focuses on manipulating the surface configurations of his canvases to alter perceptions of space. In a recent interview with the artist, Hans Ulrich Obrist described

Castellani's break from traditionally conceived paintings as 'an epiphany'. Published on the occasion of the exhibition at Hanuch of Venison, New York, 11 November 2011 - 7 January 2012.
Sardinien - Marion Pausch 1999
