Gridlock (A Formula One Billionaire Sports Romance) - Tracie Delaney 2022-08-24

Tate Flynn - World Champion. The poster boy of young drivers. And the man to blame for the death of my brother. He glamorizes risk and danger, while I'm left to pick up the pieces. I'm determined to expose the true colors of the sport he adores. Sure, I have a fight on my hands, but I've got the teeth for it. Bad luck, Tate. I'm coming for you. Madison Brady - A woman with many faces. Doctor, protestor, adversary. She's laid a family tragedy firmly at my door, except my conscience is clear. She professes to despise me, but I'm not convinced. They say there's a thin line between hate and love. And I have an urge to test that theory on my nemesis. Heads up, Madison. I'm coming for you.

KADEN: My teammates think she's married. I think it's more than that. Other than her name, I don't know anything about her, but I can't get enough of her. She's my obsession, my world, my everything. If only she

would let me in, tell me why she's terrified, why she stays in the shadows, why she can't be seen in public. Then, as quickly as she came into my life, she disappears. DELANEY: As the daughter of a powerful politician, I was my boyfriend's perfect alibi until I wasn't. My life is in danger, and I have no choice but to disappear. I met Kaden in a bar, and the attraction was instant. We can't keep our hands off each other, but I'm careful not to tell him too much. He can't know who I am or why I'm running. My safety—and his—depends on it. Then my ex's conviction is overturned, he's out of prison, and witnesses are dying. I have to run again and leave behind the one man I'll never forget. But fate has a way of interfering, and this time, leaving isn't so easy. Players on Ice (Books 1-3) - Cathryn Fox 2019-07-17

The Playmaker: My only goal is to heal from this concussion and get back on the ice—until Nina Callaghan shows up at my door asking for hockey lessons. She's my best friend's kid sister, which puts her in the hands-off zone, so I used to tease her without mercy—the ballerina on ice—until a knee injury grounded her. But little Nina is all grown up now, and wants something from me, and I sure as hell want something back. Now it's game on, and I'm pulling out all the plays. The Stick Handler: Call me a prick for canceling our wedding at the eleventh hour, but when my ex threatens to ruin my career and reputation, it's the icing on the uncut wedding cake. She gives me a week to reconsider, and I take it—at the Italian resort booked for the honeymoon that will never be, and there's no one I'd rather take with me than Katee, the girl who has held a special place in my heart since forever. When the concierge mistakes her for the bride, we go with it. Only problem is, the place reeks of romance and keeping my hands to myself might prove to be the toughest game I've ever played. The Body Checker: I'm all about the game, a no attachment, no strings kind of guy, so when a puck bunny shows up at my door, shoves a pink bundle into my hands and drives off into the sunset, it turns my world upside down. I'm not cut out to be a family man. I know nothing about babies and I'm the last guy who should be taking care of one. But I do know someone who is equipped for the job—Quinn Reed, my best friend's kid sister. Problem is, she kind of...hates me.

Arms and the Man - An Anti-Romantic Comedy in Three Acts - Bernard Shaw 2013-03-06

Arms And The Man' is a three-act play written by Bernard Shaw in 1920. An 'anti-romantic comedy', this play endeavours to attack the romantic notion of war by portraying a much more realistic illustration of its plights. A clever, witty, and subtle gem of theatre from the author of 'Pygmalion' that continues to hold up more than 100 years after its writing, this is a play that will appeal to those with an interest in portrayals of war, and one that makes for a worthy addition to any personal collection. George Bernard Shaw (1856 -1950) was an Irish playwright who co-founded the London School of Economics. We are republishing this vintage book now complete with a new prefatory biography of the author.

Breaking the Sinner - Ember Leigh

They changed their names and left their old lives behind...but when their paths collide, their pasts come back to haunt them. And this time, there's no running away. Genevieve fled her religious community with no understanding of what to expect from 'normal' society...or what they would expect from her. Armed with nothing more than a sinful list of experiences she's eager to live, she meets Cobra: a resident gym bad boy who struts around like he could undress her with his eyes alone. Snagging a job at Holt Body Fitness is the only break of luck Cobra's had since his life took a nosedive as a teen, and it's just a matter of time before this goes downhill, too. So when ultra-innocent Gen stumbles onto his bleak path, his eagerness for distractions leads him to helping her with every item on her "Sin List"...except for one. But as the two of them plunge headfirst into a list of sins that are equal parts sizzling and intense, Cobra inches closer to a scary new reality. One that might be too good to be true. One that will force him to choose between the only family he's ever known, and the one thing he swore to never need: love.
