With their reality TV series, *Antiques Sleuths*, Brandy Borne and her quaintly kooky mother, Vivian, have a real hit on their hands. But when the bidding turns deadly, Brandy finds herself ornately framed for murder. Includes Brandy Borne’s tips on investing in antiques! Praise for Barbara Allan and the *Trash ‘n’ Treasures* Mysteries! “If you delight in the absurd and enjoy manic humor, you’ll treasure the *Trash ‘n’ Treasure* mysteries.” —Mystery Scene “The characters, both primary and secondary, shine with brassy humor.”—Publishers Weekly

Antiques Fate - Barbara Allan 2016-04-26

A village festival offers a Shakespeare play, an antiques sale—and a murder: “Surely one of the funniest cozy series going.”—Ellery Queen *Mystery Magazine* Brandy Borne’s exceedingly eccentric mother, Vivian, has been invited to perform her one-woman interpretation of “the Scottish play” (sometimes called *Macbeth*)—with different hats for different characters—at the neighboring town of Old York's annual fête. The weekend festival celebrates the quaint village's English flavor. Brandy, sensing a possible theatrical disaster, and savvy shih tzu Sushi, sensing possible doggy treats, tag along with the scene-stealing septuagenarian. As soon as they arrive in the cozy hamlet, tragedy strikes: the theater owner drops dead onstage while giving Vivian the grand tour. That wasn't in the script and before they know it, Brandy and Vivian are entangled in a progressively perilous murder plot. Besides the cream teas and Chippendale chairs, it seems there are skeletons lurking among Old York's charming pubs and enticing antiques stalls ... When a second victim turns up mysteriously murdered, the dynamic duo knows they've got to step into the spotlight. But the remorseless killer seems to be well rehearsed for the Borne girls...and won't leave even the smallest detail of their demise to fête! “Brandy and her eccentric mother make a hilarious team of snoops.”—Joan Hess Includes Brandy Borne's tips on antiques fairs!

The World We Found - Thrity Umrigar 2012-01-03

“Stunning . . . This is a novel that rewards reading, and even re-reading. *The World We Found* is a powerful meditation.” —Boston Globe Thrity Umrigar, acclaimed author of *The Space Between Us* and *The Weight of Heaven*, returns with a breathtaking new novel—a skillfully wrought, emotionally resonant story of four women and the indelible friendship they share As university students in late 1970s Bombay, Armaiti, Laleh, Kavita, and Nishta were inseparable. Spirited and unconventional, they challenged authority and fought for a better world. But over the past thirty years, the quartet has drifted apart, the day-to-day demands of work and family tempering the revolutionary fervor they once shared. Then comes devastating news: Armaiti, who moved to America, is gravely ill and wants to see the old friends she left behind. For Laleh, reunion is a bittersweet reminder of unfulfilled dreams and unspoken guilt. For Kavita, it is an admission of forbidden passion. For Nishta, it is the promise of freedom from a bitter, fundamentalist husband. And for Armaiti, it is an act of acceptance, of letting go on her own terms. *The World We Found* is a dazzling masterwork from the remarkable Thrity Umrigar, offering an unforgettable portrait of modern

India while it explores the enduring bonds of friendship and the power of love to change lives.

First Darling of the Morning - Thrity Umrigar 2009-10-06

"[Umrigar] communicates her childhood longing for a cohesive family in deeply felt portraits of those she loves. . . . It is this combination of personal revelation and empathetic observation that makes Umrigar's memoir so appealing."— Washington Post Book World From the bestselling author of *The Space Between Us* and *If Today Be Sweet* comes a sensitive, beautifully written memoir of Thrity Umrigar's youth in India, told with the honesty and guilelessness that only a child's point of view could provide. In a series of incredibly poignant stories, Thrity Umrigar traces the arc of her Bombay childhood and adolescence—from her earliest memories growing up in a middle-class Parsi household to her eventual departure for the U.S. at age 21. Her emotionally charged scenes take an unflinching look at family issues once considered unspeakable—including intimate secrets, controversial political beliefs, and the consequences of child abuse. Punishments and tempered hopes, struggles and small successes all weave together in this evocative, unforgettable coming-of-age tale. *First Darling of the Morning* also offers readers a fascinating glimpse at the 1960s and 70s Bombay of Umrigar's memories. Two coming-of-age stories collide in this memoir—one of a small child, and one of a nation.

A Death In Zamora - Ramón Sender Barayón 2019-04-04

A gripping personal account of the Spanish Civil War, this memoir is also the story of a man discovering his roots. The author's parents were separated in the confusion of the war, and his mother jailed and eventually assassinated by a fascist execution squad in her hometown of Zamora when the author was just a small child. He and his baby sister were reared by a foster mother in the United States, and he did not return to Spain for another four decades. The death of his mother, Amparo, was cloaked in secrecy, deepened by his father's refusal to disclose any information about her. Finally, at the age of forty-six, after his father's death, and with his wife Judith's assistances as translator, he traveled back to his native land to retrace the events leading to his mother's extrajudicial killing via interviews with family and family friends. *A Death in Zamora* has all the drama and tension of a good mystery, all the more engrossing because the events it recounts are so shameful and so true. In addition to the personal tragedy of his mother, we learn first hand of the horrific suffering that many other Spanish women experienced at the hands of Generalissimo Franco and his depraved followers. Ramón Sender Barayón, son of the Spanish novelist-in-exile Ramón J. Sender, enjoys various careers as composer, author, artist, communitarian, and proud father of three sons. Published titles include *Zero Weather*, a future fantasy; *A Planetary Sojourn*, his collected essays and articles; *Home Free Home*, a lengthy history of two open-door rural communes. He lives in San Francisco with his wife, Judith Levy-Sender, a retired public high school teacher, artist and human rights activist, whose fluency with Spanish made this book possible. This book describes a son's search in the 1980s Spain for his birth mother's story through interviews with family members and childhood friends. With his wife Judith as translator, the author returned to Zamora 48 years after he and his sister were evacuated from the fascist zone to France after their mother had been imprisoned for several months and then shot. First published hard cover in 1989 by The University of New Mexico Press to reviews in the *New York Times* and other dailies. An updated Spanish edition launched in Madrid in 2018. This new English edition includes these updates and appendices.

When I Carried You in My Belly - Thrity Umrigar 2017-04-04

Love Your Forever meets On the Night You Were Born in this heartwarming picture book about a mother's love for her child. The special bond between a mother and her child begins well before the baby is born. But once the baby is born and starts to grow into her own person, traits from both parents begin to show themselves in delightful and humorous ways. When I Carried You in My Belly is a mother's song to her growing daughter, capturing the warmth and magic of the time when her daughter was housed inside her belly. The girl's laugh, her love of music, her sweet disposition, and her carefree attitude can all be traced back to her time in her mother's tummy, when her mother would laugh, sing songs, eat yummy treats, and dance the day away. Thrity Umrigar's lyrical and playful text are well complemented by Ziyue Chen's soft and delightful illustrations, and together they create a sentimental and insightful book about the special bond between parents and children. With a similar tone to On the Night You Were Born and the spirit of I Loved You Before You Were Born, When I Carried You in My Belly is primed to become a new timeless classic.

Butterfly in the Rain - James L. Neibaur 2016-02-25

On December 17, 1927 in Los Angeles, twelve year old Marion Parker, daughter of a prominent banker, was called to the school office where a stranger told her that her father had been in an accident and that she must leave with him right away. Fewer than 48 hours later, she was dead. What started as a tragic, but

otherwise ordinary, kidnapping turned out to be a shocking murder by one of the period's most twisted killers, William Edward Hickman. James L. Neibaur takes a step into history, depicting how this abduction was soon labeled the "crime of the century" and sparked a change in the nation's attention to such cases. With a media-driven nationwide manhunt, one of the biggest and most wide-ranging in California history, and then a desperate attempt at sparing the killer's life with the unfamiliar insanity plea, this infamous case left the abduction and murder of Marion Parker to be etched into 1920s pop culture. The murder of Marion Parker brought to light the unthinkable reality of child abduction. Neibaur resourcefully weaves together the events surrounding the crime in the context of the contemporary culture and attitudes of the late 1920s, covering the impact of the media's first involvement in a criminal justice case, and how the admired notions of the glamorized '20s were crushed by this ordinary family's chilling reality.

THE POP CULTURE ZONE: WRITING CRITICALLY ABOUT POPULAR CULTURE, 2nd Edition, focuses on your relationship with pop culture - such as film, television, social networks, and advertisements - and how that relationship can help you become a better critical thinker, reader, and writer. Each student text is packaged with a free Cengage Essential Reference Card to the MLA HANDBOOK, Eighth Edition.

Homing with the Birds - Gene Stratton-Porter 1919

"Homing with the Birds" is a book in which one comes into intimate contact with one's feathered friends, to the extent of feeling that they actually have personalities! This is doubtless because Mrs. Porter is a true and devoted friend to them herself, and has been so since her childhood. She says: "Almost my first distinct memory is connected with a bird." and then proceeds to tell how this was upon an occasion when she was willing to deny herself the joy of eating cherries in order that woodpeckers in the neighborhood might not be killed! Many such incidents of the author's childhood are in the book, demonstrating her intense, almost romantic, attachment to the feathered tribes. The book is more than a record of bird life, it is that of a charming young, growing human life deeply concerned with the things of nature. At the same time it is full of information not only delightful but useful for birdlovers and students of natural history and outdoor matters.
