When it's crucial crunch time and your AP U.S. History exam is just around the corner, you need REA's AP U.S. History Crash Course!

Out of Many - John Mack Faragher 2012

Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.

Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition - Alan Brinkley 2016-01-06 Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

Washington's Farewell Address to the People of the United States, 1796 - George Washington 1913

American History Connecting with the Past - Alan Brinkley 2012

The Modern Temper - Lynn Dumenil 1995

Offers a broad view of American culture during the 1920s, discussing the changing values that ended the repressive Victorian era, the growing importance of pluralism in America's heterogeneous society, and the expansion of federal bureaucracy

Give Me Liberty! An American History - Eric Foner 2016-09-15

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive

History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Poor Richard's Almanack - Benjamin Franklin 1914

Fabric of a Nation - Jason Stacy 2020-01-28

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

A Patriot's History of the United States - Larry Schweikart 2004-12-29

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

The Critical Period of American History, 1783-1789 - John Fiske 1888

Black Protest and the Great Migration - Eric Arnesen 2018-10-24

During World War I, as many as half a million southern African Americans permanently left the South to create new homes and lives in the urban North, and hundreds of thousands more would follow in the 1920s. This dramatic transformation in the lives of many black Americans involved more than geography: the increasingly visible "New Negro" and the intensification of grassroots black activism in the South as well as the North were the manifestations of a new challenge to racial subordination. Eric Arnesen's unique collection of articles from a variety of northern, southern, black, and white newspapers, magazines, and books explores the "Great Migration," focusing on the economic, social, and political conditions of the Jim Crow South, the meanings of race in general - and on labor in particular - in the urban North, the grassroots movements of social protest that flourished in the war years, and the postwar "racial counterrevolution." An introduction by the editor, headnotes to documents, a chronology, questions for consideration, a bibliography, and an index are included.

America's History - 2018

The American Pageant - Thomas Andrew Bailey 1998

USAs historie indtil 1996

American Pageant - David M. Kennedy 2015-01-01

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original

historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Treaty for the Renunciation of War - 1933

AP U.S. History Prep - Jonathan Chu 2020-04-07

With Wiley's AP U.S. History Prep, you'll be ready to earn your best score!

The Shame of the Cities - Lincoln Steffens 1989

Our Country - Josiah Strong 1885

The American Yawp - Joseph L. Locke 2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass. The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

AP® U.S. History Crash Course Book + Online - Larry Krieger

2015-01-19

How the Other Half Lives - Jacob August Riis 1914

Liberty, Equality, Power: Enhanced Concise Edition - John Murrin 2008-01-02

Clearly demonstrate for your students how the interplay of various forces have shaped today's U.S. nation and its people with the balanced presentation of political and social history found only in LIBERTY, EQUALITY, POWER: ENHANCED CONCISE EDITION, 4E. This enhanced edition helps students develop critical-thinking and study skills. Learning to analyze source material as they read the narrative will help students master the content of their course and interpret other materials and events they encounter in daily life. Written by award-winning, top-level authors, including preeminent colonial historian John Murrin and Pulitzer Prize-winning author James McPherson, this unique, brief text emphasizes the three themes of liberty, equality and power to add dimension to the journey as your students experience the transformation of America, from a land inhabited by hunter-gatherers and agricultural Native Americans, into the most powerful industrial nation on earth. Students understand not only the impact of liberty and equality -- topics often associated with the American story -- but also how dominant and subordinate groups have affected and been affected by the ever-shifting balance of power. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Development of an American Culture - Stanley Coben 1970

Understanding by Design - Grant Wiggins 2005

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.
THE MAN NOBODY KNOWS - BRUCE BARTON 1925

The Crack in the Picture Window - John Keats 2016-08-09

In this amusingly written yet serious report about housing developments, author John C. Keats discusses every aspect of life in a development. His account is supported by solid facts and figures and presented in personal terms to convey an existence that combines all of the worst aspects and none of the advantages of suburban living. "If you ever wondered what goes on under those regimented roofs, this book will tell you. And if you already know, it will make you want to get up and break something. Fortunately the book also tells you how to put the pieces back together."

Historical Thinking Skills - John P. Irish 2016-03-31

John Irish and Barbara Ozuna, both experienced history teachers, have teamed up to develop this workbook to focus on the historical thinking skills that high school students in the AP* World History course must master in order to perform well on the exam.

AP Us Hist 2016 - John J. Newman 2016-01-01

Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework "each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways "the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events "chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions "period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

Andrew Carnegie Speaks to the 1% - Andrew Carnegie 2016-04-14

Before the 99% occupied Wall Street... Before the concept of social justice had impinged on the social conscience... Before the social safety net had even been conceived... By the turn of the 20th Century, the era of the robber barons, Andrew Carnegie (1835-1919) had already accumulated a staggeringly large fortune; he was one of the wealthiest people on the globe. He guaranteed his position as one of the wealthiest men ever when he sold his steel business to create the United States Steel Corporation. Following that sale, he spent his last 18 years, he gave away nearly 90% of his fortune to charities, foundations, and universities. His charitable efforts actually started far earlier. At the age of 33, he wrote a memo to himself, noting .."The amassing of wealth is one of the worse species of idolatry. No idol more debasing than the worship of money." In 1881, he gave a library to his hometown of Dunfermline, Scotland. In 1889, he spelled out his belief that the rich should use their wealth to help enrich society, in an article called "The Gospel of Wealth" this book. Carnegie writes that the best way of dealing with wealth inequality is for the wealthy to redistribute their surplus means in a responsible and thoughtful manner, arguing that surplus wealth produces the greatest net benefit to society when it is administered carefully by the wealthy. He also argues against extravagance, irresponsible spending, or self-indulgence, instead promoting the administration of capital during one's lifetime toward the cause of reducing the stratification between the rich and poor. Though written more than a century ago, Carnegie's words still ring true today, urging a better, more equitable world through greater social consciousness.

War is a Racket - Smedley Butler 2018-01-19

War Is a Racket is a speech and a 1935 short book, by Smedley D. Butler, a retired United States Marine Corps Major General and two-time Medal of Honor recipient. Based on his career military experience, Butler frankly discusses how business interests commercially benefit (including war profiteering) from warfare. He had been appointed commanding officer of the Gendarmerie during the United States occupation of Haiti, which lasted from 1915 to 1934.
