The Retreat from Moscow - William Nicholson 2010-05-26

How well do we know the people we marry? Is it wrong to decide it's time to be honest? Is love enough to save a family? In *The Retreat from Moscow*, William Nicholson, the celebrated author of *Shadowlands*, tells the powerful story of a husband who decides to be truthful in his marriage, and of the wife and son whose lives will never be the same again. Edward and Alice have been married for thirty-three years. He is a teacher at a boys school, perfectly at home with his daily crossword and lately engrossed in reading about Napoleon's costly invasion of Moscow. She is an observant Catholic, exacting and opinionated, and has been collecting poems about lost love for a new anthology. Jamie, their diffident thirty-two year old son, is visiting for the weekend when Edward announces he has met another woman. With the coiled intensity of Tom Stoppard's *The Real Thing* and the embracing empathy of Edward Albee's best family dramas, *The Retreat from Moscow* shines a breathtakingly natural light on the fallout of a shattered marriage.

Replica - Lauren Oliver 2016-10-04

From Lauren Oliver, New York Times bestselling author of *Before I Fall*

and the Delirium trilogy, comes an epic, masterful novel that explores issues of individuality, identity, and humanity. Lyra's story begins in the Haven Institute, a building tucked away on a private island off the coast of Florida that from a distance looks serene and even beautiful. But up close the locked doors, military guards, and biohazard suits tell a different story. In truth, Haven is a clandestine research facility where thousands of replicas, or human models, are born, raised, and observed. When a surprise attack is launched on Haven, two of its young experimental subjects—Lyra, or 24, and the boy known only as 72—manage to escape. Gemma has been in and out of hospitals for as long as she can remember. A lonely teen, her life is circumscribed by home, school, and her best friend, April. But after she is nearly abducted by a stranger claiming to know her, Gemma starts to investigate her family's past and discovers her father's mysterious connection to the secretive Haven research facility. Hungry for answers, she travels to Florida, only to stumble upon two replicas and a completely new set of questions. While the stories of Lyra and Gemma mirror each other, each contains breathtaking revelations critically important to the other story. Using hotlinks in this electronic edition, readers can decide how they would like to read the book, as with the print version. They can read the story of Gemma or Lyra straight through first, followed by the other girl's story, or they can move between chapters in Lyra's and Gemma's sections. No matter how it is read, *Replica* is an ambitious, thought-provoking masterwork.

The Trial of True Love - William Nicholson 2011-01-28

Fast-paced, beautifully crafted, and intellectually stimulating, *The Trial of True Love* is a captivating exploration of the nature of love, its elusiveness, and most of all, the universal human need to find it. Bron is a thirty-year-old writer living in London, a seemingly incurable heartbreaker and dodger of commitment. He is fascinated by the symbolist artist Paul Marotte and has made the artist the center of a book he is writing about love at first sight. On a visit to a friend's country house, Bron encounters the beautiful, enigmatic Flora and suddenly the theme of his book takes on a completely new, intensely personal

dimension. His pursuit of Flora takes him to Amsterdam, where a mysterious art collector offers to help him find the object of his desire, and the search for "true love" takes surprising twists. With the touch of a master, William Nicholson weaves thought-provoking reflections on art, literature, and human nature in a suspense-filled love story—a novel that touches both the heart and the mind.

Calendar and Character by William Nicholson: Twelve Months and Twelve Portraits in Pure Black and White - William Nicholson 2014-07-01

William Nicholson (1872 -1949) was a painter, engraver, graphic artist, stained glass craftsman, author, illustrator and theatre set designer with an astonishing gift: he pursued the light and pinned down the shadows with a visual brevity and mastery rarely seen in Western Art. The images within this book still stand as an exemplar of how to distil the essence of three dimensions into two colours, proving a continual inspiration to generations of graphic artists since. Each image occupies one side of one page, the other side remaining blank to facilitate digital reproduction thus requiring minimal cleanup. It is our pleasure to present, in a scanner-friendly printed format, the following images as Nicholson originally saw them, and before time and pigment altered them forever.

The Sufi Path of Love - William C. Chittick 1984-06-30

This is the most accessible work in English on the greatest mystical poet of Islam, providing a survey of the basic Sufi and Islamic doctrines concerning God and the world, the role of man in the cosmos, the need for religion, man's ultimate becoming, the states and stations of the mystical ascent to God, and the means whereby literature employs symbols to express "unseen" realities. William Chittick translates into English for the first time certain aspects of Rumi's work. He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion, yet in his own words. Thorough, nontechnical introductions to each chapter, and selections that gradually present a greater variety of terms and images, make this work easily accessible to those interested in the spirituality of any tradition.

The Self-Disclosure of God - William C. Chittick 2015-03-26

Explicates the cosmology of Ibn al-'Arabi, the greatest mystical thinker of Islamic civilization. The Self-Disclosure of God offers the most detailed presentation to date in any Western language of the basic teachings of Islam's greatest mystical philosopher and theologian. It represents a major step forward in making available to the Western reading public the enormous riches of Islamic teachings in the fields of cosmology, mystical philosophy, theology, and spirituality. The Self-Disclosure of God continues the author's investigations of the world view of Ibn al-Arabi, the greatest theoretician of Sufism and the "seal of the Muhammadan saints." The book is divided into three parts, dealing with the relation between God and the cosmos, the structure of the cosmos, and the nature of the human soul. A long introduction orients the reader and discusses a few of the difficulties faced by Ibn al-Arabi's interpreters. Like Chittick's earlier work, *The Sufi Path of Knowledge*, this book is based primarily on Ibn al-Arabi's monumental work, *al-Futuhat al-makkiyya* "The Meccan Openings." More than one hundred complete

chapters and subsections are translated, not to mention shorter passages that help put the longer discussions in context. There are detailed indices of sources, Koranic verses and hadiths. The book's index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular. William C. Chittick is Professor of Comparative Studies at State University of New York, Stony Brook. He has published numerous books, among them, *Imaginal Worlds: Ibn al-Arabi and the Problem of Religious Diversity*; *Faith and Practice of Islam: Three Thirteenth-Century Sufi Texts*; *The Sufi Path of Knowledge: Ibn al-Arabi's Metaphysics of Imagination*; *The Sufi Path of Love: The Spiritual Teachings of Rumi*; and *A Shi'ite Anthology*, all published by SUNY Press.

The Forty Rules of Love - Elif Shafak 2010-02-18

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Ten Good and Bad Things About My Life (So Far) - Ann M. Martin
2012-10-02

Lexie was a counselor-in-training (ugh!)—and she and her good friend James Brubaker III had a huge fight, which made them both wonder if the other kids were right that girls and boys can't be good friends and which landed one of them in the hospital. And there's much, much more on the list of good and bad things, as Ann Martin takes this appealing character into new adventures through which young readers will see that good or bad, life is what happens when you're making other plans.
