Helping him enforce his power are his two protégés, Cliff Ramos and Cooper Cornelius Happenstance, known better as Coop. Ramos is a young and brilliant detective, orphaned at an early age, and has always felt apart from the norm of humanity. He is being mentored by the older, and very animalistic Coop whose instincts are never in question. Both men have a unique ability to find, and create trouble, and are in a constant battle with themselves to either accept the demonic urges inside them or to rise up against that part of themselves and embrace their humanity....or is there a way to do both? This tale unfolds to hilarious, dark, and violent chapters of human greed, animal desires, and other worldly phenomenon, as Ramos, Cooper, and the Captain work to maintain power over their

sanity and reality. When Coop's daughter, Sam, begins to have people die around her, both men are directed to investigate. Ramos and the girl are fallen lovers from high school, and he is vying to get her back. Coop cares for nothing since his wife died, except to protect Sam from any harm. Is it the crime syndicate of The Viking, striking back at Coop for destroying their local operations years ago after they had brutally murdered his wife? Mr. Humble and Dr. Butcher - Brandy

Schillace 2022-03-08

The “delightfully macabre” (The New York Times) true tale of a brilliant and eccentric surgeon...and his quest to transplant the human soul. In the early days of the Cold War, a spirit of desperate scientific rivalry birthed a different kind of space race: not the race to outer space that we all know, but a race to master the inner space of the human body. While surgeons on either side of the Iron Curtain competed to become the first to transplant organs like the kidney and heart, a young American neurosurgeon had an even more ambitious

thought: Why not transplant the brain? Dr. Robert White was a friend to two popes and a founder of the Vatican’s Commission on Bioethics. He developed lifesaving neurosurgical techniques still used in hospitals today and was nominated for the Nobel Prize. But like Dr. Jekyll before him, Dr. White had another identity. In his lab, he was waging a battle against the limits of science and against mortality itself—working to perfect a surgery that would allow the soul to live on after the human body had died. This “fascinating” (The Wall Street Journal), “provocative” (The Washington Post) tale follows his decades-long quest into tangled matters of science, Cold War politics, and faith, revealing the complex (and often murky) ethics of experimentation and remarkable innovations that today save patients from certain death. It’s a “masterful” (Science) look at our greatest fears and our greatest hopes—and the long, strange journey from science fiction to science fact.

Shadowed Souls - Jim Butcher 2016-11-01

Featuring short stories from Jim Butcher, Seanan McGuire, Kevin J. Anderson, and Rob Thurman, this dark and gritty “must-read anthology for UF fans”(RT Book Reviews) proves that nothing is as simple as black and white, light and dark, good and evil... In #1 New York Times bestselling author Jim Butcher’s Cold Case, Molly Carpenter—Harry Dresden’s apprentice-turned-Winter Lady—must collect a tribute from a remote Fae colony and discovers that even if you’re a good girl, sometimes you have to be bad... New York Times bestselling author Seanan McGuire’s Sleepover finds half-succubus Elsie Harrington kidnapped by a group of desperate teenage boys. Not for anything “weird.” They just need her to rescue a little girl from the boogeyman. No biggie. In New York Times bestselling Kevin J. Anderson’s Eye of Newt, Zombie P.I. Dan Shamble’s latest client is a panicky lizard missing an eye who thinks someone wants him dead. But the truth is that someone only wants him for a very special

dinner... And New York Times bestselling author Rob Thurman’s infernally heroic Caliban Leandros takes a trip down memory lane as he deals with some overdue—and nightmarish—vengeance involving some quite nasty Impossible Monsters. ALSO INCLUDES STORIES BY Tanya Huff * Kat Richardson * Jim C. Hines * Anton Strout * Lucy A. Snyder * Kristine Kathryn Rusch * Erik Scott de Bie * **Butcher’s Crossing** - John Williams 2007-01-16 In his National Book Award-winning novel Augustus, John Williams uncovered the secrets of ancient Rome. With *Butcher’s Crossing*, his fiercely intelligent, beautifully written western, Williams dismantles the myths of modern America. It is the 1870s, and Will Andrews, fired up by Emerson to seek “an original relation to nature,” drops out of Harvard and heads west. He washes up in *Butcher’s Crossing*, a small Kansas town on the outskirts of nowhere. *Butcher’s Crossing* is full of restless men looking for ways to make money and ways to waste it.

Before long Andrews strikes up a friendship with one of them, a man who regales Andrews with tales of immense herds of buffalo, ready for the taking, hidden away in a beautiful valley deep in the Colorado Rockies. He convinces Andrews to join in an expedition to track the animals down. The journey out is grueling, but at the end is a place of paradisaal richness. Once there, however, the three men abandon themselves to an orgy of slaughter, so caught up in killing buffalo that they lose all sense of time. Winter soon overtakes them: they are snowed in. Next spring, half-insane with cabin fever, cold, and hunger, they stagger back to Butcher's Crossing to find a world as irremediably changed as they have been.

The Candy Butcher - William Karl Thomas
2018-03-24

"The Candy Butcher" is an old fashioned term for the guy with a basket full of candy, fruits, magazines, and newspapers he sells walking through your train to make your journey more

enjoyable. Frank Ray Perilli's first job was as a Candy Butcher, and his show biz career began in his teens as a nightclub comedian and film actor, and continued through Hollywood as a screenwriter and film producer. Almost all of his offbeat Felliniesque films cross the threshold of bizarre and are richly flavored with comedy: "The Doberman Gang," "Little Cigars," "The Other Cinderella," "Adult Fairy Tales," "Dracula's Dog," "The End of the World," "Laserblast," "Alligator," "Invasion of the Star Creatures," but to name a few. Even his more serious films, such as "Harlow," and his plays, such as "Stompin' at he Oval Office," touch upon aspects of history uncharted by others. With a weird offbeat perspective, Frank Ray Perilli enriches our journey through life with the sweetness of comedy and the challenge of thinking outside the box.

Songs for the Butcher's Daughter - Peter Manseau 2008-09-16

Summer, sweltering, 1996. A book warehouse in western Massachusetts. A man at the beginning of his adult life -- and the end of his career rope -

- becomes involved with a woman, a language, and a great lie that will define his future. Most auspiciously of all, he runs across Itsik Malpesh, a ninetysomething Russian immigrant who claims to be the last Yiddish poet in America. When a set of accounting ledgers in which Malpesh has written his memoirs surfaces -- twenty-two volumes brimming with adventure, drama, deception, passion, and wit -- the young man is compelled to translate them, telling Malpesh's story as his own life unfolds, and bringing together two paths that coincide in shocking and unexpected ways. Moving from revolutionary Russia to New York's Depression-era Lower East Side to millennium's-end Baltimore with drama, adventure, and boisterous, feisty charm to spare, the unpeeling of this friendship is a story of the entire twentieth century. For fans of Nicole Krauss, Nathan Englander, Richard Powers, Amy Bloom, and Lore Segal, this book will amaze at every turn: narrated by two poets (one who doesn't

know he is and one who doesn't know he isn't), it is a wise and warm look at the constant surprises and ineluctable ravages of time. It's a book about religion, love, and typesetting -- how one passion can be used to goad and thwart the other -- and most of all, about how faith in the power of words can survive even the death of a language. A novel of faith lost and hope found in translation, *Songs for the Butcher's Daughter* is at once an immigrant's epic saga, a love story for the ages, a Yiddish-inflected laughing-through-tears tour of world history for Jews and Gentiles alike, and a testament to Manseau's ambitious genius.

Butcher, Blacksmith, Acrobat, Sweep - Peter Cossins 2018-06-07

From the winner of the Telegraph Sports Book Awards Cycling Book of the Year 2018 The first Tour de France in 1903 was a colourful affair full of adventure, mishaps and audacious attempts at cheating. Its riders included characters like

Would this ramshackle pack of cyclists draw crowds to throng France's rutted roads and cheer the first Tour heroes? Surprisingly it did, and, all thanks to a marketing ruse dreamed up to revive struggling newspaper L'Auto, cycling would never be the same again. Peter Cossins takes us through the inaugural Tour de France, painting a nuanced portrait of France in the early 1900s, to see where the greatest sporting event of all began.

The Butcher Boy - Patrick McCabe 1994-08-01

"When I was a young lad twenty or thirty or forty years ago I lived in a small town where they were all after me on account of what I done on Mrs. Nugent." Thus begins Patrick McCabe's shattering novel *The Butcher Boy*, a powerful and unrelenting journey into the heart of darkness. The bleak, eerie voice belongs to Francie Brady, the "pig boy," the only child of and alcoholic father and a mother driven mad by despair. Growing up in a soul-stifling Irish town, Francie is bright, love-starved, and unhinged, his speech filled with street talk, his heart filled with

pain...his actions perfectly monstrous. Held up for scorn by Mrs. Nugent, a paragon of middle-class values, and dropped by his best friend, Joe, in favor of her mamby-pamby son, Francie finally has a target for his rage--and a focus for his twisted, horrific plan. Dark, haunting, often screamingly funny, *The Butcher Boy* chronicles the pig boy's ominous loss of innocence and chilling descent into madness. No writer since James Joyce has had such marvelous control of rhythm and language... and no novel since *The Silence Of The Lambs* has stunned us with such a macabre, dangerous mind.

Splintered - Jonathan Butcher 2022-03-08

Critical race theory has hijacked the U.S. education system on every level. Parents, students, educators, and policymakers must know and support the truth about American history and reject this divisive and anti-American theory's obsession with skin color and prejudice. The problem with our nation's schools today is not just the low test scores in basic reading and math—which are an obstacle for the economy, not to mention students' futures. The challenge is that K-12 instruction has been hijacked by

Critical Theorists who are “skeptical” of representative government, freedom, and the American Dream. Students and adults are woefully unprepared to fulfill civic responsibilities. Civics—the study of the rights and duties of citizens—is simply not taught enough, and Critical Theorists have been filling this intellectual vacuum with their revisionist history and odious ideology, teaching young Americans to judge people by the color of their skin. The debates over the retelling of America’s past, on display in local school board meetings as well as conflicts between the New York Times’ 1619 Project and President Donald Trump’s 1776 Commission, involve not just historical facts, but how Americans define their nation. This battle over our national identity is a cultural battle, involving schools—cultural institutions—and the ideas we all need to share to get along with our neighbors, raise families, and pursue the American Dream.
