[Slave Portraiture in the Atlantic World](#) - Agnes Lugo-Ortiz 2013-09-30

Slave Portraiture in the Atlantic World is the first book to focus on the individualized portrayal of enslaved people from the time of Europe's full engagement with plantation slavery in the late sixteenth century to its final official abolition in Brazil in 1888. While this period saw the emergence of portraiture as a major field of

representation in Western art, 'slave' and 'portraiture' as categories appear to be mutually exclusive. On the one hand, the logic of chattel slavery sought to render the slave's body as an instrument for production, as the site of a non-subject. Portraiture, on the contrary, privileged the face as the primary visual matrix for the representation of a distinct individuality. Essays address this apparent paradox of 'slave portraits'

from a variety of interdisciplinary perspectives, probing the historical conditions that made the creation of such rare and enigmatic objects possible and exploring their implications for a more complex understanding of power relations under slavery.

The Planter's Northern Bride - Caroline Lee Hentz 1854

This novel, published two years after Harriet Beecher Stowe's *Uncle Tom's Cabin*, is a work presenting a criticism to the anti-slave movement. The story asserts that life was not always so bad for slaves, and that the anti-slave movement brought revolts and violence against even benign slave owners, such as those told of in the book.

Gargantua and Pantagruel, Book 4 (Illustrated Edition) (Dodo Press) - Francois Rabelais 2008-04

Francois Rabelais (1494-1553) was a major French Renaissance writer, doctor and humanist. He is regarded as an avant-garde writer of fantasy, satire, the grotesque, dirty jokes and bawdy songs. As a doctor, he used his spare time to write and publish humorous pamphlets which were critical of established authority and stressed his own perception of

individual liberty. His revolutionary works, although satirical, revealed an astute observer of the social and political events unfolding during the first half of the sixteenth century. Using the pseudonym Alcofribas Nasier, he published his first book, Pantagruel, that would be the start of his Gargantua series. Gargantua and Pantagruel tells the story of two giants - a father, Gargantua, and his son, Pantagruel - and their adventures, written in an amusing, extravagant, and satirical vein. His use of his native tongue was astoundingly original, lively, and creative. He introduced dozens of Greek, Latin, and Italian loan-words and direct translations of Greek and Latin compound words and idioms into French. He has influenced many modern writers and scholars. Aleister Crowley's writings heavily borrow from Rabelais themes.

Religion, Ritual and Ritualistic Objects -

Albertina (Tineke) Nugteren 2019-04-23

This is a volume about the life and power of ritual objects in their religious ritual settings. In this Special Issue, we see a wide range of contributions on material culture and ritual practices across religions. By focusing on the dynamic interrelations between objects, ritual, and belief, it explores how religion happens through symbolic materiality. The ritual objects presented in this volume include: masks worn in the Dogon dance; antique ecclesiastical silver objects carried around in festive processions and shown in shrines in the southern Andes; funerary photographs and films functioning as mnemonic objects for grieving children; a

dented rock surface perceived to be the god's footprint in the archaic place of pilgrimage, Gaya (India); a recovered manual of rituals (from Xiapu county) for Mani, the founder of Manichaeism, juxtaposed to a Manichaean painting from southern China; sacred stories and related sacred stones in the Alor-Pantar archipelago, Indonesia; lotus symbolism, indicating immortalizing plants in the mythic traditions of Egypt, the Levant, and Mesopotamia; lavishly illustrated variations of portrayals of Ravana, a Sinhalese god-king-demon; figurines made of cow dung sculptured by rural women in Rajasthan (India); and mythical artifacts called 'Apples of Eden' in a well-known interactive game series.

Dark Angel - Hiroyuki Utatane 2003

A buried alien starship on the dark side of the moon is ready to give up its secrets, and those who want to harness its incredible power draw in an ever-tightening circle of deception and death. A mysterious scientist with access to the

otherworldly technology and in apparent contact with the aliens themselves and their death-dealing sentinels, who dispatch an armed-to-the-teeth elite U.N. strike team like so many toy soldiers. And Apep himself may have unlocked more than mere secrets - he may have transformed into something more much more than human!

Soliloquies in England and Later Soliloquies - George Santayana 1922

Etidorhpa; or, The End of Earth - John Uri Lloyd 2020-04-09

This book purports to be a manuscript dictated by a strange being named I-Am-The-Man to a man named Llewellyn Drury. Drury's adventure culminates in a trek through a cave in Kentucky

into the core of the earth. It blends passages on the nature of physical phenomena, such as gravity and volcanoes, with spiritualist speculation and adventure-story elements (like traversing a landscape of giant mushrooms).

Lectures to My Students - Charles H. Spurgeon 2010-05-18

One contemporary scholar and authority on Spurgeon says of this work: "Next to Mr. Spurgeon's great literary work, *The Treasury of David*, we consider (these) *Lectures to My Students* his greatest single contribution to the Christian world. There is more practical wisdom, common sense and sage advice packed within these pages than with any other book of similar size, or content." This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as: - The Call to Ministry - The

Preacher's Private Prayer - On the Choice of a Text - On the Voice - The Holy Spirit in Connection with Our Ministry - The Blind Eye and the Deaf Ear - On Conversion as Our Aim - Illustrations in Preaching As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.

The Aquarian Gospel of Jesus Christ - Levi H. Dowling 2022-05-17

The Aquarian Gospel of Jesus the Christ is a book by Levi H. Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. In that system, the Age of Aquarius is approaching. _x000D_ Table of Contents: _x000D_ Section I (Aleph): Birth and Early Life of Mary, Mother of Jesus _x000D_ Section II (Beth): Birth and Infancy of John, the Harbinger, and of Jesus _x000D_ Section III (Gimel): Education of Mary and Elizabeth in Zoan _x000D_ Section IV (Daleth): Childhood and Early Education of John the Harbinger _x000D_

Witness the story of a Hungarian Knight, Abafi,
as he transforms from an evil man, who does
selfish acts of his every whim, to a kind and
noble man, who does more for others than he
does for himself. Watch him make hard life
decisions and search for his one true love.
Experience the story that had a great effect on

Nikola Tesla's life, so stated by him in his
autobiography, My Inventions. In this translated
text, he states, after reading this book, that:
"This work somehow awakened my dormant
powers of will and I began to practice self-
control. At first my resolutions faded like snow
in April, but in a little while I conquered my
weakness and felt a pleasure I never knew
before - that of doing as I willed." This book is
finally available to the English speaking
community, having not been fully translated into
English before, as far as the editor knows.
