I fell for him irrevocably much before meeting him. It was certain that we would be together one day. But destiny has a way of crushing us, by refusing what we deeply desire. So, despite all certainties and hopes we never crossed paths again after our first meeting. I never got the opportunity to express my feelings & my love remained unrequited. Even after 15 long years he never left my mind and soul though I formally belonged to someone else now. Avyansh- "Meeting you was one of the best accidents of my life. I wish I could go back to that moment, just to experience it all over again." What skipped my heartbeat on our first meeting was a mole on the upper side of her right lip. She didn't need any makeup to entice a man, her mole was more than enough to be someone's death. I broke her heart over a phone call but today when we met after 15 long years, I wanted to turn back the clock and fix what I'd broken. It was my weakness that I could not treasure her. I am tired of hiding the truth and carrying this guilt for so many years. I know I tore her world apart with just my words but over the years not even a single day has passed, when I haven't thought about the hurt & pain I caused her.
