*Rules and Regulations, Mount Rainier National Park* - United States. National Park Service 1920

**Sunrise Cabin** - Stacey Donovan 2020-11-24

Two very different people... One very special place. Dylan's an overworked investment banker. Paige is a free-spirited first-grade teacher. From the first time they meet, these two opposites attract. Meanwhile, the cabin Paige is renting has gone up for sale. She loves living there, and she just might be able to buy it--if she finally achieves her dream of selling her children's stories. When she learns Dylan is also determined to buy the cabin, their new romance turns into a real estate rivalry. Dylan could explain his own connection to the place...but that would mean opening up about his past. As his relationship with Paige goes from funny to touching, they both learn more about love and the true meaning of home. This feel-good romance contains a free Hallmark original recipe for Maple Pecan Streusel Muffins With Cider Glaze.

**Clean Breaks** - Richard Hammond 2009-08-03

Divided by region, this resource encourages eco-friendly, culturally sensitive travel; explains carbon footprint and carbon offset programs; and features green accommodations, restaurants, and entertainment options, in a guide with full-color photography on every page.

**Annual Report of the Director of the National Park Service to the Secretary of the Interior for the Fiscal Year Ended ... and the Travel Season** - United States. National Park Service 1930

*Mount Rogers National Recreation Area Guidebook* - Johnny Molloy 2008

Encompassing more than 140,000 acres of scenic beauty in southwestern Virginia, the Mount Rogers National Recreation Area offers outdoor enthusiasts a myriad of activities, from hiking, camping, and fishing to horseback riding, picnicking, swimming, tour driving, and biking. In the only comprehensive guidebook for this region, now newly updated, Johnny Molloy covers all of these activities and more, providing visitors with everything they need, including detailed maps, to enjoy the entire Mount Rogers area—one of the true jewels of Southern Appalachia. Molloy details the more than 430 miles of marked and maintained trails that criss-cross the Mount Rogers NRA and nearby Grayson Highlands State Park. Organized both by type, such as long trails and rail trails, and the areas they cover, including West Side, Central Area, Far East, and High Country, the trail descriptions include comprehensive, narratives of each hike, noting the various trail junctions, stream crossings, and trailside features with their distances from the trailhead. With each trail summary is an information box that offers quick access to such pertinent data as trail type (foot, horse, and/or bike), difficulty, length, degree of use, trail connections, and highlights.

Complementing the sections on the extensive trail system are chapters on many other recreational options. Anglers will find lists of the best streams and tips for both fly and spin-cast fishing. For those seeking a way to cool off after a mountain excursion, the book locates the area's favorite swimming holes. Molloy also reveals the best roads from which to view the gorgeous scenery and wildlife of the Mount Rogers area. Rounding out the guidebook is information on national forest and state park campgrounds, picnic areas, and accommodations and services in nearby towns, including motels, bed-and-breakfasts, outfitters, and stores."

Fodor's Arizona & the Grand Canyon - Fodor's Travel Publications, Inc 2006-10

Includes where to stay and eat, must-see sights and local secrets, and a map to get you where you are going.

*Maine Sporting Camps* - George Smith 2016-05-01

Maine has a long and rich history of involvement with outdoorsmen and women. The Great North Woods have long been the destination of choice for residents and visitors alike looking to bag a trophy buck or land a record brook trout. And there have always been sporting camps to cater to the "sports" and guide them on their excursions. However, trends come and go and the outdoor sports of hunting and fishing have had decreasing numbers of participants. As fewer and fewer people have sought game in the north woods, the sporting camps have had to adapt in order to survive. Now people head to the wilderness for biking, hiking, bird watching, kayaking, or simply to experience the tranquility. And Maine sporting camps have met the challenge, offering a wide array of services, from animal and bird watching excursions to wild flower and native plant guided walks. And the services have changed too. Today camps offer everything from gourmet meals and the finest amenities to unheated, unplumbed cabins to give you the true wilderness experience. In this guide, George Smith profiles the 50 or so sporting camps that are still in operation in Maine. He includes interviews with the staff and owners and gives his own experiences staying at each camp. Each entry also includes pertinent information on amenities, services offered, seasons and times of operation, as well as directions. If you're looking to get away from it all in Maine, this guide will help you find the road less traveled.

*A Foggy Sunrise* - David Kimel 2014-10-21

A Foggy Sunrise creates a colourful, real image of life in Romania during the interwar period that preceded World War II, continued with the war period, and the beginning of socialism. This is a living fresco that restores photographic images frozen in time and space. It's a documentary with historic value where every person is alive and anchored in time to describe precisely the events in the context of everyday life with authenticity and the candour of the storyteller as a child. Author David Kimel weaves a transparent picture of a childhood that reveals his innocent daily adventures. It follows the somber, less exciting struggle of his parents and neighbours living in the outskirts of Bucharest during the troubled times before and after the end of the Second World War - a time that brought a communist regime into power in Romania. He offers a myriad of facts and circumstances he witnessed that enriches the narration with colourful, sometimes sad, sometimes funny little descriptions that create a vivid fresco of these years. In the background, never mentioned in the story, were the larger-than-life figures of his Jewish parents who were forced to assume dangerous risks in order to survive and provide food for their children. Kimel's memoir provides new insight into the history of a country at a crucial time in a divisive Europe where people had to run for their lives in search of liberty to another country.

**Report of the Department of the Interior ... [with Accompanying Documents].** - United States. Dept. of the Interior 1882

**Sunrise Over the Harbor** - Louise Mandrell 1993

In 1814 Nathan Dunn, a ten-year-old cabin boy serving on an American ship, meets Francis Scott Key during the great naval battle at Fort McHenry and becomes a hero.

Exploratory Soil Survey of Alaska - Samuel Rieger 1979

**Annual Report of the Department of the Interior** - United States. Department of the Interior 1931

**The Camp Fire Girls Amid the Snows** - Margaret Vandercook 1913

The snow was falling in heavy slashing sheets, and a December snowstorm in the New Hampshire hills means something more serious than a storm in city streets or even an equal downfall upon more level meadows and plains. Yet on this winter afternoon, about an hour before twilight and along the base of a hill where a rough road wandered between tall cedar and pine trees and low bushes and shrubs, there sounded continually above the snow's silencing two voices, sometimes laughing, occasionally singing a brief line or so, but more often talking. Accompanying them always was a steady jingling of bells.

**Roscarrock** - Gloria Cook 2019-09-05

Some surprising secrets are about to be uncovered in Roscarrock... When Hannah Spargo instigates an expedition to spy on Roscarrock, the partially hidden house on a cliff overlooking the fishing village of Porthellis, tragedy strikes. Her brother drowns in a boating accident and she is banished from her home by her father. Hannah's fortunes seem improved when a chance meeting leads to the proposition that she become the housekeeper at Roscarrock. Yet she is torn between the desire to go and the fear of getting involved with the elusive Opie family. Hannah quickly finds herself caught in a web of tangled relationships and mysterious passions, and a legacy of secrets hidden behind the walls of the grand house for many years... A gripping saga of secrets and family life perfect for fans of Katie Flynn and Margaret Dickinson.

Includes b&w photos and maps. c. Book News Inc.

*A Simple Wedding* - Leigh Duncan 2020-03-10

Fall in love with Heart's Landing, a romantic wedding destination, in the first book of a Hallmark series. Jenny always dreamed of getting married at Heart's Landing. But when she finally visits the charming small town, she's there to make wedding arrangements for someone else: her cousin, who also happens to be her boss and a famous movie star. To keep the event secret and avoid a media circus, Jenny pretends she's the one getting married. Nick is intrigued by this bride-to-be who starts visiting his bakery every afternoon for sweet treats and conversation. He has to keep reminding himself that she's already spoken for. As Jenny deals with her cousin's ever-changing demands, she tries to hide her attraction to Nick. Planning this wedding couldn't be more complicated...and what will happen once the truth comes to light? This funny, heartwarming romance includes a free original recipe for the best-ever Lemon Bars.

Report - United States. National Park Service 1930

**Escape to Another Reality** - Jack Groverland 2022-10-24

"I once believed like you, that I was an objective observer of the world around me. Then at age 22, I was arrested and bound for prison. Suddenly, I had a mental shift which felt like an invasion of my mind by an unknown entity and it had me running for my life under a hail of bullets. In the terrifying process I did not just escape the police, the city and state I was arrested in, but I escaped reality as I knew it, running past buildings that were sky high, and flat without definition—people were taller, cars longer and the street I was running on narrowed all the way to the horizon like a surreal painting. In this psychedelic state, everything appeared to move slower, allowing me to dodge gunfire and miraculously escape the police. When the hallucination ended I was in a different City. Without money, personal I.D. or a place to sleep, I was forced to live in a different reality, one which included an unseen power that meddled in my life." WARNING: Jack's memoirs include miracles, mayhem, love and murder.

**Landscapes for the People** - Ren Davis 2015-09-01

George Alexander Grant is an unknown elder in the field of American landscape photography. Just as they

did the work of his contemporaries Ansel Adams, Edward Weston, Eliot Porter, and others, millions of people viewed Grant's photographs; unlike those contemporaries, few even knew Grant's name. Landscapes for the People shares his story through his remarkable images and a compelling biography profiling patience, perseverance, dedication, and an unsurpassed love of the natural and historic places that Americans chose to preserve. A Pennsylvania native, Grant was introduced to the parks during the summer of 1922 and resolved to make parks work and photography his life. Seven years later, he received his dream job and spent the next quarter century visiting the four corners of the country to produce images in more than one hundred national parks, monuments, historic sites, battlefields, and other locations. He was there to visually document the dramatic expansion of the National Park Service during the New Deal, including the work of the Civilian Conservation Corps. Grant's images are the work of a master craftsman. His practiced eye for composition and exposure and his patience to capture subjects in their finest light are comparable to those of his more widely known contemporaries. Nearly fifty years after his death, and in concert with the 2016 centennial of the National Park Service, it is fitting that George Grant's photography be introduced to a new generation of Americans.

The Cabin Book - Linda Leigh Paul 2004

The cabin is perhaps the most iconic of American structures, harkening back to colonial and pioneer days. They recall a time before cell phones and email, evoking images of cozy fireplaces and quiet contemplation. For many, the cabin also summons forth images of logs and plaid, plank floors and lofted beds. The Cabin Book offers a wonderful variety of forms and explores the most innovative designs in cabin architecture.

Once rustic and simple, the cabin is now comfortable and chic, putting owners in the heart of the wilderness while providing comfort and beauty so they can get away in style. Among the 25 cabins included is a little-known Wisconsin cabin designed by Frank Lloyd Wright; an upstate Michigan log cabin designed by renowned architect Anthony Belluschi; and a one-room "urban" cabin in Portland, Oregon. One couple designed a cabin-all on one floor-without the use of right angles. Whether ensconced in glass or surrounded by an enormous porch, these cabins speak of personal style, perfect for the rugged or the sybaritic. Like cottages, the cabin is one of the most popular house styles, since it is small enough to be inexpensive and easy to maintain. Everyone dreams of an idyllic retreat, and this book showcases its best examples. The cabin is perhaps the most iconic of American structures, harkening back to colonial and pioneer days.
