Christianity in Latin America - Justo L. González 2007-11-12  
From the arrival of the conquistadores in the fifteenth century to the spread of the Pentecostal movement today, Christianity has moulded, coerced, refashioned, and enriched Latin America. Likewise, Christianity has been changed, criticized, and renewed as it crossed the Atlantic. These changes now affect its practice and understanding, not only in South and Central America and the Caribbean, but also -

through immigration and global communication - around the world. Focusing on this mutually constitutive relationship, Christianity in Latin America presents the important encounters between people, ideas, and events of this large, heterogeneous subject. In doing so, it takes readers on a fascinating journey of explorers, missionaries, farmers, mystics, charlatans, evangelists, dictators, and martyrs. This book offers an accessible and engaging review of the history

of Christianity in Latin America with a widely ecumenical focus to foster understanding of the various forces shaping both Christianity and the region.

### **The Gifts of the Spirit** -

Derek Prince 2007-06-25

The Powerful Gifts Available to You Everybeliever has been given at least one supernatural gift of the Holy Spirit. Do you know which you have and how to operate in it? Internationally renowned Bible teacher Derek Prince explains that any believer who is not manifesting gifts of the Spirit is living far below the level of God's provision for his life. Prince reveals how to: Minister to others through the gifts Discern the counterfeit Witness through spiritual gifts Stir up the gift within you One of our greatest necessities in the church today is to demonstrate through the power of the Spirit that Jesus is alive and that His

gospel is true. The world needs to see the manifestation of the presence of God. Believers need the ministry of the body of Christ through spiritual gifts. The Gifts of the Spirit reveals how we can fulfill both of these needs—practically and powerfully.

Tommy Tenney 2004-12-01

A Jewish girl of no royal heritage was chosen to become the Queen of Persia. Was it her beauty alone, or did she know an important and mysterious truth? Tenney challenges his readers to move beyond formal petitions or even "storming the gates of heaven" to that intimate embrace of worship where the bride's petitions move the King's heart and where kingdoms, people, and situations begin to shift like pawns on a divine chessboard.

**Pentecostal Theology** -

Wolfgang Vondey 2017-07-13  
Winner of the Pneuma Book Award 2018, from The Society for Pentecostal Studies.

Pentecostalism is the most rapidly growing branch of Christianity since the 20th century, yet it does not lend itself well to a singular doctrine and there is, therefore, no single comprehensive account of Pentecostal theology worldwide. In this volume, Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups. He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God. The book unfolds in two main parts illustrating the full gospel story and theology. Eleven chapters

identify the spiritual underpinnings and motivations for Pentecostal theology, formulate a Pentecostal theology of action, translate, apply, and exemplify Pentecostal practices and experiences, and integrate Pentecostal theology in the wider Christian tradition.

**The Heart of the Story -**

Randy Frazee 2017-01-03

The Heart of the Story will help you see God's Word in a new and inspiring light. In the Bible's seemingly disconnected stories, you'll discover one grand, unfolding epic - God's story from Genesis onward - and your own life-story contained within it. "To understand the Bible," says author and pastor Randy Frazee, "you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life.

The Upper Story is God's story, the tale of his great, overarching purpose that fits all the individual stories together like panels in one unified mural." In this new edition, Randy dives deeper in the Upper and Lower stories and shows how both perspectives will open your eyes to the richness and relevance of the Bible.

Illuminating God's master-plan from Genesis to our daily lives, The Heart of the Story will encourage you to experience the joy that comes from aligning your stories with God's.

even so, most people are hard-  
pressed to define what God's  
holiness precisely is. Many  
preachers today avoid the topic  
altogether because people

The Discipline of Spiritual Discernment (Foreword by John MacArthur) - Tim Challies  
2007-12-19

Spiritual discernment is good for more than just making monumental decisions according to God's will. It is an essential, day-to-day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in

all kinds of settings and situations. It is also a skill—something that any person can develop and improve, especially with the guidance in this book. Written by a leading evangelical blogger, The Discipline of Spiritual Discernment is an uplifting, scripturally grounded work that explains the need for discernment, its challenges, and the steps that will cultivate it. Author Tim Challies does not do the discerning for readers; he simply shows them how to practically apply scriptural tools, principles, and wisdom so that their conclusions about everything—people, teachings, decisions, media, and organizations—will be consistent with God's Word.
