Sayonara Amerika, Sayonara Nippon - Michael Bourdaghs 2012-02-21

From the beginning of the American Occupation in 1945 to the post-bubble period of the early 1990s, popular music provided Japanese listeners with a much-needed release, channeling their desires, fears, and frustrations into a pleasurable and fluid art. Pop music allowed Japanese artists and audiences to assume various identities, reflecting the country's uncomfortable position under American hegemony and its uncertainty within ever-shifting geopolitical realities. In the first English-language study of this phenomenon, Michael K. Bourdaghs considers genres as diverse as boogie-woogie, rockabilly, enka, 1960s rock and roll, 1970s new music, folk, and techno-pop. Reading these forms and their cultural import through music, literary, and cultural theory, he introduces readers to the sensual moods and meanings of modern Japan. As he unpacks the complexities of popular music production and consumption, Bourdaghs interprets Japan as it worked through (or tried to forget) its imperial past. These efforts grew even murkier as Japanese pop migrated to the nation's former colonies. In postwar Japan, pop music both accelerated and protested the commodification of everyday life, challenged and reproduced gender hierarchies, and insisted on the uniqueness of a national culture, even as it participated in an increasingly integrated global marketplace. Each chapter in Sayonara Amerika, Sayonara Nippon examines a single genre through a particular theoretical lens: the relation of music to liberation; the influence of cultural mapping on musical appreciation; the role of translation in transmitting musical genres around the globe; the place of noise in music and its relation to historical change; the tenuous connection between ideologies of authenticity and imitation; the link between commercial success and artistic integrity; and the function of melodrama. Bourdaghs concludes with a look at recent Japanese pop music culture.

The 9.5mm Vintage Film Encyclopaedia - Patrick Moules 2020-07-28

Written in both English and French, The 9.5mm Vintage Film Encyclopaedia provides a single-volume, comprehensive catalogue of all known 9.5mm film releases, including: Films: Comprising 12,460 individual entries, this A-Z reference index provides the main listing for each film and its origin where known, along with additional information including cast and crew, and cross references to other relevant material. People: This index of all known actors and film crew, comprising over 12,000 names, provides a listing which is cross referenced to the main entry for each original film they worked on. Numbers: Pathé-Baby/Pathéscope and other distributors' catalogue numbers, film length, release dates (where known) and the series in which the films were organised, are set out in detail. With a foreword from eminent film historian and filmmaker, Keith Brownlow, this extensively researched text explains the importance of the 9.5mm film, from its beginnings in

the early 1920s to becoming synonymous with Home Cinema throughout Europe. Readers will also find a brief technical explanation on how 9.5mm films were produced, along with relevant images.

International Index to Film Periodicals - 1980

Canadian Film and Video - Loren R. Lerner 1997-01-01

This extensive bibliography and reference guide is an invaluable resource for researchers, practitioners, students, and anyone with an interest in Canadian film and video. With over 24,500 entries, of which 10,500 are annotated, it opens up the literature devoted to Canadian film and video, at last making it readily accessible to scholars and researchers. Drawing on both English and French sources, it identifies books, catalogues, government reports, theses, and periodical and newspaper articles from Canadian and non-Canadian publications from the first decade of the twentieth century to 1989. The work is bilingual; descriptive annotations are presented in the language(s) of the original publication. Canadian Film and Video / Film et vidéo canadiens provides an in-depth guide to the work of over 4000 individuals working in film and video and 5000 films and videos. The entries in Volume I cover topics such as film types, the role of government, laws and legislation, censorship, festivals and awards, production and distribution companies, education, cinema buildings, women and film, and video art. A major section covers filmmakers, video artists, cinematographers, actors, producers, and various other film people. Volume II presents an author index, a film and video title index, and a name and subject index. In the tradition of the highly acclaimed publication Art and Architecture in Canada these volumes fill a long-standing need for a comprehensive reference tool for Canadian film and video. This bibliography guides and supports the work of film historians and practitioners, media librarians and visual curators, students and researchers, and members of the general public with an interest in film and video.

The Encyclopedia of Film Composers - Thomas S. Hischak 2015-04-16

For more than a century, original music has been composed for the cinema. From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition, music has been an integral element of most films. By the late 1930s, movie studios had established music departments, and some of the greatest names in film music emerged during Hollywood's Golden Age, including Alfred Newman, Max Steiner, Dimitri Tiomkin, and Bernard Herrmann. Over the decades, other creators of screen music offered additional memorable scores, and some composers—such as Henry Mancini, Randy Newman, and John Williams—have become household names. The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world. It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail. Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years. In addition to composers from the United States and Great Britain, artists from dozens of other countries are also represented. A rich resource of movie music history, The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores.

Los Angeles, a city on film - Thom Andersen 2008

New York Magazine - 1987-01-26

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and

fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Film majalah - 1995

Imagining America - Alan M. Ball 2004-09-09

In *Imagining America*, historian Alan M. Ball explores American influence in two newborn Russian states: the young Soviet Union and the modern Russian Republic. Ball deftly illustrates how in each era Russians have approached the United States with a conflicting mix of ideas—as a land to admire from afar, to shun at all costs, to emulate as quickly as possible, or to surpass on the way to a superior society. Drawing on a wide variety of sources including contemporary journals, newspapers, films, and popular songs, Ball traces the shifting Russian perceptions of American cultural, social, and political life. As he clearly demonstrates, throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace, exploit, or attack, but could not ignore.

Cool Women Hot Jobs -

Chick Flicks - B. Ruby Rich 1998

Essays and autobiography from one of the pioneers of feminist film theory.

Hollywood Film 1963-1976 - Drew Casper 2011-03-01

Hollywood 1963-1976 chronicles the upheaval and innovation that took place in the American film industry during an era of pervasive cultural tumult. Exploring the many ideologies embraced by an increasingly diverse Hollywood, Casper offers a comprehensive canon, covering the period's classics as well as its brilliant but overlooked masterpieces. A broad overview and analysis of one of American film's most important and innovative periods Offers a new, more expansive take on the accepted canon of the era Includes films expressing ideologies contrary to the misremembered leftist slant Explores and fully contextualizes the dominant genres of the 60s and 70s

The New Yorker Theater and Other Scenes from a Life at the Movies - Toby Talbot 2009-10-20

The nation didn't know it, but 1960 would change American film forever, and the revolution would occur nowhere near a Hollywood set. With the opening of the New Yorker Theater, a cinema located at the heart of Manhattan's Upper West Side, cutting-edge films from around the world were screened for an eager audience, including the city's most influential producers, directors, critics, and writers. Woody Allen, Martin Scorsese, Susan Sontag, Andrew Sarris, and Pauline Kael, among many others, would make the New Yorker their home, trusting in the owners' impeccable taste and incorporating much of what they viewed into their work. In this irresistible memoir, Toby Talbot, co-owner and proud "matron" of the New Yorker Theater, reveals the story behind Manhattan's wild and wonderful affair with art-house film. With her husband Dan, Talbot showcased a range of eclectic films, introducing French New Wave and New German cinema, along with other groundbreaking genres and styles. As Vietnam protests and the struggle for civil rights raged outside, the Talbots also took the lead in distributing political films, such as Bernard Bertolucci's *Before the Revolution*, and documentaries, such as *Shoah* and *Point of Order*. Talbot enhances her stories with selections from the New Yorker's essential archives, including program notes by Jack Kerouac, Jules Feiffer, Peter Bogdanovich, Jonas Mekas, Jack Gelber, and Harold Humes. These artifacts testify to the deeply engaged and collaborative spirit behind each showing, and they illuminate the myriad and often entertaining aspects of theater operation. All in all, Talbot's tales capture the highs and lows of a thrilling era in filmmaking.

Obituaries in the Performing Arts, 2019 - Harris M. Lentz III 2020-10-28

The entertainment world lost many notable talents in 2019, including television icon Doris Day, iconic novelist Toni Morrison, groundbreaking director John Singleton, Broadway starlet Carol Channing and lovable *Star Wars* actor Peter Mayhew. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2019 are included in this edition. Date, place and cause of death are provided for each, along with a career recap and a photograph. Filmographies are given for film and television performers.

The Psychotronic Video Guide To Film - Michael Weldon 1996

Catalogs a variety of sensationalist, low-budget, grade-B movies,

including horror, science fiction, Blaxploitation, porn, and spaghetti westerns

Coca-Colonization and the Cold War - Reinhold Wagnleitner

2000-11-09

Reinhold Wagnleitner argues that cultural propaganda played an enormous part in integrating Austrians and other Europeans into the American sphere during the Cold War. In *Coca-Colonization and the Cold War*, he shows that 'Americanization' was the result not only of market forces and consumerism but also of systematic planning on the part of the United States. Wagnleitner traces the intimate relationship between the political and economic reconstruction of a democratic Austria and the parallel process of cultural assimilation. Initially, U.S. cultural programs had been developed to impress Europeans with the achievements of American high culture. However, popular culture was more readily accepted, at least among the young, who were the primary target group of the propaganda campaign. The prevalence of Coca-Cola and rock 'n' roll are just two examples addressed by Wagnleitner. Soon, the cultural hegemony of the United States became visible in nearly all quarters of Austrian life: the press, advertising, comics, literature, education, radio, music, theater, and fashion. Hollywood proved particularly effective in spreading American cultural ideals. For Europeans, says Wagnleitner, the result was a second discovery of America. This book is a translation of the Austrian edition, published in 1991, which won the Ludwig Jedlicka Memorial Prize.

The Survival in the 21st Century - 1988

The Listener - 1987

New York Times Film Reviews - 1973

Body and Soul - Peter Stanfield 2005

Alongside extensive, thought provoking, and lively analysis of some of the most popular jazz and blues songs of the 20th century, this text contains new work on blackface minstrelsy in early sound movies, racial representation and censorship, torch singers and torch songs, the Hollywood Left, and hot jazz.

Film Actors Guide - Steven A. Lukanic 1990-10

Billy Wilder on Assignment - Billy Wilder 2022-10-25

A Times Literary Supplement Book of the Year, chosen by Tom Stoppard "A revelation."—Marc Weingarten, Washington Post Acclaimed film director Billy Wilder's early writings—brilliantly translated into English for the first time Before Billy Wilder became the screenwriter and director of iconic films like *Sunset Boulevard* and *Some Like It Hot*, he worked as a freelance reporter, first in Vienna and then in Weimar Berlin. *Billy Wilder on Assignment* brings together more than fifty articles, translated into English for the first time, that Wilder (then known as "Billie") published in magazines and newspapers between September 1925 and November 1930. From a humorous account of Wilder's stint as a hired dancing companion in a posh Berlin hotel and his dispatches from the international film scene, to his astute profiles of writers, performers, and political figures, the collection offers fresh insights into the creative mind of one of Hollywood's most revered writer-directors. Wilder's early writings—a heady mix of cultural essays, interviews, and reviews—contain the same sparkling wit and intelligence as his later Hollywood screenplays, while also casting light into the dark corners of Vienna and Berlin between the wars. Wilder covered everything: big-city sensations, jazz performances, film and theater openings, dance, photography, and all manner of mass entertainment. And he wrote about the most colorful figures of the day, including Charlie Chaplin, Cornelius Vanderbilt, the Prince of Wales, actor Adolphe Menjou, director Erich von Stroheim, and the Tiller Girls dance troupe. Film historian Noah Isenberg's introduction and commentary place Wilder's pieces—brilliantly translated by Shelley Frisch—in historical and biographical context, and rare photos capture Wilder and his circle during these formative years. Filled with rich reportage and personal musings, *Billy Wilder on Assignment* showcases the burgeoning voice of a young journalist who would go on to become a great auteur.

Atlantic Automobilm - Gijs Mom 2014-12-01

Our continued use of the combustion engine car in the 21st century, despite many rational arguments against it, makes it more and more difficult to imagine that transport has a sustainable future. Offering a sweeping transatlantic perspective, this book explains the current obsession with automobiles by delving deep into the motives of early car users. It provides a synthesis of our knowledge about the emergence and

persistence of the car, using a broad range of material including novels, poems, films, and songs to unearth the desires that shaped our present "car society." Combining social, psychological, and structural explanations, the author concludes that the ability of cars to convey transcendental experience, especially for men, explains our attachment to the vehicle.

New York Magazine - 1987-01-26

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Billy Wilder - Glenn Hopp 2003

This biography of director Billy Wilder ("Sunset Boulevard, Some Like it Hot") contains movie posters, a bibliography and a complete filmography.

Glasnost—Soviet Cinema Responds - Nicholas Galichenko 1991-09-01

With the coming of glasnost to the Soviet Union, filmmakers began to explore previously forbidden themes, and distributors released films that were suppressed by pre-glasnost-era censors. Soviet cinema underwent a revolution, one that mirrors and helps interpret the social revolution that took place throughout the USSR. *Glasnost—Soviet Cinema Responds* is the first overall survey of the effects of this revolution on the work of Soviet filmmakers and their films. The book is structured as a series of three essays and a filmography of the directors of glasnost cinema. The first essay, "The Age of Perestroika," describes the changes that occurred in Soviet cinema as it freed itself from the legacy of Stalinism and socialist realism. It also considers the influence of film educator and director Mikhail Romm. "Youth in Turmoil" takes a sociological look at films about youth, the most dynamic and socially revealing of glasnost-era productions. "Odysseys in Inner Space" charts a new direction in Soviet cinema as it focuses on the inner world of individuals. The filmography includes thirty-three of the most significant glasnost-era directors, including Tengiz Abuladze, Karen Shakhnazarov, and Sergei Soloviev, with a comprehensive list of their films. Discussions of many individual films, such as *Repentance*, *The Messenger Boy*, and *The Wild Pigeon*, and interviews with the directors reveal the effects that glasnost and perestroika have had on the directors' lives and art.

Hot, Flat, and Crowded - Thomas L. Friedman 2013-05-16

"Bumi menjadi Panas (Hot) karena kemajuan teknologi telah mempercepat laju peningkatan emisi gas-gas rumah kaca ke atmosfer yang menghambat pelepasan hawa panas dari bumi ke ruang angkasa. Bumi menjadi Rata (Flat) karena kemajuan teknologi komunikasi dan transportasi memungkinkan siapa pun, di mana pun, dapat saling berhubungan dan saling bersaing dalam segala hal dengan mudah sehingga seolah-olah bumi seperti berada di atas sebuah pinggan yang datar. Bumi menjadi Penuh Sesak (Crowded) karena penduduk yang makin banyak, akibat keberhasilan upaya menekan angka kematian, dan industrialisasi, bertumpuk di kawasan perkotaan dan sekitarnya tanpa upaya yang seimbang dalam pembenahan sarana dan prasarana. Adakah

yang bisa kita lakukan agar dunia tetap menjadi tempat di mana burung bisa terbang dan menyanyi, tempat kita bisa menghirup udara yang bersih, tempat kita tidak takut tenggelam atau takut mengalami kekeringan yang membakar, tempat kita bisa membangun keluarga yang berkecukupan?"

Avengers Assemble! - Terence McSweeney 2018-03-27

We are living in the age of the superhero and we cannot deny it.

Avengers Assemble! is a vibrant and theoretically informed interrogation of one of the defining and most financially successful film franchises of the new millennium. In the first single-authored monograph on the topic of the Marvel cinematic universe, Terence McSweeney asks, "Why has the superhero genre reemerged so emphatically in recent years?" In an age where people have stopped going to the cinema as frequently as they used to, they returned to it in droves for the superhero film. What is it about these films that has resonated with audiences all around the globe? Are they just disposable pop culture artifacts or might they have something interesting to say about the fears and anxieties of the world we live in today? Beginning with *Iron Man* in 2008, this study provocatively explores both the cinematic and the televisual branches of the series across ten dynamic and original chapters from a diverse range of critical perspectives which analyse their status as an embodiment of the changing industrial practices of the blockbuster film and their symbolic potency as affective cultural artifacts that are profoundly immersed in the turbulent political climate of their era.

The Lara Flynn Boyle Handbook - Everything You Need to Know about Lara Flynn Boyle - Emily Smith 2013-04-01

Lara Flynn Boyle (born March 24, 1970) is an American film and television actress best known for her performances as Laura Palmer's best friend Donna Hayward in *Twin Peaks* and Assistant District Attorney Helen Gamble in *The Practice*.
