Bookmarks Are People Too!

#1 - Henry Winkler 2014-02-06

Hank stars the same Hank as in the bestselling Hank Zipzer series, only this time he's in 2nd grade! Hank is a kid who doesn't try to be funny, but he somehow always makes the kids in his class laugh. He's pretty bad at memorizing stuff, and spelling is his worst subject. (But so are math and reading!) In the first book in this new series, Hank's class is putting on a play, and Hank wants the lead part: Aqua Fly. But he freezes in his audition and can only buzz like a fly. His teacher creates a special part for Hank, a silent bookmark.

This may seem like an insignificant role, but when his enemy, Nick McKelty, freezes during the performance, it's up to Hank to save the play!

The Royals Next Door - Karina Halle 2021-08-31

One of PopSugar's Top Summer Reads of 2021! An ordinary summer goes royally awry when a prince and princess move next door, bringing their handsome bodyguard with them, from New York Times bestselling author Karina Halle. Piper Evans: elementary school teacher by day--avid romance reader and anonymous podcaster by night. She has a quiet, reclusive life, taking care of her mother, who lives with mental illness, avoiding her regrettable ex, who bartends in town, and trying to make inroads in the tight-knit island community that still sees her, five years in, as an outsider. And she's happy with how things are--really--until British royals rent the property next to hers and their brooding bodyguard decides she's a security threat. Piper quickly realizes that one person's fairy

tale is an ordinary woman's nightmare as a media frenzy takes over the island and each run-in with Harrison Cole is hotter and more confusing than the last. But beneath Harrison's no-nonsense exterior lies a soft heart, one that could tempt a woman who's sworn off attachments into believing in white knights. But when Piper finds herself smack in the middle of a royal scandal that rocks the island she'll need more than Harrison's strong arms to shield her--she'll have to do a little rescuing herself. With careers, hearts, and friendships on the line, Piper and Harrison will have to decide what they're willing to give up for a chance at their own happily ever after.

A devastatingly large number of people in America cannot read as well as they need for success in life. With literacy

problems plaguing as many as four in ten children in America, this book discusses how best to help children succeed in reading. This book identifies the most important questions and explores the authoritative answers on the topic of how children can grow into readers, including: What are the key elements all children need in order to become good readers? What can parents and caregivers provide all children so that they are prepared for reading instruction by the time that they get to school? What concepts about language and literacy should be included in beginning reading instruction? How can we prevent reading difficulties starting with infants and into the early grades? What to ask school boards, principals, elected officials, and other policy makers who make decisions regarding early reading instruction. You'll find out how to help youngsters build word recognition, avoid comprehension problems, and moreâ€"with checklists of specific accomplishments to be expected at different ages: for

very young children, for kindergarten students, and for first, second, and third grade students. Included are 55 activities to do with children to help them become successful readers, a list of recommended children's books, and a guide to CD-ROMs and websites. Great strides have been made recently toward identifying the best ways to teach children to read. Starting Out Right provides a wealth of knowledge based on a summary of extensive research. It is a "must read" for specialists in primary education as well as parents, pediatricians, child care providers, tutors, literacy advocates, policy makers, and teachers.

Lost in the Sun - Lisa Graff
2016-04-26

From the author of A Tangle of Knots and Absolutely Almost, a touching story about a boy who won't let one tragic accident define him. Everyone says that middle school is awful, but Trent knows nothing could be worse than the year he had in fifth grade, when a freak accident on Cedar Lake left one kid dead, and Trent with a brain full of terrible thoughts he can't get rid of. Trent's pretty positive the entire disaster was his fault, so for him middle school feels like a fresh start, a chance to prove to everyone that he's not the horrible screw-up they seem to think he is. If only Trent could make that fresh start happen.

Reading Fluency - Timothy Rasinski 2021-01-21

Reading fluency has been identified as a key component of proficient reading. Research has consistently demonstrated significant and substantial correlations between reading fluency and overall reading achievement. Despite the great potential for fluency to have a significant outcome on students' reading achievement, it continues to be not well understood by teachers, school administrators and policy makers. The chapters in this volume examine reading fluency from a variety of perspectives. The initial

chapter sketches the history of fluency as a literacy instruction component. Following chapters examine recent studies and approaches to reading fluency, followed by chapters that explore actual fluency instruction models and the impact of fluency instruction. Assessment of reading fluency is critical for monitoring progress and identifying students in need of intervention. Two articles on assessment, one focused on word recognition and the other on prosody, expand our understanding of fluency measurement. Finally, a study from Turkey explores the relationship of various reading competencies, including fluency, in an integrated model of reading. Our hope for this volume is that it may spark a renewed interest in research into reading fluency and fluency instruction and move toward making fluency instruction an even more integral part of all literacy instruction.

Most Anticipated YA by BuzzFeed A fresh spin on the cult-classic Election meets Darius the Great Is Not Okay in Jasmine Zumideh Needs a Win when an international incident crashes into a high school election, and Jasmine is caught between doing the right thing and chasing her dream. It's 1979, and Jasmine Zumideh is ready to get the heck out of her stale, Southern California suburb and into her dream school, NYU, where she'll major in journalism and cover New York City's exploding music scene. There's just one teeny problem: Due to a deadline snafu, she maaaaaaybe said she was Senior Class President-Elect on her application—before the election takes place. But honestly, she's running against Gerald Thomas, a rigid rule-follower whose platform includes reinstating a dress code—there's no way she can lose. And she better not, or she'll never get into NYU. But then, a real-life international incident turns the election upside down. Iran suddenly

dominates the nightly news, and her opponent seizes the opportunity to stir up anti-Iranian hysteria at school and turn the electorate against her. Her brother, Ali, is no help. He's become an outspoken advocate for Iran just as she's trying to downplay her heritage. Now, as the white lie she told snowballs into an avalanche, Jasmine is stuck between claiming her heritage or hiding it, standing by her outspoken brother or turning her back on him, winning the election or abandoning her dreams for good. Told with biting insight and fierce humor, Susan Azim Boyer's Jasmine Zumideh Needs a Win is a fresh, unforgettable story of one Iranian-American young woman's experience navigating her identity, friendship, family, her future, and a budding romance, all set against life-changing historical events with present-day relevance.
