Growing Together - Jeffrey L. Schein 2001

□□□□ □□□□ - Jonathan Sacks 2009

The Koren siddur, originally published in 1981, has been completely re-typeset for maximum clarity and legibility. Teams of rabbis, scholars, and designers from Israel, North America, and Britain have worked for nearly three years updating and researching every subtlety of the Hebrew text. Rabbinic experts and gabbaim have reviewed all the halachic issues and nuances that distinguish prayer in Israel from prayer in the Diaspora. Proudly reflecting the centrality of Israel, the siddur contains prayers for the Jewish state, its soldiers, and holidays. With a poetic English translation and illuminating commentary by the outstanding teacher of English-speaking Jewry, Chief Rabbi Sir Jonathan Sacks, this siddur will inspire prayerful devotion. Compact size is ideal for students, travel, and in talit and tefilin bags, covered in dark slate Skivertex soft cover binding.

How to Be a Jewish Parent - Anita Diamant 2007-08-07

How can I make the holidays interesting and meaningful to my child? Should I send my child to a Jewish day school? A Jewish summer camp? What kind of synagogue is best for my family? How do I plan a family trip to Israel or add Jewish heritage sites when traveling around the country or around the world? If you are, or hope to be, a Jewish parent in more

than name, you have a lot of decisions to make. So many choices! But you can have no better guide to this wealth of opportunity than Anita Diamant. The author of popular books on Jewish weddings and baby rituals, Diamant now joins with family therapist Karen Kushner to help you through the next steps. They give creative, practical answers to these and many other questions, provide guidance on how to foster Jewish decision making for children of all ages, describe how to make your home a "Jewish space," and explain the importance of synagogue membership, holiday celebrations, community service, and other family activities. Diamant and Kushner draw from many sources to describe the practices, customs, and values that go into creating a Jewish home. They combine insights from Jewish tradition with contemporary developmental thinking about how children learn and grow. They provide addresses (including Web sites) where you can find specific information and other resources. And since experience may be the best of all teachers, they share their own and other parents' stories and observations. For Diamant and Kushner, the number-one goal of *How to Be a Jewish Parent* is to give parents (and grandparents) guideposts to raising joyful children within the rich tradition of the Jewish faith and culture. No Jewish family should be without it. From the Hardcover edition.

Siddur Hatefillah - Eliezer Schweid 2022-08-30

Hebrew University Professor Emeritus and Israel Prize recipient Eliezer Schweid (1929-2022) is widely regarded as one of the greatest historians

of Jewish thought of our era. In *Siddur Hatefillah*, he probes the Jewish prayer book as a reflection of Judaism's unity and continuity as a unique spiritual entity; and as the most popular, most uttered, and internalized text of the Jewish people. Schweid explores texts which process religious philosophical teaching into the language of prayer, and/or express philosophical ideas in prayer's special language - which the worshipper reflects upon in order to direct prayer, and through which flows hoped-for feedback. With the addition of historical, philological, and literary contexts, the study provides the reader with first-time access to the comprehensive meaning of Jewish prayer—filling a vacuum in both the experience and scholarship of Jewish worship.

Coming of Age in Jewish America - Patricia Keer Munro 2016-05

The Jewish practice of bar mitzvah dates back to the twelfth century, but this ancient cultural ritual has changed radically since then, evolving with the times and adapting to local conditions. For many Jewish-American families, a child's bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family's ongoing connection to the core values of Judaism. Coming of Age in Jewish America takes an inside look at bar and bat mitzvahs in the twenty-first century, examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition. Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies, from family members to religious educators to rabbis, Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue. In the course of her study, she charts how this ritual is rife with contradictions; it is a private family event and a public community activity, and for the child, it is both an educational process and a high-stakes performance. Through detailed observations of Conservative, Orthodox, Reform, and independent congregations in the San Francisco Bay Area, Munro draws intriguing,

broad-reaching conclusions about both the current state and likely future of American Judaism. In the process, she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices, but also how these rituals continue to shape a distinctive Jewish-American identity.

Contemporary Jewish Writing - Andrea Reiter 2013-11-12

This book examines Jewish writers and intellectuals in Austria, analyzing filmic and electronic media alongside more traditional publication formats over the last 25 years. Beginning with the Waldheim affair and the rhetorical response by the three most prominent members of the survivor generation (Leon Zelman, Simon Wiesenthal and Bruno Kreisky) author Andrea Reiter sets a complicated standard for 'who is Jewish' and what constitutes a 'Jewish response.' She reformulates the concepts of religious and secular Jewish cultural expression, cutting across gender and Holocaust studies. The work proceeds to questions of enacting or performing identity, especially Jewish identity in the Austrian setting, looking at how these Jewish writers and filmmakers in Austria 'perform' their Jewishness not only in their public appearances and engagements but also in their works. By engaging with novels, poems, and films, this volume challenges the dominant claim that Jewish culture in Central Europe is almost exclusively borne by non-Jews and consumed by non-Jewish audiences, establishing a new counter-discourse against resurging anti-Semitism in the media.

The topics are Jewish commitment, organizational structure, religion, education, culture, welfare and defense, Israel and world Jewry, constitutional documents, and future prospects.
