Pretend You Love Me - Julie Anne Peters 2011-08-10
In this fresh, poignant novel (originally published under the title Far From Xanadu), Mike is struggling to come to terms with her father's suicide and her mother's detachment from the family. Mike (real name: Mary Elizabeth) is gay and

likes to pump iron, play softball, and fix plumbing. When a glamorous new girl, Xanadu, arrives in Mike's small Kansas town, Mike falls in love at first sight. Xanadu is everything Mike is not -- cool, confident, feminine, sexy.... straight. Julie Anne Peters has written a heartbreaking yet ultimately hopeful novel that will speak to anyone who has ever fallen in love with someone who can't love them back.

The Image of the City - Kevin
Lynch 1964-06-15

The classic work on the
evaluation of city form. What
does the city's form actually
mean to the people who live
there? What can the city
planner do to make the city's
image more vivid and
memorable to the city dweller?
To answer these questions, Mr.
Lynch, supported by studies of
Los Angeles, Boston, and
Jersey City, formulates a new
criterion—imageability—and
shows its potential value as a
guide for the building and
rebuilding of cities. The wide
scope of this study leads to an
original and vital method for
the evaluation of city form. The
architect, the planner, and

certainly the city dweller will
all want to read this book.

When Football Went to War
- Todd Anton 2013-11-15

More than any other sport,
professional football
contributed fighting men to the
battles of World War II, and the
22 or so players or former
players that lost their lives are
among the riveting stories told
in this tribute to football's war
heroes that spans many
decades and military conflicts.
The National Football League
counts three Congressional
Medal of Honor recipients
among its honors, along with
numerous Silver Stars,
Distinguished Flying Crosses,

and Purple Hearts. When Football Went to War offers a ground-breaking look at football—college and professional football alike—and many of the wartime heroes who came off the field of play to fight for their country. Detailed biographies of those who gave their lives are supplemented by many other stories of wartime heroism, from World War I through to Pat Tillman's tragic death in the Global War on Terrorism. Football has become the most popular sport in America and this heartfelt book honors the many sacrifices of NFL athletes over the years in service of their country.

Born to Run - Christopher McDougall 2011-03-29
NATIONAL BESTSELLER •
The astonishing and hugely entertaining story that completely changed the way we run. An epic adventure that began with one simple question: Why does my foot hurt? "Equal parts quest, physiology treatise, and running history.... The climactic race reads like a

sprint.... It simply makes you want to run." —Outside Magazine
Isolated by Mexico's deadly Copper Canyons, the blissful Tarahumara Indians have honed the ability to run hundreds of miles without rest or injury. In a riveting narrative, award-winning journalist and often-injured runner Christopher McDougall sets out to discover their secrets. In the process, he takes his readers from science labs at Harvard to the sun-baked valleys and freezing peaks across North America, where ever-growing numbers of ultra-runners are pushing their bodies to the limit, and, finally, to a climactic race in the Copper Canyons that pits America's best ultra-runners against the tribe. McDougall's incredible story will not only engage your mind but inspire your body when you realize that you, indeed all of us, were born to run. Look for Born to Run 2, coming in December!

Victory in Defeat - Gregory Urwin 2011-01-15

Downloaded from
nbsolutions.com on by
guest

Told here for the first time in vivid detail is the story of the defenders of Wake Island following their surrender to the Japanese on December 23, 1941. The highly regarded military historian Gregory Urwin spent decades researching what happened and now offers a revealing look at the U.S. Marines, sailors, soldiers, and civilian contractors in captivity. In addition to exhaustive archival research, he interviewed dozens of POWs and even some of their Japanese captors. He also had access to diaries secretly kept by the prisoners. This information has allowed Urwin to provide a nuanced look at the Japanese guards and how the Americans survived three-and-a-half years in captivity and emerged with a much lower death rate than most other Allied personnel captured in the Pacific. In part, Urwin says, the answer lies in the Wake Islanders' establishment of life-saving communities that kept their dignity intact. Their mutual-help networks encouraged

those who faltered under physical and psychological torture, including what is today called water boarding. The book notes that the Japanese camp official responsible for that war crime was sentenced to life imprisonment by an American military tribunal. Most Wake Islanders spent the war at two camps just outside Shanghai, one of the few places where Japanese authorities permitted the Red Cross to aid prisoners of war. The author also calls attention to the generosity of civilians in Shanghai, including Swiss diplomats and the American and British residents of the fabled International Settlement, who provided food and clothing to the prisoners. In addition, some guards proved to be less vicious than those stationed at other POW camps and occasionally went out of their way to aid inmates. As the first historical work to fully explore the captivity of Wake Island's defenders, the book offers information not found in other World War II histories.

The Book of Everyday
Instruction - Chloe Bass
2018-11-11

In 2015 conceptual artist Chloë Bass began a chronicle of one-on-one social interactions, beginning with the question "How do we know when we're really together?" Through performance, interactive experience, text installation, interview and photography, Bass explores the pair relationship, expanding ideas of place, history, activity, and distance

Crafting Secular Ritual -
Jeltje Gordon-Lennox
2016-11-21

Answering the call for new rituals in our secular age, this book recognises the essential importance of rituals to the psychological, physical and spiritual health of individuals, families, organisations, and society as a whole. The book examines and explains the history, function and place of emerging rituals in different cultures, as well as providing practical guidance for creating your own secular rituals. The author includes examples, risk

factors and checklists for the stages of planning new rituals for life events such as birth, marriage, and death, as well as for public occasions such as graduation and protest marches.

America's White Table -
Margot Theis Raven
2013-08-15

The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table Katie comes to understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table... but it felt as big as America when we helped Mama put each item on it and she told us why it was so

important. "We use a Small Table, girls," she explained first, "to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty." "We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return," she continued. "We push an Empty Chair to the table for the missing soldiers who are not here..." Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for 30 years. Margot's first children's book, Angels in the Dust, won five national awards, including an IRATeacher's Choice Award. Her first book with Sleeping Bear Press, Mercedes and the Chocolate Pilot, was the runner-up for the 2004 Texas Bluebonnet Award. She lives with her family in Charleston, South Carolina. Mike Benny's illustrations have appeared in

Time, GQ, New Yorker and Sports Illustrated Magazines. He has also been awarded two Gold Medals from the Society of Illustrators. This is Mike's first children's book. He lives in Austin, Texas with his wife Mary Ann and daughter Adele. Charges and Specifications - 1973

Feminism in the Be-Dazzling Nineties.

The Mexican American Orquesta - Manuel Peña 1999

The Mexican American orquesta is neither a Mexican nor an American music.

Relying on both the Mexican orquesta and the American dance band for repertorial and stylistic cues, it forges a synthesis of the two. The ensemble emerges historically as a powerful artistic vehicle for the expression of what Manuel Peña calls the "dialectic of conflict."

Grounded in ethnic and class conflict, this dialectic compels the orquesta and its upwardly mobile advocates to waver between acculturation and ethnic resistance. The musical result: a complex mesh of cultural elements—Mexican and American, working- and middle-class, traditional and contemporary. In this book, Manuel Peña traces the evolution of the orquesta in the Southwest from its beginnings in the nineteenth century through its pinnacle in the 1970s and its decline since the

1980s. Drawing on fifteen years of field research, he embeds the development of the orquesta within a historical-materialist matrix to achieve the optimal balance between description and interpretation. Rich in ethnographic detail and boldly analytical, his book is the first in-depth study of this important but neglected field of artistic culture.

The Psychic Life of Power - Judith Butler 1997

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and

psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

Robert's Rules of Order Newly Revised In Brief, 3rd edition - Henry M. Robert III
2020-09-01

A short, concise and user-friendly guide to the essential procedures of conducting a meeting, written by the authors of Robert's Rules of Order Newly Revised, the only authorized edition of the classic work on parliamentary procedure Originally published in 1876, General Henry M. Robert's guide to smooth, orderly, and fairly conducted meetings has sold over six million copies in eleven editions. Robert's Rules of Order is the book on parliamentary proceedings, yet those not well versed on what has now become a rather thick document can find themselves lost-and delayed-while trying to locate the most important rules. The solution? Robert's Rules of Order Newly Revised in Brief. Written by the same

authorship team behind the officially sanctioned Robert's Rules of Order, this short and user-friendly edition takes readers through the rules most often needed at meetings--from debates to amendments to nominations. With sample dialogues and a guide to using the complete edition, Robert's Rules of Order Newly Revised in Brief is the essential handbook for parliamentary proceedings.

The Apocalypse of Abraham

- George Herbert Box

2017-06-15

Considered by many to be 'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.

For the Love of Harlan - C O Lamp 2006-04

75-year-old Jack Barret returned for the office Christmas party and met Cydny, less than half his age. They loved dancing and entered a relationship. Cyd had multiple secrets. As a baby, someone abandoned her on a roadside near Harlan, Iowa. Now an accountant in Phoenix, she had changed her name. Cyd had a darker secret she dared not reveal to anyone. Housewives, Barbara, Jackie and Monica, who paid blackmail for years, decided to silence the blackmailer. Meanwhile, Monica's son, Ken Shubert, a reporter on a small town newspaper, sought an older sister that his mother refused to admit existed. His search included State Senator Sleightman, now seeking election to Congress. The Senator used desperate measures to prevent the discovery of his extra-marital daughter, and more sinister extremes to conceal the daughter of his wife, of whom he was not the father. Could Cyd can find happiness while searching for identity in this

[Sylvania, Lucas County, Ohio](#); -

Gayleen Gindy 2018-07-17

Join the author in reliving Sylvania's over 180 years of history, from footpaths to expressways and beyond, in volume seven of an eight-volume set. With over thirty years of research, she has included every subject imaginable that helped bring Sylvania to where they are today, with excellent schools, over-the-top parks and recreation, rich and beautiful homes, commercial and

industrial businesses, and a quaint historical downtown that looks like it was planned by Norman Rockwell himself. This book is a treasure trove of information for the thousands who have ancestors that once lived and helped Sylvania grow through these years. Located in northwestern Ohio, Sylvania is a suburb of Toledo, Ohio, and for many years has been known as the fastest growing suburb in Lucas County. A once-rural farm community between both the city and township, they have grown from a combined 2,220 residents in 1910 to 48,487 in 2010. Over a short period, the land has transformed into beautiful subdivisions of grand houses so that now their subdivision names are all that remain to remind them of their once-dense forests and sprawling farmlands. No longer can Sylvania be called the bedroom community of Toledo because over the last fifty years, they have done a lot more than sleep.

A Little History of the World

- E. H. Gombrich 2014-10-01
E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his

mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.
