**The Invention of Africa:
Gnosis, Philosophy, and the
Order of Knowledge** - Vy

Mudimbe 2020-01-21

"... groundbreaking... clear,
straightforward, and
economical.... seminal... "

—American Anthropologist

"This is a challenging book... a
remarkable contribution to
African intellectual history."

—International Journal of
African Historical Studies

"Mudimbe's description of the
struggles over Africa's self-
invention are vivid and
rewarding. From Blyden to

Sartre, Temples to Senghor,
Mudimbe provides a bold and
versatile resume of Africa's

literary inventors." —Village
Voice Literary Supplement "...

a landmark achievement in
African studies." —Journal of

Religion in Africa In this
unique and provocative book,

Zairean philosopher and writer
V. Y. Mudimbe addresses the

multiple scholarly discourses
that exist—African and non-
African—concerning the

meaning of Africa and being
African.

of Stigmatics in Europe, C. 1800-1950 - Tine Van

Osselaer 2021

"In the nineteenth century a new type of mystic emerged in Catholic Europe. While cases of stigmatisation had been reported since the thirteenth century, this era witnessed the development of the 'stigmatic': young women who attracted widespread interest thanks to the appearance of physical stigmata. To understand the popularity of these stigmatics we need to regard them as the 'saints' and religious 'celebrities' of their time. With their 'miraculous' bodies, they fit contemporary popular ideas (if not necessarily those of the Church) of what sanctity was. As knowledge about them spread via modern media and their fame became marketable, they developed into religious 'celebrities'"--

Laughing Atoms, Laughing Matter - T.H.M. Gellar-Goad
2020-03-02

"The aim of this study is to track *De Rerum Natura* along two paths of satire. One is the broad boulevard of satiric literature from the beginnings of Greek poetry to the plays, essays, and broadcast media of the modern world. The other is the narrower lane of Roman verse satire, *satura*, whose canon begins in the Middle Republic with Ennius and Lucilius and closes with Juvenal, an author of the Flavian era. The first main portion of this book (chapters 2-3) focuses on Lucretius and Roman *satura*, while the following chapters broaden the scope to satiric elements of Lucretius more generally, but still with plenty of reference to the poets of Roman *satura* as satirists par excellence. By examining how Lucretius' poem employs the tools, techniques, and tactics of satire-by evaluating how and where in *De Rerum Natura* the speaker functions as a satirist-we gain, I argue, a fuller,

richer understanding of how the poem works and how its poetry interacts with its purported philosophical program. Attention to the role of *De Rerum Natura* in the more specific tradition of Roman verse satire demonstrates that Lucretius' poem stands as a detour on the genre's highway, a swerve in the trajectory of *satura*. The numerous satiric passages and frequently satiric narrator of *De Rerum Natura* draw on earlier Roman satire, and in turn the poem influences the later satiric verse of Horace, Persius, and Juvenal. While *De Rerum Natura* is not in and of itself a member of the Roman genre of satire, it is an important player in the genre's development"--

Between Past and Future -

Hannah Arendt 2006-09-26

From the author of *Eichmann in Jerusalem* and *The Origins of Totalitarianism*, "a book to think with through the political impasses and cultural confusions of our day"

(Harper's Magazine) Hannah

Arendt's insightful observations of the modern world, based on a profound knowledge of the past, constitute an impassioned contribution to political philosophy. In *Between Past and Future* Arendt describes the perplexing crises modern society faces as a result of the loss of meaning of the traditional key words of politics: justice, reason, responsibility, virtue, and glory. Through a series of eight exercises, she shows how we can redistill the vital essence of these concepts and use them to regain a frame of reference for the future. To participate in these exercises is to associate, in action, with one of the most original and fruitful minds of the twentieth century.
