[The Story of Redemption](#) - Ellen G. White 2002

Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with man from the garden of Eden to the return of Christ and beyond.

Tribulation Force - Tim LaHaye 2011-03-16

Rayford Steele and Cameron "Buck" Williams find themselves pressed into service for the man they believe could be the Antichrist. Nicolae Carpathia takes over the United Nations, signs a peace treaty with Israel, and begins to lure the nations of earth together to form one global village. As believers band together following the Rapture, their peaceful world is destroyed again when global war erupts. A repackage of the New York Times best-selling second book in the Left Behind series.

[Revelation](#) - 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

[Doodle Through the Bible for Kids](#) - 2016-04-01

Inspire kids to doodle and dawdle in God's Word, and you open the door to a refreshing and clever new way for them to experience the Bible. When kids ages 8 to 12 years doodle their way through the Old and New Testaments, they will better remember God's Word, visualize spiritual truth, and put it all into practice when a life moment calls for it. With loads of humor and a big dose of fun, cartoonist Jonny Hawkins encourages kids to add their creative touches to his sketches as they explore Bible verses that speak into their lives.

[The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy](#) - Ellen G. White 2020-02-20

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of

happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

The Church School Journal - 1902

[The Lost Gospel](#) - Simcha Jacobovici 2014-11-12

Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

[Little Voices Praise Him](#) - 2005-10

[Celebration of Discipline](#) - Richard J. Foster 1988-10-05

In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities—and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

The Time Line New Testament - Leonard R. Hoffman 2022-11-15
InvalidTag charset="utf-8" The New Testament is so much more than you've been taught! Are you ready to discover the truth? Through a lifetime of research, Dr. Leonard Hoffman is able to reveal the true order and sequence of events in the New Testament in the letters of Paul and the Gospels. The Time Line New Testament presents a historically accurate timeline of the events of the entire New Testament. Go beyond the "Christian owner's manual" view of the New Testament as you follow Christ and His disciples through the years of His ministry on earth. Discover new insights and truths long obscured throughout the letters of Paul, as you travel with him on his journeys among the early churches. Your eyes will be opened as you see the New Testament in a new light and discover deeper truths that reveal the answers to questions such as: What did Paul really teach about persecution, and how can it help you today? What can you learn from First Century believers? What were the true foundational teachings of the First Century Church, and how can you bring those teachings to life in your life? How did Gentile churches survive those early years, and what lessons can the Modern Church learn from them? What are the real issues the Early Church faced, and how should we deal with those same issues today? Let the New Testament come to life in you as your faith is strengthened and your eyes opened to the true stories of conflict, grace, struggle, and overcoming through The Time Line New Testament.

Our Bodies, Their Battlefields - Christina Lamb 2020-09-22

From Christina Lamb, the coauthor of the bestselling *I Am Malala* and an award-winning journalist—an essential, groundbreaking examination of how women experience war. In *Our Bodies, Their Battlefields*, longtime intrepid war correspondent Christina Lamb makes us witness to the lives of women in wartime. An award-winning war correspondent for twenty-five years (she's never had a female editor) Lamb reports two wars—the “bang-bang” war and the story of how the people behind the lines live and survive. At the same time, since men usually act as the fighters, women are rarely interviewed about their experience of wartime, other than as grieving widows and mothers, though their experience is markedly different from that of the men involved in battle. Lamb chronicles extraordinary tragedy and challenges in the lives of women in wartime. And none is more devastating than the increase of the use of rape as a weapon of war. Visiting warzones including the Congo, Rwanda, Nigeria, Bosnia, and Iraq, and spending time with the Rohingya fleeing Myanmar, she records the harrowing stories of survivors, from Yazidi girls kept as sex slaves by ISIS fighters and the beekeeper risking his life to rescue them; to the thousands of schoolgirls abducted across northern Nigeria by Boko Haram, to the Congolese gynecologist who stitches up more rape victims than anyone on earth. Told as a journey, and structured by country, *Our Bodies, Their Battlefields* gives these women voice. We have made significant progress in international women's rights, but across the world women are victimized by wartime atrocities that are rarely recorded, much less punished. The first ever prosecution for war rape was in 1997 and there have been remarkably few convictions since, as if rape doesn't matter in the reckoning of war, only killing. Some courageous women in countries around the world are taking things in their own hands, hunting down the war criminals themselves, trying to trap them through Facebook. In this profoundly important book, Christina Lamb shines a light on some of the darkest parts of the human experience—so that we might find a new way forward. *Our Bodies, Their Battlefields* is as inspiring and empowering as it is urgent, a clarion call for necessary change.
